General Security Information

In 2014-2015, 1098 students enrolled at Hilbert College. There were 64 undergraduates that resided in St. Joseph's Hall, 133 undergraduates in Trinity Hall, 67 undergraduates in the Hilbert Apartments, and no undergraduates in the off-campus Housing, a total of 264 Resident Students. The College employed 44 full-time faculty and 90 part-time faculty. The College also employed 140 staff members.

Students, faculty, and employees have access to academic, recreational, and administrative facilities on campus during regular hours of operation. Access to the residence halls, however, is limited to students and their guests according to a guest procedure presented in the College Handbook. Access to the residence halls by the college employees is on an "as needed" basis and incorporates access procedures through facilities.

The public can attend cultural and recreational events on campus with their access limited only to the facilities in which these events are held. To report any violations of this policy or to report suspicious persons, dial cellular phone 479-1233 for the Campus Safety Officer.

Campus Safety Department

Hilbert College maintains a Campus Safety Department that provides 24-hour coverage, 365 days a year. The mission of the department is to assist and protect all individuals on campus, protect college property, report and respond to infractions and provide uniform parking and traffic enforcement. Personnel are enforcing the College policies, rules and regulations set forth by the Administration and the Vice President for Business/Finance. The Campus Safety staff will also work as liaisons with the appropriate local, state, and federal authorities. The department's officers are not police officers, and do not have conventional police authority. However, they do have the authority to temporarily intervene and detain anyone on the campus who is behaving in a disorderly manner, committing a crime, or a danger to himself or herself. Each Campus Safety Officer will be registered with the State of New York as a Security Guard, as well as First Aid- CPR certified. Our officers will have continuous training to upgrade their skills. The Campus Safety Department enforces laws regulating underage drinking and the use of controlled substances and weapons. Our department has a number of full time officers and several part time officers. They conduct foot and vehicular patrols on the campus including the residence hall areas. We also provide escort service for the college community. The objective of the Campus Safety Department is to provide a safe environment for teaching, research and social endeavors and to protect the lives and property of the students, employees and visitors of the College. This objective is pursued within the framework of the College rules and regulations and all local, state and federal laws. The investigation of crimes committed on the campus fall under the jurisdiction of the Campus Safety department. The Campus Safety Department also works closely with the Town of Hamburg Police Department, which assist them with incidents that may occur off campus but involve campus staff or students.

Issuing Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Director of Campus Safety, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through the college e-mail system to students, faculty and staff.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Office of Campus Safety may also post a notice on the campus-wide electronic bulletin board, providing the college community with more immediate notification. In such instances, a copy of the notice is posted in each residence hall. Anyone with information warranting a timely warning should report the circumstances to Campus Safety, by phone 716-479-1233 or in person at the Campus Safety Office, located in the Maintenance Garage.

Emergency Response and Evacuation Procedures

Hilbert College uses E2 Campus notification system, this system sends out a text to our community alerting them to an emergency situation. Also two audible sirens, which are strategically placed on campus, will sound in the event of an emergency. To sign up www.e2campus.com.my/hilbert. Emergency Procedures are posted in all classrooms on campus. Campus Safety will initiate the system, who will in turn notify local law enforcement. In case of an emergency, Hilbert College will initiate this system immediately, unless it compromises efforts to assist victims.

The College has developed an emergency response plan which provides guidelines for preparedness and emergency response programs for various situations that may potentially occur on campus. Extensive efforts have been made to revise the plan and train faculty and staff in its implementation.

The College has installed a siren and will utilize a text message notification system in the event of an emergency. Students are encouraged to sign up for this service on the web at www.e2campus.co/my/hilbert. Emergency procedures are also posted in each classroom on campus as well as in the residence hall and other areas.

Policy on Alcohol and Drugs

The illegal possession and/or use of marijuana, barbiturates, amphetamines, hallucinogenic compounds, narcotics and other controlled substances are in violation of state and federal law. Hilbert College permits the use of alcoholic beverages on campus by those who comply with state law and who adhere to the guidelines established by the College. Students living in the college residence hall who are 21 years of age or older shall be allowed to possess and consume alcoholic beverages in their rooms in compliance with state law and consistent with College regulations pertaining to possession and consumption. Members of the campus community in need of assistance with respect to a question or personal problem regarding alcohol or other drugs should contact the Dean of Students in Franciscan Hall at 649-7900 ext. 231.

Weapons on Campus

Firearms and dangerous weapons of any type are not permitted on campus. Intentional use, possession, or sale of firearms or other dangerous weapons by anyone is strictly forbidden and is a violation of state and federal law, as well as, a violation of the student code of rights and responsibilities. This includes paint ball guns.

Crime Prevention Activities

Members of the campus community are urged to secure their valuables and be aware of their surroundings. To assist in this endeavor, the Campus Safety Department holds educational programs each semester on a variety of topics including personal safety awareness and security, rape prevention awareness training, and anti-theft programs. Information on safety and security is provided on request to students and employees regularly via seminars, videos, posters, brochures and college and student newspapers. Campus Safety services available on campus include campus escort, rape counseling, mental health services, emergency medical and operation identification. Services available through the Campus Safety Department throughout the year include motorist assistance, and lost and found.

The maintenance department is responsible for the campus buildings and grounds with a concern for safety and security. It inspects campus facilities regularly, promptly makes repairs affecting safety and security, and responds immediately to reports of potential safety and security hazards, such as broken windows and locks. If you have any concerns about the physical safety of the campus buildings and grounds, call Gary Dillsworth, Monday through Friday 7:00 a.m. to 3:30 p.m. at 649-7900 ext. 295. For emergencies that occur during non-business hours, call the Campus Safety Department at 479-1233.

Fire Safety

Hilbert College Residence Fire Safety

In accordance with Section 6438 of the NYS Education Law, Hilbert College is providing all resident students with a description of the fire safety measures in College-owned housing.

Both Trinity Hall and St. Joseph Hall, as well as the apartments, are equipped with smoke and heat detectors. All residential buildings have fire alarms which are monitored 24 hours a day, 365 days a year. In addition, all residential buildings are equipped with fire extinguishers and emergency lighting and signage. Fire hydrants are located near all residential buildings. A sprinkler system is present in both Trinity Hall and the apartments. **There is no sprinkler system in St. Joseph Hall.**

Alarm systems are inspected and tested yearly and sprinkler systems are tested quarterly. The College conducts regular fire drills and is subjected to an annual New York State fire inspection.

Students may access the Campus Safety & Fire Report on student housing via the Hilbert College website (www.hilbert.edu). Campus Safety is under the Student Life tab.

100% of Hilbert College residential facilities are covered by an alarm system that is monitored 24 hours a day, 365 days a year. Also, all resident buildings have fire extinguishers, emergency lighting and signage to the nearest exits. The alarm systems are inspected and tested yearly, sprinklers are tested quarterly, and fire drills are done twice a semester, by Campus Safety.

Fire Precaution and Policy

Hilbert College policy states no portable heaters, no smoking and no open flames in student housing. Also, draperies must be flame retardant, combustible decorations must be kept to a minimal. Fire safety checks are done periodically by student housing and safety.

Reports, Logs and Records

A record of all fires, inspections and drills will be maintained in the Campus Safety Office.

This includes:

- Fire drills
- Sprinkler inspections
- Alarm testing and inspection
- Fire extinguisher inspections
- Kitchen hood and cleaning inspection

Fire Reporting

It is the responsibility of any person to report any fire regardless of size to either Campus Safety (479-1233) or Hamburg Fire Department (911). Campus Safety can respond to the location and determine what resources will be required.

Fire Safety Equipment

No person shall tamper with extinguishers, fire alarm boxes or smoke and heat detectors. Any person involved with tampering of fire safety equipment is subject to prosecution and judicial sanctions.

Decoration, Furnishings, Wall Hangings

Draperies, wall hangings, curtains and other loosely hanging furnishings must be flame retardant. Other items such as hay bales, corn stalks, papers on doors and covering lights is prohibited.

Fire Lanes

Parking in fire lanes are prohibited, this means in front of any resident building. Campus Safety will enforce fire lanes with violation citations and/or towing the vehicle.

Fire Hydrants

Blocking a hydrant with a vehicle will result in immediate towing.

Missing Students

If a member of the College community has reason to believe that a student who resides in on-campus housing is missing, he or she should **immediately** notify Campus Safety at 716-479-1233. Campus Safety will generate a missing person report and initiate an investigation.

In addition to registering a general emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by Campus Safety in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, Campus Safety will notify that individual no later than 24 hours after the student is determined to be missing. A student who wishes to identify a confidential contact can do so through Campus Safety. A student's confidential contact information will be accessible only by authorized campus officials and law enforcement in the course of the investigation.

Crime Reporting

All members of the campus community are urged to report criminal incidents, emergencies and suspicious activity. The campus emergency number is 479-1233 and this should be used for all fire, medical, and police emergencies. All reports are classified, logged and responded to thoroughly.

Crimes in progress and any other emergencies on campus can be reported directly by any student, faculty member, or employee to the campus safety department by dialing 479-1233. The campus safety officer can also be reached by the red emergency phones located around the campus. Red emergency phones are located in the Swan Lobby, first and second floor of Paczesny Hall, Bogel Hall lobby, first floor outside of Bogel 160, and on the second floor. Additional emergency phones are located in the Lower Level of the Campus Center, the Hafner Recreation Center, and inside the Maintenance Building near the Campus Safety Office. Upon receipt of the call, Campus Safety Officers are dispatched immediately to the site of the complaint. They prepare and submit incident reports which are kept on file. Additionally, all reported crimes will be forwarded to the Town of Hamburg Police Department for further investigation.

Members of the campus community can also report criminal incidents to the following offices:

Director of Campus Safety - ext. 224
The Dean of Students - ext. 231
Director of Residence Life – ext. 362
Director of Athletics – ext. 233
Counseling Center – ext. 232

Counselors, at the counseling center, who are informed by persons they are counseling of the commission of a crime, may also inform that person that crimes can be reported at the office of student life on a voluntary, confidential basis for inclusion in the colleges crime statistics only.

For staff and students living off campus, a listing of major area emergency numbers appears at the end of this report. In the event of a major emergency, or if there is an event which poses a threat to students, employees, or others, a "crisis plan" will go into effect.

Daily Log

The Campus Safety Department maintains a daily log of crimes and incidents that occur on campus which is available for the public to view. This information is recorded by the date, time and general location, and disposition of the complaint. This daily log is available at the Campus Safety Department, Maintenance Building. Please note that entries are generally made within two business days after the event occurs. Incidents or situations deemed to pose a threat to the campus community are logged as soon as possible. While all events are logged, the office of the Campus Safety Department may determine that an incident is classified, and noted, as "confidential" in order not to jeopardize a criminal investigation or the identity of a victim.

Hate Crime

A hate crime, also known as bias crime, is a criminal offense committed against a person, property or society that is motivated, in whole or in part, by the offender's bias against a race, religion, ethnic/national group or sexual orientation group.

Sex Crime Reporting

Victims of a sex offense will also be informed of their option to notify either Campus Safety or Town of Hamburg Police and will be assisted by College personnel in notifying the police if desired.

Sex Offenses

The College educates the student community about sexual assaults and date rape through mandatory freshman orientations each fall. The Police Department offers sexual assault education and information programs to College students and employees upon request. Literature on date rape education, risk reduction, and College response is available through the Counseling Center.

If you are a victim of a sexual assault at this college, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Campus Safety Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a Campus Safety officer and/or to a Residence Life representative. Filing a police report with a Campus Safety officer will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Police Department, the Sex Crimes Unit will be notified as well. A representative from the Residence Life will also be notified. The victim of a sexual assault

may choose for the investigation to be pursued through the criminal justice system. A College representative from the Campus Safety Department or the Residence Life will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from the College through the Counseling Center. Counseling and support services outside the College system can be obtained through Crisis Services.

College disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the Student Handbook. The Handbook provides, in part, that the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the College sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the College for the first offense. Student victims have the option to change their academic and/or on-campus living situations after an alleged sexual assault, if such changes are reasonably available.

Sex Offenders

Photos of all registered sex offenders in the Hamburg area can be viewed in the Campus Safety Office.
