

Transfer Policy

Hilbert recognizes that transfer students have special requirements and concerns. As a result, the admissions office has a specific transfer coordinator who will work to evaluate a prospective student's prior coursework in conjunction with the department chairs.

Hilbert welcomes transfer students from two and four year colleges. In addition, Hilbert will consider CLEP scores, AP coursework, and military education.

Minimum Transfer Grade

For required courses in your major, a minimum grade of C- is necessary for transfer credit to be granted. Award of transfer credits for D grades in courses outside your major may include up to 12.0 credit hours. Students who transfer in-house to a new program will have their records reevaluated to conform to that program's standards.

Residency

Of the final 45 credit hours toward completion of the baccalaureate, a minimum of 30.0 hours must be taken at Hilbert College. Academic advisement is particularly critical to ensuring students meet program requirements in a timely progression.

Transfer Agreements

The relationship that exists between Hilbert College and these two-year colleges in New York State strives to personalize contacts among the students, faculty and administration from transfer colleges and Hilbert College. Transfer students may contact Hilbert College Admissions Office and their present college's department chairpersons, transfer counselors, and academic advisors for specific details. Hilbert offers a receptive environment for students transferring from two- year institutions. In many cases, specific articulation agreements exist between Hilbert and the two-year college, so that courses transfer in seamlessly. The list of partner institutions and transfer agreements is regularly updated. Please consult the Admissions office for the up to date information. While recognizing the quality of the academic programs at other institutions, the College is also aware that the content in certain courses can become significantly outdated after a number of years. For that reason, Hilbert's academic chairs reserve the right to determine, with incoming transfer courses that are five years or older, whether those courses can be applied as program requirements or as electives.
