WELCOME TO HILBERT COLLEGE!

Hilbert Fast Fact

Hilbert's campus is 50 acres and just 10 minutes from Downtown Buffalo.

Dear Accepted Student,

Once again, congratulations on your acceptance to Hilbert College. We are delighted to welcome you to the “Hilbert Family.” We truly believe that our small class sizes, personal attention, and friendly people are all things that will make your college experience special.

Now that you have been accepted, we want to make it easy for you to take the next steps toward enrollment. We have compiled all the information and forms you'll need in this kit. We've even included space for you to write the date when you completed each item.

To make it even more convenient, you can also access downloadable versions of these forms online at www.hilbert.edu/enrollmentkit.

If you have any questions, we are more than happy to help you. Just contact us by phone or e-mail – our contact information is below.

Sincerely,

Timothy Lee, *Director of Admissions*

Hilbert Fast Fact

Hilbert was founded in 1957 by Sister Edwina Bogel, FSSJ. It is named for Mother Colette Hilbert, foundress of the Franciscan Sisters of St. Joseph (FSSJ).

VISITING HILBERT

Campus Visits

Now that you have been accepted, it's time to visit - or revisit - Hilbert to make sure that all of your questions have been answered. Here's how to make that happen!

SCHEDULE A TOUR ONLINE AT [VISIT.HILBERT.EDU](http://visit.hilbert.edu)

Design and schedule your own tour at visit.hilbert.edu. It'll not only give you the chance to see the campus and learn more about Hilbert, but also give you the opportunity to customize your visit, depending on your own unique interests. For instance, you can meet with a Forensic Science or Digital Media and Communication professor, talk to a representative from Hilbert's athletics department, or tour our apartment-style student residences.

Campus tours take place Monday through Friday between the hours of 9:30 A.M. and 3:30 P.M. Visits can be arranged with two days' notice.

ATTEND ONE OF THESE DEPARTMENT OR FINANCIAL AID VISIT NIGHTS OR COME FOR A SATURDAY MORNING TOUR OR OPEN HOUSE

Department Visit Nights allow students to meet with faculty members of a specific academic department. Presentations are made by members of the department and include curriculum information, internship opportunities, and career paths for our graduates. All programs begin at 6:00 P.M. and include a campus tour. If you're busy during the week, come for one of our Saturday morning tours. The complete Spring 2010 schedule is just below.

DATE	DAY	EVENT	START	LOCATION
Feb 6	Sat.	Saturday Morning Tours	10:30 A.M.	Franciscan Hall
Mar 4	Thur.	Criminal Justice and Forensic Science/CSI Visit Night	5:30 P.M.	Bogel 101
Mar 6	Sat.	Saturday Morning Tours	10:30 A.M.	Franciscan Hall
Mar 11	Thur.	President's Scholarship Dinner (Invitation Only)	6:00 P.M.	Campus Center
Mar 29	Mon.	Financial Aid Night	6:00 P.M.	Franciscan Hall
Apr 12	Mon.	Financial Aid Night	6:00 P.M.	Franciscan Hall
Apr 24	Sat.	Spring Open House	10:30 A.M.	Swan Auditorium
Apr 26	Mon.	Financial Aid Night	6:00 P.M.	Franciscan Hall

ATTEND AN ACCEPTED STUDENT RECEPTION

Our Accepted Student Receptions provide you with an opportunity to visit our campus and meet with faculty, staff, and current Hilbert students at an informal dessert reception. After a brief welcome, students and families have the chance to speak with members of the Hilbert College community or take a tour of campus.

MARK YOUR CALENDARS FOR THE FOLLOWING DATES:

Thursday, March 25, 2010, Thursday, April 8, 2010, Thursday, April 15, 2010

On all dates, the reception will begin at 6:30 P.M.

Families can choose to attend one or more of the receptions!

As the dates for the Accepted Student Receptions approach, you will be sent a reminder and an official invitation. Students and families are asked to RSVP for the night(s) you wish to attend.

PLACEMENT TESTING

All incoming first-time college students must take placement exams in both math and English. The purpose of these exams is to assess your skill level and place you in the appropriate classes. These exams are administered throughout the year, and can be scheduled by contacting the Academic Services Center. They have no bearing on your acceptance.

Additionally, some transfer students may also be required to take either the math and/or English placement exams. This will be determined by what classes a student has taken at the school(s) in which they were previously enrolled. As with the first-time college student, these tests are for placement purposes only, and will have no bearing on your acceptance status.

TO SCHEDULE YOUR EXAMS:

Office of Academic Services: (716) 649-7900, ext. 324

If you require accommodations for your placement exam, please contact Debbie Dimitrovski at (716) 649-7900, ext. 260

REGISTRATION

Registration for new Fall '10 students begins April 19, 2010. In order to register, students must have completed their placement exams. Appointments can be scheduled beginning April 6, 2010.

Registration for new Spring '11 students begins November 29, 2010. Appointments can be scheduled beginning November 22, 2010.

During your registration appointment, you'll meet with an academic advisor who is also a member of the faculty. The goal of registration is to get you into classes for the upcoming semester. While students can register up until the first week of school, it is in your best interest to register as early as possible. This will allow you to get the courses you want and need, and typically, in the time slots you desire.

Students who live away from campus can also make a phone appointment with an academic advisor. This is ideal for students who live some distance away or have a work schedule that prevents them from coming to the Hilbert campus.

ORIENTATION FOR STUDENTS & PARENTS

Hilbert Fast Fact

81% of surveyed Hilbert students would recommend the college to family and friends.

Associated Form: *Orientation Session RSVP, page 35*

Incoming students should plan to attend one of our mandatory orientation programs to assist with their transition into life at Hilbert College. Part-time students may also attend if they wish. Transfer or Non-traditional Age students also must attend this orientation. Dates for each group are listed below.

Hilbert also has an orientation program for parents of first-time students, scheduled at the same time but meeting in a different campus location. We strongly encourage parents to attend!

During orientation, you will be provided with important information about academic and student life that will contribute to your success. Mandatory I.D. pictures will be taken and you will be able to apply for a parking permit, which is required if you plan to park on campus. The bookstore will be open if you wish to purchase Hilbert apparel. If you have not submitted your immunization records by the date of your orientation session (and physical examination, meningitis, and health insurance forms if you are an athlete or resident student), then please do so immediately.

Return the *Orientation RSVP Form* in this Enrollment Kit as soon as possible so we'll know which session you're planning to attend. Please plan to stay for the entire program. Dress casually, be ready to meet your fellow students, and be primed for an active day! We look forward to meeting you at one of the dates listed below.

Summer Orientation Schedule for Fall '10 Students

FULL-TIME STUDENTS

FIRST YEAR EXPERIENCE (FYE)

Hilbert College's First Year Experience (FYE) helps students in their transition to the college setting. Included in this initiative are faculty/staff mentoring, seminars, guest lectures, early warning systems and other instruments that help promote academic success and persistence to graduation. The FYE is coordinated by the Student Success Team and is highlighted by the Foundations Seminar.

STUDENT SUCCESS TEAM

Throughout the first year of college, incoming freshmen face many new and exciting challenges. In order to support new students in this time of transition, the Student Success Team (SST), a group of Hilbert faculty and directors of student service offices, meets weekly to address individual student concerns and to provide any necessary interventions. An early alert process, coordinated by the SST, also assists in identifying students who are experiencing non-attendance issues.

Students exhibiting attendance problems are identified through the Student Concern Form

- This is completed by faculty or staff throughout the semester and submitted to the Team to identify students exhibiting attendance problems, academic concerns or adjustment issues

FOUNDATIONS SEMINAR – GS 101

As part of Hilbert's new General Education curriculum, all entering freshman are required to complete the Foundations Seminar course. Part of an overarching First Year Experience Program, the goal of the Foundations Seminar is to introduce students to the excitement and possibilities of learning in the college environment. The Foundations Seminar highlights the writing, reading, and critical thinking skills that are necessary at the college level, and also provides opportunities for students to explore social and cultural events on campus and in the surrounding community. Each seminar class is limited to 15 students and each is assigned a peer mentor, an upper level student who serves as an experienced role model for the students both in the classroom and on campus. The instructor of each seminar also serves as the academic advisor for the students registered in his/her course section. This way, freshmen have the opportunity to build a strong community with class members, a supportive role model, and their advisor that will support them through their first year and onward toward graduation. At mid-term, GS 101 instructors provide each student with an Academic Progress Report that they need to have each of their instructors fill in with their current course grade. Completed reports are returned to GS 101 instructor for advisement purposes.

ACADEMIC OPPORTUNITIES

Hilbert Fast Fact

Hilbert's tuition is 36% lower than the national average for private colleges.

The Honors Program

ABOUT THE PROGRAM

The Hilbert Honors Program will help you gain much more from your college experience. You will enroll in regular classes and fulfill Honors credit requirements by doing advanced work, or by doing "in lieu of" projects. These special projects allow you to work one-on-one with Hilbert's outstanding Honors faculty in your major and in other academic areas.

THE BENEFITS OF HONORS

- Designed specifically for your interests.
- Honors student mentor available for your first semester.
- Personal faculty advisement.
- Fosters excellence without isolation from the complete college experience.
- Leadership opportunities.
- Independent projects to foster your academic growth.
- Priority registration.
- Assistance in finding appropriate research and internship opportunities.
- Private lounge area with computers.
- Honors notation on your Hilbert transcript.
- Makes you more marketable to potential employers.
- Recognition at graduation.
- Special educational opportunities.

HONORS REQUIREMENTS

While we are looking for students who represent the highest caliber of academic excellence, we are also looking for those whose experience outside the classroom demonstrates leadership qualities in social commitment, arts or athletics.

To be eligible for the Hilbert Honors Program, you must:

- Have achieved a 3.5/89 cumulative average.
- Maintain full-time student status.
- Apply to the Honors Program before the first semester of your junior year.

Coursework and extracurricular requirements include:

- Freshman/transfer colloquium (HON 105/305).
- An average of one course for Honors credit per semester, divided between courses within the major and liberal arts electives.
- Capstone presentation in your senior year.
- 20 hours of community service annually.
- One semester of mentoring first-year Honors students.

RESIDENCE LIFE AND HOUSING

Associated Forms: *Housing Application/Deposit Form, page 33*

(If you do not plan on living on campus, please skip to the next section, Funding Your Education)

Living on Campus

Living on campus is an outstanding opportunity to enjoy the total Hilbert experience – learning, living, engaging, and growing all come together. Our residential community is at the heart of campus activities, including our newly renovated Hafner Recreation Center and the Campus Center. Campus activities include concerts, comedy shows, and reality events sponsored by the SGA (Student Government Association) and the Campus Activities Office. Plus, Hilbert has 11 NCAA Division III teams that play on campus. Housing options at Hilbert include 2 Residence Halls – Trinity Hall and St. Joseph Hall. Hilbert also has 4 Campus Apartments (typically not available to freshman).

To hold a room for the Fall semester, students need to return the Housing Application along with a \$100 deposit for Residence Hall rooms and a \$150 deposit for apartments. Room assignments are sent out in July; at that time you will be mailed a notice of housing confirmation, the name of your assigned roommate, and other housing information. Roommates are assigned on the basis of the information supplied in the Housing Application, although mutual requests for specific individuals as roommates are honored when possible. Special consideration is given for a non-smoking roommate. No room assignments are made on the basis of race, color or national origin. Please note that all residents must have proof of health insurance, a physical examination, and proper immunizations to live on campus.

If you are unsure about whether you want to live on campus, please feel free to arrange a tour of campus and see our residence halls and Campus Apartments up close.

For More Information:

Director of Residence Life: (716) 649-7900, Ext. 362 • jlanker@hilbert.edu

Please note:

All first-time students who live on campus are placed in the New Residence Hall.

St. Joseph Hall Floorplan

St. Joseph Hall

St. Joseph Hall, the original residence hall, is a two-story building that houses 96 students in 46 rooms. Forty-four of these rooms are doubles that normally accommodate two students each of the same gender, while two rooms are “quads” that accommodate four students. Rooms open off a main corridor in traditional dormitory style, and every two rooms share one bathroom. Each wing of St. Joseph Hall has a Community Assistant who lives with the residents to provide support, security, and leadership. Students are responsible for cleaning their own room and bathroom throughout the academic year.

Please be aware that fees will be adjusted in Spring 2010 for the 2010-11 school year. * indicates an estimated cost.

ST. JOSEPH HALL ROOM COSTS

Single Room (upper class students only)

\$2,830/semester* (if available)

Double Room

\$1,860/semester*

MEAL PLANS

All St. Joseph Hall residents are required to take the 19-Meal Plan for their first two semesters on campus. That cost is \$1,930/semester* (*estimated cost*). Full details on all our Meal Plans are covered on page 16. Please be aware that fees will be adjusted in Spring 2009 for the 2009-10 school year.

STAFF SUPPORT

The Director of Residence Life and Assistant Director of Residence Life is the professional staff member responsible for the oversight and administration of St. Joseph Hall. A student Community Assistant lives on each floor. The staff plans numerous events for resident students throughout the year. CA staff manages lobby desk in the evenings, with 24-hour desk coverage is provided in Trinity Hall.

SECURITY

Students are issued keys to gain access to the hallways and their own rooms. Desk attendants monitor the front doors and sign in guests of residents to ensure that uninvited individuals do not have access to student living quarters.

ST. JOSEPH HALL COMPUTER NETWORK ACCESS

Hilbert College provides both wired and wireless network access to students within the Residence Hall. The primary computing environments for residents are:

- The ResNet Wireless Network, which provides Internet access for residents.
- The Student Computer Lab, which provides both Internet access and access to the Hilbert Intranet and various specialized computer applications used in the classroom.

Meal Plans

Commuters and residents alike can take advantage of the convenience and value pricing of our Meal Plan program. A total of 24 meals are served each week: breakfast, lunch and dinner, Monday–Friday; late dinner, Sunday–Thursday; and brunch and dinner, Saturday and Sunday.

You can choose a Meal Plan to suit your budget and lifestyle, with a couple of restrictions. First-time resident students must select the 19-Meal Plan for two semesters before selecting the 14-Meal Plan or 10-Meal Plan. Students living in the Campus Apartments are not required to take a Meal Plan. However, for their convenience, the 5-Meal Plan is available only to them and to commuter students.

Your Meal Plan can be changed at any time during the semester, but any remaining balance at the end of the semester cannot be rolled over into the next semester.

Please be aware that fees will be adjusted in Spring 2009, for the 2009–10 school year. * indicates an estimated cost.

MEAL PLAN OPTIONS	COST PER SEMESTER	ELIGIBILITY
19 Meals/Week	\$1,930*	Mandatory for first-time resident students; optional for apartment and commuter students.
14 Meals/Week	\$1,760*	Optional for resident students after two semesters; optional for all others.
10 Meals/Week	\$1,470*	Optional for resident students after two semesters; optional for all others.
5 Meals/Week	\$490*	Available only for apartment residents and commuter students

Moving In

Students will receive check-in dates and times by mail in mid-July for Fall and late-December for Spring. We can make arrangements for students to arrive before the housing officially opens on a case-by-case basis or under special circumstances. Generally, students move into housing the weekend before classes begin. For the Fall semester of 2010, the new student moving-in date is Sunday, September 5th from 9 a.m. – 12 p.m. For the Spring semester of 2011, the new student moving-in date is Friday, January 14th from 9 a.m. – 4 p.m.

RESIDENCE LIFE AND HOUSING *cont.*

Steps To Success

Steps To Success is a required academic support program for all first-time residents, both freshmen and transfers. Hilbert's professional staff teams up with Resident Academic Coordinators (student peer leaders who live in the Residence Hall), to meet the following objectives.

- Help new students integrate into the Hilbert College community.
- Ensure students have the academic skills they need to be successful at Hilbert.
- Build community among resident students.

TUTORING:

Resident Academic Coordinators are student staff members who work in the residence halls and provide tutoring and educational programming.

EXCEL SCHOLARS PROGRAM

Excel Scholars Program

To help make sure that all students who enter Hilbert meet their educational goals, the college has established the Excel Scholars Program.

This program includes partnering a student with a member of the faculty or staff, a peer mentor, and Academic Support Services. The program will help students make a seamless transition from high school to college. It will also provide additional resources and personal attention that will help put each student's educational goals within reach.

Acceptance to the Excel Scholars Program is determined upon completion of an application for admission. Students considered for the program will be notified at the time of their acceptance.

Summer Bridge

The Summer Bridge is a two-week, academic and social program designed to ease the transition from high school to college. Participants will participate in refresher sessions of math, English, and reading while developing basic college survival techniques, career planning strategies, self confidence, and building community with other program participants. This program is mandatory for all Excel scholars.

Apply online for your U.S. Department of Education PIN # and Aid Application

Your very first step in funding your college education is to apply to the U.S. Department of Education for a personal identification number (PIN) at www.pin.ed.gov. The PIN will allow you to electronically sign your Free Application for Federal Student Aid (FAFSA) and to make corrections online to the information you submit. A space has been provided for you to record this number on the inside back cover of this book. If you are providing parent information on the FAFSA, one of your parents must also sign your application. To sign electronically, your parent must apply for his or her own PIN.

Apply for your Free Application for Federal Student Aid (FAFSA)

Next, submit your Free Application For Federal Student Aid (FAFSA), which allows you to apply for federal aid and most state and college aid. The easiest way to do this is to apply online at www.fafsa.ed.gov. You will need to do this EACH YEAR to receive financial aid. The earlier you file for aid, the sooner the college can tell you how much aid you will receive. It is strongly suggested that you submit your FAFSA form by March 1. You may also get hard copy forms by calling 1-800-4FED-AID (1-800-433-3243).

INFORMATION YOU WILL NEED TO COMPLETE THE FAFSA:

- Your U.S. Department of Education PIN #.
- Your parent's PIN #, if you are providing parent information.
- Your Social Security number.
- Your parents' Social Security numbers and birthdays, if you are providing parent information.
- Your driver's license number, if you have one.
- Your Alien Registration number, if you are not a U.S. citizen.
- The Hilbert College Federal Code - 002735.
- Federal tax information or tax returns.
 - Include W-2 information for yourself, your spouse if you are married, and your parents, if you are providing parent information.

Once you complete the application online, make sure you receive a confirmation number. This number tells you that your application has been successfully submitted. Keep this number for your records. A space has been provided for you to record this number on the inside back cover of this book.

Within three weeks, you should receive a Student Aid Report via e-mail (if you provided an e-mail address) or by U.S. Mail. Review the Student Aid Report for any necessary corrections or updates.

If at any time you need help with the FAFSA, there is free assistance available by calling 1-800-433-3243 between 8 A.M. and midnight.

SCHOLARSHIPS

Scholarships are determined after Hilbert College receives your Student Aid Report form from the federal government. As scholarships are awarded, your student bill will be updated to reflect any awards and aid granted.

FUNDING YOUR EDUCATION *cont.*

Understanding Your Financial Aid Award Letter

The following information describes financial aid programs, application procedures, and some of the most commonly asked questions we receive from students and parents. It should provide you with most of the answers you are seeking with regard to the financial aid process.

GENERAL INFORMATION ABOUT YOUR AWARD

Scholarship and grant aid are considered gifts and therefore do not need to be repaid. Loans do need to be repaid and should be considered as serious commitments.

Work-study is a way for students to earn money through a part-time job in order to contribute to their college costs. Descriptions of the primary sources of federal, state, and college aid follow. All students are considered for all types of aid, and financial aid packages are made according to a student's eligibility in each program.

FEDERAL AID

Federal Pell Grant

This federal grant is available to students who have demonstrated the highest calculated need. It is estimated that this award will range between \$976 and \$5,350 (09/W) for full-time study. The Expected Family Contribution (EFC) calculated from the Free Application for Federal Student Aid (FAFSA) determines the amount of this award.

Federal Supplemental Educational Opportunity Grants (SEOG)

This federal grant is awarded to Federal Pell Grant recipients who have demonstrated the highest calculated need. The award will range from \$275 to \$1,050.

Federal Perkins Loan

This is a low-interest (5% currently) loan for undergraduate students demonstrating financial need. The award ranges from \$500 to \$1,500 per year. The Perkins Loan is interest free while attending school. Repayment begins nine months after half-time enrollment ceases. You will be notified to sign a Promissory Note once the academic term begins.

Federal Work-Study

This award provides employment opportunities in various campus offices. Work-study awards are offered to students with financial need. Students are paid at an hourly rate and receive paychecks every two weeks for the hours worked. If work-study appears on your award letter and you have accepted and returned the award letter, you will be contacted by the work-study coordinator before the start of the semester regarding placement.

Federal Stafford Loans (subsidized and unsubsidized)

These are low-interest long-term loans available for a student's educational expenses.

A Subsidized Stafford Loan is awarded on the basis of financial need. The federal government pays the interest on the loan during the time you are enrolled in college and during the period in which the loan is deferred.

Annual Limits: \$3,500 freshman, \$4,500 sophomore, \$5,500 junior, \$5,500 senior. Dependent undergraduate students are also eligible for \$2,000 per year Unsubsidized Stafford Loan in addition to annual loan limits.

An Unsubsidized Stafford Loan is not awarded on the basis of financial need and you are charged interest from the time the loan is disbursed until it is paid in full. Unsubsidized Stafford Loans are awarded to those who do not qualify for subsidized Stafford Loans. Additional loan funds are available for borrowers who are independent of parents by Department of Education standards. (\$4,000 for first- and second-year students; \$5,000 for third- and fourth-year students).

The interest rate will be fixed at 6.7% after July 1, 2008 and repayment begins six months after half-time enrollment ceases. The U.S. Department of Education retains an origination fee of .5% (of the principal amount awarded) and the guarantor charges a 1% fee.

Hilbert Fast Fact

Hilbert's Institute for Law & Justice was established in 2000 and is the only institute of its kind in Western New York that serves as a general support vehicle for law and justice-related issues and projects.

PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

Creditworthy parents of a dependent student who is enrolled at least half time in a degree program may borrow up to the student's cost of attendance, minus any other financial aid. Repayment begins within six months after the final loan disbursement for the loan period. Interest rate is fixed at 8.5% after July 1, 2006.

STATE AID

Residents of New York State may be eligible for the Tuition Assistance Program (TAP). This grant currently ranges between \$500 and \$5,000, depending upon the student's level of study, the family's taxable income, and state funding. Qualifying income is determined by the state. We have estimated the TAP grant in the award letter of students who appear to be eligible, but the state notifies the student and the Office of Student Finance of the official grant amounts. To apply for TAP, an application must be completed at www.hesc.com after the FAFSA is filed.

COLLEGE AID

Hilbert College grants and scholarships usually require full-time enrollment. They are based on the FAFSA; a separate institutional application is not required. Grants vary according to financial need. Most require meeting satisfactory academic progress requirements, which are listed in the college catalog.

ALTERNATIVE LOANS

Alternative loans are outside loans that are not federally funded, so interest rates are variable and dependent on the lender's terms. Generally, the student is the borrower but will need a creditworthy co-signor. Eligibility is determined by the student's cost of attendance minus all other financial aid. Because there are many different alternative loans offered by various lenders, we suggest the student thoroughly research the loan interest rates and repayment benefits before applying. For additional information on alternative loans, contact the Office of Student Finance.

Student Employment

FEDERAL WORK-STUDY PROGRAM

This program provides employment for students who qualify according to specified government standards. You must complete the FAFSA to be eligible for work-study employment.

CAMPUS EMPLOYMENT

Part-time work opportunities are available on campus, payable on a per-hour basis. Many of these positions are with the Athletics Department, which hires students for game management.

OFF-CAMPUS EMPLOYMENT

Numerous positions are available in the immediate area for part-time employment. The Career Development Office can help you locate and apply for these positions.

HEALTH SERVICES, FORMS, & INFORMATION

Your health and well-being are important at Hilbert. We want to ensure that early evaluation and treatment for an injury or illness are readily available to safeguard your health and to promote a healthy campus community.

The area near Hilbert's campus offers several excellent medical facilities, including an ambulatory care center within minutes of campus and a hospital only a short drive away. A list of area health services facilities easily accessible to Hilbert students is available online at www.hilbert.edu/areahealthservices.asp.

In keeping with this approach to your personal health and the health of the entire Hilbert community, there are several mandatory and optional health forms to complete and submit.

Health Insurance

As a Hilbert student, you may sign up for health insurance through a plan provided by the college. It entitles you to basic services for treatment of illnesses, injuries or other health-related issues. All students are encouraged to carry either personal health insurance or the one provided by Hilbert. Student-athletes and resident students are required to show proof of personal health insurance.

Emergency Contact Form, page 39

CERTIFICATION OF IMMUNIZATION

In compliance with the New York State Public Health Law (NYS PHL) § 2165, all students enrolled for six or more credit hours and who were born on or after January 1, 1957, must submit verification of immunization or proof of immunity of two measles, one mumps, and one rubella prior to attending Hilbert. This form is included in the back of this Enrollment Kit and must be returned to the Office of Student Life prior to making an appointment to register for classes. Transfer students may request immunization records from a prior college.

Although childhood immunization records represent documentation for initial measles, mumps, and rubella, first-time college students may need to consult a physician to secure a second measles inoculation as required.

THERE ARE TWO WAYS TO MEET THESE REQUIREMENTS:

- You may submit proof of prior immunization.
- You may obtain immunization from private doctors or public health departments and submit proof of immunization.

EMERGENCY CONTACT

Please complete this form, also in the back of this Enrollment Kit on page 39.

MENINGOCOCCAL VACCINATION

Since 1997, the American College Health Association (ACHA) has urged undergraduate college students, particularly freshmen who live or plan to live in residence halls, to consider getting the vaccine to reduce their risk for meningococcal disease. Hilbert College requires that all resident students receive the meningitis vaccination.

Meningococcal (bacterial) meningitis is a bacterial infection that causes inflammation of the membranes surrounding the brain and spinal cord. If not treated in time, meningitis can lead to permanent complications, such as brain damage or hearing loss, and can even be fatal.

The early symptoms usually associated with meningococcal disease include fever, severe headache, stiff neck, rash, nausea, vomiting, and lethargy, and may resemble the flu. Because the disease progresses rapidly, often in as little as 12 hours, students are urged to seek medical care immediately if they experience two or more of these symptoms concurrently.

Please note that immunization records may consist of infant and high school shot records.

HEALTH SERVICES, FORMS, & INFORMATION *cont.*

THE ACHA RECOMMENDS THE FOLLOWING GROUPS CONSIDER VACCINATION:

- Entering college students, particularly those living in dormitories or residence halls who elect to decrease their risk for meningococcal disease.
- Undergraduate students 25 years of age or under and are not pregnant who request vaccination in order to decrease their risk for disease.
- Students with medical conditions that compromise immunity (i.e., HIV, absent spleen, antibody deficiency).
- Students traveling to areas of the world with endemic meningococcal disease.

Computers on Campus

Hilbert College provides Internet access to both resident and off-campus students as outlined below.

RESIDENT STUDENTS:

Hilbert College provides both wired and wireless network access to students within the Residence Facilities. The primary computing environments for residents are:

- The ResNet Wireless Network, which provides Internet access for residents.
- The Student Computer Lab, which is located in St. Joseph Hall.

In addition to Internet access, this lab provides access to the Hilbert Intranet and various specialized computer applications used in the classroom.

MISCELLANEOUS INFORMATION *cont.*

To be connected, resident students are required to:

- Have a wired ethernet or wireless adapter card. Wired Ethernet should be a 100/1000 NIC Card, and for wireless, any 802.11G compliant card. Local retailers (Best Buy, Circuit City, etc.) sell network cards if your computer does not come installed with one.
- Have a legal, authentic, supported operating system installed on your machine (Windows XP, Windows Vista, or Mac OS 10).
- Hilbert Information Services will contact you with your access information.

OFF-CAMPUS STUDENTS:

Hilbert College provides Internet via wireless ResNet in various network locations across campus. To be connected, off-campus students are required to:

- Have a wireless 802.11G compliant network card.
- Register their computer with the Information Services department.

FOR MORE INFORMATION

Network Administrator: (716) 649-7900 ext. 364 • mholmes@hilbert.edu

Computer Use Policy:

Hilbert's computer use policy follows. Please refer to the Hilbert College Web site for full detail.

I. GUIDING PRINCIPLES

Hilbert College's computing and network resources are to be used for College-related research, instruction, learning, and administrative activities. Unlawful or inappropriate use of these resources can be grounds for disciplinary action, legal action, or academic dismissal. The College expects faculty, staff, and students to use electronic resources in a lawful and responsible manner.

II. CONDITIONS

1. Hilbert College computer users shall use the College's computer and network facilities in a responsible manner consistent with the goals of the College.
2. Computer users shall access Hilbert computing facilities only with an authorized username and password.
3. Computer users shall respect the privacy of others.
4. Computer users shall respect the integrity of Hilbert College computing systems.
5. Computer users shall respect the legal protection provided by copyright and use licenses.
6. Expected behavior in Hilbert College Computer Labs during class.
 - As a courtesy to fellow computer users and the instructor, computer users should avoid browsing the Internet, instant messaging, and other computer uses that may prove disruptive to the instructor's presentation.
 - The viewing of offensive or disruptive material during class is prohibited.

III. ADDITIONAL CONDITIONS FOR RESIDENT COMPUTER USERS

Please check online for the Student Handbook located in the Student Life section of the Hilbert Web site for full disclosure.

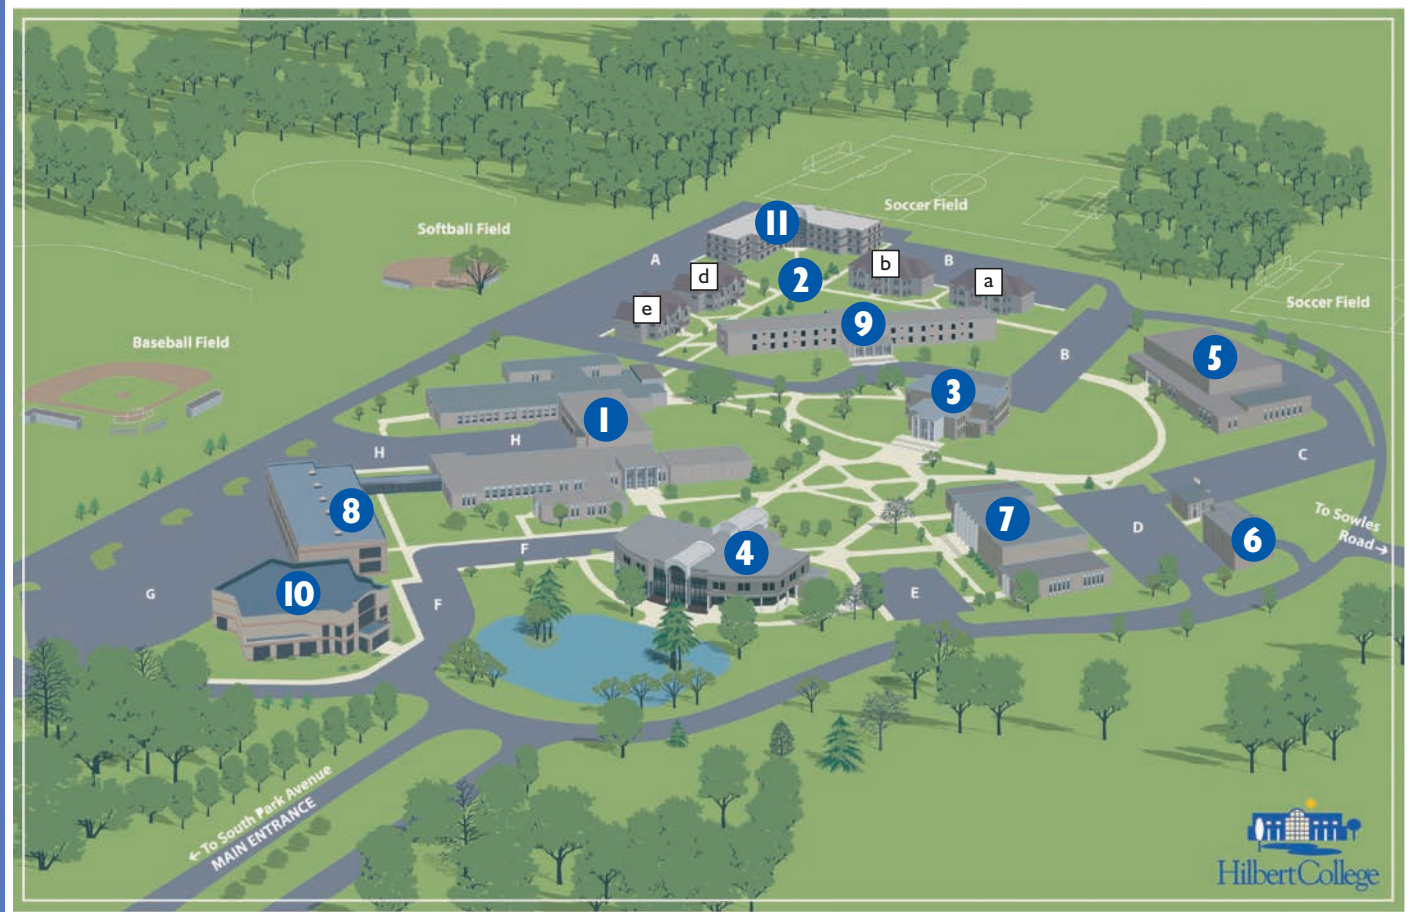

IV. PRIVACY NOT GUARANTEED ON COLLEGE NETWORK

Please check the Student Handbook for full disclosure.

Directions

HERE'S HOW TO GET TO HILBERT.

Hilbert College is located approximately 10 miles south of Buffalo on South Park Avenue (NY Rte. 62) in suburban Hamburg, New York. The most convenient way to reach South Park Avenue and the campus is via the New York State Thruway.

DIRECTIONS VIA NYS THRUWAY (I-90):

- Take Exit 56 (Milestrip Road).
- After the toll, turn right, and go 0.2 miles on Milestrip Road/Rte. 179.
- At the first intersection, turn left onto South Park.
- Go 2.4 miles on South Park. Hilbert will be on your left.

PARKING

All vehicles on campus must be properly registered through the Campus Safety Office. A hang tag must be hung from the rear view mirror so that it is plainly visible. New students will have an opportunity to complete the vehicle registration process during orientation. There is no fee to register a vehicle with the College.

HOUSING APPLICATION/DEPOSIT FORM *cont.*

9. All Hilbert students living on campus must have health insurance coverage, proof of immunization, and a physical prior to moving into Campus Housing.

Insurance company: _____

Group ID: _____

Coverage through: Yourself Parents

Other (please specify): _____

10. Have you ever been convicted of a felony or a misdemeanor (except a traffic violation)?
 No Yes

If yes, please include a letter of explanation with this application.

If you are under 21 years of age, it is illegal for you to consume alcohol anywhere on the Hilbert College campus, including the Residence Hall and Apartments. Violations will result in disciplinary actions.

I have read and understand the items and conditions as outlined in this Housing Application and agree by signing below to abide by these terms and conditions. Resident students will not be allowed to move in the Residences until all financial aid is credited and their account is paid in full or a payment plan is approved. All balances are payable by the published due date on the invoice. Failure to respond by the payment due date will result in a late fee and possible removal from the Residences. By signing this application there is no guarantee that I will be placed in the Residences. In the event that I do not get a room assignment, my housing deposit will be refunded in full. I also understand that failure to comply with Hilbert College policies could lead to disciplinary actions and/or termination of residency privileges. I understand that this contract is binding for the entire academic year and if I break this contract, I will be assessed a fee of \$100.

This application is binding for the entire 2009–2010 academic year.

Certification of immunizations is required for all students. However, physical examinations are required only for athletes and residence students.

New York State Public Health Law states that all students who are registered to take six or more credit hours and were born after January 1, 1957 must submit within 30 days of the first day of class verification of immunization or proof of immunity for two measles, one mumps, and one rubella. If we have not received your form we are mandated to prohibit your class attendance. Transfer students may request and submit health records from a prior college.

FAITH FORMATION

Because the faith community and institutions of higher learning are involved in a common pursuit of the life of wisdom, it is important that all phases of college life be well-integrated, including moral and spiritual development. Sacramental classes are available, at no additional cost, for those students who would like to seek full membership in the Catholic Church through the RCIA (Rite of Christian Initiation of Adults) program or those wishing to complete the Sacraments of Eucharist and/or Confirmation. Classes begin in the Fall and are arranged to fit your schedule.

If you are interested in either program, please check areas that apply:

- Eucharist and/or Confirmation
- RCIA (Rite of Christian Initiation for Adults)
- Full Membership: Baptism, Eucharist, Confirmation

PRAYER/BIBLE STUDY - check if interested

- Prayer Group
- Bible Study/Faith Sharing/Discussion

STUDENT RETREATS - check if interested

- Retreat Planning Team
- Mini-Retreat (afternoon or evening)

LEADERSHIP/PERSONAL DEVELOPMENT - check if interested

- Discover Gifts and Talents
- Leadership Dynamics
- Campus Ministry Club
- Discerning My Personal Vocation
- Franciscan Values for Our Times
- Getting Acquainted: St. Francis & St. Clare of Assisi

FAITH ORIENTATIONS

While Hilbert is a Catholic college with a Franciscan tradition, we recognize and respect those students and staff members of other faith orientations. Please indicate which group best describes your faith or religious belief:

- American Indian
- Baptist
- Buddhist
- Catholic
- Episcopalian
- Hindu
- Jewish
- Lutheran
- Methodist
- Muslim
- Protestant
- Other (specify) _____
