Visiting Team Information

Facilities: Hilbert College’s Hafner Recreation Center hosts the Athletic Department’s office suite. The 1,200 seat gymnasium is home to the men’s and women’s basketball and volleyball teams. The College maintains a varsity game as well as a practice field which are home to the men’s and women’s soccer teams and men’s lacrosse team. Also located right on campus is a softball and baseball diamond.

Athletic Trainer: Curt Campbell, A.T.,C can be reached at 716-926-8806 or e-mailed at ccampbell@hilbert.edu.

Training Room: The training room will be available ninety (90) minutes prior to any contest. Teams that do not travel with an athletic trainer should contact Curt Campbell at least 48 hours prior to event date with any special needs for the visiting team. Teams are required to bring their own training kit and athletic supplies.

Directions: enclosed

Event Manager: A Hilbert College athletic administrator acts as the event manager for each home game. This individual will greet the visiting team, will escort the group to their assigned locker room and will collect the locker room key from the visiting team’s coach/manager prior to the team’s departure. The event manager is the visiting team’s point of contact should an issue develop which requires assistance.

Game Officials: All officials are assigned by the local boards of officials or Allegheny Mountain Collegiate Conference’s approved designated assignors.

Locker rooms: Visiting teams will be assigned locker rooms by the Event Manager. Each team will be given a key to their locker room so they may secure their belongings. At times, both a men’s and a women’s visiting team may have to share one locker room during their stay. No towels or soap will be provided.

Media Requests: All requests for working press, radio, television and photograph passes should be made as early as possible to Kara Rehbaum, Sports Information Director, by calling 716-926-8805 or e-mailing ‘sportsinformation@hilbert.edu’.

Parking: 56-passenger buses can maneuver to each game site on campus via ring road around campus. Outside sports team buses should park in a lot which is close to their field of competition. Participants competing in the Hafner Recreation Center should be dropped off by the Center and the buses should park in the lot by the Game Field in the back of campus. Spectator parking can be found in lots around the fields of play. There are no parking tickets issued during home sporting events. At no time should there be bus or fan parking along ring road.

Practice Times: Teams are required to forward practice time requests to Facilities Coordinator. Due to multiple team usage, we ask that all requests be submitted 14 days prior to the event date.

Sports Information: Game day rosters/programs will be available to visiting teams and fans. Statcrew game files will be available and posted on-line following the completion of each game. Visiting men’s and women’s volleyball stats will be collected following the completion of the match and will entered into statcrew by Hilbert SID. The match files will be e-mailed to visiting team’s SID if the visiting school supplies the information.

Water: Water and ice will be provided for all contests.
