In recognition of one of the core values of AMCC membership, the conference is kicking off NCAA Division III Week by announcing the members of the AMCC All-Sportsmanship Team.

After each season, student-athletes vote on their team's nomination to the All-Sportsmanship Team. The honor is open to members of every team in an AMCC championship sport. The student-athlete selected must consistently demonstrate a high level of ethical conduct, respect and fair play in both practice and competition, whether on the sidelines or as an active competitor. Such sportsmanship shall be evident toward teammates, coaches, opponents, officials and fans. He/She must also serve as a positive representative of school spirit when a spectator at other teams' sporting events.
