Breaking News

Recently, we had a confirmed case of viral meningitis on campus. Of our student was treated at a hospital as a result. The college has taken extra care to wipe down surfaces. Also, if you have any questions, please contact the Student Life Office.

The Symptoms of viral meningitis usually last from 7 to 10 days and the symptoms are similar to those of other viral infections, including fever, headache, vomiting, body aches, and stiff neck. Your child's doctor may order tests to help make a diagnosis. It is important to seek medical attention if you notice any of these symptoms.

The Results Are In!

Thank you to all the parents who took the time to fill out the Parent Survey last December! We have received some great responses and we are already at work trying to make improvements based on your feedback. We're also excited to announce that the college has increased the number of programs and activities offered on campus to get students more involved and allow them more opportunities for personal growth. We're very pleased with the response we have received so far and we will continue to work hard to improve our services.

The Honeymoon's Over

So far the winter has been pretty mild! While we hope that the mild weather continues and we will continue to try to improve our services throughout the semester and over the summer. We hope that you and your children enjoy the rest of the academic year.

Important Dates

January
- Resume Workshop, Career lab, 3 p.m.
- Note Taking Workshop, 2
- Presidents' Day - No classes
- Career lab, 3 p.m.
- Note Taking Workshop, 2
February
- Zumba, Franciscan U., 4 p.m.
- 1 – Take a Stand, 218 Hayes Hall Atrium, 6 p.m.
- Take a Stand, 218 Hayes Hall Atrium, 6 p.m.
- Zumba, Franciscan U., 4 p.m.
- Women's basketball vs. Franciscan U., 4 p.m.
