The Charter Request Form must be completed and turned into the Vice President. At that time, the Senate shall then vote for approval. A newly chartered club may apply to receive up to $100 per month remaining in the academic year.

Section II. Clubs requesting to be re-charted for the next academic year must fill out a charter form in the spring semester along with a budget request form. Each club is required to have a President and five (5) members, including the officers. Clubs are required to have a treasurer if it is planned to do any type of monetary transactions, including, but not limited to, fundraising, requesting of funds, and check requests or deposits. All other officers are at the discretion of the club. In order to receive funding, SGA must have a record of the officers before the Budget Hearing in the spring. Any club who requests funding any time after the Budget Hearing in the spring, and has been chartered the previous year (only), the club will only be eligible for $150 per month remaining in the academic year.

Section III. The act of charter and recognition shall be evidence of the right of the organization to use the name of the SGA and the College and shall entitle the group to the use of College facilities in accordance with normal policies, procedures and regulations.

Section IV. All student organizations shall be responsible to the SGA and the College shall be held responsible for the official acts of their officers and members.

Section V. The SGA requires that each club have one representative at three meetings, the All-Clubs Meeting in September, the Budget Review Process at the start of the Spring semester, and the Budget Allocation Process in April.

Section VI. Clubs are required to submit Activity Report Forms to the SGA Vice President on the first Monday of every month. Clubs are required to submit Financial Report Forms to the SGA Treasurer on the first Monday of every month.

ARTICLE XI. RULES OF ORDER:
Section I. The rules contained in Robert’s Rules of Order (revised) shall govern the SGA and its subsidiaries in all cases and situations to which they are applicable, and in which they are not inconsistent with the constitution subsequent amendments, or terms of applicable charters.

Section II. This constitution may be amended by the following procedure: the 2/3 approval by the Student Senate, who shall be responsible to publish notice of the intended amendment at least two weeks prior to bringing to the floor or the Senate.

All students at Hilbert College have the right to bring matters for discussion or issues to be considered by the Student Government Association. Please refer to the Student Handbook for the grievance policy and procedure.

Student Government Association
By-Laws for the Hilbert College Student Government

I. Any member of the Hilbert College faculty, staff, or administration may become a club advisor.

II. Any member of the Hilbert College faculty, staff, or administration that becomes an advisor should note that they can only advise up to three (3) clubs per academic year.

III. The Student Senate will follow the rules and procedures found in the most current issue of Robert’s Rules of Order.

IV. Any Club funded by the SGA may give up to 20% of their annual SGA budget for charitable donations.
   a. SGA funds may be used to fundraise for a charitable cause; there is no cap on this amount.
   b. The use of the funds in a club’s Even Exchange Account can be used as a donation to charitable causes; there is no cap on this amount.

V. Fundraiser Request Form and Facility Reservation Form Policy

Each club is allotted a maximum of six fundraisers per semester. Each fundraiser request form must be completely filled out. If the fundraiser request form is not properly filled out the request will not be approved and an e-mail will be sent to the club president and advisor. In addition to filling out the form, attached must be the Facility Reservation Form that can be obtained from the business office. Every fundraiser request form must be turned into the Student Government Office to be approved at least two weeks before the fundraiser is held. After the fundraiser request has been approved, an e-mail will be sent out to the club advisor notifying them of the approval. Every club receives one additional fundraiser request form. If the club has reached their maximum fundraiser requests, the club may fill out the extra form. However, the decision to approve or dismiss the additional request is entirely at Student Government's discretion. If a club continues on with a fundraiser without approval, or violates any of the above criteria, Student Government holds the right to review violation and determine a consequence dependent on the severity of violation. A club is also permitted up to three (3) fundraisers for charitable purposes; all of the funds raised for that particular fundraiser must be donated to the charity of the club’s choice. Proof of this action must be provided to the Student Government Office. Each club is allowed to have one (1) fundraiser request approved of during the months of SGA’s absence from graduation to the beginning of September for the fall semester, and one (1) during winter break for the spring semester. In this event, the fundraiser request form must be completely filled out by the club advisor, then submitted and approved on by SGA’s advisor. These approved fundraisers will still count as one of the six (6) allowed per semester.

VI. Fundraiser Request Forms Penalties

If a club fails to turn in a Fundraiser Request Form to be approved the SGA or the request is not approved by the SGA and the club continues on with the fundraiser, the following penalties will apply:

A first offense will result in a reduction of 10% of the original SGA allocated funds for the current academic year. If a second offense occurs, an additional 25% reduction will be assessed. If a third offense occurs, an additional 50% reduction will be assessed. If a fourth offense occurs, ALL funds will be withheld for the remainder of the academic year. Please keep in mind that following SGA Policies is also a criterion for future budget allocations.

VII. Sign Out Policy for All SGA Equipment

Any club wishing to use any equipment owned by the Student Government Association will be allowed to sign the equipment out in the SGA Office with an Executive Board Member or the Advisor to the SGA. The person who signs out the equipment is assuming all responsibility for the equipment. Clubs are responsible for picking up the equipment, cleaning the equipment, and the purchasing any supplies needed.

VIII. SGA Summer Session Proposal

In the absence of the Student Government Association and of formal meetings during the months of May, June, July, and August, and for the continuous advancement of the mission of the SGA and its objectives, the SGA Executive Board shall have full voting privileges on programs and expenditures.

IX. Policy for Appeals

If a situation arises where a problem occurs, and a club feels it is necessary to address the SGA, that club should approach the SGA in advance and then send a representative to attend an SGA Senate meeting as soon as possible. The SGA has set aside a “Questions from the Audience” portion at the beginning of every meeting; during this time audience members can address the Senate with concerns, questions, or requests that they feel deserve to be discussed.

If a club has a problem that has stemmed from the monthly financial reporting process and/or any penalties that have been accrued, then that club should send a student representative(s) and an advisor (if possible) to come and present the case to the Senate.

If a decision is made to reinstate the funds that were penalized, it should be noted that although no final monetary penalty was assessed, if a second offense occurs, that fine will consist of the original penalty in addition to the penalty that will be assessed for a second offence.
New Clubs Chartering Policy
Any group of individual students who have begun the chartering process is required to present to the Student Senate, during regular meeting times, a brief description about their club; including its goals, and fundraising ideas. This time is also to be used to answer any questions that might arise, and allow the Senate members to interact with the student representatives and strengthen ties between both parties. This meeting should take place as soon as possible, as the club’s charter will not be approved until this meeting takes place.

In extenuating circumstances where a meeting with the Senate is not feasible, a meeting between the Student Representative, The SGA Treasurer, and the SGA Vice-President will be considered acceptable, pending the charter’s approval by the SGA Rules and Regulations Committee.

Attendance for Voluntary Events
Any member of the SGA must attend any event or trip that they have volunteered for. If a member of the SGA misses such an event or trip, he or she can receive an absence in SGA. The SGA member must be excused by the President if he or she cannot be present for a volunteered event or trip, to avoid receiving an absence.

Alcohol Policy
Absolutely no alcohol may be consumed by anyone while partaking in events or activities if the club is sponsored by SGA or Hilbert College. Alcohol may also not be purchased by a club with SGA funded money even if a person is of legal age. Failure to comply will result in disciplinary action decided by the SGA board and advisor.

Travel Policy
SGA requires that clubs that decide to travel outside of a fifty (50) mile radius or overnight at any location must have a Hilbert College affiliated chaperone (such as a club advisor) attend if club members decide to use SGA funded money. In addition, the club must fill out the travel form provided by the Student Life Office and returned after it has been filled out. Failure to comply will result in disciplinary actions decided by the SGA board and advisor.

STUDENT PUBLICATIONS

The Hilbert Files, the student newspaper, is published four times per semester in the fall and spring for a total of eight issues. A publication of the Office of Student Life, the newspaper features news, stories, articles, and announcements of students, administration, faculty, and staff. The newspaper encourages guest editorships to allow more students to participate in the journalistic process. The faculty editor/advisor is Dr. Charles Ernst. The newspaper office is located in a room accessed through Room 144 on the first floor of Paczesny Hall. All full-time or part-time students with an interest in writing, creative writing, photography, editing, and/or design are encouraged to become part of The H-Files’ staff.
A volume of Hilbert Horizons, the student literary magazine, is published once every spring during the school year. Another publication of the Office of Student Life, the magazine presents creative work mainly by Hilbert students (and, when space is available, to alumni) in the form of poetry, short stories, essays, short plays, character sketches, reminiscences, dramatic monologues, and the like. Student editor and student staff participants are supported by the faculty advisor, Dr. Charles Ernst. All material submitted for consideration may be given to the student editor, or submitted or e-mailed to Dr. Ernst (Rm. 105, Bogel Hall; cernst@hilbert.edu). All full-time or part-time students with an interest in creative writing, sketching/drawing, and layout/design are encouraged to join the Horizons staff.

Note: Student publications of any kind should clearly define the difference between fact and personal opinion and strive for objectivity in their content. Students have the responsibility to refrain from libel and obscenity and to observe the rules for responsible journalism, and can be held responsible for materials which are libelous or obscene. Such publications may be prohibited. Within these bounds, student publications have the right to funding as any other campus activity. The faculty advisor assists students in layout and design and provides direction for responsible journalism.

FACILITIES

BOGEL HALL
Bogel Hall, named in honor of Sister M. Edwina Bogel, F.S.S.J., who served as the first President of Hilbert College, is the center of academic activity on campus. Located on the upper level of the Center, the main Dining Hall and the Veterans Center.

FRANCISCAN HALL
Located next to the reflection pond, Franciscan Hall was designed as a central location for the offices of Admissions, Student Records, Student Finance/Financial Aid and Student Life to meet the needs of students. PACZESNY HALL
Overlooking the front of campus, Paczesny Hall is Hilbert’s newly built 21,000-square-foot academic building housing high-tech smart classrooms, faculty offices and seminar rooms. It’s also home to the college’s Honors Program, Grad Office and Center for Creative Media. The state-of-the-auditorium is an ideal venue for conferences, seminars, cultural activities, and other artistic programs for the on-campus and surrounding communities. The single-story building is named in memory of the late Bill Swan, former CEO of First Niagara Financial Group, as testimony to his dedication to the Franciscan spirit and ideals.

SERVICES

ACADEMIC SERVICES CENTER
The Academic Services Center is located in Room 107 of Bogel Hall. The Center provides a wide variety of services to aid the student in their academic success including:

Tutoring
Starting in the Fall semester of 2009, the tutoring program in Academic Services changed to include an appointment format, along with drop-in tutoring. Drop-in tutoring continues during our most populated hours while individual appointments can be made around a student’s schedule and tutor availability. During individual appointments tutors will be able to cover broader content, based upon their academic strengths. A tutoring board is available in the Academic Services Center that displays the course with the appropriate tutor and the tutor’s schedule. The student in need of tutoring will sign up for a convenient time with a suitable tutor for a one-on-one session.
Copies of drop-in tutor times are posted across campus, and available for students to take from the Center.

Testing
- Placement testing- All accepted first-time college students are required to take placement tests. All testing should be scheduled in Academic Services at (716) 649-7900 ext 324.
- Make-up testing- All make-up tests are given on Fridays. If a professor agrees to allow a student to make up a test, it is the student’s responsibility to schedule an appointment in Academic Services. Once the appointment is scheduled, the student will be responsible for giving the test request form to the professor. The professor will then drop off the test before the appointment scheduled time. Please note, if the student is more than 15 minutes late for the appointment the test will be returned to the professor. All tests must be scheduled at least 24 hours in advance.
Study Skills

Students are encouraged to use the Center for assignments, to study, or review class notes. Study groups are welcome! Individual help is available to brush up on study skills, time management techniques, note taking styles and/or organizational skills. Thirteen computers and 2 scanners are dedicated to student use only, for writing papers, internet research, accessing the online catalog and electronic databases of McGrath Library, and utilizing the campus e-mail and course management systems.

CAMPUS MINISTRY

Embracing Hilbert College’s Franciscan heritage and values, Campus Ministry brings together students of all faiths in a warm and welcoming spirit of inclusiveness. A variety of opportunities are offered that nurture their religious and spiritual development, recognition of the presence of God in all persons and creation, and potential for ethical leadership. Activities include liturgies, interfaith and ecumenical services, faith sharing, spiritual/pastoral counseling, and retreats. Many Volunteer service projects with faith-based and non-profit organizations also exist. And, to provide a holistic experience, social events are planned as well. Campus Ministry programs support the mission of the College to educate students from diverse backgrounds to become informed citizens committed to serving and strengthening their communities.

In the Catholic tradition, Mass is celebrated on special occasions and Communion services are held. Sacramental classes are available to students free of charge, including the RCIA program (Rite of Christian Initiation of Adults). Franciscan values, including service, respect, compassion, peace, joy, hope, vision, and integrity, are integrated into all areas of Campus Ministry. Located in Bogel Hall room 103C, Campus Ministry is part of the Office of Mission and Ministry. Students are encouraged to stop in!

CAMPUS SAFETY

Hilbert College maintains a Campus Safety Department that provides 24 hour coverage, 365 days a year. The mission of the Department is to assist and protect all individuals on campus, protect college property, report and respond to infractions and provide uniform parking and traffic enforcement. Personnel are responsible for enforcing the college policies, rules and regulations set forth by the Administration and Student Life. The Campus Safety staff will also work as liaisons with the appropriate local, state and federal authorities.

The Campus Safety Department asks for your support in the timely reporting of incidents of crime such as assault, theft, criminal mischief or disorderly conduct. Injuries, illness, fires, and accidents are equally important and require that the Department be notified to assure that the proper assistance is rendered. The on-duty Campus Safety Officer can be reached immediately by phone by calling 479-1233. In-house phones have a button marked “Campus Safety” that can be used as well as the red phone in Bogel Hall’s main lobby. With your help the campus will remain a safer and more prepared atmosphere for everyone to enjoy.

The Department’s officers are not police officers, and do not have conventional police authority. However, they do have the authority to temporarily intervene and detain anyone on the campus who is behaving in a disorderly manner, committing a crime, or is a danger to themselves or others. Campus Safety Officers are representatives of Hilbert College and should be treated with civility and respect. Failure to honor the request of a Campus Safety Officer could lead to possible disciplinary sanctions under the Hilbert College Code of Rights and Responsibilities. By the same token, we expect that our Campus Safety Officers will treat you with courtesy and respect, and would expect you to report to the Dean of Students, and/or the Director of Campus Safety if you are ever treated otherwise. The Campus Safety Office is located in the Maintenance building. A Campus Safety Officer is on duty 24 hours a day, seven days a week. However, because of the nature of the job, the office may not always be open. In this case, the on-duty officer can be contacted 24 hrs a day, 7 days a week by calling 479-1233 or using the emergency phone located in the maintenance building which is also open 24 hrs.

A more detailed directive on the services provided by the Campus Safety Department will be mailed or given to each new student, faculty, and staff member. Copies of this booklet are also available upon requests. Included in this publication are the Crime Statistics for the College over the past three years.

CAMPUS BOOKSTORE

Located in the lower level of the Campus Center, the Bookstore stocks all required texts for courses offered each semester, as well as a variety of school supplies, gift items, sundries and collegiate apparel. Bookstore hours are posted throughout campus at the beginning of each semester. The Bookstore buys back used books everyday including the end of the Fall and Spring semesters; dates and times will be posted. Please visit the bookstore’s website which is www.hilbert.bkstr.com for store hours, policies and procedures, plus online ordering of textbooks and Hilbert College insignia products.

**INTERCOLLEGIATE ATHLETICS**

Hilbert welcomes the interest of any full-time student meeting NCAA, AMCC, ECAC, and institutional eligibility requirements to try out for any of the twelve intercollegiate sports. Hilbert College is a full fledged member in the Allegheny Mountain Collegiate Conference (AMCC), the United Volleyball Conference (UVC), and competes at the NCAA Division III level. Hilbert offers the following intercollegiate sports: Men’s Baseball (Spring), Men’s and Women’s Basketball (October through March), Men’s and Women’s Cross Country (Fall), Men’s Golf (Fall), Men’s Lacrosse (Spring), Men’s and Women’s Soccer (Fall), Women’s Softball (Spring), Women’s Volleyball (Fall), and Men’s Volleyball (Spring).

Students who take part in any intercollegiate athletic programs will need to complete mandatory NCAA and Hilbert College paperwork; will need to submit proof of a passing medical exam within the last 6 months prior to the start of their organized practices; will need to show proof of their own medical insurance; and lastly, will need to meet AMCC and Hilbert College academic standards. Any equipment and gear that is issued to a student-athlete must be returned at the completion of each season or at the request of the head coach should there be a separation from the team for any reason. Any equipment lost or damaged must be replaced at the student’s expense or a ‘hold’ will be placed on the student’s account and grade reports will not be released.

Student-athlete academic and athletic eligibility is monitored by the Director of Intercollegiate Athletics.

The programs enhance the social, educational, and cultural experiences for students at Hilbert College. The Student Activities office works directly with the Student Government Association and the Campus Activities Advisory Board at Hilbert College. The office also assists all student organizations on campus. Some of the events planned by the office include concerts, comedians, hypnotists, and speakers brought right on campus for the students to enjoy. In addition, trips off campus for such events as hockey games, movie nights, football games and bowling nights allow our students the opportunity to get away from campus and enjoy events in surrounding communities. Larger events, like Family Weekend, Fall Fest, and Quad Party, are exciting events that students look forward to each year. Events sponsored by Student Activities are planned by the Director and the Campus Activities Advisory Board (CAAB). Members are always needed, and ideas and input are appreciated. Full and part-time students interested in serving should stop by the student activities office in the lower level campus center or call 649-7900 x335

TRANSFER ADVISEMENT
The Career Development Center provides transfer advise to students who plan to transfer to another four-year college or graduate school. Responsibility for planning while at Hilbert rests entirely with the student. Students may use catalogs to acquaint themselves with transfer colleges, basic requirements for the major field of concentration, and the requirements of that college. Applications to most area transfer colleges and graduate schools, including the SUNY system, can be obtained from the Career Resource Lab.

Graduate School Workshops: Presented throughout the Fall and Spring semesters to familiarize the prospective graduate student with graduate admission tests such as GRE, GMAT, and LSAT. Test applications, financial aid opportunities, and graduate catalogs are available in the Career Resource Lab.

POLICY

ABSENCE - RELIGIOUS OBLIGATION
Hilbert College will accept the responsibility of making available to each student who is absent from school because of his or her religious obligations and practices an equivalent opportunity to make up any examination, study or requirements which may have been missed because of such absence on any particular day or days.

ACADEMIC STANDING, POLICIES, AND WITHDRAWAL
Refer to the Hilbert College Catalog.
Consistent with Hilbert College’s goal of high quality teaching, students are asked to complete a “Student Evaluation of Faculty” questionnaire at the end of each semester. Your feedback, given in confidentiality and with anonymity, provides the Instructor with valuable suggestions and insights as a student in the course.

ANTI-HARASSMENT
Hilbert College is committed to providing an environment for work and study free from harassment. Accordingly, harassment of faculty, staff or students of the College, or retaliation against individuals who exercise their rights under this policy, will not be tolerated.

The College recognizes and responds to its obligation to educate its faculty, staff, and students with regard to respect for the rights of individuals. As an educational institution with a long standing Franciscan tradition, the College neither condones nor tolerates any verbal or physical conduct which would constitute harassment of any member of the College community including guests or other third parties.

Prohibited Forms of Harassment
Harassment is conduct which makes fun of, belittles or shows hostility or dislike to an individual because of his/her race, color, religion, creed, age, gender, disability (or perceived disability), sexual orientation, marital status, veteran status, national origin, or ancestry, or any other basis protected by applicable law, and which:

- Has the purpose or effect of creating an intimidating, hostile or offensive work or academic environment
- Has the purpose or effect of unreasonably interfering with another individual’s work or academic performance
- Otherwise adversely affects an individual’s employment opportunities or academic achievement

Harassing conduct includes, but is not limited to:

- Epithets
- Slurs
- Negative stereotyping
- Degrading comments
- Threatening, intimidating or hostile acts (even if claimed to be “jokes” or “pranks) which relate to race, color, religion, creed, age, gender, disability (or perceived disability), sexual orientation, marital status, veteran status, national origin, or ancestry
- Written or graphic material (including, but not limited to computer images) which makes fun of, belittles or shows hostility or dislike toward an individual or group because of race, color, religion, creed, age, gender, disability (or perceived disability), sexual orientation, marital status, veteran status, national origin, or ancestry
- The term “cyber-bullying” shall mean any harassment, intimidation or bullying, as defined above, when such is accomplished utilizing electronic communication media. Such media includes, but shall not be limited to, email messages, text messages, instant messages, tweeting, social networking sites, internet based video sites, and blogs.

Any harassment of faculty, staff or students is a violation of this policy and is prohibited and will not be tolerated.
SEXUAL HARASSMENT
Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic achievement
- Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting such individuals
- Such conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance or creating an intimidating, hostile or offensive environment

Sexual harassing behavior includes, but is not limited to:

- Insulting or degrading sexual remarks, jokes, innuendoes or other sexually oriented conduct
- Subtle pressure for dates or sexual activity
- Threats, demands or suggestions that an individual’s work or academic status depends in any way upon tolerating or accepting sexual advances or sexually oriented conduct.

Retaliation
Retaliation against an individual for exercising his/her rights under this policy is strictly prohibited and will not be tolerated. This would include retaliation against an individual for inquiring about his/her rights, making an honest complaint of a violation, or for truthfully assisting in a complaint investigation.

Reporting
A student who believes they may have been harassed should report the incident to the Dean of Students or the Director of Human Resources. The administrator will then contact an Anti-Harassment Officer. The Officer will conduct an investigation of the allegations in consultation with the Director of Human Resources and other appropriate administrative officer(s). The investigation will be conducted in an expeditious and confidential manner, but consistent with the principles of due process and fairness as follows:

- Such situations must be reported immediately
- The complaint must be reduced to writing with sufficient specificity
- The right to confidentiality of all parties involved in a harassment complaint shall be strictly adhered to in as much as it does not interfere with the College’s legal obligation to investigate allegations of harassment when brought to the College’s attention, and to take corrective action

Due to the private nature of most complaints, the College encourages individuals who feel they have been harassed to clearly and promptly notify the offender that their behavior is unwelcome. If the individual is not comfortable with that approach, he/she may choose to seek resolution through the informal or formal procedure.

Informal Procedure
In appropriate circumstances, and with the approval of both the complainant and the alleged harasser, the Anti-Harassment Officer may attempt informal methods in an effort to resolve the alleged complaint without the need for additional proceedings. These methods would be handled in a non-threatening manner. Pursuing informal resolution is voluntary and access to a formal investigation is available at all times to the complainant.

Formal Procedure
In instances where formal methods are warranted and/or requested by the complainant, the following procedure will be followed:

- Investigation of a complaint will normally include interviewing all parties and witnesses who shall be protected from retaliation for their assistance in the investigation
- After an impartial investigation, if a complaint is found to be valid, appropriate corrective action will be taken against the offender, up to and including termination
- A complainant found to have been intentionally dishonest in making the allegations or to have made them maliciously is subject to corrective action, up to and including termination

If a valid complaint is made against a student or a student has made a false complaint, the judicial procedures in the Student handbook will be followed.

AREAS OFF LIMITS
The Convent grounds and Immaculata Academy are off limits to Hilbert students. Boating, fishing, and skating on the pond are prohibited.

HILBERT COLLEGE

BIAS-RELATED CRIME POLICY

Prepared in compliance with the New York State Education Law (Section 6334).

Hilbert College promotes the personal safety of our entire academic community through awareness and respect for others. The information in this report is available to all incoming and current students, as well as employees. It is made available to prospective students and employees upon request.

Applicable Laws, Ordinances, and Regulations:
A hate crime, also known as a bias-related crime, is a criminal offense committed against a person, property, or society which is motivated, in whole or part, by the offender’s bias against a race, religion, disability, sexual orientation, or ethnicity/national origin.

According to the Hate Crimes Act of 2000 (article 485), a person commits a hate crime when he or she commits a specified offense and either: (a) intentionally selects the person against whom the offense is committed or intended to be committed in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct, or (b) intentionally commits the act or acts constituting the offense in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct. Proof of race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of the defendant, the victim or of both the defendant and the victim does not, by itself, constitute legally sufficient evidence.
**Criminal Penalties:**
When a person is convicted of a hate crime and the specified offense is a violent felony offense, the hate crime shall be deemed a violent felony offense. When a person is convicted of a hate crime and the specified offense is a misdemeanor or a class C, D or E felony, the hate crime shall be deemed to be one category higher than the specified offense the defendant committed, or one category higher than the offense level applicable to the defendant’s conviction for an attempt or conspiracy to commit a specified offense, whichever is applicable.

When a person is convicted of a hate crime and the specified offense is a class B felony:

(a) the maximum term of the indeterminate sentence must be at least six years if the defendant is sentenced pursuant to section 70.00 of this chapter;

(b) the term of the determinate sentence must be at least eight years if the defendant is sentenced pursuant to section 70.02 of this chapter;

(c) the term of the determinate sentence must be at least twelve years if the defendant is sentenced pursuant to section 70.04 of this chapter;

(d) the maximum term of the indeterminate sentence must be at least four years if the defendant is sentenced pursuant to section 70.05 of this chapter; and

(e) the maximum term of the indeterminate sentence or the term of the determinate sentence must be at least ten years if the defendant is sentenced pursuant to section 70.06 of this chapter.

When a person is convicted of a hate crime and the specified offense is a class A-I felony, the minimum period of the indeterminate sentence shall be not less than twenty years.

**Hilbert College Sanctions:**
Where there is a probable cause to believe that such violations have occurred, the College will pursue strong disciplinary action through its own channels, in accordance with the procedure outlined in the Student Handbook. This discipline includes the possibility of suspension or dismissal from the college.

Victims of bias-related crimes have the right and the opportunity to bring charges under the Student Code of Rights and Responsibilities by contacting the Dean of Students. Judicial proceedings will follow the format explained in the Student Handbook.

It is important to note that both the accuser and the accused are entitled to have others present during disciplinary proceedings. Both the accuser and the accused will be informed of the outcome of any campus disciplinary proceedings.

Hilbert College will make every reasonable attempt to help any student who is a victim of an alleged bias-related crime to change his or her academic or resident situations, if so requested.

The victim can bring a complaint either through the College judicial system or in criminal courts, or in both. Students are encouraged to speak with the Dean of Students, the Director of Counseling, or a Safety Officer to discuss various legal courses open to them.

**College Procedures:**
When a bias-related crime is reported, the Student Life Office will assemble a response team to include the Dean of Students, the Director of Judicial Affairs, and representatives of other offices such as Counseling Services, Campus Safety, and Public Relations.

In the event of a physical confrontation or bias-related vandalism, Campus Safety should be contacted immediately. Campus Safety will act to provide support to the victim, arrange for immediate care if required, prepare the appropriate reports, notify local law enforcement, and notify the Dean of Students who will coordinate the College’s response plan.

In the event of bias-related graffiti, mail, posters, or flyers, the Dean of Students will contact Campus Safety who will take photographs of the material as part of the investigative process. Campus Safety will then contact Maintenance for immediate removal of the material.

The Campus Safety and Security Committee, which is comprised of students, faculty, and administrative staff, is charged with the responsibility for reviewing and drafting appropriate policies in the area of personal safety, including bias-related crimes.

**Counseling and Support Services:**
Counseling is available to victims of bias-related incidents through the Counseling Center, located in the Campus Center. This service is free and confidential. The Student Life Office can also serve as a resource and referral agent to students in the event of a bias-related incident.

**Common Circumstances Related to Bias-Related Crime on College Campuses:**
A common goal of colleges and universities is to bring together students from all types of cultural backgrounds and to provide an environment in which they might live with and learn from one another. As a result, students enter college with diverse backgrounds, experiences, and characteristics, and interact with one another, often for the first time, within the college environment. This can lead to discomfort, distrust, and even hostility. This most commonly manifests itself in the form of name calling, stereotyping, graffiti or other vandalism, or physical assault.

**College Programming:**
The opportunities for intellectual, social, cultural, and spiritual growth encourage all members of the Hilbert College community to develop a respectful attitude toward learning, a reverence toward persons and things, and a desire to fashion their lives and their communities for the better. Toward this end, discussions, courses, workshops, and programs throughout the academic year address the topic of multiculturalism. Through these events and presentations the College works to eliminate bias-related incidents; however, should an incident occur, assistance and cooperation of witnesses is needed to ensure that proper action is taken.

**Reporting A Bias-Related Crime:**
Students are encouraged to immediately report all types of bias-related incidents precipitated by intolerant behaviors. In the case of physical confrontation, assault, threat, or injury, resulting from a bias-related crime, contact Campus Safety immediately. For all other bias-related incidents, contact the Student Life Office.

Upon receiving a complaint, the Student Life Office will assume responsibility for the reported incident. The Student Life Office will collaborate with Campus Safety in determining whom to call and identifying what additional procedures, if any, are needed. The Student Life Office will notify other College constituencies, such as Public Relations, when appropriate.

Should a student witness a bias-related incident, he/she may provide a valuable resource to the College in reconstructing the incident so that an appropriate response can be made. His/her willingness to step forward and assist the College can be invaluable. After reporting an incident a witness should record his/her observations of what occurred and what precipitated the incident and attempt to identify as many participants in the incident as possible.
Information on Security Procedures:
The campus community is advised and updated on safety and security through the publication of the Annual Security Report, which focuses on crime awareness and personal safety. The report is mailed to all students and made available on the Hilbert College website. Notification is also made to the campus community, as appropriate, on specific threats to campus safety through campus media, E2 Campus, publications, posters, and other methods.

RESPONDING TO BIAS-RELATED INCIDENTS
If you observe or are confronted with what you feel might be a “bias-related incident” take action. Contact the College staff listed below to review the situation and develop a positive strategy for response to the problem.

   c. Only a designated vendor may sell beer, wine, or wine coolers at campus-wide events. The permission of the President and/or Board of Trustees is required for any other type of liquor to be sold.

- Users shall respect all copyrights while using the Hilbert College network, Hilbert’s software, and the Internet. This extends to the legal copyrights of music, video, or other materials that can be downloaded through the Internet.

Section 6. Peer-to-Peer File Sharing Policy.
- Unauthorized distribution of copyrighted material, such as through peer-to-peer networks, may subject students and/or employees to civil and criminal penalties.
- Copyright law protects the owners and creators of intellectual property from having their works stolen, copied, or distributed without permission. File sharing software that copies and distributes songs, movies, videos, games, and software applications without the permission of the owner can create both a criminal and civil liability for the user of the computer performing those actions. Content owners, such as the Recording Industry Association of America (RIAA) and the Motion Picture Association of America (MPAA) use technological means to track the file sharing of their intellectual property on the Internet.
- The college encourages the legal and authorized sharing of information and the free expression of ideas. Hilbert College also recognizes and respects intellectual property rights. Willfully taking, copying, or distributing other people’s property without their permission or authorization is stealing and violates the college’s standards for conduct. There is an obligation on the part of all those who use these campus facilities to respect the intellectual and access-rights of others who own or use the resources.
- All campus computer users (on any of Hilbert’s networks) are warned to refrain from using peer-to-peer software applications to infringe on the distribution of copyrighted material. Note that many of these applications may scan your computer for other “legal copies” of music or movies and distribute those files automatically and without notice. Whether or not you have legally downloaded data, you are still responsible for the activities of your computer when connected to the campus network. Under federal rules and regulations, the college is obligated to educate, notify and inform all campus constituents of our policies regarding copyright infringement, P2P files sharing abuses, and the ramifications for violations.

6.1 Definitions
A. Copyright Act – the United States copyright law is written to protect the intellectual works of content creators. The law grants exclusive rights to creators of original works for a set period of time. There are volume’s written on the role and formulation of copyright law, but for the purposes of this policy, if a piece of content (a song, a recording, a book, a movie, etc…) is copyrighted, it falls under the protection of this law. There are several exclusions for the use of copyright works in teaching, learning, research, fair use, library materials, etc… but for the most part this policy deals with the willful duplication and distribution of copyright materials without the owner’s permission, in violation of copyright law.
B. Digital Millennium Copyright Act (DMCA) - the DMCA criminalizes certain actions used to violate copyright in the creation, distribution, dissemination, of protected materials. Most of the copyright enforcement over the past several years has been established under the provisions of the DMCA.
C. Recording Industry Association of America (RIAA) and Motion Picture Association of America (MPAA) – the RIAA and MPAA are trade groups that serve as agents for the content owned by their members. Many of the largest recording and movie companies are members of these associations. More recently these trade groups have taken on the duties to monitor and enforce the distribution, licensing, and royalties of the content owned by their members.
D. Peer-to-Peer (P2P) applications – software that is created to distribute and share digital material is generally referred to as P2P tools. While often used to bypass and circumvent copyright law, there are legitimate uses of P2P software as well. Over time, many of these software products have come under the attention of the various content owners and have either been removed from the marketplace, or in some cases the subject of lawsuits.
E. Take-down-notices, settlement letters, preservation letters, subpoenas – the courts and various content owners have taken numerous methods to reduce the illegal copying and distribution of copyright materials. A “take-down-notice” is the first communication that a content owner believes that their materials are being used in an illegal manner. The violator is notified to remove the offending content. Settlement letters have been used by the various trade groups to provide an opportunity to resolve a DMCA violation by the infringer paying a set amount to settle the complaint. Often a settlement letter to an individual is accompanied by a preservation letter to the college to collect evidence in network logs that would substantiate a legal claim of violation. The content owners may also pursue a violation through the courts and issue a subpoena to collect evidence of a violation.

6.2 Violation Notification
There are several ways that the college may become aware of a file sharing violation. The most common method is from network monitoring. The source is identified by the network IP address of the computer sharing the material on a specific date and time.
A. Network monitoring and identification of infringing activities – Information Service uses network based appliance to monitor and restrict activity. All know methods and techniques (including protocols) are currently blocked for illegal file sharing. In the event that we discover a new method or source, the offender is notified at once to cease activity and remove any copyrighted material. Information Services creates additional network policy rules to prevent further abuse.
B. Preserve Logs and Evidence – Information Services preserves the logs associated with the notification, identifying the computer/IP address/named user/location/date and time of the infringement.
C. Confirms Complaint – Information Services may scan or review the material in question to determine if it’s likely that a violation/infringement has taken place.
D. Take Down Notice – Information Services reviews the complaint and begins an investigation to identify the computer/IP address/named user/location of the infringement.

6.3 Violation Response
Copyright infringement, P2P file sharing, and other network abuse infractions are handled through the regular campus disciplinary process. Depending on the identification of the computer in question, the incident may be handled by various departments:
A. Student - if a student computer is identified, the Office of Student Life is notified and the student disciplinary process is initiated.
B. Staff - if a staff member is identified, the Office of Human Resources is notified.
C. Faculty - if a faculty member is identified, the Office of Academic Affairs is notified.
D. Legal Counsel - there are many complex laws involved in the infringement of copyright, the actions on behalf of the content owners, the roles and responsibilities of network providers (such as the college), and the rights and responsibilities of individuals accused of violation. The college’s legal counsel may become involved in these issues.
E. Forwarding Notices and Settlement Letters – conforming to all legal elements, the college will forward DMCA notices, take-down notices, and settlement letters to the individual as identified. How that individual responds to the complaint will be their responsibility.
F. Ramifications of policy violation – disciplinary actions for policy violations are intended to be redemptive and educational in the context of the college’s mission. These actions can range from informing the person of their violation and letters that document the incident; to fines, penalties, loss of network privileges, suspension, expulsion, and termination of employment.

6.4 Alternative Services
The college currently permits downloads through iTunes and select other legal sources. The college will continue to evaluate legal alternative sources based on market demand and proven ability to uphold copyright standards.

Section 7. Expected Behavior in Hilbert College Computer Labs During Class.
• As a courtesy to fellow Computer Users and the instructor, Computer Users should avoid browsing the Internet, instant messaging, and other computer use that may prove disruptive to the instructor’s presentations.
• The viewing of offensive or disruptive material during class is prohibited.

III. Additional conditions for resident computer users
Users of the Hilbert College Residence Hall Network are subject to the following conditions:

Hilbert College provides two computing environments within the Residence Facilities.

• **ResNet Wireless Network** – Internet Access for residents via the Hilbert ResNet Network for a nominal licensing fee. (See ResNet Application below)
• **Student Computer Lab** – A computer lab for residents is located in the Residence Hall. In addition to Internet access, this lab provides access to the Hilbert Intranet and various specialized computer applications used in the classroom.

**RESNET Users:**
• Only computers and wireless network adapters that have been registered with the Hilbert College Information Services Department may be used access the ResNet Wireless network. (See ResNet Application below)
• Computer Users may only access the network with a valid username and password.
• Computer Users may not use hubs, routers, wireless access points, or similar signal splitting devices to share ResNet services with unauthorized users. Connection to unauthorized network jacks or splicing of any kind is prohibited.
• Since the wireless network is designed to be a “shared” medium, computer users should exercise discretion when downloading large files from the Internet. Your actions affect your neighbors, and ultimately yourself.
• The Hilbert College Information Services Department shall have the sole authority to assign host names, network addresses, usernames, and passwords for computers attached to ResNet. Thus, users may not manually configure their computers to use network settings or network adapter cards other than the settings authorized.
• Hilbert College reserves the right to immediately disconnect any computer that is suspected of sending disruptive traffic to the network or causing problems on the network. This includes problems caused by defective cables, Ethernet cards, or other hardware/software problems. It will be the student’s responsibility to correct any such problem before the computer will be allowed back on the ResNet network.

IV. Privacy Not Guaranteed on College Network
Information stored on the computer is normally treated by Information Technology Services as confidential and private. Nevertheless, computer users should be aware that privacy cannot be guaranteed in the case of legal or disciplinary proceedings. Computer users should be aware that information may appear on system backups, and even the deletion of messages or files may not eliminate information from the system. Claims of copyright infringement will result in removal of offending materials from Hilbert College computer systems under the Digital Millennium Copyright Act (DMCA). Where it appears that the integrity, security or functionality of the College’s computer or network resources are at risk or in instances of abuse of College policies, standards, or local, state or federal laws, Hilbert College reserves the right to take whatever actions it deems necessary (including, but not limited to monitoring activity and viewing files) to investigate and resolve the situation. In such instances, a written report of the findings will be forwarded to the appropriate College officials. In order to assure continuity for academic and administrative departments, similar procedures may be used after an employee is separated from Hilbert or is no longer able to perform the required duties.

**RESNET/WIRELESS USER INFORMATION**

**Resident Students:**
Hilbert College provides Internet access via Wireless & Wired connections. To be connected, resident students are required to:
• Have a Hard Line or Wireless Adapter Card. For Hard Line/Wired a 10/100/1000 NIC Card, and for Wireless, a 802.11B/G/N compliant card.
• Only **Windows XP, Windows Vista, and Macintosh OS X 10.4+** are supported.
• Hilbert Information Services will contact you with your access information.
Hilbert College provides commute students Internet access via Wireless ResNet. To be connected, commuter students are required to:

- Have a Laptop running **Windows XP, Windows Vista, and Macintosh OSX 10.4+** with a 802.11B/G/N compliant card, and be registered with the Information Services department.

**CONSENSUAL RELATIONSHIPS**

Hilbert College acknowledges its responsibility to provide clear direction to the College community about the professional risks associated with consensual romantic and/or sexual relationships in which a definite power differential between the parties exist. Therefore, the College actively discourages all consensual relationships between faculty and student, supervisor and employee, and staff person and student in cases where the staff person can exert authority because the relationship may pose a conflict of interest and the difference in power can give rise to the appearance of impropriety.

If a consensual relationship does exist, it is required that the participants in such a relationship act immediately to remove the conflict of interest. In addition, the person in the more powerful position in such a relationship is required to report it to their supervisor or one of the Anti-Harassment Officers.

**CRIME STATISTICS**

Campus Crime statistics are available at the following web address:

The Hilbert College Campus Safety Committee will provide, upon request, all campus crime statistics as reported to the United States Department of Education. This information is sent to all students annually, and is available in the Student Life Office. You may request this information by calling (716) 649-7900, extension 230.

Additional Information on crime statistics and reporting may be obtained from the United States Department of Education website: [http://www.ope.ed.gov/security/](http://www.ope.ed.gov/security/)

**DISRUPTIVE STUDENT BEHAVIOR IN THE CLASSROOM**

**Preamble**

This policy is intended to help assure each student and course instructor at Hilbert College that the classroom environment is supportive of teaching and learning by providing procedures for dealing with the problem of the student who is perceived to be disruptive in the classroom. This policy is also intended to provide due process in the treatment of the student who is involved in an incident of disruptive behavior in the classroom. Should any provision of the policy appear to be in conflict with existing legal statutes or administrative regulations or should the policy be silent on an issue, those statutes and regulations shall govern.

**Definition**

A disruptive student is a student who engages in behavior in the classroom that interferes with the process of teaching and learning. (e.g. repeated talking, laughing, sleeping/snorinig, cracking gum, etc.)

**Procedure For Dealing With Incidents Of Disruptive Behavior**

A. Any student whose classroom behavior is judged by the instructor to be disruptive shall be informed by the instructor that his/her actions are disruptive. (Specific expectations of classroom behavior(s) may be noted in the syllabus of faculty.) This explanation and request may take place in the classroom at the time of the behavior or at another time and place deemed appropriate by the instructor (e.g. during office hours).

B. A student may be dismissed by the instructor from any class period in which disruptive behavior persists following the instructor’s request that it cease.

C. If at any time, the instructor believes the student poses a physical threat to him/her or to other students, Campus Safety should be called immediately.

D. If a student’s disruptive behavior continues following the request that it cease, the instructor shall refer the case to the Judicial Advisor for handling. The Judicial Advisor will deal with the case according to established student discipline procedures and sanctions. Disenrollment from the class is a discipline sanction that may be used, as determined by the Vice President for Academic Affairs.

E. A student involved in an incident of disruptive behavior who believes he/she has been improperly treated may seek relief through established Hilbert student grievance procedures.

**DRUG FREE SCHOOL PROGRAM**

A. **College Drug and Alcohol Policy**

As part of its mission and objectives, Hilbert College is committed to providing all students, faculty, and staff with a safe, healthful and pleasant environment in which to study and work. Part of this commitment is that the College will be completely free from the presence and adverse effects of illegal drugs and unauthorized use of alcohol.

This Program was developed to accomplish the above objective and to comply with the College’s legal obligation. The Higher Education Amendment of the Drug-Free Schools and Communities Act of 1989 require that all institutions of higher education prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees. Similarly, the Drug-Free Workplace Act of 1988 requires federal contractors and recipients of federal grants to maintain a drug-free environment. The above laws require that Hilbert College adopt and implement certain mandatory rules of conduct, and strictly enforce these rules by disciplinary measures.

Each student, faculty, and staff member is personally responsible to ensure his or her compliance with all rules, procedures and other requirements that are mandated by the College. The Rules of Conduct and the Student Alcohol and Drug Policy contained in this program are no different in this regard. If any
student, faculty, or staff member has a problem with drug or alcohol dependency which could lead to a violation of the Rules of Conduct and result in disciplinary action, he or she must do what is necessary to see that a violation does not occur. If professional treatment or other outside assistance is needed to help resolve the dependency problem, it is the responsibility of the student, faculty, or staff member to obtain such assistance and work toward a successful resolution of the problem. The Counseling Office is available to provide information and confidential, professional referrals to students who conscientiously request such assistance. The Employee Assistance Program is available to members of the faculty and staff who require assistance. If assistance is desired or questions arise concerning any drug or alcohol related matter, contact should be made with the Director of Counseling. Inquiries will be kept confidential.

B. Rules of Conduct and Discipline for Alcohol & Drugs - Students

The following Rules of Conduct constitute conditions of enrollment with the College. All students agree to abide by these rules, and any violations of these rules will be dealt with by whatever disciplinary measures the College deems appropriate, as described below.

1. The unlawful manufacture, distribution, selling, intending to sell, dispensing, possession or use of a controlled substance or illegal drug on College property or as part of any College activity is prohibited.
2. Possession or consumption of beer, wine, liquor or any other form of alcohol on College property unless in accordance with policies pertaining to parties, campus wide events, and residence facilities as stated below. (The rule applies to all students and includes any bottle, can, mug, or any other container used to transport alcohol).
3. Unlawful possession or use of controlled substance or illegal drug.
4. Providing a controlled substance or illegal drug to another person.
5. Possession of paraphernalia for illegal drug production or use.
6. The unlawful or unauthorized consumption of alcoholic beverages on College property or as part of any College activity is prohibited.
7. Public intoxication or drunk and disorderly conduct are prohibited.
8. Giving or selling alcoholic beverages to anyone under the age of 21.
9. Giving or selling alcoholic beverages to anyone who is intoxicated.
10. Driving under the influence of any substance while on campus.
11. Violation of federal, state, and local ordinances with respect to possession, purchase, transport, and use of alcohol, controlled substances or illegal drugs.
12. Regulations specifically concerning consumption of alcoholic beverages in residence facilities:
   a. The consumption of alcohol in residence facilities will be subject to all state and federal laws governing the consumption of alcohol as well as any and all regulations mandated by Hilbert College regarding the use of alcohol.
   b. No student or guest under the age of 21 should have full or empty beer, wine, or any other alcohol bottles or cans in his/her possession. Residents of legal drinking age will be permitted to consume alcohol ONLY in 21+ student bedrooms or apartments. Alcohol is not permitted to be served while underage people are present in 21+ rooms or apartments. It is considered a violation of our policy if alcohol is consumed by any student or guest, no matter their age, outside of these designated 21+ areas unless at a sanctioned event compliant with the Policy Regarding Alcohol at Campus Events. A designated 21+ area is any room or apartment where all the residents who live there are 21+ years or older. This includes singles, apartments, and double rooms in suites. However, alcohol consumption is still forbidden in common areas of suites, lounges, or any other public area. Alcohol, under no circumstances will be consumed in the proximity of any student or guest under the age of 21 years. If alcohol is found to be consumed in violation of the above rules, all alcohol and empties will be taken and a thorough search for more alcohol will commence immediately by Campus Safety and/or Residence Life Staff.
   c. Alcohol will not be permitted in any common area including lobbies, lounges, laundry rooms, or hallways.
   d. The amount of alcohol allowed for residents 21 years of age or older for personal consumption will be determined to be a reasonable amount of alcohol as determined by the Campus Safety Officer on Duty, Director of Residence Life, and or their designee. Empty containers must be properly disposed of daily.
   e. No hard alcohol, beer kegs, and/or beer balls are allowed in any of the residence facilities. Liquor bottles, full or empty, are not allowed in residence facilities. Open containers are not allowed outside student rooms.
   f. Resident students are permitted to have a maximum of 6 people in a room or 10 in an apartment at any given time, including themselves.
   g. Resident students are responsible for the behavior of their guests and the rules and regulations of the Alcohol and Drug Policy. Resident students are responsible for any damage caused by their guests to their rooms and/or residence facilities. Such guests must follow the rules and regulations of the Alcohol and Drug Policy.
   h. Students assume responsibility for their behavior regarding use of alcohol in residence facilities. Students, who are in an intoxicated state and if it is deemed necessary to have an ambulance called, will be responsible to pay the full cost associated with the EMS services provided.

The foregoing rules are not exclusive and the College will enforce any other common sense rule or practice that is consistent with the policy expressed in this program.

C. Disciplinary Sanctions and Legal Penalties for Alcohol & Drugs

Hilbert College will impose disciplinary sanctions on students for violations of the Rules of Conduct established by this Program. The College, in its sole discretion, will determine whether a violation has occurred and what the appropriate disciplinary measure will be. Disciplinary sanctions will include, among others, the following:

1. Mandated alcohol and/or drug education workshop
2. Mandated appointment with the college counselor for alcohol assessment/participation in substance abuse group which may be held on or off campus
3. Suspension from participating in college activities or functions
4. Suspension from classes
5. Community service
6. College probation, suspension, or dismissal
7. Monetary fines
8. Referral to the proper legal authorities for possible prosecution
9. The college reserves the right of family notification in cases where it is deemed appropriate and beneficial to the student.
10. Suspension of on-campus vehicle privileges.

*Students may be held responsible for any fees, charges and transportation associated with these programs.

For students, you may receive some or all of the sanctions for an alcohol or drug offense as listed in Table 1:

Table 1: These are some examples of sanctions that may be given for alcohol/drug violations. The Student Conduct Administrator has complete discretion as to which sanctions will be applied to a student’s individual case.

In addition to the disciplinary sanctions that the College will impose on violators of its Rules of Conduct, students should also be aware of the applicable legal sanctions under state and federal law for the unlawful sale or possession or use of illicit drugs and alcohol.

D. Rules of Conduct and Discipline - Employees

Hilbert College expects and demands a drug-free workplace and strictly prohibits the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance by any employee while on duty. Employees in violation of this policy will face serious penalties including possible immediate discharge and/or mandatory participation in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement or other appropriate agency.

E. Physical Effects Of Drugs And Alcohol

All students are encouraged to learn more about the problems of drugs and alcohol including the serious threat these substances pose to health and safety, how to spot the signs of dependency and abuse, and ways of dealing with dependency and abuse. Hopefully, an awareness of these harmful side effects will discourage use of alcohol and drugs and will also help in identifying others who may be users in order that assistance can be offered and
obtained.

F. Assistance to Students

Any student, or recovering, student who would like to discuss an alcohol or drug related problem may contact the Director of Counseling. Your discussion will be kept confidential. In addition, any student desiring professional treatment or outside assistance to help resolve a dependency problem may contact any related community organization.

G. Policy Regarding Alcohol at Campus Events

The following outlines the “policy”/procedures for the “serving” of alcohol at “controlled” events on the Hilbert College campus. A “controlled” event is defined as one sponsored by a specific group of faculty/staff for a predetermined amount of time with a predetermined, and self-provided, amount of beer and/or wine. These events must have an approved “party permit” from the Office of Student Life.

In accord with this definition, “serving” will mean the storing of the beer/wine in the food service cooler for up to 24 hours prior to the event and the providing of glasses, ice, and “service/storage” device (e.g., bowl, etc.). The members of the group will, unless otherwise requested, bear total responsibility for the dispensing of the beer/wine among themselves.

A party is defined as a social gathering of 6 or more persons with alcoholic beverages present. An individual or organization wishing to host a party must register the event with the Student Life Office one week prior to the event.

Any event on campus which includes alcohol is subject to the following guidelines:

1. The individual or organization representative registering the party must complete the Party Registration form and have it approved by the appropriate official in the Student Life Office by the end of office hours one week prior to the event.
2. A $50.00 damage/clean-up deposit payable to the Student Life Office will be required. This deposit is fully refundable provided there are no problems in connection with the party and the area is restored to normal condition.
3. Publicity and advertising for approved events shall avoid any reference (either written or illustrated) to alcoholic beverages or alcohol consumption.
4. The individual(s) or organization(s) registering the party may not sell alcoholic beverages.
5. The individual(s) or organization(s) registering the party is responsible for enforcing all College policies and applicable laws.
6. Adequate amounts of non-alcoholic beverages and food must be prominently available and equally accessible throughout the duration of the event.
7. Visibly intoxicated persons may not be served.
8. Hilbert College Food Service and/or their agents will serve as monitors of identification and servers of alcoholic beverages. No persons other than Hilbert College Food Services and/or their agents will serve in these capacities.
9. Open containers may not leave the designated party area.
10. Visitors to Hilbert College are obligated to follow the rules and regulations of the Alcohol and Drug Policy. Violators may be expelled from Hilbert College property.

11. The number of persons at an event shall not exceed the capacity of the designated area.
12. All parties must have an established ending time to be determined by the Office of Student Life or the applicable state or local law.
13. All trash must be removed from the designated area and adjoining areas, and the area must be restored to its normal condition.
14. In the event damage is done by a guest of those responsible for the party in the designated area or any other area of the campus including the grounds, the responsible party agrees to accept complete financial responsibility.
15. All guests must be properly identified as to age and alcoholic beverages will only be served to those persons appropriately identified and of legal age.

16. In the event that Hillbert personnel deem it is necessary to provide additional Hilbert College Campus Safety officers to assist with the event, the individual(s) or organization sponsoring the event will be responsible for this cost.

This policy is in furtherance of the College’s policy to provide a campus and workplace free of illicit drugs and unauthorized alcohol. It is also designed to comply with applicable laws. This program may be changed or amended as the College deems appropriate or to comply with any changes in applicable laws.

Note: If alcohol is to be made available for purchase at any event held on Hilbert College, a temporary beer and wine permit must be issued by the New York State Liquor Authority. Applications for the permit are available in the Office of Student Life and require at least 15 business days for processing. There is a charge for this permit which must be paid by the club/organization sponsoring the event.

EMERGENCY ANNOUNCEMENTS

Because colleges do not transport students, they remain open when school districts close. It then becomes a personal decision to attend classes if the college remains open under conditions you consider too hazardous for travel.

There are also occasions when only the day or the evening class session may be canceled when the other is not. You are advised to stay tuned to radio stations for an up-to-date report.

When classes and other college activities have to be canceled because of severe weather conditions, an announcement is made on the college website and on the following am/fm radio and TV stations:

- B 92.9 FM
- WYRK 106.5 FM
- WGRZ 550 AM
- WGRZ – TV CHANNEL 2

Publicity and advertising for approved events shall avoid any reference (either written or illustrated) to alcoholic beverages or alcohol consumption.

Emergency Response Plan

The College has developed and emergency response plan which provides guidelines for preparedness and emergency response programs for various situations that may potentially occur on campus. Extensive efforts have been made to revise the plan and train faculty and staff in its implementation. The College has installed a siren and will utilize a text message notification system in the event of an emergency. Students are encouraged to sign up for this service on the web at www.e2campus.co/my/hilbert. Emergency procedures are also posted in each classroom on campus as well as in the residence hall and other areas.
FIRE ALARM
The New York State Fire Code requires that buildings must be completely evacuated when a fire alarm sounds. Calls for assistance should be made immediately to Campus Safety and/or Residence Life staff by any person who discovers or suspects a fire. Students should make sure they are familiar with residence hall exists and strictly follow fire evacuation procedures. Failure to cooperate with staff in evacuating a building subjects a student to disciplinary actions. Residence hall staff may check student rooms for compliance with evacuation procedures. Any student who needs special assistance should make prior arrangements with his/her R.A.

FIRE FIGHTING EQUIPMENT
Tampering with fire alarms and fire prevention, fire detection, and firefighting equipment is a violation of both the New York State Fire and Penal Code and is considered a major conduct violation. Fire alarms and firefighting equipment including (but not limited to) fire extinguishers, fire doors, heat and smoke detectors are for the protection of residents. Any tampering with or misuse of fire equipment is punishable by College and/or court action. Residents and/or their guests who tamper with or misuse fire fighting or fire detection equipment in the residence halls will face serious disciplinary action.

HEALTH INSURANCE
All students are encouraged to carry medical/health insurance; student athletes and resident students are required to show proof of personal medical/health insurance. Hilbert does provide a health insurance plan for students, which is renewed annually. Information on obtaining such insurance at a group rate is available in the Student Life Office. The College also carries a secondary insurance policy that supplements the full-time student’s coverage for medical expenses due to accidental injury. An accident report must be filed in the Student Life Office within 48 hours of the occurrence or no benefits are available under this policy.

LEAVES OF ABSENCE
COLLEGE POLICIES REGARDING LEAVES OF ABSENCE FOR PERSONAL/PSYCHOLOGICAL OR MEDICAL REASONS, WITHDRAWAL FROM AND READMISSION TO THE COLLEGE
The College administers a leave of absence for personal/psychological or medical reasons for students whose personal, emotional, psychological, or medical concerns become so severe as to preclude their achieving reasonable, educational benefits from their educational experience. This leave program is one which is administered by the Dean of Students. Students who wish to initiate such a leave, or appropriate staff members who believe that such a leave is necessary, should consult with the Director of Counseling. If the recommendation is accepted, the student will be granted a leave of absence for personal, psychological or medical reasons.
At times, it will be necessary to require that a student leave College, if in the opinion of the Dean of Students, a leave is necessary.

NEW YORK STATE CONSUMER COMPLAINT PROCESS
Section 494 (j) of the Higher Education Act of 1965, as amended, provides that a student, faculty member, or any other person who believes he or she has been aggrieved by an institution of higher education has the right to file a written complaint.
In New York State, a complaint may be filed by any person with reason to believe that an institution has acted contrary to its published standards or that conditions at the institution appear to jeopardize the quality of the institution’s instructional programs or the general welfare of its students. Any person who believes he or she has been aggrieved by an institution on or after May 4, 1994, may file a written complaint with the Department within three years of the alleged incident.

HOW TO FILE A COMPLAINT
1. The person should first try to resolve the complaint directly with the institution by following the internal complaint procedures provided by the institution. An institution of higher education is required to publish its internal complaint procedure in a primary information document such as the catalog or student handbook. (The Department suggests that the complainant keep copies of all correspondence with the institution.)
2. If a person is unable to resolve the complaint with the institution or believes that the institution has not properly addressed the concerns, he or she may send a letter or telephone the Postsecondary Complaint Registry to request a complaint form. Please telephone (212) 951-6493 or write to:
   New York State Education Department
   Postsecondary Complaint Registry
   One Park Avenue, 6th Floor
   New York, NY 10016
3. The Postsecondary Complaint Registry Form should be completed, signed, and sent to the above address. The completed form should indicate the resolution being sought and any efforts that have been made to resolve the complaint through the institution’s internal complaint processes. Copies of all relevant documents should be included.
4. After receiving the completed form, the Department will notify the complainant of its receipt and make any necessary request for further information. When appropriate, the Department will also advise the institution that a complaint has been made and, when appropriate, the nature of the complaint. The complainant will also be notified of the name of the evaluator assigned to address the specific complaint. The evaluator may contact the complainant for additional information.
5. The Department will make every effort to address and resolve complaints within ninety days from receipt of the complaint form.
Complaint Resolution:
Some complaints may fall within the jurisdiction of an agency or organization other than the State Education Department. These complaints will be referred to the entity with appropriate jurisdiction. When a complaint concerns a matter that falls solely within the jurisdiction of the institution of higher education, the complainant will be notified and the Department will refer the complaint to the institution in question and request that the matter receive a review and response.
Upon conclusion of the Department’s complaint review or upon a disposition of the complaint by referral to another agency or organization, or to the institution of higher education, the Department will issue a written notice to the complainant describing the resolution of the complaint. The complainant may contact the Department evaluator directly for follow-up information or for additional assistance.

**PROXIMAL COMPLICITY**

If a student enters an area where a violation of policy is occurring, or a violation is initiated in an area that he or she is in, the student should immediately leave. Otherwise, by choosing to remain, the student assumes responsibility for all behavior and items in that room, regardless of his/her participation, unless it can be clearly demonstrated that the student had no knowledge of the incident.

A. All students in a residence hall room, apartment or area may be held responsible for any violation of the Student Code of Conduct, Residence Life policies, or other Hilbert College policies in that room, apartment or area, even if they are not active participants in the activity or in direct possession of any prohibited items.

B. If there is a party going on in any area of a suite, apartment, or area, and there is evidence that the scene has been altered before a proper search can be completed, all the students in the suite, apartment, or area will be held in violation of Hilbert College’s policies regarding alcohol.
The Office of Public Relations will assist in publicizing campus events. Students should discuss with the Public Relations Office department events which are open to the public. Projects that will solicit contributions from the community should be discussed with the Vice President for Institutional Advancement. College news, including notice of extracurricular events, is sent to the media only through the public relations office. This office will publicize student activities if full information is provided at least three to four weeks in advance of the event (public service announcements require at least a three-week lead time).

RAPE AND SEXUAL ASSAULT POLICY

Prepared in compliance with the federal Student Right to Know and Campus Security Act (Title II – Crime and Awareness and Campus Security, Section 668.47 (a) 12) and New York State Education Law (Section 6450 (1) a).

Hilbert College promotes the personal safety of our entire academic community through awareness and respect for others. The information in this report is updated regularly and is available to all incoming and current students, as well as employees. It is made available to prospective students and employees upon request.

Applicable Laws, Ordinances, and Regulations:

All federal, state, and municipal laws apply on campus and are considered part of the Hilbert College Student Code of Rights and Responsibilities. This includes the New York State Penal Law, which details the criminal statutes dealing with sex offenses. According to New York State statutes, there are varying degrees of sexual assault. Sexual Assault of any kind is a crime. In compliance with the Student Code, any student who is found to have committed physical violence or abuse (including acquaintance rape, verbal abuse, threats, intimidation, harassment, coercion, and/or other conduct which threatens or endangers the health or safety of any person) is subject to disciplinary action.

New York State defines rape as forced or nonconsensual sexual intercourse which is accomplished by fear, threats of harm, and/or actual physical force. Rape may also include situations in which penetration is accomplished when the victim is unable to give consent or is prevented from resisting due to drug or alcohol consumption, unconsciousness, being asleep, mentally defective, or less than 17 years of age. Be aware that having sex with someone who is unable to give consent by being mentally incapacitated or unconscious (passed out) is rape.

New York State law recognizes that a married woman can be raped by her husband. Marriage does not necessarily imply consent. Note that the threat of force is sufficient; many women report fearing for their lives even when their attacker is not carrying a weapon.

Sexual assault is a broader term than rape. Sexual assault is any actual or attempted non-consensual sexual activity including, but not limited to, forcible anal or oral sex, attempted intercourse, rape by a foreign object, sexual battery, or sexual touching, by a person(s) known or unknown to the victim.

Forcing or coercing someone to have sexual intercourse or engage in unwanted sexual contact or penetration is against the law and unacceptable on our campus.

Penalties and Sanctions:

Under New York’s Penal Law, criminal sex offenses are classified from Class A Misdemeanors through Class B Felonies. These offenses, including sexual abuse, sexual misconduct, and rape, are punishable by sentences ranging from six months to 25 years imprisonment, and fines. Depending on the violation – sexual abuse, aggravated sexual misconduct, or any of the three degrees of rape – a guilty individual may receive a prison sentence of 15 days to 25 years and/or a fine up to $5,000.

Where there is a probable cause to believe that such violations have occurred, the College will pursue strong disciplinary action through its own channels, in accordance with the procedure outlined in the Student Handbook. This discipline includes the possibility of suspension or dismissal from the college.

The victim can bring a complaint either through the College judicial system or in criminal courts, or in both. Students are encouraged to speak with the Dean of Students, the Director of Counseling, or a Safety Officer to discuss various legal courses open to them.

Rape and Sexual Assault Programs:

The Dean of Students, the Director of Counseling, the Director of Residence Life, and the Director of Safety work together to develop educational programs related to promoting awareness of personal safety and campus security specifically focused on rape and sexual assault.

The campus education program on rape and sexual assault consists of the following:

1. Providing information during student orientation about rape and sexual assault.
2. Distributing educational information on definitions of sexual assault and possible penalties for assailants, including guidelines on how to avoid sexual assault.
3. Providing educational programs as part of curricular and co-curricular activities.
4. Providing information for on-campus and off-campus support services.

The Campus Safety and Security Committee, which is comprised of students, faculty, and administrative staff, is charged with the responsibility for reviewing and drafting appropriate policies in the area of personal safety, including rape and sexual assault. Campus Safety is available, on a request basis, to escort students during day or evening hours.

Sexual Assaults on College Campuses:

College students are more vulnerable to sexual assault than any other age group. Nationally, the majority of reported victims and offenders are of college age, with the rate of victimization highest among 16 to 19 year olds. The second highest victimization rate is experienced by women between 20 and 24 years of age. Offender populations show a similar age distribution.

Traditionally-aged-college students are vulnerable to being victims of violence. They are typically in a new setting with a variety of environmental stressors, and away from direct parental supervision and past support systems. They are under peer pressure, their identities are not yet firm, their competence is not yet established, and they often have mistaken beliefs about their invincibility. They live among others who are experimenting with new freedoms. Thus, college students are a population at risk.

The most prevalent form of rape on college campuses is acquaintance rape. The acquaintance may be a date or friend of the victim, or someone the victim knows only casually, from a residence hall, a class, or through mutual friends. More than 60% of all reported rapes occur between acquaintances and 40% of these occur in the home.
Regardless of the relationship between them, if one person uses force to coerce another into submitting to sexual behaviors, or if consent is not given by the other party, the act is unlawful. The same criminal laws and penalties apply in cases of acquaintance rape and stranger rape, and other forms of sexual assaults. Many acquaintance rapes involving college students follow similar patterns. Acquaintance rapes often occur at parties or in residential settings. Frequently, the students involved in these assaults have been drinking heavily or using drugs. Crime reports and prevention information can be obtained from Campus Safety. There are many suggestions on how campus community members can reduce the risks of sexual assault, including:

- Walk with confidence and be alert. Assailants are less likely to target a person who appears assertive and difficult to intimidate.
- Be aware of your surroundings and the people around you.
- Avoid shrubbery, dark doorways, and other places of concealment while walking. Shun shortcuts through poorly lit areas.
- Avoid areas where there are few people.
- Leave your car in places that will be lighted when you return at night.
- Walk or run with a friend.
- Before entering a room or car, check to ensure it is safe to proceed.
- Change directions if you sense you are being followed or someone suspicious is near. Don’t be afraid to run or call for help. Go to a store, police or fire station, or a nearby house.
- Wear clothes and shoes that provide for freedom of movement.
- Contact Campus Safety for escort service.
- Have first dates in public places. Separate transportation should be considered.
- Sexual desires and limits should be clearly communicated. Be careful to avoid giving or receiving mixed messages. Remember that leaving a party or other social event with someone you have just met can be dangerous.
- Be aware that use of force, pressure, or coercion is unacceptable and can lead to sexual assault charges.
- Don’t take silence as consent. Respect the word “NO.” Don’t have sex with anyone who is drunk or passed out. Intercourse with someone who is unable to give consent or is physically helpless is rape, as defined by state criminal statutes.
- Seek education on rape prevention.
- Many acquaintance rapes involve alcohol or drugs. Avoid drugs and excessive alcohol in a dating situation. Judgment should not be allowed to become impaired.

**Reporting Options:**

Victims of campus sexual assaults are advised to:

1. Report the assault. Call Campus Safety or, if the assault occurs off campus, the Police at 911. Hilbert College strongly encourages assault reporting, but reporting does not mean that you must prosecute.
2. Contact a close friend or relative for support.
3. Seek medical attention immediately. Whether or not you report the assault, you should have a medical examination immediately. The exam is confidential. Medical personnel will test for sexually transmitted diseases, look for physical injuries, and collect physical evidence. If you report the assault, Campus Safety or the police can provide transportation to the hospital and arrange for a Crisis Services sexual assault advocate to meet you there. If you choose to go to the hospital without notifying Campus Safety or the police, the hospital can still collect physical evidence, while protecting your anonymity, in case you later decide to prosecute.

Several options exist for reporting a sexual assault:

- File a report with Campus Safety or the local police. Reporting the assault immediately and preserving evidence will give you a foundation for prosecution. If you later decide not to prosecute, the report may help authorities identify the offender and prevent the victimization of others.
- You may file an anonymous proxy report of the details of the assault with the Counseling Center, or other campus department. While no police action can be taken against the assailant, the report may help identify a multiple assailant or other patterns.
- You may also file a judicial complaint for disciplinary action against the assailant, if the assailant in an on-campus incident is a student. This can be done in conjunction with criminal prosecution, or instead of it.

When you report an assault, you have the right:

- To have all incident and medical records kept confidential,
- To be treated without prejudice regarding race, academic class, lifestyle, sex, sexual orientation, age, occupation, religious beliefs, or physical disabilities,
- To be made aware of and receive medical treatment, psychological support, and legal counseling,
- To prosecute or not to prosecute, and
- To answer only those questions relevant to the crime.

Campus Safety and local public prosecutors work together closely to explore all options and to obtain convictions in sexual assault cases. Hilbert College personnel will assist students in notifying authorities and arranging for a sexual assault advocate, if requested by victim.

**If You Are Raped or Sexually Assaulted:**

- Go to a safe place
- If you want to report the rape or assault, notify the police or campus safety immediately. Reporting a crime can help you regain a sense of personal power and control.
- Call a friend, a family member, or someone you trust and ask her or him to stay with you.
- Preserve all physical evidence of the assault. Do not shower, bathe, douche, or brush your teeth. Save all of the clothing you were wearing at the time of the rape or assault. Place each item of clothing in a separate paper bag. Do not disturb anything in the area where the assault occurred.
• Go to a hospital emergency room that provides medical care for rape or sexual assault victims within 72 hours. Even if you think that you do not have physical injuries, you should still have a medical examination and discuss with a health care provider the risk and prevention of sexually transmitted diseases and the possibility of a resulting pregnancy.
• If you suspect that you may have been given a rape drug, ask the hospital to take a urine sample which will be preserved as evidence. Rape drugs, such as Rohypnol and GHB, are more likely to be detected in urine than blood.
• Write down as much as you can remember about the circumstances of the rape or sexual assault, including a description of the assailant.
• Talk with a counselor about the emotional and physical impacts of the assault.
• If you want further information about legal issues, medical care, or other concerns related to the rape or sexual assault, contact one or more of the following numbers:
  Crisis Services (24 Hour Hotline)................. 834-3131
  Director of Counseling ................................ 649-7900 Ext. 232
  Campus Safety ........................................... 479-1233
  Hamburg Police Department ....................... 911
  Dean of Students ...................................... 649-7900 Ext. 230
  Director of Residence Life ......................... 649-7900 Ext. 362
You have the right and the opportunity to bring charges under the Student Code of Rights and Responsibilities by contacting the Dean of Students. Judicial proceedings will follow the format explained in the Student Handbook.
It is important to note that both the accuser and the accused are entitled to have others present during disciplinary proceedings. Both the accuser and the accused will be informed of the outcome of any campus disciplinary proceedings.
Hilbert College will make every reasonable attempt to help any student who is a victim of an alleged rape or sexual assault to change his or her academic or resident situations, if so requested.

**Counseling and Support Services:**
Counseling is available to victims of sexual assault through the Counseling Center, located in the Campus Center. This service is free and confidential. The Office of Student Life can also serve as a resource and referral agent to students in the event of a sexual assault.
Community resources such as Crisis Services are available. Victims are highly encouraged to make contact with at least one of these resources.

**Information on Security Procedures:**
The campus community is advised and updated on safety and security through the publication of the Annual Security report, which focuses on crime awareness and personal safety. The report is mailed to all students and made available on the Hilbert College website.
Notification is also made to the campus community, as appropriate, on specific threats to campus safety through campus media, publications, posters, and other methods.

**Campus Sex Crimes Prevention Act:**
In accordance with federal law Hilbert College maintains a registry of sex offenders living or working on campus which is available to students, faculty, and staff. The registry is located in the Office of Campus Safety.

**Staff Protocol:**
In an effort to provide an appropriate and coordinated response to campus victims of sexual assault, this protocol, resource listing, and proxy reporting process have been established. This protocol provides staff persons, to whom an assault may be reported, an opportunity to respond in a manner designed to best serve victim’s needs and meet institutional responsibilities. This protocol should be used in conjunction with campus sexual assault policy.

*Note: Campus personnel, other than those with significant counseling responsibilities (such as licensed professionals or certified counselors), must file a report when informed by a student of a sexual assault, to maintain compliance with the federal Crime Awareness Act. For further information on reporting requirements, contact Campus Safety.*

Any time you are informed by a student that they have been a victim of sexual abuse or sexual assault you should do the following:
1. Ascertain whether the victim needs immediate medical assistance. Ask victims directly how they are physically and if medical treatment is needed. Explore this issue beyond initial questioning and observation if you feel it is necessary.
2. Make sure the victim has as much privacy as desired when speaking with you. Having anyone else in the room should be the victim’s decision. Ask victims if they want someone with them at the time of your conversation. If a third party is present, assure that this person will hold information in strict confidence.
3. Find out the victim’s most critical concern and respond in a non-judgmental, informed way.
4. Advise the victim of options regarding further steps in the process. Some of the options relate to personal, medical matters, and some to legal, practical matters. If the assault has just occurred, some of the medical options need to be addressed quickly, while other decisions may be deferred temporarily, depending on the particular circumstances and concerns of the student victim. The victim may choose to do one or more of the following:
   a. Call Campus Safety. The victim may wish to report the incident. After providing victim support, an investigation will be conducted to determine crime and suspect.
   b. Call the Police. The victim may wish to report the incident directly to local police. The police, however, are not required to notify Hilbert College and may be willing to consider the victim’s wishes when determining whether, and how, Hilbert should be informed.
   c. Students should also be advised that they cannot control the extent of an investigation, or the outcome, once local police become involved. Although police will give the victim’s wishes serious consideration, there may be circumstances (multiple assaults, for example) where local authorities determine evidence is sufficient and justice requires that one or more assailants be charged, despite victim objection.

Students should know that local prosecutors will counsel them about their involvement in a criminal case (some victims have elected to consult and retain local attorneys to represent their interest in the courts, but it is certainly not necessary to do so). Victims should also know that individuals and groups, on and off-campus, are available to support them throughout this process.
Call Crisis Services. The victim may wish to discuss the incident with Crisis Services, a community response agency, in person or on the telephone. A Rape Advocate Counselor from Crisis Services will meet a victim or go to the hospital for support. Tell the victim Crisis Services will provide a formal assessment of immediate medical and psychological needs. It will also evaluate the victim’s needs, provide immediate counseling and support, and can make referrals for longer term care on personal concerns.

Go to the Emergency Room. The victim may wish to go directly for medical help and/or a forensics analysis. Hospital emergency rooms are the only place where evidence necessary for medical and/or forensic evaluation and court testimony can be collected. Victims should be advised not to shower, bathe, or change clothing prior to going to the Emergency Room as this will destroy important physical evidence.

Arrangements should be made to have someone accompany victim to the hospital (you, friend, staff member, resident advisor, etc.). For physical evidence to be useful, it is best collected as soon as possible. The collection of medical evidence does not presume that charges will be pressed. As part of evidence collection, emergency room protocols involve testing for pregnancy and sexually transmitted diseases. Emergency room personnel can also offer the victim immediate counseling services, as well as local victim advocacy services.

Call-Counseling. All contacts with the counselor are confidential. The counselor will provide counseling support or crisis intervention services. Immediate contact with a counselor can be arranged through Campus Safety.

Contact Judicial Affairs. If the victim is interested in information about the campus disciplinary process and how it might apply to a case, a meeting with Judicial Affairs can be arranged as soon as the victim wishes. At that meeting, the disciplinary process will be reviewed, explaining what the student’s participation in the process would involve, so that an informed decision can be made on whether to file a formal complaint on campus.

Contact Student Life. The Student Life Office is always available to provide personal and administrative support. The office may be able to assist in making arrangements with academic departments for leaves, extend deadlines for class assignments, postpone exams, change class schedules to separate victim and assailant, and change housing situations. They can also provide information about the College’s formal judicial process.

Contact Family. Victims may wish to speak with their parent(s) or another family member. The College strongly encourages open communication between parents and students.

Contact a Friend. Victims may wish to seek support from a relative, friend, clergy member, residence hall advisor, faculty member, etc.

Victims may elect to consult with a personal attorney.

Take No Action. Victims may wish to do nothing other than have a conversation with you.

Consider Assistance for Others. While the victim’s care and support is the first priority, roommates or friends may be in need of counseling and support as well. Who are they? Where are they?

Contact State Crime Victim’s Board. Compensation for losses and reimbursement for assault-related expenses might be available through this service, if a police report is filed within five days of an attack (charges do not have to be pressed, however, to qualify).

Victims are encouraged to officially report any sexual assault. If the student chooses not to report the assault, campus personnel, other than those with significant counseling responsibilities (such as licensed professionals or certified counselors), must file a report when informed by a student of a sexual assault, to maintain campus compliance with the Federal Crime Awareness Act.

Confidentiality
Confidentiality should be provided to both the victim and the accused to the extent possible and consistent with one’s authority to do so.

Victim Assistance
Victims/survivors of sexual assault may experience emotional trauma caused by the loss of trust, control, self-esteem, power and judgment. Common symptoms include shock, fear, anxiety, depression, withdrawal, loss of normal coping mechanisms, insomnia, and headaches. The healing process begins when victims/survivors are able to tell someone about their experience. The initial care and support they receive can help reduce the sense of loss. It is crucial that respondents understand and be sensitive to the emotional after effects of sexual assault. Specifically, respondents should be aware that:

- Many victims/survivors of acquaintance rape do not immediately identify their experience as rape. They may feel that something is wrong, i.e., emotional upheaval, depression, but may not connect their feelings with the assault.
- Many victims/survivors feel they are to blame for the assault. This accounts for their feelings of shame and self-doubt.
- Victims/survivors experience different emotions at different times and in different ways. There is no “correct” reaction and no average length of time between assault and disclosure of the experience.

The following guidelines are offered by counseling experts as advice to those who want to help someone recover from the trauma of sexual assault.

Support the victim:

- Accept what you hear. Many acquaintance rape victims/survivors fear that their experience will be minimized as “not important.”
- Listen. Allow victims/survivors to disclose as little or as much about the assault as is comfortable for them.
- Comfort them. Be reassuring in a gentle, non-disapproving way. Avoid questions that are judgmental. Don’t ask questions that suggest that victims/survivors are responsible for their assailant’s conduct, such as “Why didn’t you say no?” Avoid “why, what, or where” questions as well.
- Help victims/survivors organize their thoughts, but let them decide how to proceed. Support their decisions. Try to separate how you feel about what has happened from what is best for their own recovery.
- Because a critical part of healing is regaining some sense of control over their lives, victims/survivors must be allowed to direct their own recovery and to have control over their thoughts, feelings, and actions.

C. That the Dean of Students be notified by an officer of the student group of the name of the intended guest speaker and the topic of his/her speech, at least a week prior to the contemplated date of sending the invitation.

It is assumed that faculty and student groups will exercise objective judgment in issuing invitations to guest speakers. The College requires that mere physical presence on campus of a particular speaker does not imply approval by the College of his/her views. The College requires that speakers agree to an open forum after formal remarks.

The Student Code shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending. The Dean of Students shall decide whether the Student Code shall be applied to conduct occurring off campus, on a case by case basis, in his/her sole discretion.

As used in this subsection, “contacting” includes but is not limited to communicating with (in any format including electronic) or remaining in the physical presence of the other person.

6. Hazing, defined as an act which endangers the mental or physical health or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization. The express or implied consent of the victim will not be a defense. Apathy or acquiescence in the presence of hazing are not neutral acts; they are violations of this rule.

7. Failure to comply with directions of Hilbert College officials or law enforcement officers acting in performance of their duties and/or failure to identify oneself to these persons when requested to do so.
8. Insubordination towards a college official. This will include showing disrespect towards a Campus Safety, Residence Life Official or any other Hilbert College Employee. 15. Obstruction of the free flow of pedestrian or vehicular traffic on Hilbert College premises or at Hilbert College sponsored or supervised functions.

16. Conduct which is disorderly, lewd, or indecent; breach of peace; or aiding, abetting, or procuring another person to breach the peace on Hilbert College premises or at functions sponsored by, or participated in by, Hilbert College or members of the academic community. Disorderly Conduct includes but is not limited to: Any unauthorized use of electronic or other devices to make an audio or video record of any person while on College premises without his/her prior knowledge, or without his/her effective consent when such a recording is likely to cause injury or distress. This includes, but is not limited to, surreptitiously taking pictures of another person or their intimate body parts any place where there is a reasonable expectation of privacy such as, but not limited to in a gym, locker room, or restroom or residence room.

C. Violation of Law and Hilbert College Discipline

1. If a student is charged only with an off-campus violation of federal, state, or local laws, but not with any other violation of this Code, disciplinary action may be taken and sanctions imposed for grave misconduct which demonstrates flagrant disregard for the Hilbert College community. In such cases, no sanction may be imposed unless the student has been found guilty in a court of law or has declined to contest such charges, although not actually admitting guilt (e.g., “no contest” or “nolo contendere”).

2. Hilbert College disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Code (that is, of both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Dean of Students. Determination made or sanction imposed under this Student Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of Hilbert College rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

3. When a student is charged by federal, state or local authorities with a violation of law, Hilbert College will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before a Student Conduct Board under the Student Code, however, Hilbert College may advise off-campus authorities of the existence of the Student Code and of how such matters will be handled internally with the Hilbert College community. Hilbert College will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). Individual students and other members of the Hilbert College community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

ARTICLE IV: JUDICIAL POLICIES

A. Charges and Hearings

1. Any member of the Hilbert College community may file charges against any student for violations of the Student Code. A charge shall be prepared in writing and directed to the Student Conduct Administrator. Any charge should be submitted as soon as possible after the event takes place, preferably within 21 days.

2. The Student Conduct Administrator may conduct an investigation to determine if the charges have merit and/or if they can be disposed of through an Administrative Hearing by mutual consent of the parties involved; on a basis acceptable to the Student Conduct Administrator. Such disposition is subject to the same rules as the Student Conduct Board Hearing; the same formal rules for an appeal apply. If the charges cannot be disposed of by mutual consent, the Student Conduct Administrator may serve as a non-voting member of the Student Conduct Board. If the student admits violating institutional rules, but sanctions are not agreed to, subsequent process, including a hearing if necessary, shall be limited to determining the appropriate sanction(s).

3. All charges shall be presented to the Accused Student in written form. A time shall be set for a Student Conduct Board Hearing or Administrative Hearing, not less than five nor more than fifteen calendar days after the student has been notified. Maximum time limits for scheduling of Student Conduct Board Hearings may be extended at the discretion of the Student Conduct Administrator. In addition to charges being filed, the Student Conduct Administrator will also enclose an explanation of the Judicial Process, Student’s rights in the process, and the formal process for appeal.

4. When a complaint of alleged Student Code violation is presented to the Student Conduct Administrator and the Administrator determines that there may be sufficient cause to believe the alleged violation may have occurred, the student will be contacted to schedule a hearing before the Student Conduct Board or through an Administrative Hearing. The Student Conduct Board typically includes, at least two students appointed by the Hilbert College Student Government Association, two faculty members, and one administrative staff member selected by the Dean of Students. The Student Conduct Administrator will serve as a nonvoting member of the Student Conduct Board.

During a hearing, the student has the following rights:

a. To give answer to the charge or accusation and to offer any additional information that might be helpful in resolving the case.

b. Not to answer any question that may be asked during the hearing.

c. To present witnesses on his or her behalf.

d. To be informed fully of the appropriate procedures for requesting an appeal.

5. Student Conduct Board Hearings shall be conducted by a Student Conduct Board according to the following guidelines except as provided by article IV (A) (8) below:

a. Student Conduct Board Hearings normally shall be conducted in private.

b. The Complainant, Accused Student and their advisors, if any, shall be allowed to attend the entire portion of the Student Conduct Board Hearing at which information is received (excluding deliberations). Admission of any person to the Student Conduct Board Hearing shall be at the discretion of the Student Conduct Board and/or its Student Conduct Administrator.
c. In Student Conduct Board Hearings involving more than one Accused Student, the Student Conduct Administrator, in his or her discretion, may permit the Student Conduct Board Hearings concerning each student to be conducted either separately or jointly.

d. The Complainant and the Accused Student have the right to be assisted by any advisor they choose, at their own expense. The advisor must be a member of the Hilbert College community and may not be an attorney. The complainant and/or the accused are responsible for presenting his or her own case and, therefore, advisors are not permitted to speak or to participate directly in any Student Conduct Board Hearing before a Student Conduct Board. A student should select an advisor a person whose schedule allows attendance at the scheduled date and time for the Student Conduct Board Hearing because delays will not normally be allowed due to the scheduling conflicts of an advisor. Limited right to have counsel present only if case is presented on behalf of the College by counsel. Counsel does not have the right to cross examine witnesses or even participate in the process of the hearing.

e. The Complainant, the Accused Student and the Student Conduct Board may arrange witnesses to present pertinent information to the Student Conduct Board. Hilbert College will try to arrange the attendance of possible witnesses who are members of the College community, if reasonably possible, and who are identified by the Complainant and/or Accused Student at least two weekdays prior to the Student Conduct Board Hearing. Witnesses will provide information to and answer questions from the Student Conduct Board. Questions may be suggested by the Accused Student and/or Complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct Board with such questions directed to the chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved in the discretion of the chairperson of the Student Conduct Board.

f. Pertinent records, exhibits and written statements (including Student Impact Statements) may be accepted as information for consideration by a Student Conduct Board at the discretion of the chairperson.

g. All procedural questions are subject to the final decision of the chairperson of the Student Conduct Board.

h. After the portion of the Student Conduct Board Hearing concludes in which all pertinent information has been received, the Student Conduct Board shall determine (by majority vote if the Student Conduct Board consists of more than one person) whether the Accused Student has violated each section of the Student Code which the student is charged with violating.

i. The Student Conduct Board’s determination shall be made on the basis of whether it is more likely than not that the Accused Student violated the Student Code. The charges against an accused student need only be proven by “substantial information.” Substantial information is defined as, such information that a reasonable mind might accept as adequate to support a conclusion.

j. Formal rules of process, procedure, and/or technical rules of evidence such as are applied in criminal or civil court, are not sued in Student Code proceedings.

6. There shall be a single verbatim record, such as a tape recording, of all Student Conduct Board Hearings before a Student Conduct Board (not including deliberations). Deliberations shall not be recorded. The record shall be the property of Hilbert College.

7. If an Accused Student, with notice, does not appear before a Student Conduct Board Hearing or before an Administrative Hearing, the information in support of the charges shall be presented and considered even if the Accused Student is not present.

8. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Accused Student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit televisions, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Dean of Students to be appropriate.

B. Sanctions

1. The following sanctions may be imposed upon any student found to have violated the Student Code:

a. Warning - A notice in writing to the student that the student is violating or has violated institutional regulations.

b. Probation - A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional regulation(s) during the probationary period.

c. Loss of Privileges - Denial of specified privileges for a designated period of time.

d. Fines - Previously established and published fines may be imposed.

e. Restitution - Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.

f. Discretionary Sanctions - Work assignments, essays, Community Service, service to Hilbert College or other related discretionary assignments (such assignments must have the prior approval of the Student Code Administrator).

g. Residence Hall/Apartment Suspension - Separation of the student from the residence halls and/or apartments for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

h. Residence Hall/Apartment Expulsion - Permanent separation of the student from the residence halls/apartments.

i. Hilbert College Suspension - Separation of the student from Hilbert College for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

j. Hilbert College Expulsion - Permanent separation of the student from Hilbert College.

k. Revocation of Admission and/or Degree - Admission to or a degree awarded from Hilbert College may be revoked for fraud, misrepresentation, or other violation of Hilbert College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

l. Withholding Degree-Hilbert College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any.

2. More than one of the sanctions listed above may be imposed for any single violation.

3. (a)Other than Hilbert College expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s disciplinary record. Upon graduation, the student’s disciplinary record may be expunged of disciplinary actions other than residence hall/apartment expulsion, Hilbert College suspension or Hilbert College expulsion or revocation or withholding of a degree, upon application to the Student Conduct Administrator. Cases involved the imposition of sanctions other
than residence hall/apartment expulsion, Hilbert College suspension, Hilbert College expulsion or revocation or withholding of a degree shall be expunged from the student’s confidential record 10 years after final disposition of the case.

(b) In situations involved both an Accused Student(s) or group or organization) and a student(s) claiming to be the victim of another student’s conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the Accused Student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the academic community of each may be impacted.

4. The following sanctions may be imposed upon groups or organizations:
   a. Those sanctions listed above in article IV(B)(1)(a)-(l).
   b. Loss of selected rights and privileges for a specified period of time.
   c. Deactivation. Loss of all privileges, including Hilbert College recognition, for a specified period of time.

5. In each case in which a Student Conduct Board determines that a student and/or group or organization has violated the Student Code, the sanction(s) shall be determined and imposed by the Student Conduct Administrator. In cases in which persons other than, or in addition to, the Student Conduct Administrator have been authorized to serve as the Student Conduct Board, the recommendation of all members of the Student Conduct Board shall be considered by the Student Conduct Administrator in determining and imposing sanctions. The Student Conduct Administrator is not limited to sanctions recommended by members of the Student Conduct Board. Following the Student Conduct Board Hearing, the Student Conduct Board and the Student Conduct Administrator shall advise the Accused Student, group and/or organization (and a complaining student who believes s/he was the victim of another student’s conduct) in writing of its determination and of the sanction(s) imposed, if any.

6. Disciplinary Probation: If a student is placed on disciplinary probation and then violates the terms of that probation by further violating any additional article of the Student Code of Conduct, that student will be contacted by the Office of Judicial Affairs to set up a hearing to determine if the student did violate policy. If the student does not reply within 48 hours, said student will be asked to leave housing immediately within 24 hours. This process can be appealed to the Dean of Students Office. Ignoring the letter communication will result in the process caring forward and will not delay the outcome.

C. Interim Suspension
   In certain circumstances, the Dean of Students, or a designee, may impose a Hilbert College or residence hall/apartment suspension prior to the Student Conduct Board Hearing or Administrative Hearing.

1. Interim suspension may be imposed only:
   a. To insure the safety and well-being of members of the Hilbert College community or preservation of Hilbert College property;
   b. To ensure the student’s own physical or emotional safety and well-being; or
   c. If the student poses a definite threat of disruption of or interference with the normal operations of Hilbert College.

2. During the interim suspension, a student shall be denied access to the residence halls/apartment and/or to the campus (including classes) and/or all other Hilbert College activities or privileges for which the student might otherwise be eligible, as the Dean of Students or the Student Conduct Administrator may determine to be appropriate.

3. The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a Student Conduct Board Hearing or Administrative Hearing, if required. However, the student should be notified in writing of this action and the reasons for the suspensions. The notice should include the time, date, and place of a subsequent hearing at which the student may show cause why his or her continued presence on the campus does not constitute a threat [and at which they may contest whether a campus rule was violated.

D. Appeals
   A decision reached by the Student Conduct Board or a sanction imposed by the Student Conduct Administrator may be appealed by Accused Student(s) or Complainant(s) to the Dean of Students within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Dean of Students or his or her designee.

2. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the Student Conduct Board Hearing and supporting documents for one or more of the following purposes:
   a. To determine whether the Student Conduct Board Hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and present evidence that the Student Code was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a rebuttal of those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
   b. To determine whether the decision reached regarding the Accused Student(s) was based on substantial information, that is, whether there were facts in the case that if believed by the fact finder, were sufficient to that a violation of the Student Code occurred.
   c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the student was found to have committed.
   d. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the Student Conduct Board Hearing.
   e. If an appeal is upheld by the Dean of Students, the matter shall be remanded to the original Student Conduct Board and Student Conduct Administrator for reopening of the Student Conduct Board Hearing or Administrative Hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is not upheld, the matter shall be considered final and binding upon all involved, except when the sanction of expulsion is involved. This sanction may be appealed to the President of the College. However, such an appeal shall be entertained solely at the discretion of the President.
   f. In cases involving appeals by students accused of violating the Student Code, review of the sanction by the Dean of Students may not result in more severe sanction(s) for the Accused Student. Instead, following an appeal, the Dean of Students may, upon review of the case, reduce but not increase, the sanctions imposed by the Student Conduct Administrator.
   g. In cases involving appeals by persons other than students accused of violating the Student Code, the Dean of Students may upon review of the case, reduce or increase the sanctions imposed by the Student Conduct Administrator or remand the case to the original Student Conduct Board and Student Conduct Administrator.
Hilbert College
Student Code of Academic Ethics

Introduction:

Academic dishonesty is a serious problem facing every academic institution, and it is important that appropriate procedures be put into place to reduce the harm done to the education process. While Hilbert has some policies already in place, it is necessary to strengthen the ability of the college to detect and properly deal with repeat offenders without compromising the academic freedom and prerogatives of individual instructors. This plan will supplement existing tools, providing both professors and students with a measure of protection while more forcefully deterring academic misbehavior.

A student's conduct at Hilbert College is expected to reflect that of a person engaged in a serious endeavor - the pursuit of an academic degree. The College provides an environment that fosters critical thinking and judgment, and in order to safeguard the integrity of the institution, students are expected to follow the policies of the College and the faculty. To fulfill their part of that commitment, students must adhere to an academic code of ethics by refraining from participation in acts of academic dishonesty. The Student Code of Academic Ethics (hereafter referred to as the Code of Ethics) includes aspects of ethical conduct within the academic setting. The Code of Ethics ensures that students maintain the highest ethical standards when in the academic setting, when performing work in the classroom, and when completing work outside the classroom.

Students are expected to exhibit exemplary ethical behavior as part of the College community and society as a whole. Acts of academic dishonesty including cheating, plagiarism, deliberate falsification, and other unethical acts that may be specifically defined by a student’s individual discipline are considered breaches of the Code of Ethics.

By attending Hilbert College, students accept this Student Academic Code of Ethics and agree to the following:

- Students must do all of their own work, unless otherwise specified by the instructor (for example, collaborative projects).
- Students must not cheat.
- Students must not help others to cheat.

Students who are unclear about the validity of an academic procedure that they are about to undertake should ask their instructor for guidance beforehand. Violations of the Code of Ethics will result in sanctions, including possible expulsion from the College.

ACADEMIC DISHONESTY:

Academic dishonesty is a violation of the Code of Ethics. It is the student’s responsibility to seek guidance from the instructor, when he/she is unclear about any issue involving academic integrity. By matriculating at Hilbert College, students are automatically subject to the provisions of the Code of Ethics, and they are expected to uphold and support this Code of Ethics without compromise or exception. In addition, students are expected to comply with reporting procedures, when they notice any violation of the Code of Ethics.

Although it is ultimately a faculty member’s choice, faculty are strongly encouraged to report all violations of the Code of Ethics. A faculty member should report any violation to the chairman of the department in which the incident occurred. The chairperson of the department should then report the incident to the chairperson of the department of the student in question. Penalties for academic dishonesty may be loss of credit for the work in question, loss of credit for the course, suspension, or if two violations have been proven, expulsion from the College. Students have the right to dispute any action in accordance with the Student Grievance Procedure as described in the Student Handbook. Ignorance of any aspect of the Code of Ethics is not an acceptable defense.

Academic dishonesty shall include but not be limited to the following:

A. Cheating on examinations and assignments: Cheating is obtaining an unearned academic advantage either through deliberate deception or indifference to the student academic code. A student is considered to be cheating if, in the opinion of the person administering an examination or test, the student gives, seeks, or receives aid during the test, examination, or other assigned class work. Examples of cheating include the following:

1. Copying answers from another person.
2. Deliberate alteration of graded material for a re-grade or grade correction.
3. Using any unauthorized resources during an exam, such as bringing notes to class on a scrap of paper, on an article of clothing, on one’s person, on an electronic device, etc., or writing notes or answers on campus furniture or structures.
4. Asking for, giving, or receiving the answers to test questions.
5. Having another person/student take a test for a student.
6. Stealing or having in one’s possession without permission any tests, materials, or property belonging to or having been generated by faculty, staff, or another student.
7. Fabricating data and information (i.e., laboratory and clinical results, case studies, interviews, etc.).
8. Submitting a previously graded paper or speech to a different instructor without that instructor’s approval.
9. Submitting the same paper to two instructors simultaneously without both instructors’ permission.
B. Plagiarism: Plagiarism is the presentation of others' ideas or written works as one's own. Written works can take the form of electronic or print media and could include—among other items—opinions, facts, and statistics. Examples of plagiarism include the following:

1. Copying or presenting material verbatim from any source without using quotation marks and the appropriate documentation or by using improper documentation of the source, including any materials from the Internet or other electronic sources.
2. Copying from any source (print and non-print, including Internet websites), including altering a few words to avoid exact quotation, without the appropriate documentation or by using improper documentation of the source.
3. Rewording an idea found in a source but then omitting documentation or improperly citing the source.
4. Submitting as one’s own any course assignment (i.e., a paper, speech, computer project, media presentation, studio project, lab report, etc.) created by someone else.
5. Having someone other than the student correct the mistakes on a paper or speech (someone may suggest revisions, but the work must be the student’s).

Please note that “common knowledge” does not require a reference; however, a student may not be sure what constitutes “common knowledge.” The golden rule is, when in doubt cite.

C. Aiding another student in committing an act of academic dishonesty. Helping someone else to cheat is against the Code of Ethics. Some examples may include the following:

1. Willfully offering to or taking from another student questions or answers to tests, examinations, oral and written assignments, presentations, clinical projects, etc.
2. Doing another student’s assignment (in the classroom, laboratory, studio, or clinical setting: online; or outside of class), excluding collaborative learning assignments or joint assignments approved by the instructor. Some examples may include, but are not limited to, doing another student’s homework or other assignment for him or her as opposed to showing the student how to do the work, correcting a student’s misspelled word as opposed to identifying a misspelled word, or writing or re-writing a major portion of a student’s assignment.
3. Taking a test for another student.

Consequences of Academic Dishonesty:

Ensuring academic honesty is everyone’s responsibility. The excuse of ignorance is unacceptable in response to a charge of student academic dishonesty.

One act of academic dishonesty will result in the following consequences:

Failing or zero (0) grade for the assignment or course to be determined by the professor.

The student’s name should be submitted to the Provost/VPAA and kept on file until graduation or until a second offense occurs.

If the student is caught engaging in a second incidence of academic dishonesty, he/she will be expelled from Hilbert College according to the following process:

Due process for alleged violations of the Code of Ethics

Step 1: During orientation, students will sign an Academic Integrity Promise, which includes a description of the college’s policy and procedures for academic dishonesty (see addendum #1). Students will be provided with information about the nature of plagiarism and the damage to their lives and careers which will occur if they are found to have engaged in cheating.

Step 2: If a student is accused by faculty of academic dishonesty, the student may either accept or challenge the accusation. If the student acknowledges the dishonesty, the faculty member penalizes him or her according to whatever penalties that are described in the syllabus. The faculty member should then file an incident report (see addendum # 2) within one business week to his/her department chair, who will forward a copy to the Provost/VPAA’s office. Moreover, the faculty member will notify the student in writing within one business week (as a reminder of orientation instruction) that if the student is accused and proven of a second charge of academic dishonesty, he/she will be dismissed from the College.

Step 3: If the student challenges the faculty member’s accusation, the matter will be presented to the faculty member’s department chair. The chair will render a decision based on separate written reports submitted by both parties. If the chair’s decision supports the faculty member and the student accepts the decision, a report will be filed in the Provost/VPAA’s office. If the chair’s decision supports the student’s position and the faculty member accepts it, any report filed with the Provost/VPAA will be rescinded.

Step 4: If either the faculty member or student do not accept the decision of the chair and wish to appeal, the matter will be presented to the Curriculum, Academic Policies, and Procedures Committee (CAPP) within one business week of said accusation. Both parties and the department chair will then send written reports within one business week to the chair of that committee to render a final decision. If the committee’s decision supports the faculty member, the report of dishonesty already filed in the office of the Provost/VPAA will remain in force. If the CAPP Committee instead supports the student, such a report will be removed. If either the faculty member or student does not accept the decision of the CAPP Committee, a report will be sent within one business week to the Provost/VPAA for a final decision.

Step 5: If a second report of academic dishonesty for the same student is filed in the Provost/VPAA’s office and is sustained through the foregoing process, the student is automatically expelled from the college by the Provost/VPAA.
SUICIDE PREVENTION POLICY

Procedures
When the Suicide Prevention Team is in receipt of a credible report that a student has threatened or attempted suicide, engaged in efforts to prepare to commit suicide or expressed a preoccupation with suicide, the student will be required to attend four one hour sessions of professional assessment with a licensed mental health professional who agrees to participate in the program’s requirement of a comprehensive and in-depth assessment of the precipitation incident, prior attempts and threats, and current suicidal intent. In addition, the professional must be willing and available to engage in counseling and/or therapy, if the student so consents.

The first assessment will occur within a week of the incident or release from the hospital.

The remaining assessments will ideally occur at weekly intervals.

Students are required to participate only in an assessment of their past and current suicidality. Students are not required to engage in counseling or therapy. A student may elect to go beyond the required assessment and participate in counseling or therapy, only after the professional secures the student’s permission through verbal consent.

Students can obtain the assessments with a private practitioner with comparable credentials at his or her own expense and after signing an authorization allowing that practitioner to communicate with members of the Suicide Prevention Team. All professionals will make the incident, its roots and implications a significant focus of each of the four assessments.

Students seeking to obtain the four assessment appointments with a private practitioner must sign a release allowing the practitioner to make contact with a member of the Suicide Prevention Team. As was the case with College professionals, before meeting with the student, the private practitioner must be provided with independent sources of information regarding the suicidal incident, if such reports exist. These include suicide notes, police reports, emergency room reports and eye witness accounts.

Private practitioners will be required, during the period in which the four session assessment occurs, to provide the College with reports of instances in which the student threatened or attempted suicide, engage in efforts to prepare to commit suicide or expressed a preoccupation with suicide.

The Suicide Prevention Team will advise the Dean of Students in the event that a student does not comply with the policy.

Failure to adhere to this standard of self-welfare or failure to fulfill the requirements of the assessment following a suicidal incident may result in disciplinary action, academic encumbrance, suspension and/or withdrawal. The appropriate actions associated with this policy will be determined by the Dean of Students.

The Dean of Students may take other steps, including contacting the student’s parents and/or other significant others in the event of a particularly potentially lethal suicide attempt of in the event of repeated suicide attempts.

Confidentiality
All records associated with the reported incident are kept separately by the Suicide Prevention Team and do not appear as part of the student’s academic record.

All records associated with the mandated assessment are protected by state laws regarding confidentiality.

Appeals
A student may appeal the accuracy of the report to the Suicide Prevention Team. In some instances, in order for the appeal to go forward, a student will be required to sign a release allowing the members of the Suicide Prevention Team to contact and interview witnesses to the incident. The policy of four sessions of professional assessment is applied uniformly to all students who cross the threshold described above. The requirement of four professional assessments is not subject to appeal.

If a student disagrees with other aspects of the program, such as whether the events in question cross the threshold of what constitutes a suicide threat or attempt or whether the professional he or she has retained meets the requirements of the program, he or she can appeal the Suicide Prevention Team’s decision to the Dean of Students or designee. The Dean of Students decision is final.

SUSPENSION AND MANDATORY LEAVE POLICY AND PROCEDURES

General Definition and Purpose
When a student or a group of students pose a threat to themselves, or to other members of the College Community, or when their continued presence on campus would be likely to cause serious disruption in campus activities, the Dean of Students, in consultation with appropriate College officials, may issue a summary suspension or mandate a leave of absence for one or more individuals to preserve campus security and tranquility.

The threat may be construed to be physical, behavioral or psychological. When a summary suspension or mandated leave of absence is enacted, individuals will be required to immediately remove themselves from the college until it is determined that it is safe for the individual(s) to return to the campus. Such determination will be made by the Dean of Students in consultation with appropriate College personnel.

GUIDELINES RELATED TO THE IMPLEMENTATION OF A SUMMARY SUSPENSION OR A MANDATORY LEAVE OF ABSENCE
1. The initial communication of the summary suspension of mandatory leave will be made orally to the student(s) affected.
2. The College will take reasonable steps to notify the affected student(s) in writing of the decision within 72 hours. If the student(s) has been required to leave campus before such written notice is delivered, the written notice will be mailed to the student’s address as indicated on the student’s personnel file (or other such documentation of the College) within 72 hours of the oral notification. The notification will also include information regarding any stipulations peculiar to this decision.

Pursuant To Article 129-A, Section 6450, of The Education Law of The State of New York at Hilbert College Hamburg, New York;

This document shall apply equally to students, instructional faculty, administrative faculty, staff (not under contract), members or invitees.

STUDENT GRIEVANCE POLICY
Preamble
Hilbert College wishes to provide a means of both informal and formal dispute resolution for any student who has a complaint against a Hilbert College employee, coach, or volunteer. The College assures that no retaliatory action will be tolerated against a student who files a complaint.

A. Definition of Terms
1. Complainant: The person(s) submitting the complaint.
2. Respondent: The person(s) against whom the complaint is made.
3. Complaint Committee:
   Complaint Committee, appointed by the President of Hilbert College at the beginning of the academic year, will be comprised as follows:
   a. The Committee will consist of one representative from each of the following groups:
      1. Faculty - member chosen by the Faculty Senate
      2. Administration – to serve as chair selected by the President

      1. This is a four (4) person committee.
      2. The representative of the Administration will serve as Chairperson.
3. A quorum shall consist of four (4) members.

B. Process

*Step One*

**Informal Complaint**

Should any student believe that he/she has been unfairly treated by college personnel, informal contact between the student and faculty or staff member is encouraged to attempt to clarify or rectify the situation.

**Formal Complaint**

Continued dissatisfaction following informal attempts to rectify complaints would require that the matter be referred to the next stage of the process described below. Formal complaints must be submitted in writing.

*Step Two*

Should the complainant remain unsatisfied, a written review may be submitted to the appropriate Vice President within ten (10) calendar days after meeting with the Respondent. Such written review shall set forth specifically the nature of the complaint, the facts relating thereto, and the Complainant’s reasons for rejection of the decision rendered in Step 1. The Respondent may submit a written reply to the Complainant with any appropriate and relevant documentation.

The Vice President will review the written statements from both parties within ten (10) calendar days and render a finding to attempt to resolve the situation. If the complaint is resolved at this meeting, both parties should sign a brief statement to that effect. Copies of this statement should be given to both parties and to the appropriate Vice President.

*Step Three*

If the matter is still not resolved, the Vice President should proceed to invoke a Complaint Committee as identified in A (3) above. Within ten (10) calendar days after receipt of the review, the Complaint Committee shall review the written statements and other information submitted by the Complainant, Respondent and Vice President.

The Committee will attempt to schedule a meeting among the parties within ten (10) calendar days to hear statements and afford all parties an opportunity to present any relevant information. At the conclusion of the meeting the Committee will decide by majority vote on a resolution to the complaint. Within ten (10) calendar days, the Committee must make a written recommendation(s) of action in writing to the respective Vice President and simultaneously inform the Complainant and Respondent.

*Step Four*

If still dissatisfied, within ten (10) calendar days the Complainant may request review by the College President, in writing, of the recommendation(s) of the Complaint Committee and/or the action of the respective Vice President if that action is contrary to the recommendation of the Complaint Committee. Within ten (10) calendar days after receipt of the appeal, the President shall render a decision in writing. The decision of the President is final.

C. Operation of the Complaint Committee

1. Authority of Committee - The Committee is empowered to hear a specific complaint and to render a decision regarding it. The Complaint Committee shall adopt standards and procedures of review which are suited to the process of dispute resolution.

   **Procedure of the Meeting**

   a. Rules of Operation

   1. First Meeting - The Chairperson is to call a meeting of the Complaint Committee within ten (10) calendar days of receiving a complaint and to set the time and place for the meeting. The Complainant and the Respondent are to be informed in writing of the time and place of the meeting and be supplied with a copy of the procedures to be followed by the Committee.

   2. Process - Any questions regarding process or procedure are to be settled by a majority vote of the Complaint Committee.

   b. Documentary Material

   Documentary material may be submitted that is relevant to the complaint. The person supplying this should submit one original to the office of the Chairperson of the Committee, at least seventy-two (72) hours prior to the meeting of the Committee. It is the duty of the Chairperson to disseminate this material with the other members of the Committee.

   c. Participants and Observers

   The Complaint Committee shall make every effort to hold its meetings to respect the individual privacy of the participants.

   d. Length of Meeting

   The Chairperson shall establish the length of the meeting, set the agenda, and decide on the relevancy of verbal and/or written communication, subject to a majority vote of the Committee.

   e. Role of Advisors

   Each principal (Complainant or Respondent) is entitled to bring an advisor to the meeting. The advisor is not a legal representative. The function of the advisor is to give counsel to the principal whom they accompany. However, the advisor may not enter into any discussion with the Committee or question the other principal, or challenge the documentary material. The Committee may also appoint an advisor who may interact with the Committee at any time. The term “advisor” in this context does not necessarily mean the student’s academic advisor.

   f. Questioning by the Committee

   The Chairperson of the Committee has the right to interrupt the speaker at any time, or may recognize a committee member for this purpose, to ask for clarification, proof, or questioning of any statement. The principals will have an opportunity to question one another, subject to the discretion of the Chairperson.

   g. Record of Meeting

   The meeting is intended to be a means of dispute resolution. Hilbert College and the Complaint Committee will be responsible to make one authorized audio recording.

   h. Decision of Committee
The Committee will vote in executive session on the recommendation(s) it will make regarding the complaint. These deliberations will not be recorded. The decision will be reached by majority vote. The Chairperson of the Committee is responsible for sending its decision in writing to both principals and to the Vice President.

i. Publication of Decision
The decision of the Committee will be communicated to the principals within ten (10) calendar days after the completion of the executive session of the Committee.

12. I certify that I am at least eighteen (18) years of age and am competent to sign this policy. If I am under age 18, a parent or legal guardian must also sign.

UNACCEPTABLE OFF-CAMPUS BEHAVIOR
Hilbert College acknowledges that one’s status as a student in no way alters the individual’s rights or responsibilities as a citizen. While the College does not become involved in the private actions of students, it does reserve the right to take appropriate action if such private actions adversely affect the good name of the College and of its constituencies. Such measures will follow the right of due process for all concerned.
