DIVISION III PHILOSOPHY STATEMENT

Colleges and universities in Division III place highest priority on the overall quality of the educational experience and on the successful completion of all students’ academic programs. They seek to establish and maintain an environment in which a student-athlete's athletics activities are conducted as an integral part of the student-athlete’s educational experience, and in which coaches play a significant role as educators. They also seek to establish and maintain an environment that values cultural diversity and gender equity among their student-athletes and athletics staff. *(Revised: 1/10/95, 1/9/06 effective 8/1/06)*

To achieve this end, Division III institutions:

(a) Place special importance on the impact of athletics on the participants rather than on the spectators and place greater emphasis on the internal constituency (e.g., students, alumni, institutional personnel) than on the general public and its entertainment needs;

(b) Shall not award financial aid to any student on the basis of athletics leadership, ability, participation or performance; *(Revised: 7/24/07)*

(c) Encourage the development of sportsmanship and positive societal attitudes in all constituents, including student-athletes, coaches, administrative personnel and spectators;

(d) Encourage participation by maximizing the number and variety of athletics opportunities for their students;

(e) Assure that the actions of coaches and administrators exhibit fairness, openness and honesty in their relationships with student-athletes;

(f) Assure that athletics participants are not treated differently from other members of the student body;

(g) Assure that athletics programs support the institution's educational mission by financing, staffing and controlling the programs through the same general procedures as other departments of the institution. Further, the administration of an institution's athletics program (e.g., hiring, compensation, professional development, certification of coaches) should be integrated into the campus culture and educational mission; *(Revised: 1/9/06 effective 8/1/06)*

(h) Assure that athletics recruitment complies with established institutional policies and procedures applicable to the admission process; *(Adopted: 1/12/04 effective 8/1/04)*

(i) Assure that academic performance of student-athletes is, at a minimum, consistent with that of the general student body; *(Adopted: 1/9/06 effective 8/1/06)*

(j) Assure that admission policies for student-athletes comply with policies and procedures applicable to the general student body; *(Adopted: 1/9/06 effective 8/1/06)*

(k) Provide equitable athletics opportunities for males and females and give equal emphasis to men's and women's sports;

(l) Support ethnic and gender diversity for all constituents; *(Adopted: 1/12/99)*

(m) Give primary emphasis to regional in-season competition and conference championships; and

(n) Support student-athletes in their efforts to reach high levels of athletics performance, which may include opportunities for participation in national championships, by providing all teams with adequate facilities, competent coaching and appropriate competitive opportunities.

The purpose of the NCAA is to assist its members in developing the basis for consistent, equitable competition while minimizing infringement on the freedom of individual institutions to determine their own special objectives and programs. The above statement articulates principles that represent a commitment to Division III membership and shall serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences.

I. MANUAL FORMAT

LARGE PAGE/LARGE TYPE
The 8½ x 11-inch page size and large type size facilitate effective and efficient use of the Manual.

ARTICLE TABLE OF CONTENTS
At the beginning of each article is an abbreviated table of contents to assist the user in locating specific information within the article.

GENERAL PRINCIPLES
General principles that are considered of particular importance in helping the user understand the rationale for the detailed regulations that follow are presented at the beginning of appropriate articles.

DEFINITIONS AND APPLICATIONS
Following the general principles in most articles is a section in which definitions and applications are provided for a number of the more important words or terms used in that article.

DECIMAL NUMBERING WITH TOPIC HEADINGS
The decimal numbering system provides efficiency and flexibility. Section headings, to at least the fourth subsection level, and for further subsections where appropriate, assist the user in identifying the section content, thus facilitating ready access to pertinent regulations. This system also facilitates a "hanging indentation" presentation, which helps the reader relate the subsections to the basic section.

III. VOTING REQUIREMENTS FOR MANUAL

The Manual attempts to present all regulations on a given subject in logical order. As a result, different paragraphs in the same sections may carry different voting requirements. The following terms designate voting requirements currently in effect for sections in the Manual:

- **Dominant provision** — Legislation that is derived from the constitution in the 1988-89 Manual (the Manual format that was employed until the membership approved the revised format at the 1989 Convention). All such legislation is identified by an asterisk [*] and requires a two-thirds majority vote of the total membership (present and voting) for adoption or amendment.

- **Common provision** — Legislation that is derived from the common bylaws (9, 10, 12 and 13) in the 1988-89 Manual. All such legislation is identified by a pound sign [#] and requires a majority vote of each of the three divisions, voting separately, for adoption or amendment.

- **General provision** — Legislation that applies to all three divisions and that requires a simple majority vote of all divisions, voting jointly, for adoption or amendment (e.g., enforcement procedures, some executive regulations). Such legislation is identified by a plus sign [+].

- **Division dominant** — A division dominant provision is one that applies to all members of a division and is of sufficient importance to the division that it requires a two-thirds majority vote of all delegates present and voting at a division's annual or special Convention. Division dominant provisions are identified by a diamond symbol [◆].

Note: The authorization for adoption and amendment of each of the administrative bylaws (30, 31 and 32) is set forth in a note at the beginning of each of those bylaws, as provided in Constitution 5.2.3.1, 5.2.3.2 and 5.2.3.3.

Amendments to existing sections of the Manual have the same voting requirement as the section does now. The Executive Committee is authorized to establish the voting requirement for any new section when the content or context does not clearly determine it. The authorization for this is set forth in Constitution 5.3.8.1.

**V. LEGISLATION THAT IS SHADED/SCREENED**

Legislation that was adopted by the 2009 Convention is set off by a gray background and contains the date of adoption or revision. Interpretations, noncontroversial amendments and modifications of wording approved by the Council are set off by a gray background and include an adoption or revision date.

**EXAMPLE**

Legislation with a delayed effective date (e.g., adopted by the 2009 Convention, effective August 1, 2010) is enclosed in a box and set off by a gray background. The first item in each box is a notation of the action taken at a Convention and the date the amendment becomes effective. It will be shaded. The legislation currently applicable follows and does not have a gray background. The legislation as amended, scheduled to take effect at a later date, is next and is set off by a gray background. Because this Manual is effective August 1, 2009, the only legislation that will be shown in this manner is that which is to be effective August 1, 2010, or later.

**EXAMPLE**

The following Bylaw 20.11.3 was revised at the 2006 Convention, effective August 1, 2010.

(b) Five varsity intercollegiate sports, including at least three team sports and at least one sport conducted in each sport season, based on the minimum requirements of Bylaw 20.11.3.5 involving all-female teams. *(Revised: 5/4/06)*

**20.11.3 Sports Sponsorship.** A member institution shall sponsor in Division III a minimum number of sports based on institutional enrollment. At least one sport involving an all-male team or a mixed team of males and females and at least one sport involving an all-female team shall be conducted in every sport season. All sports used to meet the minimum sports sponsorship requirements must meet the minimum contest and participant requirements per Bylaw 20.11.3.5. *(Revised: 1/14/97 effective 8/1/01, 1/9/06 effective 8/1/10, 5/4/06)*
VII. ORGANIZATION OF THE NCAA MANUAL

Divisions I, II and III each have a master manual containing Articles 1-32. Each division's manual contains legislation specific to the applicable division and does not contain legislation pertaining only to one or both of the other divisions. However, legislation that includes references to one or both of the other divisions will appear in its entirety. In addition, since each division's manual does not contain legislation specific to the other division(s), some bylaws may have gaps in the numbering sequence.

3.01 GENERAL PRINCIPLES

3.01.1 Classes of Membership. The NCAA offers five classes of membership: active, conference, affiliated, corresponding and provisional. Eligibility for and method of election to membership, obligations and conditions for continuing membership, voting rights, and other membership privileges for each class are defined in this article. (Revised: 1/11/94 effective 9/2/94)

3.01.2 Division Membership. Active and conference members of the NCAA may be divided into divisions for purposes of bylaw legislation and competition in NCAA championships. Criteria for membership in these divisions are defined in Bylaw 20.

3.01.3 Obligation to Meet Division Criteria. Division membership criteria constitute enforceable legislation. Each member institution shall comply with all applicable criteria of its division, and an institution that fails to do so shall be subject to the enforcement procedures, as well as to possible reclassification.

3.01.4 Assignment to Geographical Areas. Active and conference members are assigned to geographical areas for the purpose of representation on the Management Council, Presidents Council and various committees, as well as to facilitate the work of the Association. Geographical districts and regions are defined in Constitution 4.13.

3.01.5 Termination or Suspension of Membership. All rights and privileges of a member shall cease immediately upon termination or suspension of its membership.

3.02 DEFINITIONS AND APPLICATIONS

3.02.1 Competitive Body. A competitive body is an athletics conference that conducts competition among its member institutions and determines a conference champion in one or more sports.

3.02.2 Legislative Body. A legislative body is an athletics conference that develops and maintains rules and regulations governing the athletics programs and activities of its member institutions.

3.02.3 Membership Categories.

3.02.3.1 Active Member. An active member is a four-year college or university or a two-year upper-level collegiate institution accredited by the appropriate regional accrediting agency and duly elected to active membership under the provisions of this article (see Constitution 3.2.3). Active members have the right to compete in NCAA championships, to vote on legislation and other issues before the Association, and to enjoy other privileges of membership designated in the constitution and bylaws of the Association.

3.02.3.1.1 Athletics Consortium. An athletics consortium consists of one member institution and neighboring member or nonmember institutions (but not more than one nonmember institution), recognized and approved by a two-thirds vote of the Management Council (based upon recommendation of the Membership Committee). The student-athletes of the combined institutions are permitted to compete on the NCAA member institution’s athletics teams, provided they meet the eligibility requirements of the NCAA and the member institution (see Constitution 3.1.2 and Bylaw 30.4).

3.02.3.1.2 Membership Classification Status.

3.02.3.1.2.1 Probation. Probation is a membership classification status assigned to an institution that indicates that an institution’s membership is not in good standing. The status of probation serves as a warning that certain conditions and obligations of membership have not been satisfied and failure to correct such deficiencies shall result in the institution’s reclassification to the category of restricted membership. During the probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided...
with the guiding principles to establish a model Division III athletics program. An institution does not lose membership benefits as a result of being placed on probation. (Revised: 1/9/06, 1/8/07 effective 8/1/07, for any application of membership penalties [probation or restricted membership status] based on the sports sponsorship audit shall be based on information reported for the 2006-07 year and beyond)

3.02.3.2 Provisional Member. A provisional member is a four-year college or university or a two-year upper-level collegiate institution accredited by the appropriate regional accrediting agency and that has applied for active membership in the Association. Provisional membership is a prerequisite for active membership in the Association. The institution shall be elected to provisional membership under the provisions of this article (see Constitution 3.6.3). Provisional members shall receive all publications and mailings received by active members in addition to other privileges designated in the constitution and bylaws of the Association. A member conference is entitled to all of the privileges of active members except the right to compete in NCAA championships (see Constitution 3.3.2). Only those conferences that meet specific criteria as competitive and legislative bodies (see Constitution 3.02.1 and 3.02.2) and minimum standards related to size and division status (see Constitution 3.3.2.2.2) are permitted to vote on legislation or other issues before the Association. 5.4.1.1 Authorization. The Presidents Council and Management Council per Constitution 4.4 and 4.8, in the interim between Conventions, and the Interpretations and Legislation Committee, in the interim between meetings of the Presidents Council and Management Council, are empowered to make interpretations of the constitution and bylaws (see Constitution 5.2.5). (Revised: 1/9/96 effective 8/1/97)
5.4.1.1 Modification of Wording. In addition to its general authority to make binding interpretations of NCAA legislation, the Management Council, by a two-thirds majority of its members present and voting, may interpret legislation consistent with the intent of the membership in adopting the legislation if sufficient documentation and testimony are available to clearly establish that the wording of the legislation is inconsistent with that intent. The Management Council shall sponsor legislation at the next annual Convention to confirm any such interpretations. (Revised: 1/9/96 effective 8/1/97)

5.4.1.2 Interpretation Process.

5.4.1.2.1 Staff Interpretation (Determination). The academic and membership affairs staff shall respond to a request from a member institution for an interpretation of NCAA rules. (Revised: 1/14/97 effective 8/1/97, 10/20/08)

5.4.1.2.1.1 Appeal of Staff Interpretation. A member institution may appeal a staff interpretation to the Interpretations and Legislation Committee. Such a request must be submitted in writing by the institution’s conference or by one of the five individuals who are authorized to request such interpretations on behalf of the institution [i.e., president or chancellor, faculty athletics representative, athletics director, senior woman administrator, compliance coordinator, or designated substitute(s) for the president or chancellor and/or athletics director, as specified in writing to the national office]. (Revised: 1/11/94, 1/14/97 effective 8/1/97, 10/3/05, 10/20/08)

5.4.1.2.1.2 Review of Staff Interpretations. The Interpretations and Legislation Committee shall review all staff interpretations. (Adopted: 10/20/08)

5.4.1.2.1.3 Publication and Notification. A staff interpretation shall be binding on the requesting institution on notification of the response to its interpretation request, unless the interpretation is modified or reversed on appeal or review by the Interpretations and Legislation Committee. A staff interpretation that has been reviewed and approved by the Interpretations and Legislation Committee shall be binding on all institutions on publication to the membership (e.g., announced on the NCAA Web site or Legislative Services Database for the Internet). (Adopted: 10/20/08)

5.4.1.2.2 Review of Interpretations and Legislation Committee Decision. The Management Council shall review all interpretations issued by the Interpretations and Legislation Committee and may approve, reverse or modify such interpretations. A member institution may appeal a decision of the Interpretations and Legislation Committee to the Management Council meeting immediately after the decision of the committee. The appeal must be submitted in writing by the institution’s president or chancellor, faculty athletics representative or director of athletics. The Management Council shall establish the procedures for such an appeal. (Adopted: 1/11/94, Revised: 1/9/96 effective 8/1/97, 1/14/97 effective 8/1/97, 10/3/05)

Any member of the Association to which an interpretation applies may request a review of the interpretation at the next annual Convention by making such a request in writing to the Association’s Convention office before 1 p.m. on the day before the business sessions of the Convention.

5.4.1.4.1 Affirmation of Interpretation. An interpretation of the constitution or bylaws submitted for review requires the same vote for affirmation that would be required for an amendment of the provisions to which the interpretation applies (e.g., majority vote of the delegates present and voting in the appropriate division for an interpretation of a federated provision). An interpretation that fails to receive the required vote for affirmation shall not be binding on the membership.

5.4.1.5 Amendment by Membership. A proposed amendment to an existing interpretation must be submitted in accordance with the requirements of Constitution 5.3.4.

5.4.1.6 Convention-Approved Interpretations. All interpretations approved by the Convention shall be incorporated into the constitution or bylaws.

An institution may appeal to the Management Council a decision of a committee (excluding actions of the Eligibility Subcommittee, excluding actions related to the restoration of a student-athlete’s eligibility, and the Infractions Subcommittee) or the NCAA staff regarding the application of legislation to a particular situation. In reaching its decision, the Management Council shall review the complete record in order to determine whether there is sufficient basis to grant relief from the application of the legislation. The Management Council shall establish the process for such a review; shall moni-
tor the actions taken under this authorization, and shall report annually to the membership the actions taken, in summary, aggregate form. (Adopted: 1/16/93, Revised: 1/9/96 effective 8/1/97)

INSTITUTIONAL CONTROL

CONSTITUTION, ARTICLE 6

Institutional Control

6.01 GENERAL PRINCIPLES

6.01.1 Institutional Control. The control and responsibility for the conduct of intercollegiate athletics shall be exercised by the institution itself and by the conference(s), if any, of which it is a member. Administrative control or faculty control, or a combination of the two, shall constitute institutional control.

6.1 INSTITUTIONAL GOVERNANCE

6.1.1 President or Chancellor. A member institution’s president or chancellor has ultimate responsibility and final authority for the conduct of the intercollegiate athletics program and the actions of any board in control of that program. (Revised: 10/3/05)

6.1.2 Athletics Board. A board in control of athletics or an athletics advisory board, which has responsibility for advising or establishing athletics policies and making policy decisions, is not required. However, if such a board exists, it must conform to the following provisions.

6.1.2.1 Composition. Administration and/or faculty staff members shall constitute at least a majority of the board in control of athletics or an athletics advisory board, irrespective of the president or chancellor’s responsibility and authority or whether the athletics department is financed in whole or in part by student fees. If the board has a parliamentary requirement necessitating more than a simple majority in order to transact some or all of its business, then the administrative and faculty members shall be of sufficient number to constitute at least that majority. (Revised: 10/3/05)

6.1.2.1.1 Administrator Defined. An administrator (for purposes of this legislation) is an individual employed by the institution as a full-time administrative staff member who holds an academic appointment, is directly responsible to the institution’s president or chancellor or serves as a chief administrative official (e.g., admissions director, finance officer, department head, or athletics department head). Other nonacademic staff members and individuals who are members of an institution’s board of trustees or similar governing body would not be considered to be administrators for purposes of this regulation. (Revised: 10/3/05)

6.1.2.1.2 Board Subcommittee. If a board subcommittee is appointed, it is not necessary for the subcommittee to have majority control by administration and/or faculty members (see Constitution 6.1.2.1 for composition requirements), provided all actions of the subcommittee are approved by the entire board before becoming effective. However, if the subcommittee’s actions are effective permanently or become effective immediately and remain in effect until reviewed by the entire board at a later date, the subcommittee’s membership must satisfy the majority-control requirement.

6.1.2.1.3 Attendance. A parliamentary majority of administrators and faculty members of a board in control of athletics is not required to be present at any single meeting in order to conduct business.

6.1.2.2 Chair or Voting Delegate. Only an administrator or faculty member (as opposed to a student, alumnus or governing board member) may serve as chair of a member institution’s board in control of intercollegiate athletics or represent the board as the institution’s voting delegate at Conventions. Institutional representatives in these positions have responsibility for advising or establishing athletics policies and making policy decisions that require administrative and/or faculty control.

6.1.3 Faculty Athletics Representative. A member institution shall designate an individual to serve as faculty athletics representative. An individual so designated after January 12, 1989, shall be a member of the institution’s faculty or an administrator who holds faculty rank and shall not hold an administrative or coaching position in the athletics department. Duties of the faculty athletics representative shall be determined by the member institution. (Adopted: 1/11/89)
6.1.4 **Student-Athlete Advisory Committee.** Each institution shall establish a student-athlete advisory committee for its student-athletes. The composition and duties of the committee shall be determined by the institution. *(Adopted: 1/10/95 effective 8/1/95)*

6.2 **BUDGETARY CONTROL**

6.2.1 **Normal Budgeting Procedures.** The institution’s annual budget for its intercollegiate athletics programs shall be controlled by the institution and subject to its normal budgeting procedures.

6.2.2 **President or Chancellor Approval.** The institution’s president or chancellor or an institutional administrator designated by the president or chancellor from outside the athletics department shall approve the annual budget in the event that the institution’s normal budgeting procedures do not require such action. *(Revised: 10/3/05)*

6.2.3 **Financial Audit.** All expenditures and revenue for or on behalf of a Division III member institution’s intercollegiate athletics programs shall be subject to the institution’s regular financial audit. In particular, additional revenue and expenditures associated with outside groups or individuals shall be included in this audit. *(Revised: 1/11/89)*

6.3 **SELF-STUDY AND EVALUATION**

6.3.1 **Self-Study Report.** Institutions shall conduct a comprehensive self-study and evaluation of their intercollegiate athletics programs at least once every five years, using the Institutional Self-Study Guide (ISSG). The report of the self-study and supporting documentation shall be available for examination on request by an authorized representative of the Association and may be reviewed by the Membership Committee with a focus on legislative issues and results of action plans in areas of deficiencies. Subjects covered by the self-study shall include: *(Revised: 1/14/97 effective 8/1/97, 1/8/07 effective 8/1/07, for any application of membership penalties [probation or restricted membership status] based on the sports sponsorship audit shall be based on information reported for the 2006-07 year and beyond)*

(a) Institutional purpose and athletics philosophy;
(b) Principles of sportsmanship and ethical conduct; *(Revised: 1/10/05)*
(c) The authority of the president or chancellor and institutional oversight of athletics; *(Revised: 1/10/05, 10/3/05)*
(d) Institutional control and accountability of athletics program finances; *(Revised: 1/10/05)*
(e) Athletics program organization and administration; *(Revised: 1/10/05)*
(f) Employment of athletics program personnel; *(Revised: 1/10/05)*
(g) Sports programs;
(h) Sports medicine; *(Revised: 1/10/05)*
(i) Recruiting, admissions, financial aid and academic eligibility; *(Revised: 1/10/05)*
(j) Institutional student services; and *(Revised: 1/10/05)*
(k) Student-athlete profiles.

6.3.1.1 **Institutions Completing Provisional or Reclassifying Membership.** An institution that completes the provisional or reclassifying membership period and is granted active membership status must conduct a comprehensive self-study and evaluation of its intercollegiate athletics program no later than the end of the first year of active membership, regardless of when the previous self-study was completed. *(Adopted: 1/13/03, Revised: 1/6/06)*

6.3.1.2 **Failure to Conduct the Institutional Self-Study Guide.** If an institution fails to conduct the Institutional Self-Study Guide (ISSG) by the conclusion of the academic year during which the report was due, it shall become ineligible for Division III grant and initiative funding and its entire program (both men’s and women’s sports) shall be placed on probation for one year beginning in the next academic year after the failed submission. A failure to conduct the Institutional Self-Study Guide is considered to have occurred when the institution does not submit the Notification of Completion form to the NCAA during the academic year in which the self-study is due. An institution shall be afforded this one-year probationary period for failure to comply with the deadline only once in a 10-year period. The 10-year period shall begin September 1 following the completion of the academic year in which the ISSG deadline is not met. *(Adopted: 1/9/06 effective 8/1/06, Revised: 8/3/06, 7/24/07, 1/17/08)*

6.3.1.2.1 **Application of Restricted Membership Status.** If an institution fails to complete the ISSG at the end of the probationary year or is ineligible for the once-in-10-year probationary period, it shall be placed in restricted membership per Constitution 3.02.3.1.2.2. If an institution still does not complete the ISSG at the end of that year, it shall be reclassified as a corresponding member. *(Adopted: 1/9/06 effective 8/1/06)*
6.3.1.2 Waiver. The Management Council, on recommendation of the Membership Committee, may grant waivers of Constitution 6.3.1.2 if it deems that extenuating circumstances warrant such action. (Adopted: 1/9/06 effective 8/1/06)

6.4 RESPONSIBILITY FOR ACTIONS OF OUTSIDE ENTITIES

6.4.1 Independent Agencies or Organizations. An institution's "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of an independent agency or organization when a member of the institution's executive or athletics administration, or an athletics department staff member, has knowledge that such agency or organization is promoting the institution's intercollegiate athletics program.

6.4.2 Representatives of Athletics Interests. An institution's "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of individuals when a member of the institution's executive or athletics administration has knowledge or should have knowledge that such an individual:

6.4.2.1 Agreement to Provide Benefit or Privilege. The clause shall provide for the withholding of the benefit or privilege from a party to the agreement and any other person who may be entitled to a benefit or privilege under the terms of the agreement. (Adopted: 1/10/95)

6.4.2.2 Retention of Identity as "Representative." Any individual participating in the activities set forth in Constitution 6.4.2 shall be considered a "representative of the institution's athletics interests," and once so identified as a representative, it is presumed the person retains that identity.
ETHICAL CONDUCT

10.01 General Principles

10.01.1 Standards of Honesty and Sportsmanship. Individuals employed by (or associated with) a member institution to administer, conduct or coach intercollegiate athletics and all participating student-athletes shall act with honesty and sportsmanship at all times so that intercollegiate athletics as a whole, their institutions and they, as individuals, shall represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports.

10.01.2 Responsibility for Violations of NCAA Regulations. Institutional staff members found in violation of NCAA regulations shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures, whether such violations occurred at the certifying institution or during the individual’s previous employment at another member institution. (Adopted: 1/11/00)

10.02 Definitions and Applications

10.02.1 Sports wagering. Sports wagering includes placing, accepting or soliciting a wager (on a staff member’s or student-athlete's own behalf or on the behalf of others) of any type with any individual or organization on any intercollegiate, amateur or professional team or contest. Examples of sports wagering include, but are not limited to, the use of a bookmaker or parlay card; Internet sports wagering; auctions in which bids are placed on teams, individual or contests; and pools or fantasy leagues in which an entry fee is required and there is an opportunity to win a prize. 10.02.2 Wager. A wager is any agreement in which an individual or entity agrees to give up an item of value (e.g., cash, shirt, dinner) in exchange for the possibility of gaining another item of value. (Adopted: 1/8/07 effective 8/1/07)

10.1 Unethical Conduct

Unethical conduct by a prospective or enrolled student-athlete or a current or former institutional staff member may include, but is not limited to, the following: (Revised: 1/10/90, 1/9/96)

10.3.1.1 Exception. [#] The provisions of Bylaw 10.3 are not applicable to traditional wagers between institutions (e.g., traditional rivalry) or in conjunction with particular contests (e.g., bowl games). Amateurism

12.01 General Principles .................................................49
12.02 Definitions and Applications ...........................49
12.1 General Regulations .............................................50
12.2 Involvement with Professional Teams ............53
12.3 Use of Agents .........................................................54
12.04 Employment ..........................................................55
12.05 Promotional Activities ........................................55
12.06 Financial Donations from Outside Organizations .............................................60

12.01 GENERAL PRINCIPLES

12.01.1 Eligibility for Intercollegiate Athletics. Only an amateur student-athlete is eligible for intercollegiate athletics participation in a particular sport.

12.01.2 Clear Line of Demarcation. Member institutions’ athletics programs are designed to be an integral part of the educational program. The student-athlete is considered an integral part of the student body, thus maintaining a clear line of demarcation between college athletics and professional sports.

12.01.3 “Individual” versus “Student-Athlete.” NCAA amateur status may be lost as a result of activities prior to enrollment in college. If NCAA rules specify that an “individual” may or may not participate in certain activities, this term refers to a person before and after enrollment in a member institution. If NCAA rules specify a “student-athlete,” the legislation applies only to that person’s activities after enrollment.

12.01.4 Compliance with Legislation for Emerging Sports. Beginning with the second year of a member institution’s sponsorship of an emerging sport for women (see Bylaw 20.02.6) shall comply fully in that program with all applicable amateurism legislation set forth in Bylaw 12. (Adopted: 1/10/95)

12.02 DEFINITIONS AND APPLICATIONS

12.02.1 Individual. An individual, for purposes of this bylaw, is any person of any age without reference to enrollment in an educational institution or status as a student-athlete.

12.02.2 Pay. Pay is the receipt of funds, awards or benefits not permitted by the governing legislation of the Association for participation in athletics.

12.02.3 Professional Athlete. A professional athlete is one who receives any kind of payment, directly or indirectly, for athletics participation except as permitted by the governing legislation of the Association.

12.02.4 Professional Athletics Team. A professional team is any organized team that:

(a) Provides any of its players more than actual and necessary expenses for participation on the team, except as otherwise permitted by NCAA legislation. Actual and necessary expenses are limited to the following, provided the value of these items is commensurate with the fair market value in the locality of the player(s) and is not excessive in nature:

1. Meals directly tied to competition and practice held in preparation for such competition; (Revised: 1/13/03 effective 8/1/03)

2. Lodging directly tied to competition and practice held in preparation for such competition; (Revised: 1/13/03 effective 8/1/03)

3. Apparel, equipment and supplies tied to competition or practice; (Revised: 1/13/03 effective 8/1/03)

4. Coaching and instruction; (Revised: 1/13/03 effective 8/1/03)

5. Health/medical insurance; (Revised: 1/13/03 effective 8/1/03)

6. Transportation (i.e., expenses to and from practice and competition, cost of transportation from home to training/practice site at the beginning of the season and from training/practice site to home at the end of the season; (Revised: 1/13/03 effective 8/1/03)

7. Medical treatment and physical therapy; (Revised: 1/13/03 effective 8/1/03)

8. Facility usage; (Revised: 1/13/03 effective 8/1/03)

9. Entry fees; and (Revised: 1/13/03 effective 8/1/03)

10. Other reasonable expenses; or (Revised: 1/12/04, 1/9/06)

(b) Declares itself to be professional. (Revised: 1/13/03 effective 8/1/03)
12.02.5 Student-Athlete. An individual becomes a student-athlete when he or she participates in an intercollegiate squad practice or contest that is under the jurisdiction of the athletics department. (Revised: 1/14/02 effective 8/1/02, 1/9/06)

12.1 GENERAL REGULATIONS

An individual must comply with the following to retain amateur status. (See Bylaw 14 regarding the eligibility restoration process.)

12.1.1 Amateur Status. An individual loses amateur status and thus shall not be eligible for intercollegiate competition in a particular sport if the individual:

(a) Uses his or her athletics skill (directly or indirectly) for pay in any form in that sport, except that prior to collegiate enrollment an individual may accept prize money based on his or her place finish or performance from the sponsor of an open athletics event, the U.S. Olympic Committee or the appropriate national governing body and actual and necessary expenses associated with the individual’s practice and competition on a professional team; (Revised: 1/14/02 effective 8/1/02, 1/13/03)

(b) Accepts a promise of pay even if such pay is to be received following completion of intercollegiate athletics participation;

(c) Following initial full-time collegiate enrollment, signs a contract or commitment of any kind to play professional athletics, regardless of its legal enforceability or any consideration received; (Revised: 1/14/02 effective 8/1/02)

(d) Receives, directly or indirectly, a salary, reimbursement of expenses or any other form of financial assistance from a professional sports organization based on athletics skill or participation, except as permitted by NCAA rules and regulations;

(e) Following initial full-time collegiate enrollment, competes on any professional athletics team (per Bylaw 12.02.4), even if no pay or remuneration for expenses was received; (Revised: 1/14/02 effective 8/1/02, 1/10/05)

(f) Following initial full-time collegiate enrollment, enters into a professional draft (see Bylaw 12.2.4.2); or (Revised: 1/14/02 effective 8/1/02)

(g) Enters into an agreement with an agent. (Adopted: 1/14/02 effective 8/1/02)

12.1.1.1 Prohibited Forms of Pay. “Pay” as used in Bylaw 12.1.1 above includes, but is not limited to, the following:

12.1.1.1.1 Salary, Gratuity or Compensation. Any direct or indirect salary, gratuity or comparable compensation.

12.1.1.1.2 Division or Split of Surplus. Any division or split of surplus (bonuses, game receipts, etc.).

12.1.1.1.3 Educational Expenses. Educational expenses not permitted by the governing legislation of this Association (see Bylaw 15 regarding permissible financial aid to enrolled student-athletes).

12.1.1.1.3.1 Educational Expenses from Outside Sports Team or Organization. Educational expenses provided to an individual by an outside sports team or organization that are based in any degree on the recipient’s athletics ability (except as specified in Bylaw 15.2.3.5), even if the funds are given to the institution to administer to the recipient. (Revised: 1/10/95)

12.1.1.1.3.1.1 Educational Expenses—U.S. Olympic Committee and National Governing Body. An individual (student-athlete or prospective student-athlete) may receive educational expenses awarded by the U.S. Olympic Committee, or a U.S. national governing body (NGB) or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country, in accordance with the applicable conditions set forth in Bylaw 15.2.3.6. (Adopted: 1/14/02, Revised: 6/28/07)

12.1.1.1.4 Expenses, Awards and Benefits. Excessive or improper expenses, awards and benefits (see Bylaw 16 regarding permissible awards, benefits and expenses to enrolled student-athletes).

12.1.1.1.4.1 Cash or Equivalent Award. Following initial full-time collegiate enrollment, cash, or the equivalent thereof (e.g., trust fund), as an award for participation in competition at any time, even if such an award is permitted under the rules governing an amateur, noncollegiate event in which the individual is participating. An award or a cash prize that an individual could not receive under NCAA legislation may not be forwarded in the individual’s name to a different individual or agency. (Revised: 1/14/02 effective 8/1/02)

12.1.1.1.4.1.1 Exception—Operation Gold Grant. An individual (prospective student-athlete or student-athlete) may accept funds that are administered by the U.S. Olympic Committee pursuant to its Operation Gold Program. (Adopted: 1/14/02)

12.1.1.1.4.2 Expenses/Awards Prohibited by Rules Governing Event. Expenses incurred or awards received by an individual that are prohibited by the rules governing an amateur, noncollegiate event in which the individual participates.
12.1.1.4.3 Expenses from Outside Team or Organization. Expenses received from an outside amateur sports team or organization in excess of actual and necessary travel, room and board expenses, and apparel and equipment (for individual and team use only from teams or organizations not affiliated with member institutions, including local sports clubs as set forth in Bylaw 13.11.2.3) for competition and practice held in preparation for such competition. Practice must be conducted in a continuous time period preceding the competition except for practice sessions conducted by a national team, which occasionally may be interrupted for specific periods of time before the competition. (Revised: 1/10/90, 1/10/92)

12.1.1.4.3.1 Exception—Operation Gold Grant. An individual (prospective student-athlete or student-athlete) may accept funds that are administered by the U.S. Olympic Committee pursuant to its Operation Gold Program. (Adopted: 1/14/02)

12.1.1.4.4 Unspecified or Unitemized Expenses. Payment to individual team members or individual competitors for unspecified or unitemized expenses beyond actual and necessary travel, room and board expenses for practice and competition.

12.1.1.4.5 Expenses from Sponsor Other Than Parents/Legal Guardians or Nonprofessional Sponsor of Event. Actual and necessary expenses or any other form of compensation to participate in athletics competition (while not representing an educational institution) from a sponsor other than an individual on whom the athlete is naturally or legally dependent or the nonprofessional organization that is sponsoring the competition.

12.1.1.4.6 Expenses for Parents/Legal Guardians of Participants in Athletics Competition. Expenses received by the parents or legal guardians of a participant in athletics competition from a nonprofessional organization sponsoring the competition in excess of actual and necessary travel, room and board expenses, or any entertainment expenses, provided such expenses are made available to the parents or legal guardians of all participants in the competition. (Adopted: 1/16/93, Revised: 1/11/97)

12.1.1.5 Payment Based on Performance. Following initial full-time collegiate enrollment, any payment, including actual and necessary expenses, conditioned on the individual's or team's place finish or performance or given on an incentive basis, or receipt of expenses in excess of the same reasonable amount for permissible expenses given to all individuals or team members involved in the competition. (Revised: 1/14/02 effective 8/1/02)

12.1.1.5.1 Exception—Operation Gold Grant. An individual (prospective student-athlete or student-athlete) may accept funds that are administered by the U.S. Olympic Committee pursuant to its Operation Gold Program. (Adopted 1/14/02)

12.1.1.6 Preferential Treatment, Benefits or Services. Preferential treatment, benefits or services because of the individual’s athletics reputation or skill or pay-back potential as a professional athlete, unless such treatment, benefits or services are specifically permitted under NCAA legislation. For violations of this bylaw in which the value of the benefit is $100 or less, the eligibility of the individual shall not be affected, conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the benefit until the individual repays the benefit. If the violation involves institutional responsibility, it remains an institutional violation per Constitution 2.8.1, and documentation of the individual’s repayment shall be forwarded to the enforcement staff. (Revised: 1/11/94, 10/22/07)

12.1.1.6.1 Exception. Prior to initial full-time collegiate enrollment, a prospective student-athlete may receive normal and reasonable living expenses from an individual with whom he or she has an established relationship (e.g., high school coach, non-scholastic athletics team coach, family of a teammate), even if the relationship developed as a result of athletics participation, provided: (Adopted: 1/13/03)

(a) The individual is not an agent;
(b) The individual is not an athletics representative of a particular institution involved in recruiting the prospective student-athlete; and
(c) Such living expenses are consistent with the types of expenses provided by the individual as a part of normal living arrangements (e.g., housing, meals, occasional spending money, use of the family car).

12.1.1.7 Prize for Participation in Institution’s Promotional Activity. Receipt of a prize for participation (involving the use of athletics ability) in a member institution’s promotional activity that is inconsistent with the provisions of Bylaw 12.5 or official interpretations approved by the Management Council.

12.1.1.2 Use of Overall Athletics Skill—Effect on Eligibility. Participation for pay in competition that involves the use of overall athletics skill (e.g., “superstars” competition) constitutes a violation of the Association’s amateur-status regulations; therefore, an individual participating for pay in such competition is ineligible for intercollegiate competition in all sports. (see Bylaw 12.5.1.1.5 for exception related to promotional contests.)
12.1.1.3 Road Racing. “Road racing” is essentially the same as cross country or track and field competition and cannot be separated effectively from those sports for purposes of Bylaw 12. Therefore, following full-time collegiate enrollment, an individual who accepts pay in any form for participation in such a race is ineligible for intercollegiate cross country or track and field competition. (Revised: 1/14/02 effective 8/1/02)

12.1.1.4 Exceptions to Amateurism Rule.

12.1.1.4.1 Exception for Insurance against Disabling Injury or Illness. An individual may borrow against his or her future earnings potential from an established, accredited commercial lending institution exclusively for the purpose of purchasing insurance (with no cash surrender value) against a disabling injury or illness that would prevent the individual from pursuing a chosen career, provided a third party (including a member institution’s athletics department staff members, its professional sports counseling panel or representatives of its athletics interests) is not involved in arrangements for securing the loan. The student-athlete shall report all such transactions and shall file copies of any loan documents associated with disability insurance with the member institution, regardless of the source of the collateral for the loan. The student-athlete also shall file copies of the insurance policy with the member institution, regardless of whether a loan is secured to purchase the insurance policy. (Revised: 1/16/93, 1/14/97 effective 8/1/97)

12.1.1.4.2 Exception for Institutional Fundraising Activities Involving the Athletics Ability of Student-Athletes. Institutional, charitable or educational promotions or fundraising activities that involve the use of athletics ability by student-athletes to obtain funds (e.g., “swim-a-thons”) are permitted only if:
(a) All money derived from the activity or project goes directly to the member institution, member conference or the charitable, educational or nonprofit agency; (Revised: 4/14/06)
(b) The student-athletes receive no compensation or prizes for their participation; and
(c) The provisions of Bylaw 12.5.1 are satisfied.

12.1.1.4.3 Exception for USOC Elite Athlete Health Insurance Program. An individual may receive the comprehensive benefits of the USOC Elite Athlete Health Insurance Program. (Adopted: 1/10/90)

12.1.1.4.4 Exception for Training Prior to Collegiate Enrollment. Before initial, full-time collegiate enrollment, an individual may receive actual and necessary expenses to cover developmental training, coaching, facility usage, equipment, apparel, supplies, comprehensive health insurance, travel, room and board without jeopardizing the individual's eligibility for intercollegiate athletics, provided such expenses are approved and provided directly by the U.S. Olympic Committee (USOC) or the appropriate national governing body (NGB) in the sport (or, for international student-athletes, the equivalent organization of that nation). Following college enrollment, the receipt of such expenses must be consistent with the requirements set forth in Bylaws 12.1.2 and 16.10.1.4. (Adopted: 1/10/91)

12.1.1.4.5 Exception for Developmental Training Programs. An individual may receive actual and necessary expenses for developmental training programs conducted and supervised at any time of the year by the U.S. Olympic Committee (USOC) or the appropriate national governing body (NGB) (or, for international student-athletes, the equivalent organization of that nation), even if the programs include no competition, provided the individual misses no class time and the program does not conflict with dates of institutional competition. (Adopted: 1/10/91, Revised: 1/16/93, 1/11/94)

12.1.1.4.6 Exception for Family Travel to Olympic Games. A commercial company (other than a professional sports organization) or members of the local community may provide actual and necessary expenses for an individual’s spouse or individual of a comparable relationship, parents, legal guardians or other relatives to attend the Olympic Games in which the individual will participate. (Adopted: 1/11/94)

12.1.1.4.7 Exception for Payment of the NCAA Eligibility Center Fee. A high school booster club (as opposed to specific individuals) may pay the necessary fee for prospective student-athletes at that high school to be certified by the NCAA Eligibility Center, provided no particular prospective student-athlete(s) is singled out because of his or her athletics ability or reputation. (Adopted: 1/11/94)

12.1.1.4.8 Exception for Camp or Academy Sponsored by a Professional Sports Organization. An individual may receive actual and necessary expenses from a charitable foundation that is funded by a professional sports organization to attend an academy, camp or clinic, provided: (Adopted: 1/10/95, Revised: 1/14/02)
(a) No NCAA institution or conference owns or operates the academy, camp or clinic;
(b) No camp participant is above the age of 15;
(c) The professional sports organization provides to the participants nothing more than actual and necessary expenses to attend the camp or clinic and equipment/apparel necessary for participation;
(d) Athletics ability or achievements may not be the sole criterion for selecting participants; and
(e) Academy participants must be provided with academic services (e.g., tutoring).

12.1.1.4.9 Exception for Receipt of Free Equipment and Apparel Items by a Prospective Student-Athlete. It is permissible for prospective student-athletes (as opposed to student-athletes) to receive free equipment and apparel items for personal use from apparel or equipment manufacturers or distributors under the following circumstances: (Adopted: 1/11/97)
(a) The apparel or equipment items are related to the prospective student-athlete's sport and are received directly from an apparel or equipment manufacturer or distributor;

(b) The prospective student-athlete does not enter into an arrangement (e.g., open account) with an apparel or equipment manufacturer or distributor that permits the prospective student-athlete to select apparel and equipment items from a commercial establishment of the manufacturer or distributor; and

(c) A member institution's coach is not involved in any manner in identifying or assisting an apparel or equipment manufacturer or distributor in determining whether a prospective student-athlete is to receive any apparel or equipment items.

12.1.1.4.10 Expenses for Participation in Olympic Exhibitions. An individual may receive actual and necessary expenses from the U.S. Olympic Committee (USOC), national governing body (NGB) or the nonprofessional organizations sponsoring the event to participate in Olympic tours or exhibitions involving Olympic team members and/or members of the national team, provided that if the individual is a student-athlete, he or she misses no class time, and the exhibition does not conflict with dates of institutional competition. (Adopted: 1/13/98 effective 8/1/98)

12.1.1.4.11 Commemorative Items for Student-Athletes Participating in Olympic Games, World University Games, Pan American Games, World Championships and World Cup Events. It is permissible for student-athletes with eligibility remaining to receive commemorative items incidental to participation in the Olympic Games, World University Games, Pan American Games, World Championships and World Cup events through the applicable national governing body (or, for international student-athletes, the equivalent organization of that nation). These benefits may include but are not limited to: apparel, leisure wear, foot wear and other items that are provided to all athletes participating in the applicable event. (Adopted: 1/8/01)

12.1.1.4.12 Exception—Life Skills Mentoring Programs. A prospective student-athlete may receive actual and necessary expenses to attend any mentoring program focused on life skills, the value of education and the proper role of athletics in the educational process (e.g., NCAA's First Team Mentoring Program's annual educational conference and training seminar). (Revised: 1/9/06, 4/11/06)

12.1.2 Amateur Status if Professional in Another Sport. A professional athlete in one sport may represent a member institution in a different sport.

12.2 INVOLVEMENT WITH PROFESSIONAL TEAMS

12.2.1 Tryouts.

12.2.1.1 Tryout With Professional Team. A student-athlete may try out with a professional athletics team in a sport or permit a professional athletics team to conduct medical examinations at any time outside the student-athlete's playing and practice season. A student-athlete may receive actual and necessary expenses related to the tryout as long as the tryout does not exceed 48 hours. (Revised: 1/10/92, 1/9/06)

12.2.1.2 Outside Competition Prohibited. During a tryout, an individual may not take part in any outside competition (games or scrimmages) as a representative of a professional team.

12.2.2 Practice Without Competition. Following initial full-time collegiate enrollment, an individual may participate in practice sessions conducted by a professional team, provided such participation meets the requirements of NCAA legislation governing tryouts with professional athletics teams (see Bylaw 12.2.1) and the individual does not: (Revised: 1/14/02 effective 8/1/02)

(a) Receive any compensation for participation in the practice sessions;

(b) Enter into any contract or agreement with a professional team or sports organization; or

(c) Take part in any outside competition (games or scrimmages) as a representative of a professional team.

12.2.2.1 Prohibited Involvement of Institution's Coach. An institution's coaching staff member may not arrange for or direct student-athletes' participation in football or basketball practice sessions conducted by a professional team.

12.2.3 Competition.

12.2.3.1 Competition against Professionals. An individual may participate singly or as a member of an amateur team against professional athletes or professional teams. (Revised: 1/17/08)

12.2.3.2 Competition with Professionals. An individual shall not be eligible for intercollegiate athletics in a sport if following initial full-time collegiate enrollment the individual competed on a professional team (per Bylaw 12.02.4) in that sport. However, an individual may compete on a tennis, golf, two-person sand volleyball or two-person synchronized diving team(s) with persons who are competing for cash or a comparable prize, provided the individual does not receive payment of any kind for such participation. (Revised: 1/9/96 effective 8/1/96, Revised: 1/14/97, 1/14/02 effective 8/1/02, 1/10/05 effective 8/1/05)
12.2.3.2.1 Professional Player as Team Member. Following initial full-time collegiate enrollment, an individual may participate with a professional on a team, provided the professional is not being paid by a professional team or league to play as a member of that team (e.g., summer basketball leagues with teams composed of both professional and amateur athletes). (Revised: 1/14/02 effective 8/1/02)

12.2.3.2.2 Olympic/National Teams. It is permissible for an individual (prospective student-athlete or student-athletes) to participate on Olympic or national teams that are competing for prize money or are being compensated by the governing body to participate in a specific event, provided the student-athlete does not accept prize money or any other compensation (other than actual and necessary expenses). (Adopted: 1/13/03)

12.2.3.2.3 Professional Coach or Referee. Participation on a team that includes a professional coach or referee does not cause the team to be classified as a professional team.

12.2.3.2.4 Major Junior A Ice Hockey. An individual who participates on a Major Junior A ice hockey team shall be subject to the seasons of participation regulations set forth in Bylaw 14.2.4.3, regardless of when such participation occurs (including participation during high school enrollment). (Revised: 1/13/03, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 4/21/09)

12.2.3.3 Competition in Professional All-Star Contest. A student-athlete who agrees to participate in a professional (players to be paid) all-star game becomes ineligible to compete in any intercollegiate contest that occurs after that agreement. Thus, a senior entering into such an agreement immediately after the last regular-season intercollegiate contest would not be eligible to compete in a bowl game, an NCAA championship or any other certified postseason intercollegiate contest.

12.2.4 Draft and Inquiry.

12.2.4.1 Inquiry. An individual may inquire of a professional sports organization about eligibility for a professional-league player draft or request information about the individual's market value without affecting his or her amateur status.

12.2.4.2 Draft List. Following initial full-time collegiate enrollment, an individual loses amateur status in a particular sport when the individual asks to be placed on the draft list or supplemental draft list of a professional league in that sport, even though: (Revised: 1/14/02 effective 8/1/02)

(a) The individual asks that his or her name be withdrawn from the draft list before the actual draft;

(b) The individual's name remains on the list but he or she is not drafted; or

(c) The individual is drafted but does not sign an agreement with any professional athletics team.

12.2.4.2.1 One-Time Draft Exception—All Sports. An enrolled student-athlete in any sport may enter a professional league's draft one time during his or her collegiate career without jeopardizing eligibility in that sport, provided the student-athlete is not drafted by any team in that league. (Adopted: 1/11/94, Revised: 1/10/92, 1/14/97 effective 4/16/97, 1/12/04, 1/10/05, 1/9/06)

12.2.4.2.2 Exception—International Basketball Draft. An enrolled student-athlete in basketball may enter an international basketball draft and may be drafted during his or her final year of eligibility without jeopardizing eligibility in that sport. (Adopted: 1/9/06)

12.2.4.3 Negotiations. An individual may request information about professional market value without affecting his or her amateur status. Further, the individual, his or her legal guardians or the institution's professional sports counseling panel may enter into negotiations with a professional sports organization without the loss of the individual's amateur status. An individual who retains an agent shall lose amateur status. (Adopted: 1/10/92)

12.2.5 Contracts and Compensation.

12.2.5.1 General Rule. Following initial full-time collegiate enrollment, an individual shall be ineligible for participation in an intercollegiate sport if he or she has entered into any kind of agreement to compete in professional athletics, either orally or in writing, regardless of the legal enforceability of that agreement. (Revised: 1/10/92, 1/14/02 effective 8/1/02)

12.2.5.1.1 Nonbinding Agreements. Following initial full-time collegiate enrollment, an individual who signs a contract or commitment that does not become binding until the professional organization's representative or agent also signs the document is ineligible, even if the contract remains unsigned by the other parties until after the student-athlete's eligibility is exhausted. (Revised: 1/14/02 effective 8/1/02)

12.3 USE OF AGENTS

12.3.1 General Rule. An individual shall be ineligible for participation in an intercollegiate sport if he or she ever has agreed (orally or in writing) to be represented by an agent for the purpose of marketing his or her athletics ability or reputation in that sport. Further, an agency contract not specifically limited in writing to a sport or particular sports shall be deemed applicable to all sports, and the individual shall be ineligible to participate in any sport.
12.3.1.1 Representation for Future Negotiations. An individual shall be ineligible per Bylaw 12.3.1 if he or she enters into a verbal or written agreement with an agent for representation in future professional sports negotiations that are to take place after the individual has completed his or her eligibility in that sport.

12.3.1.2 Benefits from Prospective Agents. An individual shall be ineligible per Bylaw 12.3.1 if he or she (or his or her relatives or friends) accepts transportation or other benefits from: (Revised: 1/14/97)

(a) Any person who represents any individual in the marketing of his or her athletics ability. The receipt of such expenses constitutes compensation based on athletics skill and is an extra benefit not available to the student body in general; or

(b) An agent, even if the agent has indicated that he or she has no interest in representing the student-athlete in the marketing of his or her athletics ability or reputation and does not represent individuals in the student-athlete's sport. (Adopted: 1/14/97)

12.3.2 Legal Counsel. Securing advice from a lawyer concerning a proposed professional sports contract shall not be considered contracting for representation by an agent under this rule, unless the lawyer also represents the student-athlete in negotiations for such a contract.

12.3.2.1 Presence of a Lawyer at Negotiations. A lawyer may not be present during discussions of a contract offer with a professional organization or have any direct contact (i.e., in person, by telephone or by mail) with a professional sports organization on behalf of the student-athlete. A lawyer's presence during such discussions is considered representation by an agent.

12.3.3 Professional Sports Counseling Panel. It is permissible for an institution to have an authorized institutional professional sports counseling panel appointed and overseen by the institution's president or chancellor (or his or her designated representative from outside the athletics department). (Revised: 1/12/04, 10/3/05)

12.4 EMPLOYMENT

12.4.1 Criteria Governing Compensation to Student-Athletes. All compensation received by a student-athlete must be consistent with the limitations on financial aid set forth in Bylaw 15. Compensation may be paid to a student-athlete:

(a) Only for work actually performed; and

(b) At a rate commensurate with the going rate in that locality for similar services.

12.4.2 Specific Athletically Related Employment Activities.

12.4.2.1 Broken-Time Payments. An individual may not receive "broken-time" payments except as authorized and administered by the U.S. Olympic Committee during the period immediately before and including actual Olympic competition. A permitted broken-time payment may cover financial loss as a result of absence from employment to prepare for or participate in the Olympic Games. Such compensation during any other period and payments administered independently of the USOC by other sports governing bodies (e.g., the U.S. Ski Association) are prohibited.

12.4.2.1.1 Exception When Individual Not Enrolled in Regular Term. An individual may receive broken-time payments administered by the U.S. Olympic Committee or the national governing body in the sport during a period when the individual is not enrolled (full or part time) in a regular term to cover financial loss as a result of absence from employment as a direct result of practicing and competing on a national team (defined in Bylaw 14.02.6), provided the amounts are consistent with the principles set forth in Bylaw 12.4.1 and do not exceed $300 per week, and the payment period covers no more than the period from the date the individual begins practice with the national team after selection to that team to one week after the conclusion of the competition. (Adopted: 1/10/90, Revised: 1/9/96 effective 8/1/96)

12.4.2.2 Restitution. For violations of Bylaw 12.4.2 in which the value of the benefit is $100 or less, the eligibility of the individual shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. However, the individual shall remain ineligible from the time the institution has knowledge of receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual's repayment shall be forwarded to the enforcement staff. (Revised: 1/9/06)

12.4.3 Camp/Clinic Employment, General Rule. A student-athlete may be employed by his or her institution, by another institution, or by a private organization to work in a camp or clinic as a counselor, unless otherwise restricted by NCAA legislation (see Bylaw 13.12 for regulations relating to camps and clinics).

12.5 PROMOTIONAL ACTIVITIES

or a noninstitutional charitable, educational or nonprofit agency may use a student-athlete's name, picture or appearance to support its charitable or educational activities or to support activities considered incidental to the student-athlete's participation in intercollegiate athletics, provided the following conditions are met: (Revised: 1/11/89, 1/10/91, 1/10/92)

(a) The student-athlete receives written approval to participate from the institution's chancellor or president (or designee), subject to the limitations on participants in such activities as set forth in Bylaw 17; (Revised: 1/11/89, 1/9/06)

(b) The specific activity or project in which the student-athlete participates does not involve cosponsorship, advertisement or promotion by a commercial agency, except as follows: (Revised: 1/11/89, 1/10/91, 1/9/06)

1. Identification (e.g., graphics, voice over, on-screen text) of the commercial entity must explain the commercial entity's affiliation with the permissible entity (e.g., entity is the official sponsor of the institution/event); (Adopted: 1/9/06)

2. The appearance or description of the commercial product(s)/service(s) and/or the commercial entity's logo(s) may be included but may not exceed 25 percent of the total promotional activity. Further, language or action included in the promotion may not directly encourage the use or purchase of the commercial product or service (e.g., drink this product) with which the commercial entity is associated; (Adopted: 1/9/06)

3. The promotion shall not feature alcoholic beverages, tobacco products or performance-enhancing drugs. Further, the commercial entity shall not be any organization that promotes gambling. (Adopted: 1/9/06)

(c) The name or picture of a student-athlete with remaining eligibility may not appear on an institution's printed promotional item, (e.g., poster, calendar) that includes a reproduction of a product with which a commercial entity is associated if the commercial entity's officially registered regular trademark or logo also appears on the item; (Adopted: 1/12/99)

(d) The student-athlete does not miss class; (Revised: 1/11/89)

(f) The student-athlete may accept actual and necessary expenses from the member institution, member conference or the charitable, educational or nonprofit agency related to participation in such activity; (Revised: 1/11/89, 1/10/92, 1/12/04)

(g) The student-athlete's name, picture or appearance is not used to promote the commercial ventures of any nonprofit agency; (Adopted: 1/10/92)

(h) Any commercial items with names or pictures of student-athletes (other than items specified per Bylaws 12.5.1.8 and 12.5.1.9) may be sold only by the member institution, member conference or NCAA, through outlets controlled by the member institution, member conference or NCAA or outlets controlled by the charitable or educational organization (e.g., location of the charitable or educational organization, site of charitable event during the event); and (Adopted: 1/16/93, Revised: 1/9/96, 1/10/05)

(i) The student-athlete and an authorized representative of the charitable, educational or nonprofit agency sign a release statement ensuring that the student-athlete's name, image or appearance is used in a manner consistent with the requirements of this section. (Revised: 1/11/89, 1/10/92)

12.5.1.1.1 Promotions Involving Commercial Locations/Sponsors. A member institution or a charitable, educational or nonprofit organization may use the appearance, name or picture of an enrolled student-athlete to promote generally its fundraising activities at the location of a commercial establishment, provided the commercial establishment is not a cosponsor of the event and the student-athlete does not promote the sale of a commercial product in conjunction with the fundraising activity. A commercial establishment would become a cosponsor if the commercial establishment either advertises the presence of the student-athlete at the commercial location or is involved directly or indirectly in promoting the activity. (Adopted: 1/10/92)

12.5.1.1.2 Promotions Involving NCAA Championships, Events, Activities or Programs. The NCAA [or a third party acting on behalf of the NCAA (e.g., host institution, conference, local organizing committee)] may use the name or picture of an enrolled student-athlete to generally promote NCAA championships or other NCAA events, activities or programs. (Adopted: 1/10/05)

12.5.1.1.3 Player/Trading Cards. A member institution or recognized entity thereof (e.g., fraternity, sorority or student government organization), a member conference or a noninstitutional charitable, educational or nonprofit agency may distribute but may not sell player/trading cards that bear the name or picture of a student-athlete's name or picture. (Adopted: 1/11/94 effective 8/1/94)

12.5.1.1.3.1 Exception—Olympic/National Team. A national governing body may sell player/trading cards that bear the name or picture of a student-athlete who is a member of the Olympic/
national team in that sport, provided all of the funds generated through the sale of such cards are de-
posited directly with the applicable Olympic/national team. (Adopted: 1/6/96)

12.5.1.1.4 Effect of Violations. If an institution, without the student-athlete’s knowledge or consent, uses or permits the use of the student-athlete’s name or picture in a manner contrary to Bylaw 12.5.1.1, or if a student-athlete unknowingly participates in an impermissible institutional promotional activity and receives no more than actual and necessary expenses, the violation shall be considered an institutional viola-
tion per Constitution 2.8.1; however, the student-athlete’s eligibility shall not be affected. In addition, a violation of Bylaw 12.5.1.1 related to any permissible promotional activity in which the only condition of the legislation not satisfied is the failure to obtain written approval from the institution’s chancellor or president (or designee) shall be considered an institutional violation; however, the student-athlete’s eligibility shall not be affected, provided the approval would have been granted if requested. (Adopted: 1/14/97, Revised: 7/24/07, 10/22/07)

12.5.1.1.5 Promotional Contests. Receipt of a prize for winning an institutional or noninstitutional promotional activity (e.g., making a half-court basketball shot, being involved in a money scramble) held in conjunction with a member institution’s intercollegiate competition by a prospective or enrolled student-athlete (or a member of his or her family) does not affect a prospective or enrolled student-athlete’s eligibility, provided the prize is won through a random drawing in which all members of the general public or the student body are eligible to participate. (Adopted: 1/14/02, Revised: 3/24/05)

12.5.1.1.6 Use of a Student-Athlete’s Name or Picture without Knowledge or Permission. If a student-athlete’s name or picture appears on commercial items (e.g., T-shirts, sweatshirts, serving trays, playing cards, posters) or is used to promote a commercial product sold by an individual or agency without the student-athlete’s knowledge or permission, the student-athlete (or the institution acting on behalf of the student-athlete) is required to take steps to stop such an activity in order to retain his or her eligibility for intercollegiate athletics. Such steps are not required when a student-athlete’s photograph is sold by an individual or agency (e.g., private photographer, news agency) for private use. (Adopted: 1/14/02, Revised: 4/11/06)

12.5.1.1.7 Prospective Student-Athlete’s Participation in Institutional Fundraisers or Promotions. Prospective student-athletes may not be involved in institutional fundraisers or promotional activities prior to initial full-time collegiate enrollment. (Adopted: 4/11/06)

12.5.1.3 Modeling and Other Nonathletically Related Promotional Activities. It is permissible for an individual to accept remuneration for or permit the use of his or her name or picture to advertise or promote the sale or use of a commercial product or service without jeopardizing his or her eligibility to participate in intercollegiate athletics only if all of the following conditions apply: (Revised: 1/14/97, 1/12/04)

(a) The individual became involved in such activities for reasons independent of athletics ability;
(b) No reference is made in these activities to the individual’s involvement in intercollegiate athletics; and
(c) The individual’s remuneration under such circumstances is at a rate commensurate with the individual’s skills and experience as a model or performer and is not based in any way upon the individual’s athletics ability or reputation.

12.5.1.4 Commercial Advertisement. It is permissible for a student-athlete’s name or picture, or the group picture of an institution’s athletics squad, to appear in an advertisement of a particular business, commercial product or service, provided:

However, a privately owned camp or clinic may only use the name or picture of any student-athlete employed as a counselor to publicize or promote the camp or clinic. (Rev. 1/8/01 effective 8/1/01, 10/10/05)

12.5.1.8 Promotion by Third Party of Highlight Film, Videotape or Media Guide. (Adopted: 1/14/02, Rev. 11/01/05)

If a student-athlete's name or picture appears on commercial items (e.g., T-shirts, sweatshirts, serving trays, playing cards, posters) or is used to promote a commercial product sold by an individual or agency without the student-athlete's knowledge or permission, the student-athlete (or the institution acting on behalf of the student-athlete) is required to take steps to stop such an activity in order to retain his or her eligibility for intercollegiate athletics. Such steps are not required when a student-athlete's photograph is sold by an individual or agency (e.g., private photographer, news agency) for private use. (Adopted: 1/14/02, Rev. 4/17/07)

12.5.1.5 Distribution of Institutional Items through Commercial Outlets. A member institution may distribute noncommercial items (i.e., items not for sale) at commercial establishments, provided the institution generally distributes such items to other commercial establishments in the community and the distribution of the items does not require the recipient to make a purchase at the commercial establishment. (Adopted: 1/16/93)
(b) Sales and distribution activities have the written approval of the institution's athletics director;

(c) The distribution company or a retail store is precluded from using the name or picture of an enrolled student-athlete in any poster or other advertisement to promote the sale or distribution of the film or media guide; and (Revised: 1/16/93)

(d) There is no indication in the makeup or wording of the advertisement that the squad members, individually or collectively, or the institution endorses the product or services of the advertiser.

The student-athlete may engage in such activities at any time and may receive compensation at a rate commensurate with the going rate in that locale for similar services. Further, the student-athlete's name may be used to advertise his or her participation in such activity, provided the student-athlete's status as a student-athlete is not advertised or distributed by the national or international sports governing body sponsoring these events or its designated third-party distributors. (Revised: 1/11/94, 1/10/95)

12.6.1 Professional Sports Organizations.

12.6.1.1 To Noncollegiate Amateur Team. 12.6.1.2 To Intercollegiate Event. A professional sports organization may not serve as a financial sponsor of intercollegiate competition. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility. (Adopted: 1/10/92, Revised: 1/10/05)

12.6.1.3 Developmental Funds to NCAA. A professional sports organization may provide funds for intercollegiate athletics developmental purposes in a particular sport (e.g., officiating expenses, research and educational projects, the conduct of summer leagues, purchase of equipment). However, such funds shall be provided in an unrestricted manner and administered through the Association's national office.

(b) Professional Sports Memorabilia. An institution may receive sports memorabilia from a professional sports organization to be used in institutional (or departmental) fundraising activities.

12.6.1.5 Revenues Derived from Pro-Am Events. The distribution of revenues from an event involving an intercollegiate athletics team and a professional sports team (e.g., a baseball game in which a member institution's team plays against a professional baseball team) or pro-am event (e.g., golf, tennis) that results in a member institution's receiving a share of receipts from such a contest is permitted, provided the institution has a formal agreement with the professional sports team regarding the institution's guarantee or share of receipts and the contractual terms are consistent with agreements made by the professional team or individuals for similar intercollegiate or nonprofessional competition.

12.6.1.6 Promotion of Professional Athletics Contests. A member institution may host and promote an athletics contest between two professional teams from recognized professional sports leagues as a fundraising activity for the institution. (Revised: 1/9/96 effective 8/1/96)

12.6.2 Organizations (Nonprofessional Sports Organizations).

12.6.2.1 Individual Athletics Performance. A member institution shall not accept funds donated from a nonprofessional sports organization based on the place finish of a student-athlete or the number of student-athletes representing the institution in an event. However, the organization may donate an equal amount of funds to every institution with an athlete or team participating in a particular event.

12.6.2.2 Team Rankings. A member institution may accept funds donated to its athletics program from a nonprofessional sports organization based on the team's national or regional ranking.

12.6.2.3 Academic Performance. A member institution may accept funds donated to its athletics program from a nonprofessional sports organization based on an individual's or a team's academic performance (e.g., the number of academic all-American award recipients).
13.01 GENERAL PRINCIPLES

13.01.1 Eligibility Effects of Recruiting Violation. The recruitment of a prospective student-athlete by a member institution or any representative of its athletics interests in violation of the Association's legislation, as acknowledged by the institution or established through the Association's enforcement procedures, shall result in the student-athlete's becoming ineligible to represent that institution in intercollegiate athletics. The Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for his or her involvement in a violation of NCAA regulations during the student's recruitment and involvement in a major violation (see Bylaw 19.02.2.2) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution.

13.01.2 Entertainment. A member institution may provide entertainment, at a scale comparable to that of normal student life and not excessive in nature. (Revised: 3/24/05)

13.01.3 Institutional Responsibility in Recruitment. A member of an institution's athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

13.01.4 Recruiting by Representatives of Athletics Interests. Representatives of an institution's athletics interests (as defined in Bylaw 13.02.7) may make in-person, on- or off-campus recruiting contacts with a prospective student-athlete; however, such off-campus contacts may not occur until the conclusion of the prospective student-athlete's junior year in high school.

13.01.5 U.S. Service Academy Exceptions. Exceptions to recruiting regulations for the U.S. service academies are set forth in Bylaw 13.16.

13.01.6 Compliance with Legislation for Emerging Sports. An institution sponsoring an emerging sport for women (see Bylaw 20.02.6) shall comply fully in that program with all applicable recruiting legislation set forth in Bylaw 13, effective for student-athletes first entering the collegiate institution on or after August 1, 1996. (Adopted: 1/10/95)

13.01.7 Scope and Application. The regulations set forth in this bylaw apply to athletics-based recruiting and shall not limit an institution's admissions office from the recruitment of prospective students generally. (Adopted: 5/28/08)

13.02 DEFINITIONS AND APPLICATIONS

13.02.1 Competition Site. The “competition site” is the facility in which athletics competition is actually conducted, including any dressing room or meeting facility used in conjunction with the competition.

13.02.2 Contact. A contact is any face-to-face encounter between a prospective student-athlete or the prospective student-athlete’s relatives, guardian(s) or individual of a comparable relationship and an institutional athletics department staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., positions himself/herself in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete’s educational
institution or at the site of organized competition or practice involving the prospective student-athlete or the prospective student-athlete's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation that occurs. (Adopted: 1/13/03, Revised: 1/12/04, 4/7/05, 1/9/06)

13.02.3 Evaluation. An evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospective student-athlete, including any visit to a prospective student-athlete's educational institution (during which no contact occurs) or the observation of a prospective student-athlete participating in any practice or competition at any site. (Adopted: 4/20/09)

13.02.4 Student-Athlete. An individual becomes a student-athlete when he or she participates in an intercollegiate squad practice or contest that is under the jurisdiction of the athletics department. (Adopted: 1/9/06)

13.02.4.1 Permissible Recruitment Activities for Enrolled Student-Athletes. Permissible recruitment activities for enrolled student-athletes are limited to the following: (Revised: 7/23/07)

(a) Telephone contact. It is permissible for an enrolled student-athlete to receive telephone calls made at the expense of a prospective student-athlete at any time. Telephone calls made by enrolled students in accordance with an institution's regular admissions program directed at all prospective students shall be permissible. In addition, an institution may permit an enrolled student-athlete to telephone a prospective student-athlete at the institution's expense, provided the call is only for the purpose of recruitment and is with the full knowledge of the athletics department. (Revised: 1/9/06)

(b) Official visits. An enrolled student-athlete may participate as a student host during a prospective student-athlete's official visit to the institution's campus. As a student host, a student-athlete may receive the following:

(1) A maximum of $20 for each day of the visit to cover all actual costs of entertaining the prospective student-athlete (and the prospective student-athlete's parents, guardians, spouse or individual of a comparable relationship), excluding the cost of meals and admission to campus athletics events. These funds may not be used for the purchase of souvenirs such as T-shirts or other institutional mementos. It is permissible to provide the student host with an additional $10 per day for each additional prospective student-athlete the host entertains. In the event that several students host a prospective student-athlete, the $20 per day entertainment money may be used to cover the actual and necessary expenses incurred by the prospective student-athlete and all hosts. Only one student host per prospective student-athlete may be provided a free meal if restaurant facilities are used; (Revised: 1/9/96 effective 8/1/96, 1/9/06)

(2) A complimentary meal, provided the student host is accompanying the prospective student-athlete during the prospective student-athlete's official visit; and

(3) A complimentary admission to a campus athletics event, provided the admission is used to accompany a prospective student-athlete to that event during the prospective student-athlete's official visit.

(c) Unofficial visits. A prospective student-athlete on an unofficial visit may stay in an enrolled student-athlete's dormitory room, provided the housing is available to all visiting prospective students.

13.02.4.1.1 Effect of Violation. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete's or prospective student-athlete's eligibility. (Adopted: 1/10/05)

13.02.5 Home. In general, a prospective student-athlete’s “home” is the prospective student-athlete’s legal residence, or the community of the educational institution in which the prospective student-athlete is enrolled while residing there.

13.02.6 Prospective Student-Athlete. A prospective student-athlete is a student who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution provides such an individual (or the individual's relatives or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever occurs earlier):

(a) The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any term of a four-year collegiate institution's regular academic year (excluding summer); or

(b) The individual participates in a regular squad practice or competition at a four-year collegiate institution. (Revised: 1/11/89, 1/10/90)

13.02.7 Recruiting. Recruiting is any solicitation of a prospective student-athlete or a prospective student-athlete's relatives [or guardian(s)] by an institutional staff member or by a representative of the institution's athletics interests for the purpose of securing the prospective student-athlete's enrollment and ultimate participation in the institution's intercollegiate athletics program. (Revised: 8/3/06)

13.02.7.1 Recruited Prospective Student-Athlete. Actions by staff members or athletics representatives that cause a prospective student-athlete to become a recruited prospective student-athlete at that institution are: (Revised: 1/10/90, 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)
(a) Providing the prospective student-athlete with an official visit; *(Adopted: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)*

(b) Having an arranged, in-person, off-campus encounter with the prospective student-athlete or the prospective student-athlete’s relatives, guardian(s) or individual of a comparable relationship; or *(Adopted: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94, Revised: 1/9/06)*

(c) Initiating or arranging a telephone contact with the prospective student-athlete, the prospective student-athlete’s relatives, guardian(s) or individual of a comparable relationship on more than one occasion for the purpose of recruitment. *(Revised: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94, 1/9/06)*

**13.02.8 Representative of Athletics Interests.** A “representative of the institution’s athletics interests” is an individual who is known (or who should have been known) by a member of the institution’s executive or athletics administration to:

(a) Have participated in or to be a member of an agency or organization promoting the institution’s intercollegiate athletics program;

(b) Have made financial contributions to the athletics department or to an athletics booster organization of that institution;

(c) Be assisting or to have been requested (by the athletics department staff) to assist in the recruitment of prospective student-athletes;

(d) Be assisting or to have assisted in providing benefits to enrolled student-athletes or their families; or

(e) Have been involved otherwise in promoting the institution’s athletics program.

**13.02.8.1 Representative of Athletics Interests.** Once an individual is identified as such a representative, the person retains that identity indefinitely.

**13.02.9 Telephone Calls.** All electronically transmitted human voice exchange (including videoconferencing and videophones) shall be considered telephone calls. All electronically transmitted correspondence (e.g., electronic mail, facsimiles, instant messaging, text messaging and social networking Web sites) shall not be considered telephone calls. *(Adopted: 1/10/95, Revised: 1/9/96 effective 8/1/96, 1/14/97, 8/24/04, 1/14/08 effective 8/1/08)*

**13.02.9.1 Timing of Telephone Calls.** There are no restrictions on the timing of telephone calls to prospective student-athletes. See Bylaw 13.1.3 for information on permissible callers. *(Adopted: 4/20/09)*

**13.02.10 Electronic Transmissions.** Electronically transmitted correspondence that may be sent to a prospective student-athlete by, or on behalf of, a member of the institution’s athletics department staff is limited to electronic mail and facsimiles. All other forms of electronically transmitted correspondence (e.g., instant messaging, text messaging and social networking Web sites) are prohibited. *(Adopted: 1/14/08 effective 8/1/08)*

**13.02.10.1 Timing of E-mail and Facsimiles.** There are no restrictions on the timing for sending e-mails and facsimiles to prospective student-athletes. *(Adopted: 4/20/09)*

**13.02.10.2 Exception—Electronic Transmissions by or to Individuals Diagnosed as Deaf or Hard of Hearing.** Electronically transmitted correspondence in forms other than electronic mail and facsimiles may be sent to a prospective student-athlete if either the athletics department staff member sending the correspondence or the prospective student-athlete receiving the correspondence has been diagnosed as deaf or hard of hearing. *(Adopted: 1/14/08 effective 8/1/08)*

**13.02.11 Visits by Prospective Student-Athletes.**

**13.02.11.1 Official Visit.** An official visit to a member institution by a prospective student-athlete is a visit financed in whole or in part by the member institution, or by a representative of the institution’s athletics interests (see Bylaw 13.6).

**13.02.11.2 Unofficial Visit.** An unofficial visit to a member institution by a prospective student-athlete is a visit made at the prospective student-athlete’s own expense (see Bylaw 13.7).

**13.1 CONTACTS AND EVALUATIONS**

Recruiting contacts with a prospective student-athlete (or the prospective student-athlete’s relatives or guardians) by institutional staff members and/or representatives of the institution’s athletics interests are subject to the provisions set forth in this bylaw. *(Revised: 1/10/91 effective 7/1/91, 8/3/06)*

**13.1.1 Contactable Prospective Student-Athletes.**

**13.1.1.1 High School Prospective Student-Athletes.** In-person, off-campus recruiting contacts shall not be made with a prospective student-athlete or the prospective student-athlete’s relatives or guardian(s) until the prospective student-athlete has completed the junior year in high school. U.S. service academy exceptions to this provision are set forth in Bylaw 13.16.1. *(Revised: 1/10/91 effective 7/1/91, 1/11/94 effective 3/15/94, 1/10/95, 1/14/97, 8/3/06)*
13.1.1.1 Contact by Coach Employed in Admissions Office. It is permissible for a coach who is employed in the admissions office of the institution to be involved in off-campus admissions programs directed at prospective students in general, provided contact made with a prospective student-athlete prior to the completion of his or her senior year in high school is not for the purpose of athletics recruitment (e.g., athletics recruiting presentation). (Adopted: 7/22/08)

13.1.1.2 Four-Year College Prospective Student-Athletes. An athletics staff member or other representative of the institution's athletics interests shall not make contact in any manner (e.g., in-person contact, telephone calls, electronic communication, written correspondence) with the student-athlete of another NCAA or NAIA four-year collegiate institution, directly or indirectly, without first obtaining written permission to do so, regardless of who makes the initial contact. An institution must grant or deny a student-athlete's request for permission to contact within 14 days of the initial request. If permission is not granted, the second institution shall not encourage the transfer. If permission is granted all applicable NCAA recruiting rules apply. Written permission may be granted by: (Revised: 1/10/91, 1/16/93, 1/11/94, 1/12/04 effective 8/1/04, 1/9/06, 10/17/06)

(a) The first institution's athletics director (or an athletics administrator designated by the athletics director); or (Adopted: 1/14/02 effective 8/1/04)

(b) The student-athlete, if the student-athlete attends a Division III institution (see Bylaw 13.1.1.2.1). (Adopted: 1/14/02 effective 8/1/04)

13.1.1.2.1 Self-Release. Using a form made available by the NCAA national office, a student-athlete who attends a Division III institution may issue, on his or her own behalf, permission for another Division III institution to contact the student-athlete about a potential transfer. The student-athlete shall forward this form to the director of athletics at the institution of interest. Contact between the student-athlete and institution may occur during the 30-day period beginning with the date the permission to contact form is signed by the student-athlete. An additional form must be issued for contact to occur or continue beyond the initial 30-day period. (Adopted: 1/12/04 effective 8/1/04, Revised: 1/10/05)

13.1.1.2.1.1 Privacy and Disclosure Requirements. During the initial 30-day period, the institution in receipt of the form shall not notify the student-athlete's current institution of the contact. At the completion of the initial 30-day period, if the student-athlete decides to transfer to the institution in receipt of the form, the institution in receipt of the form shall notify the student-athlete's current institution within a seven-day period of the form's expiration date that the self-release was issued. At the completion of the initial 30-day period, if the student-athlete decides not to pursue the transfer, the institution in receipt of the form shall not notify the student-athlete's current institution of the contact at any time. If the student-athlete is undecided at the end of the 30-day period, the initial contact must remain private unless and until the student-athlete issues a second permission to contact form. Upon receipt of the second permission to contact form, the institution in receipt of the form shall notify the student-athlete's current institution within seven days that a second release was issued. (Revised: 1/10/05)

13.1.1.2.2 Hearing Opportunity. If the institution decides to deny a student-athlete's request to permit any other institution to contact the student-athlete about transferring, the institution shall inform the student-athlete in writing that he or she, on request, shall be provided a hearing conducted by an institutional entity or committee outside of the athletics department (e.g., the office of student affairs; office of the dean of students; or a committee composed of the faculty athletics representative, student-athletes and nonathletics faculty/staff members). The student-athlete shall be informed of this hearing opportunity within 14 days of the request for permission to contact and the institution shall have established reasonable procedures for promptly hearing such a request. (Adopted: 1/11/94, Revised: 10/17/06)

13.1.1.2.3 Student-Athlete Withdrawn from Four-Year College. A member institution may contact a student-athlete who has withdrawn officially from a four-year collegiate institution without obtaining permission from the first institution. (Revised: 1/9/06)

13.1.1.2.4 Transfer from Institution on Probation. It is not necessary for an institution to obtain permission in writing to recruit a student-athlete at an institution that has been placed on probation with sanctions that preclude it from competing in postseason competition during the remaining seasons of the student-athlete's eligibility. However, the student-athlete's institution must be notified of the recruitment and may establish reasonable restrictions related to the contact (e.g., no visits during class time), provided such restrictions do not preclude the opportunity for the student-athlete to discuss transfer possibilities with the other institution [see Bylaw 14.8.1.2-(c)]. (Adopted: 1/10/92)

13.1.1.2.5 Transfer While Ineligible Due to Positive Drug Test. If a student-athlete who is declared ineligible due to a positive drug test administered by the NCAA transfers to another NCAA institution, the institution from which the student-athlete transferred must notify the new institution of the student-athlete's ineligibility (see Bylaw 18.4.1.5.1.3). (Adopted: 1/14/97 effective 8/1/97)

13.1.2 Permissible Recruiters.

13.1.2.1 Talent Scout. An institution may not pay any costs incurred by an athletics talent scout or a representative of its athletics interests in studying or recruiting prospective student-athletes. An institution may not
provide any such person a fee or honorarium and thereby claim the person as a staff member entitled to expense money.

13.1.2.1.1 Employment Prohibition. An institution may not employ an individual for the primary purpose of recruiting or evaluating prospective student-athletes and designate the individual as a coach if he or she does not reside in the institution's general locale. Such an individual would be considered an athletics talent scout rather than a regular institutional staff member.

13.1.2.1.2 Expense Prohibition. An institution may not pay expenses (other than meals provided in the institution's home community) for representatives of its athletics interests to visit its campus for the purpose of becoming familiar with the institution's academic and athletics programs and campus facilities in order to represent the institution better when recruiting prospective student-athletes. The provision of such expenses would be considered payment of costs incurred by athletics talent scouts.

13.1.3 Telephone Calls to Prospective Student-Athletes. An institution may permit a student-athlete, a staff member, or a representative of athletics interests to telephone a prospective student-athlete at the institution's expense at any time, provided the call is only for the purpose of recruitment and is with full knowledge of the athletics department (see Bylaw 13.02.3.1). Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. (Adopted: 4/20/09, Revised: 1/10/91 effective 7/1/91, 1/10/05, 1/9/06)

13.1.4 Contact Restrictions at Specified Sites.

13.1.4.1 Prospective Student-Athlete's Educational Institution. Any staff member and any representative of athletics interests desiring to contact a prospective student-athlete at the prospective student-athlete's high school, college preparatory school or two-year college first shall obtain permission for such contact from that institution's executive officer (or designee). Contact may be made only when such permission is granted. Member institutions also are bound by this provision when recruiting international athletes.

13.1.4.2 Practice or Competition Site. Recruiting contact may not be made with a prospective student-athlete before any athletics competition in which the prospective student-athlete is a participant during the day or days of competition, even if the prospective student-athlete is on an official or unofficial visit. Such contact shall be governed by the following: (Revised: 1/11/89, 1/10/91, 1/11/94, 1/9/96 effective 7/1/96)

(a) Contact shall not be made with the prospective student-athlete at any site before the contest on the day or days of competition; (Revised: 1/11/89, 1/11/94)

(b) Contact shall not be made with the prospective student-athlete from the time the prospective student-athlete reports on call (at the direction of the prospective student-athlete's coach or comparable authority) and becomes involved in competition-related activity (e.g., traveling to an away-from-home game) to the end of the competition even if such competition-related activities are initiated before the day or days of competition; (Revised: 1/11/94)

(c) Contact shall not be made after the competition until the prospective student-athlete is released by the appropriate institutional authority and departs the dressing and meeting facility; and

(d) Contact shall not be made with the prospective student-athlete involved in competition that requires more than one day of participation (e.g., a basketball tournament) until after the prospective student-athlete's final contest is completed and he or she is released by the appropriate institutional authority and leaves the dressing and meeting facility. (Revised: 1/11/94)

13.1.4.2.1 Contact with Prospective Student-Athlete during Tournament or Extended Road Trip. Recruiting contact may be made with a prospective student-athlete during a tournament that is not conducted on consecutive days, provided the prospective student-athlete has been released by the appropriate institutional authority and the contact occurs on a day in which there is no further competition. Additionally, during an extended road trip, recruiting contact may be made with a prospective student-athlete at the conclusion of a competition and prior to the team traveling to the next competition, provided he or she has been released by the appropriate institutional authority and has departed the dressing and meeting facility. (Adopted: 10/20/08)

13.1.4.3 Effect of Violation. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. (Adopted: 10/220/07)

13.1.5 Evaluations. There are no restrictions on the number or timing of evaluations (see Bylaw 13.02.3). (Adopted: 4/20/09)

13.2 OFFERS AND INDUCEMENTS

13.2.1 General Regulation. An institution's staff member or any representative of its athletics interests shall not be involved, directly or indirectly, in making arrangements for or giving or offering to give any financial aid or other benefits to the prospective student-athlete or the prospective student-athlete's relatives or friends, other than expressly permitted by NCAA regulations. Receipt of a benefit by prospective student-athletes or their relatives or
friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution’s prospective students or their relatives or friends or to a particular segment of the prospective student body determined on a basis unrelated to athletics ability. For violations of this bylaw in which the value of the offer or inducement is $100 or less, the eligibility of the individual (i.e., prospective or enrolled student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual’s repayment shall be forwarded to the enforcement staff. (Revised: 1/13/98, 1/10/05, 1/9/06, 10/15/08)

13.2.2 Specific Prohibitions. Specifically prohibited financial aid, benefits and arrangements include, but are not limited to, the following:

(a) An employment arrangement for a prospective student-athlete’s relatives;
(b) Gift of clothing or equipment;
(c) Cosigning of loans;
(d) Providing loans to a prospective student-athlete’s relatives or friends;
(e) Cash or like items;
(f) Any tangible items, including merchandise;
(g) Free or reduced-cost services, rentals or purchases of any type;
(h) Free or reduced-cost housing;
(i) Use of an institution’s athletics equipment (e.g., for a high school all-star game); or
(j) Sponsorship of or arrangement for an awards banquet for high school, preparatory school or two-year college athletes by an institution, representatives of its athletics interests, or its alumni groups or booster clubs.

13.2.2.1 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of Bylaw 13.2.2 in which the value of the offer or inducement is $100 or less, the eligibility of the individual (i.e., prospective or enrolled student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual’s repayment shall be forwarded to the enforcement staff. (Revised: 1/13/98, 1/8/01, 1/9/06)

13.2.3 Awards to Prospective Student-Athletes. A member institution may only provide a prospective student-athlete with awards presented at regularly scheduled high school, preparatory school and two-year college athletics contests or matches under the provisions of Bylaw 13.11.3.4. The awards are limited in value to $50 and may bear the institution’s name and logo. (Adopted: 1/10/91, Revised: 4/7/05)

13.2.4 Employment of Prospective Student-Athletes.

13.2.4.1 Normal Employment Procedures. An institution may employ prospective student-athletes in any department outside of intercollegiate athletics provided the employment is arranged through normal institutional employment policies and procedures. (Revised: 1/10/05)

13.2.4.2 Transportation to Summer Job. An institution or its representatives shall not provide a prospective student-athlete free transportation to and from a summer job unless it is the employer’s established policy to transport all employees to and from the job site.

13.2.5 Life-Threatening Injury or Illness. An institution may present a prospective student-athlete with a donation to a charity on behalf of the prospective student-athlete or provide other reasonable tokens of support (e.g., flowers) in the event of the prospective student-athlete’s relative’s death or life-threatening injury or illness, provided the prospective student-athlete has signed a written offer of admission and/or financial aid with the institution. (Adopted: 1/9/06)

13.2.6 Use of Athletics Training-Room Services. A prospective student-athlete who has signed a written offer of admission and/or financial aid and is enrolled in the institution’s summer term prior to the prospective student-athlete’s initial full-time collegiate enrollment may receive athletics training-room services (e.g., taping, treatment, therapy). (Adopted: 10/22/07)

13.4 RECRUITING MATERIALS

13.4.1 General Regulations. Institutions are permitted to provide to prospective student-athletes, prospective student-athlete’s relatives [or guardian(s)], and to coaches of prospective student-athletes any official academic, admissions, athletics and student-services publications or electronic media published or produced by the institution. Institutions are also permitted to provide other information of a general nature that is available to all students or prospective students. (Revised: 1/11/89, 7/24/07, 4/21/09, 4/29/09)

13.4.1.1 Timing of Recruiting Materials. There are no restrictions on the timing for providing recruiting materials to prospective student-athletes. (Adopted: 4/20/09)
13.4.2 Advertisements and Promotions.

13.4.2.1 Recruiting Advertisements. The publication of advertising or promotional material, by or on behalf of a member institution, designed to solicit the enrollment of a prospective student-athlete is not permitted. Accordingly, a member institution may not buy or arrange to have space in game programs or other printed materials published to provide information concerning the athletics participation or evaluation of prospective student-athletes (e.g., recruiting publications and multi-media such as CD-ROMs, list-serves, or other electronic media) for any purpose whatsoever, including advertisements, a listing of prospective or enrolled student-athletes who will attend the institution and informative materials related to the institution. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual’s repayment shall be forwarded to the enforcement staff. (Revised: 1/13/98, 1/9/06, 4/29/09)

13.4.2.1.1 Exception—Nonathletics Institutional Advertisements. An institution may publish nonathletics institutional advertisements in high school publications (e.g., yearbooks, newspapers, music programs, prom programs) and other nonathletics publications provided: (Adopted: 8/3/06)

(a) The funds generated by the advertisements are not used for the high school’s athletics program; (Adopted: 8/3/06)

(b) The institution’s athletics department is not involved in the advertisements; and (Adopted: 8/3/06)

(c) The advertisements do not contain athletics information. (Adopted: 8/3/06)

An institution may not provide transportation to a prospective student-athlete other than on the official paid visit or, on an unofficial visit, to view a practice or competition site and other institutional facilities when accompanied by an institutional staff member. However, an institution may not provide transportation to attend one of the institution’s home contests (on or off campus) during the unofficial visit. For violations of this bylaw in which the value of the offer or inducement is $100 or less, the eligibility of the individual (i.e., prospective or enrolled student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual’s repayment shall be forwarded to the enforcement staff. (Revised: 1/11/89, 1/13/98, 1/9/06)

13.5.2 Transportation on Official Paid Visit.

13.5.2.1 General Regulations. A member institution may pay the prospective student-athlete’s actual round-trip transportation costs for his or her official visit to its campus, provided a direct route between the prospective student-athlete’s home and the institution’s campus is used. (Revised: 1/11/00 effective 8/1/00)

13.5.2.2 Automobile Transportation. When a prospective student-athlete travels by automobile on an official visit, the institution may pay round-trip expenses to the individual incurring the expense (except the prospective student-athlete’s coach, see Bylaw 13.8.1.1) at the same mileage rate it allows its own personnel. Any automobile may be used by the prospective student-athlete, provided the automobile is not owned or operated or its use arranged by the institution or any representative of its athletics interests. (Revised: 1/11/94)

13.5.2.2.1 Use of Automobile. The institution or representatives of its athletics interests shall not provide an automobile for use during the official visit by the prospective student-athlete or by a student host.

13.5.2.2.2 Coach Accompanying Prospective Student-Athlete. All transportation must occur within the state in which the institution is located, or if outside the state, within 100 miles of the institution’s main campus. On completion of the 48-hour period, the coach shall terminate contact with the prospective student-athlete and his or her parent(s), guardians, spouse or individual of a comparable relationship immediately. (See Bylaw 13.6.2.1) (Adopted: 1/10/95 effective 8/1/95, Revised: 1/14/97 effective 8/1/97, 1/9/06, 10/20/06)
13.5.2.3 **Air Transportation.** The airfare for commercial transportation for the official visit may not exceed coach (or comparable) class. Coaching staff members shall not accompany a prospective student-athlete to or from an official visit when air travel is used, except as permitted in Bylaw 13.5.2.4. *(Revised: 1/10/95 effective 8/1/95)*

13.5.2.4 **From Airport.** During the official visit, any member of an institution's athletics department staff may provide ground transportation for a prospective student-athlete and the prospective student-athlete's parents, guardians, spouse or individual of a comparable relationship between the campus and any bus or train station or airport. *(Revised: 1/9/06)*

13.5.2.5 **To/From Site of Competition.** A prospective student-athlete may be transported to campus for an official visit from the site of his or her athletics competition or the reverse arrangement, provided only actual transportation expenses are paid and the cost of the transportation does not exceed the cost of transportation between the prospective student-athlete's home or educational institution and the institution's campus.

13.5.2.6 **From Educational Institution.** An institution may pay actual transportation costs for the prospective student-athlete to return to his or her home after an official visit that originated at the prospective student-athlete's educational institution, provided the cost of the transportation to the legal residence does not exceed the cost of transportation to the educational institution.

13.5.2.7 **Visiting Two or More Institutions.** Two or more institutions to which a prospective student-athlete is making official visits on the same trip may provide travel expenses, provided there is no duplication of expenses, only actual and necessary expenses are provided, and the 48-hour visit limitation is observed at each institution.

13.5.2.8 **Transportation of Prospective Student-Athlete's Relatives, Friends, Guardian(s), Spouse or Individual of a Comparable Relationship.** An institution shall not permit its athletics department staff members or representatives of its athletics interests to pay, provide or arrange for the payment of transportation costs incurred by relatives, friends, guardian(s), spouse or individual of a comparable relationship of a prospective student-athlete to visit the campus or elsewhere; however, an institution may: *(Revised: 1/9/06)*

(b) Provide transportation between its campus and the airport for the relatives, guardian(s) or individual of a comparable relationship of a prospective student-athlete making an official visit. *(Revised: 1/9/06)*

13.5.2.9 **Eligibility Ramifications—Restitution for Receipt of Improper Benefits.** For violations of Bylaw 13.5.2 in which the value of the transportation is $100 or less, the eligibility of the individual (i.e., prospective or enrolled student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual's repayment shall be forwarded to the enforcement staff. *(Adopted: 1/13/98, Revised: 1/8/01, 1/9/06)*

13.5.3 **Transportation on Unofficial Visit.** During any unofficial recruiting visit, the institution may provide the prospective student-athlete with transportation to view practice and competition sites in the prospective student-athlete's sport and other institutional facilities. An institutional staff member must accompany the prospective student-athlete during such a trip. Payment of any other transportation expenses, including providing transportation to attend one of the institution's home contests (on or off campus) is not permissible. However, the institution may provide transportation for a prospective student-athlete to attend home athletics contests if that transportation is available to prospective students generally. For violations of Bylaw 13.5.3 in which the value of the transportation is $100 or less, the eligibility of the individual (i.e., prospective student-athlete or student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1 and documentation of the individual's repayment shall be forwarded to the enforcement staff with the institution's self-report of the violation. *(Revised: 1/11/89, 1/11/90, 1/11/00, 1/8/05, 5/4/05, 1/9/06)*

13.5.4 **Transportation to Enroll.** An institution or its representatives shall not furnish a prospective student-athlete, directly or indirectly, with transportation to the campus for enrollment. However, it is permissible for any member of the institution's staff to provide transportation from the nearest bus or train station or major airport to the campus on the occasion of the student-athlete's initial arrival at the institution to attend classes.

13.6 **OFFICIAL VISIT**

13.6.1.1 **One-Visit Limitation.** A member institution may finance only one visit to its campus for a prospective student-athlete. *(Revised: 1/9/06)*
13.6.1.1 First Opportunity to Visit. A prospective student-athlete may not be provided an official visit earlier than the opening day of classes of the prospective student-athlete's senior year in high school.

13.6.1.2 Post-High School Visits. The one-visit limitation applies separately to the period in which the prospective student-athlete is in high school and to the period beginning October 15 after the prospective student-athlete's completion of high school. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. (Revised: 1/10/05)

13.6.1.2.1 Transfer Student. If a student-athlete attending a four-year institution desires to transfer and that institution provides the permission required (per Bylaw 13.1.1.2), it is permissible for a second institution to provide the student-athlete one official visit to that institution's campus.

13.6.2 Length of Official Visit. An official visit to an institution shall not exceed 48 hours. A prospective student-athlete may remain in the locale in which the institution is located after the permissible 48-hour period for reasons unrelated to the official visit, provided that at the completion of the 48-hour visit, the individual departs the institution's campus, and the institution does not pay any expenses thereafter, including the cost of return transportation to the prospective student-athlete's home. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. Additionally, if the prospective student-athlete does not return home before attending the institution, the one-way transportation to the campus would be considered a violation of Bylaw 13.5.4, which prohibits transportation to the prospective student-athlete's home. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. (Revised: 1/13/98, 1/8/01, 1/9/06)

13.6.3 Transportation on Official Visit. For regulations relating to transportation on the official visit, see Bylaw 13.5.2.

13.6.4 Accommodations on Official Visit. A prospective student-athlete on an official visit shall be provided lodging and take meals as regular students normally do. Local commercial facilities may be used but at a scale comparable to that of normal student life and only within a 30-mile radius of the institution's campus. (See Bylaw 13.6.5.6 for restrictions on meals provided to prospective student-athletes on official visits.) Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, they shall not affect the prospective student-athlete's eligibility. (Revised: 1/13/03)

13.6.5.1 General Restrictions. An institution may provide entertainment, which may not be excessive, on the official visit only for a prospective student-athlete and the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship and only within a 30-mile radius of the institution's main campus. It is not permissible to entertain other relatives or friends (including dates) of a prospective student-athlete at any time at any site. For violations of this bylaw in which the value of the entertainment is $50 or less, the eligibility of the individual (i.e., prospective or enrolled student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual's repayment shall be forwarded to the enforcement staff. (Revised: 1/13/98, 1/8/01, 1/9/06)

13.6.5.1.1 Meals and Lodging While in Transit. It is permissible for an institution to pay a prospective student-athlete's actual costs for reasonable expenses (e.g., meals, lodging) incurred while traveling to and from campus on the official visit.

13.6.5.2 Complimentary Admissions. During the official visit, complimentary admissions to a home athletics event may be provided only to a prospective student-athlete and the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship. Providing seating during the conduct of the event (including intermission) for the prospective student-athlete or the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship in the facility's press box, special seating box(es) or bench area is specifically prohibited. For violations of this bylaw in which the benefit is $100 or less, the eligibility of the individual (i.e., prospective or enrolled student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until
the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual's repayment shall be forwarded to the enforcement staff. (Revised: 1/10/90 effective 8/1/90, 1/11/94, 1/13/98, 1/12/04, 1/9/06, 8/3/06)

13.6.5.2.2 NCAA Championships or Other Postseason Contests. The provision of complimentary or reduced-cost admissions to prospective student-athletes for an NCAA championship (all rounds) or other postseason contests (i.e., NAIA championship) constitutes excessive entertainment and is prohibited. (Revised: 1/10/92)

13.6.5.2.3 Purchase of Game Tickets in Same Locale. An institution may reserve tickets, only for the use of immediate family members accompanying a prospective student-athlete during an official visit and for seat locations adjacent to the complimentary seats being provided to the prospective student-athlete. These tickets must be purchased at face value. (Adopted: 1/10/92)

13.6.5.5 Student Host. The institution may provide the following to a student host entertaining a prospective student-athlete:

(a) A maximum of $20 for each day of the visit to cover all actual costs of entertaining the prospective student-athlete (and the prospective student-athlete's parents, guardians, spouse or individual of a comparable relationship), excluding the cost of meals and admission to campus athletics events. These funds may not be used for the purchase of souvenirs such as T-shirts or other institutional mementos. It is permissible to provide the student host with an additional $10 per day for each additional prospective student-athlete the host entertains; (Revised: 1/10/90 effective 8/1/90, 1/9/96 effective 8/1/96, 1/9/06)

(b) A complimentary meal, provided the student host is entertaining the prospective student-athlete during the prospective student-athlete's official visit; and (Adopted: 1/10/92)

(c) A complimentary admission to a campus athletics event, provided the ticket is used to accompany a prospective student-athlete to that event during the prospective student-athlete's official visit.

For violations of Bylaw 13.6.5.5 in which the value of the benefit to the individual (i.e., prospective or enrolled student-athlete) is $100 or less, the eligibility of the individual shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the individual's repayment shall be forwarded to the enforcement staff. (Adopted: 1/13/98, Revised: 1/8/01, 1/9/06)

13.6.5.5.2 Multiple Hosts. If several students host a prospective student-athlete, the $20-per-day entertainment money may be used to cover the actual and necessary expenses incurred by the prospective student-athlete and all hosts. Only one student host per prospective student-athlete may be provided a free meal if restaurant facilities are used. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, they shall not affect the prospective student-athlete's eligibility. (Revised: 1/10/92, 1/16/93, 1/9/96 effective 8/1/96, 1/13/03)

13.6.5.6 Meals on Official Visit. A dessert or after-meal snack also may be excluded. (Adopted: 1/10/92, Revised: 1/11/94 effective 8/1/94, 1/10/95 effective 8/1/95, 1/9/06, 8/3/06)

A luncheon, dinner or brunch at the home of an institutional staff member (e.g., the athletics director, a coach, a faculty member or the institution's president) may be held for a prospective student-athlete on an official visit, provided the entertainment is on a scale comparable to that of normal student life, is not excessive in nature and occurs on only one occasion. (Revised: 1/9/96)

13.6.5.6.2 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of Bylaw 13.6.5.6 in which the value of the excessive meals is $100 or less, the eligibility of the individual (i.e., prospective or enrolled student-athlete) shall not be affected conditioned on the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1,
and documentation of the individual’s repayment shall be forwarded to the enforcement staff. (Adopted: 1/13/98, Revised: 1/8/01, 1/9/06)

13.6.5.6.3 Meal Location. Meals provided for a prospective student-athlete and the prospective student-athlete’s parents, guardian(s), spouse or individual of a comparable relationship on an official visit must occur on campus. It is permissible for the meals to be purchased from off-campus vendors (e.g., restaurants, caterers) as long as the meal is on a scale comparable to normal student life. If all on-campus dining facilities are closed, the institution may provide meals off-campus. If an institution normally participates in home competition at a site that is not located on the institution’s campus, the meal may occur at that site. Violations of this bylaw do not affect a prospective student-athlete’s eligibility; however, the violation shall be considered an institutional violation per Constitution 2.8.1. (Adopted: 1/10/92, Revised: 1/11/94 effective 8/1/94, 1/10/95 effective 8/1/95, 1/14/97, 1/9/06)

The additional occupants shall not be prospective student-athletes being recruited by the institution. The institution may provide separate lodging (e.g., hotel room) for the prospective student-athlete and the prospective student-athlete’s parents or guardians. For violations of this bylaw, the eligibility of the individual (i.e., prospective student-athlete or student-athlete) shall not be affected, conditioned on the individual repaying the benefit to a charity of his or her choice. During an unofficial visit, the institution may not pay any expenses or provide any entertainment except a maximum of three complimentary admissions to a home athletics event at any facility in which the institution’s intercollegiate team practices or competes. Such complimentary admissions are for the exclusive use of the prospective student-athlete and those persons accompanying the prospective student-athlete on the visit and must be issued on an individual-game basis. Seating shall be provided in the general seating area of the facility used for conducting the event. Providing seating during the conduct of the event (including intermission) for the prospective student-athlete or the prospective student-athlete’s parents, guardian(s), spouse or individual of a comparable relationship in the facility’s press box, special seating box(es) or bench area is specifically prohibited. 13.7.2.4 NCAA Championships or Other Postseason Contests. The provision of complimentary or reduced-cost admissions to prospective student-athletes for an NCAA championship (all rounds) or other postseason contests (e.g., bowl game, NAIA or NIT championship) constitutes excessive entertainment and is prohibited. The prospective student-athlete may purchase tickets to such events only in the same manner as any other member of the general public. (Revised: 1/10/92)

13.7.2.5 Visit Unrelated to Recruitment. The limitations on providing entertainment to a prospective student-athlete shall not extend to a visit to the institution's campus for a purpose having nothing whatsoever to do with the prospective student-athlete's athletics recruitment by the institution (e.g., band trip, fraternity weekend, athletics team's attendance at a sporting event with the high school coach). The institution's athletics department or representatives of its athletics interests may not be involved in any way with the arrangements for the visit, other than providing (in accordance with established policy) free admissions to an athletics event on a group basis, rather than personally to the prospective student-athlete.

Such entertainment shall not include food and refreshments, room expenses, or the cost of transportation to and from the campus. For violations in which the value of the benefit is $100 or less, the eligibility of the prospective student-athlete shall be not affected conditioned on the prospective student-athlete (or the high school, college-preparatory school or two-year college coach or any other individual responsible for teaching or directing an activity in which a prospective student-athlete is involved) repaying the value of the benefit to a charity of his or her choice. However, the prospective student-athlete shall remain ineligible from the time the institution has knowledge of receipt of the impermissible benefit until the prospective student-athlete (or high school, college-preparatory school or two-year college coach or any other individual responsible for teaching or directing an activity in which a prospective student-athlete is involved) repays the benefit. For violations in which the value of the benefit is $100 or less, the eligibility of the prospective student-athlete shall not be affected conditioned on the prospective student-athlete (or high school, college preparatory school or two-year college coach or any other individual responsible for teaching or directing an activity in which a prospective student-athlete is involved) repaying the value of the benefit to a charity of his or her choice. A member institution's athletics department staff member, (a representative of its athletics interests) may visit a prospective student-athlete or the prospective student-athlete's relatives or guardian(s) at any location for recruiting purposes. However, on any such visit, the staff member or athletics representative may not expend any funds other than the amount necessary for his or her own personal expenses. (Revised: 8/3/06)

13.14.3.1 Video Services. Member institutions are permitted to use video services so long as only regularly scheduled (regular season) high school or two-year college contests are involved. The institution may not contract with the service in advance to have a particular contest videotaped, and the service must be available to all institutions at the same cost. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. (Revised: 1/10/05)

13.14.4 Alumni Organizations. Alumni organizations of an institution may sponsor luncheons, teas or dinners at which prospective students (athletes and nonathletes) of that immediate locale are guests. A member institution's area alumni organization may be considered a bona fide part of that institution, provided such an organization is accredited by the president or chancellor of the institution and meets these additional terms and conditions: (Revised: 10/3/05)

(a) A staff member of the institution periodically shall inspect the financial records of the alumni organization and certify that the expenditures comply with the rules and regulations of the NCAA and the conference(s), if any, of which the institution is a member; and

(b) A club official shall be designated by the president or chancellor as the institution's official agent in the administration of the club's funds, and said club official shall file regular reports to the institution relating the manner in which the club funds have been spent in the recruiting of student-athletes. (Revised: 10/3/05)

13.14.4.1 Subject to NCAA Rules. When an alumni organization is certified by the president or chancellor as being a bona fide part of the institution, said organization becomes subject to all of the limitations placed upon the member institution by NCAA legislation. A violation of such legislation by any member of the alumni organization shall be a violation by the member institution. (Revised: 10/3/05)

13.14.4.2 Effect of Violation. Violations of Bylaw 13.14.4 and its subsections shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. (Revised: 1/10/05)
13.15 PRECOLLEGE EXPENSES

13.15.1 Prohibited Expenses. An institution or a representative of its athletics interests shall not offer, provide or arrange financial assistance, directly or indirectly, to pay (in whole or in part) the costs of the prospective student-athlete’s educational or other expenses for any period before his or her enrollment or so the prospective student-athlete may obtain a postgraduate education. For violations of Bylaw 13.15 in which the value of the benefit received directly by the prospective student-athlete is $100 or less, the eligibility of the prospective student-athlete shall not be affected conditioned on the prospective student-athlete repaying the value of the benefit to a charity of his or her choice. However, the prospective student-athlete shall remain ineligible from the time the institution has knowledge of receipt of the direct impermissible benefit until the prospective student-athlete repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the prospective student-athlete’s repayment shall be forwarded to the enforcement staff. (Revised: 1/9/06)

13.15.1.1 Extent of Prohibition. The provisions of Bylaw 13.15.1 apply to all prospective student-athletes, including those who have signed an institutional offer of admission or written tender of financial assistance.

13.15.1.2 Fundraising for High School Athletics Program. An institution may not provide funding, directly or through paid advertisements, to benefit a high school athletics program. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, the violation shall not affect the student-athlete’s eligibility. (Adopted: 1/10/92, Revised: 1/8/01)

13.15.1.2.1 Involvement by Local Representatives of Institution’s Athletics Interests. A representative of an institution’s athletics interests may provide funding to benefit a high school athletics program located in the community in which the athletics representative resides, provided: (Adopted: 1/10/92)

(a) The representative acts independently of the institution;

(b) The funds are distributed through channels established by the high school or the organization conducting the fundraising activity; and

(c) The funds are not earmarked directly for a specific prospective student-athlete.

13.15.1.3 College Use of High School Facility. An institution may not contribute to a high school or its athletics booster club any funds realized from an athletics contest played or a practice held at a high school facility, except actual and necessary expenses for rental of the facility.

13.15.1.4 High School Contest in Conjunction with College Competition. An institution shall be permitted to host high school contests in all sports held in conjunction with intercollegiate contests as specified in Bylaw 13.11.2.2. (Revised: 1/10/90, 1/10/95)

13.15.1.5 Donation of Equipment.

13.15.1.5.1 Athletics Equipment. A member institution may provide used athletics equipment to high schools or bona fide youth organizations (e.g., the YMCA, YWCA, boy scout troops, girl scout troops, a summer recreation league) that may consist of prospective student-athletes, provided the issuance of equipment is in accordance with the institution’s regular policy regarding discarding equipment. Further, an institution may only provide those high schools or organizations within a 30-mile radius of the campus with such equipment. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, the violation shall not affect the student-athlete’s eligibility. (Adopted 1/10/92, Revised: 1/8/01, 1/9/06)

13.15.1.5.1.1 Exception—Women’s Rowing. An institution may loan rowing equipment to a high school’s or junior club program’s women’s team on an issuance and retrieval basis and may permit high schools’ and junior club programs’ women’s teams to use its rowing facilities for practice and/or competition. (Adopted: 1/9/96 effective 8/1/96)

13.15.1.5.2 Nonathletics Equipment. A member institution may provide nonathletics equipment (e.g., a computer) to a high school, provided there is no athletics department involvement and the equipment is not used to benefit only the high school’s athletics program. (Adopted: 1/11/94)

13.15.1.6 Ticket Sales. It is not permissible for a member institution to compensate a high school, preparatory school or two-year college for selling tickets to the institution’s athletics contests. Specifically, the member institution may not provide such forms of compensation as a guarantee, a percentage of the income realized from the sale of the tickets or any other form of commission for providing such services.

13.15.2 Permissible Expenses.

13.15.2.1 Institution Providing Items to Athletics Youth Groups for Fundraising. An institution may provide items to assist in the fundraising efforts of athletics youth groups composed of individuals who have not started classes for the ninth grade without causing such individuals to become prospective student-athletes per Bylaw 13.02.5. BYLAW, ARTICLE 14

Eligibility: Academic and General Requirements

14.01 General Principles

14.01.1 Institutional Responsibility. An institution shall not permit a student-athlete to represent it in intercollegiate athletics competition unless the student-athlete meets all applicable eligibility requirements and the institution has certified the student-athlete’s eligibility. Violations of this bylaw in which the institution fails to certify the student-athlete’s eligibility prior to allowing the student-athlete to represent the institution in intercollegiate competition shall be considered an institutional violation per Constitution 2.8.1; however, such violations shall not affect the student-athlete’s eligibility, provided all the necessary information to certify the student-athlete’s eligibility was available to the institution and the student-athlete would have been otherwise eligible for competition. (Revised: 10/22/07)

14.01.2 Academic Status. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies, be in good academic standing and maintain satisfactory progress toward a baccalaureate or equivalent degree. A student-athlete enrolled in a two-year degree program shall be eligible only if that student-athlete was admitted to the institution under the same standards as four-year degree seeking students and if the two-year degree program is not a terminal program. A waiver of the minimum full-time enrollment requirement may be granted for a student enrolled in the final term of the baccalaureate program (see Bylaw 14.1.8.2.1.3). Also, a student may represent the institution while enrolled as a graduate or professional student or while enrolled and seeking a second baccalaureate degree at the same institution (see Bylaw 14.1.9). (Revised: 1/10/05)

14.01.2.1 Good Academic Standing. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in good academic standing as determined by the academic authorities who determine the meaning of such phrases for all students of the institution, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. (Revised: 8/18/06)

14.01.2.2 Institutional Responsibility for Eligibility Certification. The president or chancellor is responsible for approving the procedures for certifying the eligibility of an institution’s student-athletes under NCAA legislation. The chancellor or president may designate an individual on the institution’s staff to administer proper certification of eligibility. Certification of eligibility must occur prior to allowing a student-athlete to represent the institution in intercollegiate competition (see Bylaw 14.01.1). (Revised: 10/3/05)

14.01.3 Compliance with Other NCAA and Conference Legislation. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in compliance with all applicable provisions of the constitution and bylaws of the Association and all rules and regulations of the institution. A student-athlete’s violation of a conference rule does not affect the student-athlete’s eligibility; however, the violation shall be considered an institutional violation per Constitution 2.8.1. Specific attention is called to legislation affecting eligibility in the following areas. (Revised: 1/4/07)

14.01.3.1 Amateurism. A student-athlete shall not be eligible for participation in an intercollegiate sport if the individual takes or has taken pay, or has accepted the promise of pay in any form, for participation in that sport, or if the individual has violated any of the other regulations related to amateurism set forth in Bylaw 12.

14.01.3.2 Awards, Benefits and Expenses. Receipt by a student-athlete of nonpermissible awards, extra benefits, or excessive or improper expenses not authorized by NCAA legislation violates the Association’s amateurism principle and renders the student-athlete ineligible for athletics participation in the sport for which the improper award, benefit or expense was received (see Bylaw 16).
14.01.3.3 Ethical Conduct. A prospective or enrolled student-athlete who is found to have engaged in unethical conduct (see Bylaw 10.1) shall be ineligible for intercollegiate competition in all sports. Unethical conduct consists of, but is not limited to: (Revised: 1/10/90)

(a) Fraudulence in connection with entrance or placement examinations;
(b) Engaging in any athletics competition under an assumed name or with intent otherwise to deceive;
(c) Dishonesty in evading or violating NCAA regulations; or
(d) Knowingly furnishing the NCAA or the individual’s institution false or misleading information concerning the student’s involvement in or knowledge of matters relevant to a possible violation of NCAA regulations [see Bylaw 10.1-(d)]. (Revised: 1/10/90)

14.01.3.4 Financial Aid. A student-athlete who receives financial assistance other than that authorized by the Association shall not be eligible for intercollegiate athletics competition (see Bylaw 15).

14.01.3.5 Recruitment. Solicitation of a student-athlete’s enrollment by the certifying institution or any representative of its athletics interests in violation of the Association’s legislation shall render the student-athlete ineligible to represent that institution in intercollegiate athletics. A student-athlete is responsible during his or her recruitment for involvement in a violation of NCAA regulations, and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons (see Bylaw 13).

14.01.4 Compliance with Legislation for Emerging Sports.

14.01.4.1 Seasons of Participation. Beginning with year two, a member institution sponsoring an emerging sport for women (see Bylaw 20.02.6) shall comply fully in that program with all applicable seasons-of-participation legislation set forth in Bylaw 14.2. (Adopted: 1/10/95, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)

14.01.4.2 Initial, Continuing and General Eligibility Requirements. A member institution sponsoring an emerging sport for women shall comply fully in that program with all applicable initial, continuing and general eligibility legislation set forth in Bylaw 14, effective for student-athletes first entering the collegiate institution on or after August 1, 1996. (Adopted: 1/10/95)

14.02 DEFINITIONS AND APPLICATIONS

14.02.1 Branch School. A branch school is an educational institution that usually offers two years of college work, does not award degrees independently, and is wholly controlled and operated by a four-year, degree-granting parent institution.

14.02.2 Collegiate Institution. A collegiate institution (for purposes of NCAA legislation) is an institution of higher education that:

(a) Is accredited at the college level by an agency or association recognized by the Secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree; or (Revised: 1/10/90, 1/13/03)
(b) Conducts an intercollegiate athletics program, even though the institution is not accredited at the college level and authorized to offer at least a one-year program of study creditable toward a degree; or (Revised: 1/13/03)
(c) Is located in a foreign country.

14.02.3 Education-Impacting Disability. An education-impacting disability is a current impairment that has a substantial educational impact on a student’s academic performance. (Adopted: 10/20/08)

14.02.4 Exception. An exception is the granting of relief from the application of a specific regulation (e.g., the residence requirement for a transfer student to become eligible for competition). Formal approval by the Management Council or an NCAA committee is not required. The action granting the exception may be taken solely by the certifying institution, based on evidence that the conditions on which the exception is authorized have been met (see Bylaw 14.02.12).

14.02.5 Good Academic Standing and Satisfactory Progress. The phrases “good academic standing” and “satisfactory progress” are to be interpreted at each member institution by the academic officials who determine the meaning and application of such phrases for all students, subject to the controlling regulations of the institution; the conference(s) (or similar associations), if any, of which the institution is a member, and applicable NCAA legislation (see Bylaw 14.4).

14.02.6 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: (Revised: 1/10/95, 4/29/04)
14.02.10 Residence. Residence is enrollment in a full-time academic program (as defined by the institution) at a collegiate institution during a regular term of an academic year. To satisfy an academic year of residence, a student shall meet the requirements of Bylaw 14.5.1.1. A summer term may not be used to satisfy a term of residence.

14.02.11 Transfer Student. A transfer student-athlete is an individual who meets any one of the conditions set forth in Bylaw 14.5.2.

14.02.12 Waiver. A waiver is an action exempting an individual or institution from the application of a specific regulation. A waiver requires formal approval (e.g., by the Management Council, an NCAA committee or a conference, as specified in the legislation) based on evidence of compliance with the specified conditions or criteria under which the waiver is authorized (see Bylaw 14.02.4).

14.1 GENERAL ELIGIBILITY REQUIREMENTS

14.1.1 Postseason and Regular-Season Competition. To be eligible for regular-season competition and NCAA championships, the student-athlete shall meet all applicable NCAA and Division III eligibility requirements.

14.1.1.1 Ineligibility for Use of Banned Drugs. A student-athlete who is found to have used a substance on the list of banned drugs, as set forth in Bylaw 31.2.3.4, shall be declared ineligible for further participation in postseason and regular-season competition in accordance with the Ineligibility provisions in Bylaw 18.4.1.5.1.

(Adopted: 1/10/90 effective 8/1/90)

14.1.2 Validity of Academic Credentials. As a condition and obligation of membership, it is the responsibility of a member institution to determine the validity of the information on which the eligibility of a student-athlete is based. Therefore, it is the responsibility of a member institution to determine whether a transcript is valid for purposes of applying appropriate NCAA legislation to the eligibility of a student-athlete when the institution receives notification, or otherwise has cause to believe, that a student-athlete's high school, preparatory school or two-year college transcript is not valid.

14.1.3 Student-Athlete Statement.

14.1.3.1 Content and Purpose. Before participation in intercollegiate competition each academic year, a student-athlete shall sign a statement in a form prescribed by the Management Council in which the student-athlete submits information related to eligibility, recruitment, financial aid, amateur status, previous positive drug tests administered by any other athletics organization and involvement in organized gambling activities related to intercollegiate and professional athletics competition under the Association's governing legislation. Failure to complete and sign the statement shall result in the student-athlete's ineligibility for participation in all intercollegiate competition. Violations of this bylaw do not affect a student-athlete's eligibility if the violation
occurred due to an institutional administrative error or oversight, and the student-athlete subsequently signs the form; however, the violation shall be considered an institutional violation per Constitution 2.8.1.

(Revised: 1/10/92 effective 8/1/92, 1/14/97, 2/19/97)

14.1.3.2 Administration. The institution shall administer this form individually to each student-athlete before the individual’s participation in intercollegiate competition each year. Details about the content, administration and disposition of the statement are set forth in Bylaw 30.13. (Revised: 12/5/06)

14.1.3.3 Institutional Responsibility—Notification of Positive Test. The institution shall promptly notify in writing the NCAA vice president for education services regarding a student-athlete’s disclosure of a previous positive test for banned substances administered by any other athletics organization. (Adopted: 1/14/97 effective 8/1/97)

14.1.4 Drug-Testing Consent Form.

14.1.4.1 Content and Purpose. Each academic year, a student-athlete shall sign a form prescribed by the Management Council in which the student consents to be tested for the use of drugs prohibited by NCAA legislation. Failure to complete and sign the consent form before competition shall result in the student-athlete’s ineligibility for participation (i.e., practice and competition) in all intercollegiate athletics (see Constitution 3.2.4.6). Violations of this bylaw do not affect a student-athlete’s eligibility if the violation occurred due to an institutional administrative error or oversight, and the student-athlete subsequently signs the form; however, the violation shall be considered an institutional violation per Constitution 2.8.1. (Adopted: 1/10/92 effective 8/1/92, Revised: 1/16/93, 1/10/95 effective 8/1/95, 1/14/97)

14.1.4.2 Administration. The institution shall administer the consent form individually to each student-athlete each academic year. Details about the content, administration and disposition of the consent form are set forth in Bylaw 30.5. (Adopted: 1/11/92 effective 8/1/92)

14.1.5 International Student-Athlete Form.

14.1.5.1 Eligibility Form. The eligibility of an international student-athlete shall be certified on a form approved by the Management Council and must be completed prior to practice or competition. The completed form shall be maintained on file at the institution with other eligibility documents and shall be available for examination upon request by the NCAA staff, and, if the institution is a member of a conference, an authorized conference representative. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete’s eligibility. (Adopted: 1/10/95 effective 8/1/95 for those student-athletes first entering an NCAA institution on or after 8/1/95, Revised: 1/10/05)

14.1.6 Student-Athlete Health Insurance Portability and Accountability Act (HIPAA) Authorization/Buckley Amendment Consent Form—Disclosure of Protected Health Information.

14.1.6.1 Content and Purpose. Each academic year, a student-athlete may voluntarily sign a statement in a form prescribed by Management Council in which the student authorizes/consents to the institution’s physicians, athletics trainers and health care personnel to disclose the student-athlete’s injury/illness and participation information associated with the student-athlete’s training and participation in intercollegiate athletics to the NCAA and to its Injury Surveillance System (ISS), agents and employees for the purpose of conducting research into the reduction of athletics injuries. The authorization/consent by the student-athlete is voluntary and is not required for the student-athlete to be eligible to participate. (Revised: 7/22/03 effective 8/1/04)

14.1.6.2 Administration. The statement shall be administered individually to each student-athlete by the athletics director or the athletics director’s designee before the student-athlete’s participation in intercollegiate athletics each academic year. Details about the content, administration and disposition of the statement are set forth in Bylaw 30.12. Violations of this bylaw do not affect a student-athlete’s eligibility; however, violations shall be considered institutional violations per Constitution 2.8.1. (Revised: 1/12/04 effective 8/1/04)

14.1.7 Admission and Enrollment.

14.1.7.1 Admission. A student-athlete shall not represent an institution in intercollegiate athletics competition unless the student has been admitted as a regularly enrolled, degree-seeking student in accordance with the regular, published entrance or admissions policies of that institution. (Revised: 5/2/06)

14.1.8 Full-Time Enrollment.

14.1.8.1 Requirement for Practice. To be eligible to participate in organized practice sessions, a student-athlete shall be enrolled in a minimum full-time program of studies leading to a baccalaureate or equivalent degree as defined by the regulations of the certifying institution. Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, the violation shall not affect the student-athlete’s eligibility. (See Bylaw 14.01.2 for the requirements for student-athletes enrolled in two-year degree programs.) (Revised: 1/10/92, 1/11/00, 1/10/05)

14.1.8.1.1 Practice before Initial Enrollment. A student-athlete may practice during the official vacation period immediately before initial enrollment, provided the student has been accepted by the institution for enrollment in a regular, full-time program of studies at the time of the individual’s initial participation; is
no longer enrolled in the previous educational institution; and is eligible under all institutional and NCAA requirements.

14.1.8.1.2 Drop/Add Course. A student-athlete no longer shall be considered enrolled in a minimum full-time program of studies (after dropping a course that places the student below full-time status) when the dropped course becomes official in accordance with procedures determined by the institution for all students. A student who is adding a course to reach full-time status shall become eligible for practice and competition once the course has been approved by the appropriate department head (or designated representative) and submitted to the registrar. (See Bylaw 14.01.2 for the requirements for student-athletes enrolled in two-year degree programs.) (Adopted: 1/10/92, Revised: 10/18/04)

14.1.8.1.3 Exception—Final Semester/Quarter. A student-athlete with athletics eligibility remaining may participate in organized practice sessions while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of the baccalaureate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree requirements, as determined by the faculty of the institution.

14.1.8.1.4 Withdrawal or Dismissal. A student-athlete who withdraws or is dismissed from an institution is considered to be a prospective student-athlete eligible for recruitment by other NCAA member institutions and may not continue to practice with the original institution’s team.

14.1.8.1.5 Exception—Practice during First Week of Class. A student-athlete may practice, but may not compete, during the institution’s first five days of classes if the student-athlete is enrolled in less than a minimum full-time program of studies, provided the student is otherwise eligible under all institutional, conference and NCAA requirements. (Adopted: 1/10/95 effective 8/1/95)

14.1.8.1.6 Waiver—U.S. Olympic Committee/National Governing Body. A student with eligibility remaining who is not enrolled or who is enrolled in less than a minimum full-time program of studies or a former student-athlete may participate on a regular basis in organized practice sessions, provided the following conditions are met: (Adopted: 1/9/96, Revised: 1/14/97 effective 8/1/97)

(a) The practice sessions take place only at the institution(s) the individual previously attended as an undergraduate or currently attends or previously attended as a graduate student; (Revised: 1/14/97 effective 8/1/97)

(b) For former student-athletes, the practice sessions involve an individual sport or rowing (for student-athletes with eligibility remaining the practice session may include any sport); (Revised: 1/10/05, 1/17/09 effective 8/1/09)

(c) The U.S. Olympic Committee or national governing body (NGB) in the sport has recommended the individual’s participation; and

(d) In the case of a student-athlete with NCAA eligibility remaining in the sport, such participation occurs only during the academic year immediately before the Olympic Games.

14.1.8.1.6.1 Administration. This waiver shall be approved by the conference members of the Association or, in the case of independent institutions, by the Management Council, or a committee designated by the Management Council to act for it. A member institution shall submit a waiver request that includes documentation that demonstrates that the conditions of Bylaw 14.1.8.1.6 have been met for each individual who wishes to participate in the institution’s practice sessions. (Adopted: 1/9/96, Revised: 4/11/06)

14.1.8.1.7 Full-Time Enrollment—Practice. Unless specified otherwise under this bylaw, the Management Council, or a committee designated by the Management Council to act for it, may waive the minimum full-time enrollment requirement for practice. (Adopted: 4/11/06)

14.1.8.2 Requirement for Competition. To be eligible for competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies leading to a baccalaureate or equivalent degree as defined by the institution, which shall not be less than 12 semester or quarter hours.

14.1.8.2.1 Exceptions. The following exceptions to the minimum 12-semester- or 12-quarter-hour enrollment are permitted:

14.1.8.2.1.1 Competition before Initial Enrollment. A student-athlete may compete during the official vacation period immediately before initial enrollment, provided the student has been accepted by the institution for enrollment in a regular, full-time program of studies at the time of the individual’s initial participation; is no longer enrolled in the previous educational institution; and is eligible under all institutional and NCAA requirements.

14.1.8.2.1.2 Eligibility between Terms. To be eligible for competition that takes place between terms, the student-athlete shall:

(a) Have been registered for the required minimum full-time load (see Bylaw 14.1.8.2.2) at the conclusion of the term immediately before the date of competition, if the student is continuing enrollment; or
(b) Be accepted for enrollment as a regular full-time student for the regular term immediately after the date of competition if the student is either continuing enrollment or beginning enrollment (see Bylaw 14.1.8.2.1.1). (Revised: 1/11/89)

14.1.8.2.1.3 Final Semester/Quarter. A student-athlete may compete while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of the baccalaureate or graduate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete degree requirements. The student granted eligibility under this provision shall be eligible for any NCAA championship that begins within 60 days following said semester or quarter, provided the student has not exhausted the 10 semesters/15 quarters for completion of the individual's four seasons of eligibility (see Bylaw 14.2). Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree requirements during that semester or quarter and is eligible to receive the baccalaureate or graduate diploma on the institution's next degree-granting date. The Management Council, or a committee designated by the Management Council to act for it, may waive the 60-day requirement when an NCAA championship is conducted at the conclusion of the traditional playing season but begins more than 60 days after the end of said term. (Revised: 1/11/92, 1/16/93, 1/10/95, 1/13/03)

14.1.8.2.1.3.1 Graduation in Less than Four Years. A student-athlete who graduates in less than four consecutive years from his or her initial collegiate enrollment (full time or part time) shall remain eligible for an NCAA championship that is conducted at the conclusion of the traditional season, but begins more than 60 days following the end of the term in which the student-athlete completes all degree requirements. (Adopted: 1/11/08)

14.1.8.2.1.4 Graduate Program. A student may compete while enrolled in a full-time graduate program as defined by the institution for all graduate students, except as permitted in Bylaw 14.1.8.2.1.3. (Revised: 1/13/03, 1/9/06) [See Bylaw 14.1.9]

14.1.8.2.2 Full-time Program—12-Hour Requirement. At the time of competition, a student-athlete shall be enrolled in not less than 12-semester or -quarter hours, regardless of the institution's definition of a minimum full-time program of studies.

14.1.8.2.2.1 Waivers. Waivers may be granted to the minimum 12-semester- or 12-quarter-hour enrollment as follows:

14.1.8.2.2.1.1 Nontraditional Academic Calendars or Cooperative Education Programs. A student-athlete in an institution, that determines enrollment hours on a basis other than traditional semester or quarter hours or that conducts a cooperative educational program, may compete, if at the time of competition the student is enrolled for a comparable minimum academic load as determined by the Management Council, or a committee designated by the Management Council to act for it. (Revised: 4/11/06)

14.1.8.2.2.1.2 Olympic, Pan American, World Championships, World Cup, World University Games or World Youth Championships. The Management Council, or a committee designated by the Management Council to act for it, may waive the minimum full-time enrollment requirement for any participant in the junior or elite levels of the Olympic, Pan American, World Championships, World Cup, World University Games or World Youth Championships who, because of such participation, may lose eligibility for practice and competition in any sport. (Revised: 1/10/91, 1/9/96, 1/10/05, 4/11/06)

14.1.8.2.2.1.3 Student-Athletes with Education-Impacting Disabilities. The Management Council, or a committee designated by the Management Council to act for it, may waive the 12-hour requirement for a student-athlete when objective evidence demonstrates that an institution defines full-time enrollment for that student-athlete to be less than 12 hours to accommodate for the student's education-impacting disability. (Adopted: 1/10/95, Revised: 4/11/06, 10/20/08)

14.1.8.2.2.1.4 Full-Time Enrollment—Competition. Unless specified otherwise under this bylaw, the Management Council, or a committee designated by the Management Council to act for it, may waive the minimum 12-hour requirement for competition. (Adopted: 4/11/06)

14.1.8.2.3 Concurrent Courses at Two Institutions. Courses taken concurrently at a second institution may be counted toward meeting the minimum 12-hour enrollment requirement, provided:

(a) The certifying institution officially recognizes the student's combined hours as full-time enrollment for a minimum of 12 hours; and

(b) Courses taken at the second institution will be included on the student's transcript at the institution where the student is seeking the degree.

14.1.8.2.4 Cooperative Educational Exchange Program. A student-athlete may represent the certifying institution in intercollegiate athletics even though at the time of competition the student is enrolled in another institution in a cooperative educational exchange program, provided:
(a) The certifying institution considers the student to be regularly enrolled in a minimum full-time program of studies; and
(b) All work is placed on the student’s transcript and accepted toward his or her undergraduate degree at the certifying institution.

14.1.8.2.5 Extension Courses. A student-athlete may use a combination of hours taken in residence during a regular term and extension courses taken from the certifying institution during that term to meet the minimum 12-hour enrollment requirement, provided the institution considers enrollment in such extension courses as regular course enrollment for all students during the term time. (Revised: 1/1/1994 effective 8/1/1994)

14.1.9 Graduate Student/Postbaccalaureate Participation. A student-athlete who is enrolled in a graduate or professional school of the institution he or she most recently attended as an undergraduate (regardless of whether the individual has received a U.S. baccalaureate degree or its equivalent), a student-athlete who is enrolled and seeking a second baccalaureate or equivalent degree at the same institution, or a student-athlete who has graduated and is continuing as a full-time student at the same institution while taking course work that would lead to the equivalent of another major or degree as defined and documented by the institution, may participate in intercollegiate athletics, provided the student has eligibility remaining and such participation occurs within the applicable 10-semester/15-quarter period set forth in Bylaw 14.2. (Revised: 1/10/90, 1/16/93 effective 8/1/93, 7/22/08)

14.1.9.1 International Student Exception. The remaining eligibility of a student who has received a foreign postsecondary degree that is identified as a “baccalaureate” but is not equivalent to a U.S. baccalaureate and who is entering an undergraduate program must be reviewed on a case-by-case basis by the Management Council and the International Student Records Committee. (Adopted: 1/16/93, Revised: 4/23/09)

14.1.9.2 NCAA Championship after Last Term of Eligibility. A student-athlete who is eligible during the term in which degree work is completed (or is eligible as a graduate, per Bylaw 14.1.9) remains eligible for any NCAA championship that begins within 60 days after the end of the term in which the student completes the requirements for the degree (or graduate eligibility). The Management Council, or a committee designated by the Management Council to act for it, may waive the 60-day requirement when an NCAA championship is conducted at the conclusion of the traditional playing season but begins more than 60 days after the end of said term. (Revised: 1/16/93, 1/10/95)

14.1.9.2.1 NCAA Championship After Graduation in Less than Four Years. A student-athlete who graduates in less than four consecutive years from his or her initial collegiate enrollment (full time or part time) shall remain eligible for an NCAA championship that is conducted at the conclusion of the traditional season, but begins more than 60 days following the end of the term in which the student-athlete completes all degree requirements. (Adopted: 1/11/08)

14.1.10 Change in Eligibility Status. If a student-athlete's academic eligibility changes at the end of a quarter or semester, the student-athlete shall become eligible or ineligible to compete on the date his or her eligibility officially is certified by the appropriate institutional authority. In a case in which the student becomes eligible at the end of the term, the earliest date on which the student can become eligible to compete is the day after the date of the last scheduled examination listed in the institution's official calendar for the term that is ending. In a case in which the student becomes ineligible, the ineligibility shall become effective not later than the first day of classes of the following semester or quarter. In any case, if the student-athlete is academically eligible to compete in intercollegiate athletics, the student's eligibility officially is certified by the appropriate institutional authority.

14.1.11 Male Practice Player Eligibility. A male student who practices with a women's team is considered to be a student-athlete in that women's sport. The male student-athlete must be certified as eligible under all applicable NCAA eligibility requirements to participate (e.g., the individual must be enrolled in a minimum full-time program of studies, sign a student-athlete statement and drug-testing consent form and have eligibility remaining under the 10-semester rule). The male student-athlete is subject to all other NCAA legislated restrictions. See Bylaw 14.2.4.7 for use of a season of participation and Bylaw 16.8.1.7 for benefits that a male practice player may receive. (Adopted: 10/17/06, Revised: 4/17/07, 7/24/07)

14.1.11.1 Limitations on the Involvement of Male Practice Players—Team Sports. The use of male practice players in a women's team sport is subject to the following limitations: (Adopted: 1/14/08 effective 8/1/08)
(a) Male practice players shall only be permitted to practice in the traditional segment in the women's sport;
(b) The involvement of male practice players is limited to one practice per week; and
(c) The number of male practice players who are involved during any particular practice shall not exceed half the number of student-athletes of a typical starting unit in that sport. Any computation of half of the starting unit that results in a fractional portion of a player shall be rounded up to the next whole number.
14.2 SEASONS OF PARTICIPATION: 10-SEMESTER/15-QUARTER RULE

A student-athlete shall not engage in more than four seasons of intercollegiate participation in any one sport (see Bylaw 14.2.4.1). (Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)

14.2.1 Collegiate Enrollment Concurrent with Service Assignment. Any time in which a student-athlete is enrolled for a minimum full-time program of studies as a regular student in a collegiate institution while simultaneously on active duty in the U.S. military, on an official church mission or with a recognized foreign aid service of the U.S. government shall count against the 10 semesters/15 quarters in which the four seasons of eligibility must be completed.

14.2.2 Ten-Semester/Fifteen-Quarter Rule. A student-athlete shall complete his or her seasons of participation during the first 10 semesters or 15 quarters in which the student is enrolled in a collegiate institution in at least a minimum full-time program of studies, as determined by the regulations of that institution. For an institution that conducts registration other than on a traditional semester or quarter basis, the Management Council shall determine an equivalent enrollment period. (Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)

14.2.2.1 Use of Semester or Quarter. A student-athlete is considered to have used a semester or quarter under this rule when the student attends any class while officially registered in a collegiate institution (domestic or foreign) in a regular term of an academic year for a minimum full-time program of studies, as determined by the institution, even if the student-athlete drops to part-time status at any time during the term, including his or her first day of attendance (see Bylaw 14.2.3). (Revised: 1/9/06)

14.2.2.2 Pregnancy Exception. A member institution may approve a two-semester or three-quarter extension of this 10-semester/15-quarter period of eligibility for a female student-athlete for reasons of pregnancy.

14.2.2.3 Waivers. The Committee on Student-Athlete Reinstatement, by a two-thirds majority of its members present and voting, may approve waivers to the 10-semester/15-quarter rule as it deems appropriate (see Bylaw 30.6.1 for criteria).

14.2.3 Additional Applications of the 10-Semester/15-Quarter Rule.

14.2.3.1 Athletics Competition. Even though a student is enrolled for less than a minimum full-time program of studies at a collegiate institution, a student shall use a semester or quarter under the 10-semester/15-quarter period of eligibility if the individual represents the institution in intercollegiate athletics. (Revised: 4/7/05)

14.2.3.2 Nonrecognized College. Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the Secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the 10-semester/15-quarter rule only if: (Revised: 1/10/90, 1/13/03)

(a) The student is enrolled in a minimum full-time program of studies at such an institution that conducts an intercollegiate athletics program; or

(b) The student, whether enrolled for a minimum full-time program of studies or not, represents the institution in intercollegiate athletics.

14.2.3.3 Joint College/High School Program. A student-athlete’s eligibility under the 10-semester/15-quarter rule does not begin while a student is enrolled in a collegiate institution in a joint high school/college academic program for outstanding high school students, in which the courses count as both high school graduation credit and college credit, provided the student has not officially graduated from high school and does not participate in intercollegiate athletics while enrolled in the joint program. (Revised: 1/14/02)

14.2.3.4 Vocational Program. A student-athlete’s eligibility under the 10-semester/15-quarter rule does not begin while the student is enrolled in a minimum full-time program of studies as a part of a special vocational program that combines enrollment in regular college courses and participation in vocational training courses, provided the student is not considered to be regularly matriculated by the institution, does not go through the customary registration and testing procedures required of all regular entering students and is not eligible for the institution’s extracurricular activities, including athletics.

14.2.3.5 10-Semester/15-Quarter Extension Request. A student-athlete, who has exhausted his or her 10-semester/15-quarter period of eligibility may practice, but not compete, for 30 consecutive calendar days, provided the institution has filed a 10-semester/15-quarter extension waiver request per Bylaw 30.6.1 with the NCAA national office. (Adopted: 1/8/01 effective 8/1/01)

14.2.4 Criteria for Determining Season of Eligibility.

14.2.4.1 Minimum Amount of Participation. A season of intercollegiate participation shall be counted in the student-athlete’s sport when a student-athlete participates (practices or competes) during or after the first contest in the traditional segment following the student-athlete’s initial participation of that academic year at that institution or when the student-athlete engages in intercollegiate competition during the nontraditional segment in that sport. This provision is applicable to intercollegiate athletics participation (practice or competition) conducted by a Division III collegiate institution at the varsity, junior varsity or freshman team level. (Revised:
14.2.4.1 Exceptions. A season of participation shall not be counted:

(a) During the traditional segment when a student-athlete participates in a preseason scrimmage or preseason exhibition conducted prior to the first contest following the student-athlete’s initial participation of that academic year at that institution; and (Adopted: 1/12/04 effective 8/1/04, for athletics participation occurring on or after 8/1/04, Revised: 1/10/05, 1/8/07 effective 8/1/07, for participation occurring on or after 8/1/07)

(b) In baseball, field hockey, lacrosse, soccer, softball, and women’s volleyball, when a student-athlete participates in the one date of competition during the nontraditional segment. (Adopted: 1/17/09 effective 8/1/09)

14.2.4.1.2 Pending Subcommittee for Legislative Relief Waiver. A student-athlete for whom a Subcommittee for Legislative Relief waiver request is pending may practice, but not compete, after the first contest or date of competition in the traditional segment in the student-athlete’s sport without using a season of participation provided the institution has received official notification that the national office has received the institution’s completed waiver application and all relevant supporting documentation. If the waiver request is denied, the student-athlete must cease practicing immediately on notification to the institution of the decision or the student-athlete shall be charged with the use of a season of participation. If the institution chooses to appeal a waiver denial, the student-athlete shall not resume practice until the institution receives official notification that any information required for appeal has been received. If the subcommittee denies the appeal, the student-athlete must cease practicing immediately upon notification to the institution of the decision or the student-athlete shall be charged with the use of a season of participation. (Adopted: 8/28/08)

14.2.4.2 Track and Field and Cross Country. For the purposes of determining a season of intercollegiate participation, cross country, indoor track and field, and outdoor track and field shall be considered separate sports. (Revised: 1/10/90, 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

14.2.4.3 Participation in Organized Competition Prior to Initial Collegiate Enrollment. An individual who does not enroll in a collegiate institution as a full-time student from the date of the next opportunity for collegiate enrollment after high school graduation (or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility) shall use a season of intercollegiate participation for each calendar year or sport season (following that date) in which the individual has engaged in activities that meet the criteria set forth in Bylaw 14.2.4.3.2. (Adopted: 1/14/02 effective 8/1/02, Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

14.2.4.3.1 Academic Year in Residence. An individual who uses a season(s) of participation in a particular sport, per Bylaw 14.2.4.3.2, shall fulfill an academic year in residence prior to being eligible to represent the institution in intercollegiate competition in that sport. (Adopted: 1/14/02 effective 8/1/02, Revised: 1/12/04)

14.2.4.3.2 Activities Constituting Use of Season. An individual shall use a season of participation per Bylaw 14.2.4.3 if the individual engages in activities that meet any of the following criteria: (Adopted 1/14/02 effective 8/1/02, Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

(a) Any team competition or training in which pay in any form is provided to any of the participants above actual and necessary expenses;

(b) Any individual competition or training in which the individual accepts pay in any form based on his or her place finish or any competition or training in which the individual accepts pay in any form above actual and necessary expenses;

(c) Any competition pursuant to the signing of a contract for athletics participation or entering a professional draft; or

(d) Any competition funded by a representative of an institution’s athletics interest that is not open to all participants. (Adopted: 1/14/02 effective 8/1/02)

14.2.4.3.2.1 Competition Exceptions. A maximum one-time, one-year exception for participation in the following activities:

(a) Preparatory School Exception. Participation in organized competition while enrolled in a postgraduate college preparatory school shall be exempted; and

(b) Athletics Activity Exception:

   (1) Official Pan American, World Championships, World Cup, World University and Olympic training, tryouts and competition;

   (2) Officially recognized training and competition directly qualifying participants for final Olympic tryouts; or
(3) Official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic Committee (or for student-athletes representing another nation, the equivalent organization of that nation, or for student-athletes competing in a non-Olympic sport, the equivalent organization of that sport). (Adopted: 1/14/02 effective 8/1/02)

14.2.4.3.3 Major Junior A Ice Hockey. An individual who participates on a Major Junior A ice hockey team shall use a season of intercollegiate participation for each calendar year or sport season in which the individual participates, regardless of when such participation occurs (including participation during high school enrollment). The individual must also fulfill an academic year in residence prior to being eligible to represent the institution in intercollegiate competition in the sport of ice hockey. (Adopted: 4/21/09)

14.2.4.4 Intercollegiate Participation. A student-athlete is considered to have engaged in a season of intercollegiate participation when he or she competes in an athletics event involving any one of the conditions characterizing intercollegiate participation (per Bylaw 14.02.6 and 14.2.4.1). (Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

14.2.4.5 International Competition/Summers. Competition by a student-athlete representing an institution in international competition during the summer-vacation period shall not affect the student-athlete's seasons of eligibility, provided the competition has been certified by the institution per Bylaw 30.7.1 or sanctioned by the Management Council, by a two-thirds majority of its members present and voting, and the request for Management Council sanction has been made by the institution at least 30 days before the competition. (Revised: 1/11/00 effective 8/1/00)

14.2.4.6 Foreign-Tour Competition. A student-athlete who did not participate during the institution's season just completed and who represents the institution in a certified foreign tour after that intercollegiate season and before the start of the next academic year shall not be charged with a season of participation for the preceding season. (Revised: 1/9/06)

14.2.4.7 Male Practice Player. A male student who practices with a women's team in a sport that is also sponsored as a men's sport by the NCAA or is considered the same sport under amateurism regulations, is charged with a season of participation in the men's sport. If a male student practices with a women's team in a sport that has no equivalent men's sponsored sport, the male student is charged with a season of participation in the women's sport. (Adopted: 4/11/06)

14.2.5 Hardship Waiver. A student-athlete may be granted an additional year of participation (per Bylaw 14.2.4) by the conference or the Committee on Student-Athlete Reinstatement for reasons of "hardship." Hardship is defined as an incapacity resulting from a season-ending injury or illness that has occurred under all of the following conditions: (Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04, 8/23/07)

(a) The season-ending injury or illness occurs before the completion of the first half of the traditional playing season in that sport for the season being waived [measured by the number of completed or scheduled (not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set prior to the first scheduled contest or date of competition) contests or dates of competition and results in incapacity to compete for the remainder of the traditional playing season]; and (Revised: 1/10/05, for any competition occurring on or after 8/1/04, 1/9/06, 8/23/07)

(b) The season-ending injury or illness occurs when the student-athlete has not competed in more than three contests or dates of competition (whichever is applicable to that sport) or one-third (whichever number is greater) of the institution's completed or scheduled (not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set prior to the first scheduled contest or date of competition) contests or dates of competition in his or her sport. Only competition (excluding preseason scrimmages and exhibition contests but including scrimmages and exhibitions after the first regularly scheduled contest) against outside participants during the traditional playing season, or, if so designated, during the official NCAA championship playing season in that sport (e.g., spring baseball, fall soccer), shall be countable under this limitation in calculating both the number of contests or dates of competition in which the student-athlete has competed and the number of completed or scheduled contests or dates of competition during that season in the sport. (Revised: 1/10/92, 1/14/97 effective 8/1/97, 1/10/05, for any competition occurring on or after 8/1/04, 4/7/05, 1/9/06, 8/23/07)

14.2.5.1 Administration of Hardship Waiver. The hardship waiver shall be administered by the member conferences of the Association or, in the case of an independent member institution, by the Committee on Student-Athlete Reinstatement. An institution may appeal a decision by its conference to the Committee on Student-Athlete Reinstatement. (Revised: 1/12/04)

14.2.5.2 Criteria for Administration of Hardship Waiver. The following criteria are to be employed in the administration of the hardship waiver: (Revised: 12/5/06)

14.2.5.2.1 Nature of Injury/Illness. It is not necessary for the incapacitating, season-ending injury or illness to be the direct result of the student's participation in the institution's organized practice or game competition. The student-athlete may qualify for the hardship waiver as a result of any incapacitating, season-ending injury or illness occurring after the individual becomes a student-athlete by reporting on
14.2.5.2.2 Medical Documentation. Contemporaneous or other appropriate medical documentation from a physician (i.e., a medical doctor) that establishes the student-athlete’s inability to compete for the remainder of the traditional playing season as a result of that injury or illness shall be submitted with any hardship waiver request. Chiropractic records do not constitute medical documentation for purposes of administering a hardship waiver request. In cases involving a psychological or mental illness, such documentation may be provided by an individual who is qualified and licensed to diagnose and treat the particular illness (e.g., psychiatrist, psychologist). (Adopted: 1/12/99, Revised: 1/9/04, 1/10/05, 8/23/07, 10/20/08)

14.2.5.2.3 First-Half-of-Season Calculation. In determining if an injury or illness occurs in the first half of the traditional season in a sport with an odd number of contests or dates of competition, the injury or illness must have occurred before the beginning of the varsity contest or date of competition that starts the second half of the traditional season (e.g., an injury or illness occurring at any time after the beginning of the fifth game of a nine-game football schedule would be considered to be after the first half of the institution’s season and would not qualify the student-athlete for a hardship waiver). (Revised: 1/14/97 effective 8/1/97)

14.2.5.2.4 Reinjury in Second Half of Season. A student-athlete who suffers an injury in the first half of the traditional season, enters competition during the second half of the traditional season and then is unable to participate further as a result of aggravating the original injury does not qualify for the hardship waiver. (Revised: 8/23/07)

14.2.5.2.5 Percent Calculation. The following requirements are to be met in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.2.5 and 14.2.5.2.3 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contests requirements in Bylaw 20.)

14.2.5.2.5.1 Denominator in Percent Computation. The denominator in the institution’s percent calculation shall be based on the institution’s number of completed or scheduled varsity contests or dates of competition [see Bylaw 14.2.5-(b)] as computed for playing and practice season purposes in Bylaw 17 for the applicable sport. (Note: Exempted events in Bylaw 17 are included in the percent calculation). (Revised: 1/14/97 effective 8/1/97, 4/15/98, 11/10/05, for any competition occurring on or after 8/1/04)

14.2.5.2.5.2 Fraction in Percent Computation. Any computation of the percent limitation that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number (e.g., 33 percent of a 25-game basketball schedule—8.3 games—shall be considered nine games). (Revised: 1/14/97 effective 8/1/97)

14.2.5.2.5.3 Conference Championships. A conference championship shall be counted as one contest or date of competition in determining the institution’s completed or scheduled contests or dates of competition in that sport, regardless of the number of days or games involved in the championship. However, for purposes of this regulation, the calculation of completed or scheduled contests or dates of competition in a particular season does not include postseason competition conducted after the completion of the institution’s regular-season schedule and conference tournament. (Revised: 1/14/97 effective 8/1/97, 11/10/05, for any competition occurring on or after 8/1/04)

14.2.5.2.5.4 NCAA Regional Cross Country Meet. The NCAA regional cross country meet may be counted as one date of competition in determining the institution’s scheduled or completed dates of competition, provided no qualifying standards exist for participation in the meet. (Adopted: 7/22/08)

14.2.5.2.6 Foreign-Tour Competition. A student-athlete who qualifies for a hardship for the previous academic year would not use a season of participation if the student-athlete represents the institution on a certified foreign tour during the summer-vacation period at the conclusion of that academic year. (Adopted: 1/10/92, Revised: 1/12/04 effective 8/1/04, 1/9/06)

14.2.5.3 Eligibility for Practice After Receipt of Hardship Waiver. A student-athlete who is granted a hardship waiver may practice and/or participate in rehabilitative activities for the remainder of the season without using a season of participation, provided the student-athlete does not compete in that sport for the remainder of the academic year. (Adopted: 8/23/07)

14.2.6 Season-of-Participation Waiver—Participation While Ineligible. In conjunction with a request for restoration of eligibility and any conditions imposed thereon per Bylaw 14.12, a student-athlete may be granted an additional season of participation by the Committee on Student-Athlete Reinstatement when he or she engaged in a limited amount of participation as a result of a good-faith, erroneous formal declaration of eligibility by the institution’s appropriate certifying authority or a student-athlete’s good-faith, erroneous reliance on a coaching staff member’s decision to put the student-athlete into participation prior to the coaching staff member receiving a formal declaration of the student-athlete’s eligibility from the institution’s appropriate certifying authority. The participation must have occurred under all of the following conditions: (Adopted: 1/16/93, Revised: 1/12/99, 1/13/03, 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)
(a) The participation occurred while the student-athlete was representing an NCAA member institution; (Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

(b) The participation occurred within 60 days of the date the student-athlete first reported for athletics participation; (Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

(c) The student-athlete did not participate in more than two events or 10 percent (whichever number is greater) of the institution’s completed or scheduled (not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set prior to the first scheduled contest or date of competition) events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of completed or scheduled events during that season (traditional and nontraditional) in the sport; (Revised: 1/10/05, for any competition occurring on or after 8/1/04, 1/9/06)

(d) The student-athlete was involved innocently and inadvertently in the erroneous determination or declaration of eligibility, which permitted the student-athlete to participate while ineligible; and (Revised: 1/12/99, 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

(e) In the case of a coaching staff member’s erroneous decision, the student-athlete had reason to believe he or she would be eligible to participate, and the student-athlete did not contribute to the coaching staff member’s erroneous decision to allow the student-athlete to participate. (Adopted: 1/12/99)

14.2.6.1 Ten-Percent Calculation. The requirements specified in Bylaw 14.2.5.2.5 shall apply to the 10-percent calculation specified in this waiver. (Adopted: 1/16/93)

14.2.7 Season-of-Participation Waiver—Participation While Eligible. A student-athlete may be granted an additional season of participation by the Committee on Student-Athlete Reinstatement when, due to extenuating circumstances (per Bylaw 14.2.7.1.2), the student-athlete, while eligible, engaged in a limited amount of participation. The participation must have occurred under all of the following conditions: (Adopted: 1/13/03 effective 8/1/03, for competition occurring on or after 8/1/03, Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04, 6/22/05)

(a) The participation occurred within the first half of the traditional segment; and (Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

(b) The student-athlete did not compete in more than three contests or dates of competition (whichever is applicable to that sport) or one-third (whichever number is greater) of the institution’s completed or scheduled (not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set prior to the first scheduled contest or date of competition) contests or dates of competition in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of contests or dates of competition in which the student-athlete participated and the number of contests or dates of competition during that season (both segments) in the sport. (Revised: 1/10/05, for competition occurring on or after 8/1/04, 1/9/06)

14.2.7.1 Administrative Criteria. The following criteria shall be employed in the administration of this season-of-participation waiver: (Adopted: 1/13/03 effective 8/1/03, for competition occurring on or after 8/1/03, Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

14.2.7.1.1 Percent Calculation. The requirements specified in Bylaw 14.2.5.2.5 shall apply to the percent calculation specified in this waiver. (Adopted: 1/13/03 effective 8/1/03, for competition occurring on or after 8/1/03)

14.2.7.1.2 Extenuating Circumstances. Extenuating circumstances include, but are not limited to, the following: (Adopted: 1/13/03 effective 8/1/03, for competition occurring on or after 8/1/03)

(a) The student-athlete is unable to compete as a result of a life-threatening injury or illness suffered by a member of the student-athlete’s immediate family, which clearly is supported by contemporaneous medical documentation; (Revised: 1/10/05)

(b) The student-athlete is unable to compete as a result of extreme financial difficulties as a result of a specific event (e.g., layoff, death in family) experienced by the student-athlete or an individual on whom the student-athlete is legally dependent. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual on whom the student-athlete is legally dependent; and (Revised: 1/10/05)

(c) The student-athlete’s institution dropped the sport (in which the student has practiced or competed) from its intercollegiate program.

14.2.7.1.3 Review Authority. In cases where a student-athlete does not meet the extenuating circumstances listed in Bylaw 14.2.7.1.2, the Committee on Student-Athlete Reinstatement shall have authority to review and grant waivers based on additional documented extenuating circumstances. (Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03)
14.4 SATISFACTORY-PROGRESS REQUIREMENTS

14.4.1 Satisfactory-Progress Requirements. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall maintain satisfactory progress toward a baccalaureate or equivalent degree at that institution as determined by the regulations of that institution. As a general requirement, “satisfactory progress” is to be interpreted at each member institution by the academic authorities who determine the meaning of such phrases for all students, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. (See Constitution 3.2.4.11 regarding the obligations of members to publish their satisfactory-progress requirements for student-athletes and Bylaw 14.01.2 for the requirements for student-athletes enrolled in two-year degree programs.) (Revised: 1/10/05, 8/18/06)

14.4.1.1 Exchange Student. A foreign exchange student as defined in Bylaw 14.5.1.5.1 shall maintain satisfactory progress toward a baccalaureate or equivalent degree at the student’s preceding educational institution.

14.4.1.2 Temporary Student. A student-athlete having the status of temporary, transient or exchange student shall not represent an institution in intercollegiate athletics competition unless such status is specifically allowed and governed by provisions adopted by the membership.

14.4.1.3 Prior Approval—Summer Courses at Other Institutions. Prior approval by appropriate academic officials of the certifying institution is required if courses taken during another institution’s summer term are to be used in determining the student’s academic status (i.e., good academic standing and satisfactory progress). Under limited circumstances, the Management Council may grant waivers for student-athletes who did not request or receive prior approval.

14.4.1.4 Correspondence, Extension, Credit-by-Examination and Online Courses. Use of correspondence, extension, credit-by-examination, and online courses for purposes of academic standing or satisfactory progress shall be determined by the regulations of the certifying institution, regardless of whether the courses are taken through the certifying institution or through another institution. (Adopted: 1/14/08 effective 8/1/08)

14.4.1.5 Waiver—Olympic Games. The Management Council may waive this general satisfactory-progress requirement for any participant in the Olympic Games who, because of such participation, may lose eligibility for practice and competition in any sport.

14.5 TRANSFER REGULATIONS

14.5.1 Residence Requirement—General Principle. A student who transfers (see Bylaw 14.5.2) to a member institution from any collegiate institution is required to complete one full academic year of residence at the certifying institution before being eligible to compete for or to receive travel expenses from the member institution (see Bylaw 16.8.1.2), unless the student satisfies the applicable transfer requirements or receives an exception or waiver as set forth in this section. (Revised: 1/10/91 effective 8/1/91)

14.5.1.1 Determination of Year of Residence. To satisfy an academic year of residence, a student shall:
(a) Be enrolled in and complete a minimum full-time program of studies for two full semesters or three full quarters; or
(b) Be enrolled in a minimum full-time program of studies for two full semesters or three full quarters and pass a number of hours that is at least equal to the sum total of the minimum load of each of the required terms.

14.5.1.1.1 Summer Term. A summer term shall not be used to satisfy a term of residence, but hours earned at the certifying institution during the summer may be used to satisfy the requirements of (b) above.

14.5.1.2 Fulfillment of Residence Requirement in Night School. When a student transfers to a member institution and is required to fulfill a residence requirement before being eligible to participate in competition, it is permissible for the transfer student to meet the requirement by attending an institution’s night school, provided the following conditions are met:
(a) The night school has regular terms (semesters or quarters) that are the same as the institution’s day school;
(b) The student is enrolled in a minimum full-time program of studies during each night term counted; and
(c) The student is considered by the institution to be a regularly matriculated student in each term.

14.5.1.3 Disciplinary Suspension. A student who transfers to any NCAA institution from a collegiate institution while the student is disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. (Revised: 1/14/97 effective 8/1/97)

14.5.1.4 Championship Eligibility. A transfer student who is required to fulfill an academic year of residence shall not be eligible to participate in any NCAA championship that occurs during the academic year of residence or during the vacation period immediately following the academic year of residence. (Revised: 1/9/06 effective 8/1/06)
14.5.1.5 Foreign Institution Transfers. A transfer student from a foreign collegiate institution (college, university or two-year college), except one entering as an exchange student (Bylaw 14.5.1.5.1), shall comply with the one-year residence requirement set forth in Bylaw 14.5.5.1.

14.5.1.5.1 Foreign Exchange Student Exception. A student who transfers to the certifying institution shall be immediately eligible if the student is enrolled in the certifying institution for a specified period of time as a foreign exchange student participating in a formal and established educational exchange program (e.g., sponsored by the U.S. Department of State, Rotary International, the Ford Foundation, the Institute of International Education) recognized by the institution’s academic authorities. (Revised: 7/22/08)

14.5.2 Conditions Affecting Transfer Status. A transfer student is an individual who transfers from a collegiate institution after having met any one of the following conditions at that institution:

(a) The student was officially registered and enrolled in a minimum, full-time program of studies in any quarter or semester of an academic year, as certified by the registrar or admissions office and attended class; (Revised: 1/9/06)

(b) The student attended a class or classes in any quarter or semester in which the student was enrolled in a minimum full-time program of studies, even if the enrollment was on a provisional basis and the student was later determined by the institution not to be admissible;

(c) The student is or was enrolled in an institution in a minimum full-time program of studies in a night school that is considered to have regular terms (semesters or quarters) the same as the institution’s day school, and the student is or was considered by the institution to be a regularly matriculated student;

(d) The student attended a branch school that does not conduct an intercollegiate athletics program, but the student had been enrolled in another collegiate institution before attendance at the branch school;

(e) The student attended a branch school that conducted an intercollegiate athletics program and transfers to an institution other than the parent institution;

(f) The student reported for a regular squad practice (including practice or conditioning activities that occurred prior to certification), announced by the institution through any member of its athletics department staff, before the beginning of any quarter or semester, as certified by the athletics director. Participation only in picture-day activities would not constitute “regular practice;” or

(g) The student participated in practice or competed in a given sport even though the student was enrolled in less than a minimum full-time program of studies.

14.5.3 Conditions Not Constituting Transfer Status. Unless otherwise covered by conditions set forth in Bylaw 14.5.2, a student-athlete is not considered a transfer under the following enrollment conditions:

14.5.3.1 Summer School, Extension Courses or Night School. The student has been enrolled in or attended classes only in a summer school, extension course or night school, unless the night school is considered by the institution to be a regular term (semester or quarter) the same as its day school, the student is enrolled for a minimum full-time load in this regular night term, and the student is considered by the institution to be a regularly enrolled student.

14.5.3.2 Second Campus of Institution. The student is in residence at an institution’s campus that is not in the same city as the institution’s main campus, provided the campus at which the student is in residence does not conduct an intercollegiate athletics program, classes on the campus are taught by the same instructors who teach classes on the main campus, the credits received by all class enrollees are considered as regular credits by the institution’s academic authorities, and the degrees awarded to all students come from the institution’s main campus.

14.5.3.3 Academic Exchange Program. The student participates in a regular academic exchange program between two four-year institutions that requires a participant to complete a specified period of time at each institution, and the program provides for the student-athlete to receive at least two baccalaureate or equivalent degrees at the conclusion of this joint academic program.

14.5.4 Two-Year College Transfers. A student who transfers to a member institution from a two-year college or from a branch school that conducts an intercollegiate athletics program must complete an academic year of residence unless the student qualifies for a transfer exception as set forth in Bylaw 14.5.4.1. Further, a transfer student-athlete admitted after the 12th class day may not use that semester or quarter for the purpose of establishing residency. (Revised: 1/10/92, 4/14/06)

14.5.4.1 Exceptions. A student who transfers to the certifying institution shall be immediately eligible if:

(a) The student has not previously used a season of participation at a Division III institution pursuant to Bylaw 14.2.4.1, and has never practiced or competed in intercollegiate athletics at a non-Division III institution. This provision is not applicable to a Division III student who has been granted a hardship waiver per Bylaw 14.2.5 or a season-of-participation waiver per Bylaws 14.2.6 or 14.2.7; (Revised: 1/9/06)

(b) The student transfers from a two-year college or from a branch school that conducts an intercollegiate athletics program without having been enrolled full time at a four-year collegiate institution and would have been academically and athletically eligible had he or she remained at that institution. A student-
a student-athlete was otherwise academically or athletically eligible for competition at the two-year college; or
(c) The student transfers from a four-year institution to a two-year college, and then to the certifying institution, provided the student either would have been athletically and academically eligible had he or she remained at the previous four-year institution or he or she successfully completed at least 24 semester or 36 quarter hours of transferable-degree credit at the two-year college and spent at least two full-time semesters or three full-time quarters of attendance at the two-year college. (Revised: 11/16/05, 12/19/07)

14.5.4.1.1 Multiple Two-Year Colleges. It is permissible for a 4-2-4 transfer student-athlete who attended multiple two-year colleges to use credits earned at the two-year colleges to satisfy the credit-hour requirements set forth in Bylaw 14.5.4.1. The student-athlete may combine terms of full-time attendance at any of the two-year colleges to satisfy the minimum two-semester or three-quarter attendance requirement. (Adopted: 5/5/00, Revised: 1/10/05)

14.5.4.2 Two-Year Nonparticipation Exception. The student transfers to the certifying institution from a two-year college or from a branch school that conducts an intercollegiate athletics program and, for a consecutive two-year period immediately prior to the date on which the student begins participation (practice and/or competition), the student has neither practiced nor competed in the involved sport in intercollegiate competition, and has neither practiced or competed in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. This two-year period does not include any period of time prior to the student’s initial collegiate enrollment. (Adopted: 1/11/00, Revised: 3/23/01)

14.5.5 Four-Year College Transfers. See Bylaw 13.1.1.2 for prohibition against contacting student-athletes of another four-year collegiate institution without permission.

14.5.5.1 General Rule. A transfer student from a four-year institution shall not be eligible for intercollegiate competition until the student has fulfilled a residence requirement of one full academic year (two full semesters or three full quarters) at the certifying institution unless the student qualifies for one of the transfer exceptions set forth in Bylaws 14.5.5.1.1, 14.5.5.1.2 or 14.5.5.1.3. A transfer student (other than one under disciplinary suspension per Bylaw 14.5.1.3) may qualify for an exception to the one-year residence requirement provided he or she does not have an unfulfilled residence requirement at the institution from which he or she is transferring. Further, a transfer student-athlete admitted after the 12th class day may not use that semester or quarter for the purpose of establishing residency. (Revised: 1/10/91 effective 8/1/91)

14.5.5.1.1 Exception. A student who transfers to the certifying institution shall be immediately eligible if: (Revised: 1/14/97 effective 8/1/97, 1/10/05 effective 8/1/05)
(a) The student has not previously used a season of participation at a Division III institution pursuant to Bylaw 14.2.4.1, and has never practiced or competed in intercollegiate athletics at a non-Division III institution. This provision is not applicable to a Division III student who has been granted a hardship waiver per Bylaw 14.2.5 or a season-of-participation waiver per Bylaws 14.2.6 or 14.2.7; or (Revised: 1/9/06)
(b) The student transfers from a four-year collegiate institution and would have been academically and athletically eligible had he or she remained at that institution.

14.5.5.1.2 Exchange Student Exception. A student who transfers to the certifying institution shall be immediately eligible if the student is enrolled in the certifying institution for a specified period of time as an exchange student participating in a formal and established educational exchange program recognized by the institution’s academic authorities. (Revised: 1/11/89, 1/10/92, 7/22/08)

14.5.5.1.3 Two-Year Nonparticipation Exception. The student transfers to the certifying institution from another four-year college and, for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither practiced nor competed in the involved sport in intercollegiate competition, and has neither practiced nor competed in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. This two-year period does not include any period of time prior to the student’s initial collegiate enrollment. (Revised: 1/10/95)

14.7 OUTSIDE COMPETITION, EFFECTS ON ELIGIBILITY

The eligibility of a student-athlete who engages in outside competition (see Bylaw 17.02.9) is affected as set forth in the following regulations.

14.7.1 Outside Competition. A student-athlete becomes ineligible for intercollegiate competition in that sport until eligibility is restored by the NCAA Division III Committee on Student-Athlete Reinstatement if, after enrollment in college and during any year in which the student-athlete is a member of an intercollegiate squad or team, he or she competes or has competed as a member of any outside team in any noncollegiate, amateur competition (e.g., tournament play, exhibition games or other activity) during the institution’s intercollegiate season in
the sport (see Bylaw 14.7.3 for exceptions and waivers) unless restored to eligibility before that time by the Committee on Student-Athlete Reinstatement. (Revised: 1/16/93, 1/11/94, 1/13/03 effective 8/1/03, 12/20/04, 1/10/05)

14.7.2 Additional Applications of Outside-Competition Regulations.

14.7.2.1 Definition of Team Member. A student-athlete is considered to be a member of the institution's team in a sport in any specified year when the student meets any of the conditions set forth in Bylaw 14.7.2 and/or reports for practice or competition in that sport in that year. Thereafter, for purposes of this rule, the student-athlete is considered to be a member of that team for the remainder of the season.

14.7.2.1.1 Exception. A student-athlete who fails to make the institution's team after participation only in limited preseason tryouts shall not be considered a member of the team for purposes of this regulation. (Adopted: 1/16/93)

14.7.2.2 Eligibility Status. A student-athlete is considered to be a member of the institution's team, and therefore bound by this regulation in that sport, if the student-athlete:

(a) Is ineligible to compete but practiced with a squad or team in the sport; or
(b) Is eligible to compete but was not permitted to do so, other than taking part in practice sessions with the squad or team in the sport.

14.7.2.2.1 Exception. A student-athlete who fails to make the institution's team after participation only in limited preseason tryouts shall not be considered a member of the team for purposes of this regulation. (Adopted: 1/16/93)

14.7.2.3 Competition between Segments. If an institution conducts separate fall and spring practice or playing segments in a sport, it is permissible for a student-athlete to participate in that sport on an outside team during the period between the two segments without affecting his or her eligibility. (Revised: 1/10/91 effective 8/1/91, 1/16/93)

14.7.2.4 Postseason Competition. An institution's intercollegiate season includes any scheduled participation in the conference championship in the sport in question but excludes the period between the last regularly scheduled competition and the NCAA championship in that sport.

14.7.2.5 Competition as Individual/Not Representing Institution. It is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete's sport, as long as the student-athlete represents only himself or herself in the competition and does not engage in such competition as a member of or receive expenses from an outside team.

14.7.2.6 Exempt Teams. In the individual sports (see Bylaw 17.02.12.2), such units as “pro-am” golf teams, doubles tennis teams, and relay teams in track and field are not considered to be outside teams for purposes of this legislation.

14.7.3 Exceptions to Outside-Competition Regulations. The following exceptions to the outside-competition regulations are permitted.

14.7.3.1 In All Sports.

(a) High School Alumni Game. A student-athlete may compete in one game a year involving players from the student-athlete's former high school and its alumni team. In sports other than basketball, this game must take place during an official vacation period of the institution's academic year.
(b) Olympic Games. A student-athlete may participate in the official Olympic Games, in final tryouts that directly qualify competitors for the Olympic Games and in officially recognized competition directly qualifying participants for final Olympic Games tryouts. (Revised: 1/14/97 effective 8/1/97)
(c) Official Pan American Games Tryouts and Competition. A student-athlete may participate in official Pan American Games tryouts and competition, including junior-level tryouts and competition. (Adopted: 1/14/97 effective 8/1/97, Revised: 4/11/06)
(d) National Teams. A student-athlete may participate in official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic Committee (or, for the student-athletes representing another nation, the equivalent organization of that nation or, for student-athletes competing in a non-Olympic sport, the equivalent organization of that sport). (Adopted: 1/14/97 effective 8/1/97)
(e) Official World Championships, World University Games, World Youth Championships and World Cup Tryouts and Competition. A student-athlete may participate in official World Championships, World University Games, World Youth Championships and World Cup tryouts and competition (including junior levels). (Adopted: 1/14/97 effective 8/1/97, Revised: 1/14/02, 4/11/06)
(f) Multisport Events. A student-athlete may participate in officially recognized state and national multisport events. (Adopted: 1/14/97 effective 8/1/97)

14.7.3.2 National-Team Criteria. The criteria for determining a national team under this regulation are set forth in Bylaw 30.8.1. (Adopted: 1/14/97 effective 8/1/97, Revised: 12/5/06)
14.7.4 Collegiate All-Star Contests. A student-athlete who competes as a member of a squad in any college all-star contest shall be denied further intercollegiate eligibility in that sport. (Revised: 1/11/00 effective 8/1/00)

14.8 ADDITIONAL WAIVERS FOR ELIGIBILITY REQUIREMENTS

Conditions under which exceptions are permitted or waivers may be granted to specific eligibility requirements in this bylaw are noted in other sections of this bylaw. Other than these, there shall be no waiver by the Association of any of the provisions of this bylaw except as follows.

14.8.1 Management Council Waivers. The Management Council, by a two-thirds majority of its members present and voting, may waive specific provisions of this bylaw as follows.

14.8.1.1 Academic and General Requirements. The academic and general eligibility requirements may be waived under the following conditions or circumstances:
(a) For student-athletes in times of national emergency;
(b) For member institutions that have instituted a trimester or other accelerated academic program, provided any member institution applying for a waiver shall demonstrate a reasonable need for such waiver. Further, the Management Council shall grant no waiver that permits a student-athlete to engage in more than four seasons of intercollegiate participation. Under the waiver allowed, if a student in an accelerated academic program completes the requirements for a degree before completing eligibility, the student may participate in competition that begins within 90 days after completion of the requirements for the degree. The Management Council shall include a report of each such exception in its annual report to the Convention; and (Revised: 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)
(c) For institutions that have suffered extraordinary personnel losses from one or more of their intercollegiate athletics teams due to accident or illness of a disastrous nature.

14.8.1.2 Residence Requirement. The one-year residence requirement for student-athletes may be waived under the following conditions or circumstances:
(a) For a student-athlete who transfers to a member institution for reasons of health. Such request for a waiver may be initiated by any member institution and shall be supported by contemporaneous medical documentation and medical recommendations of the institution's team physician and/or the student-athlete's personal physician; (Revised: 1/9/06)
(b) For a student-athlete who transfers to a member institution after loss of eligibility due to a violation of the regulation prohibiting pay for participation in intercollegiate athletics (see Bylaw 12.1.1) or a violation of recruiting regulations (see Bylaw 13.01.1). The Management Council may waive these requirements only upon a determination of the innocence or inadvertent involvement of the student-athlete in the violation; and
(c) On the recommendation of the Committee on Infractions, for a student-athlete who transfers to a member institution to continue the student-athlete's opportunity for full participation in a sport because the student-athlete's original institution was placed on probation by the NCAA with sanctions that would preclude the institution's team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete's eligibility (see Bylaw 13.1.1.2.4). (Revised: 1/10/92)

14.9 U.S. SERVICE ACADEMIES, SPECIAL ELIGIBILITY PROVISIONS

14.9.1 Ten-Semester/Fifteen-Quarter rule. The Committee on Student-Athlete Reinstatement may approve waivers to the 10-semester/15-quarter rule (see Bylaw 14.2) for student-athletes of the national service academies who have exhausted eligibility in one sport but wish to compete in another sport or sports in which they have eligibility remaining. (Revised: 1/13/03)

14.9.2 Transfer Status. A student who has attended as a freshman (plebe) only in the official summer enrollment program of one of the national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.5.

14.11 INELIGIBILITY

14.11.1 Obligation of Member Institution to Withhold Student-Athlete from Competition. If a student-athlete is ineligible under the provisions of the constitution, bylaws or other regulations of the Association, the institution shall be obligated to apply immediately the applicable rule and to withhold the student-athlete from all intercollegiate competition. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete’s eligibility as provided in Bylaw 14.12 if it concludes that the circumstances warrant restoration.

14.11.2 Ineligibility Resulting from Recruiting Violation. An institution shall not enter a student-athlete (as an individual or as a member of a team) in any intercollegiate competition if it is acknowledged by the
institutions or established through the Association's enforcement procedures that the institution or representative(s) of its athletics interests violated the Association's legislation in the recruiting of the student-athlete. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility as provided in Bylaw 14.12 if it concludes that circumstances warrant restoration.

14.11.2.1 Payment of Legal Fees during Appeal. A member institution may provide actual and necessary expenses for a prospective student-athlete to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the prospective student-athlete's eligibility to participate in intercollegiate athletics, provided the prospective student-athlete has been accepted for enrollment by the institution and has provided written confirmation of his or her intent to enroll at the institution. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletics interests).

14.11.3 Application of Ineligibility Ruling Pending Appeal. Once an official interpretation (per Constitution 5.4.1.2) applicable to a member institution has been issued and results in the ineligibility of a student-athlete, it is necessary for the institution to apply the rule to the eligibility of the student-athlete, even if review of the interpretation (per Constitution 5.4.1.2 or 5.4.1.4) at the request of the institution is pending. Failure to withhold such a student-athlete from competition is a violation of the conditions and obligations of membership.

14.11.4 Ineligible Participation.

14.11.4.1 Loss of Eligibility. A student-athlete shall be denied eligibility for intercollegiate competition in a sport if he or she participates in intercollegiate competition in that sport while ineligible under this bylaw or other applicable NCAA legislation. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility if it concludes that the circumstances warrant restoration (see Bylaw 14.12).

14.12 RESTORATION OF ELIGIBILITY

14.12.1 Basis for Appeal. When a student-athlete is determined to be ineligible under any applicable provision of the constitution, bylaws or other regulations of the Association, the member institution, having applied the applicable rule and having withheld the student-athlete from all intercollegiate competition, may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student's eligibility, provided the institution concludes that the circumstances warrant restoration of eligibility.

14.12.2 Participation in Appeal Hearing. Any appeal to restore a student-athlete's eligibility shall be submitted in the name of the institution by the president or chancellor (or an individual designated by the president or chancellor), faculty athletics representative, senior woman administrator or athletics director (for the men's or women's program). At least one of those individuals must participate in any hearing of the appeal that involves direct participation by the student-athlete or other individuals representing the institution or the student. (Revised: 1/11/94, 10/3/05)

14.12.3 Student Responsibility, Relationship to Restoration of Eligibility. A student-athlete is responsible for his or her involvement in a secondary or major violation of NCAA regulations (as defined in Bylaws 19.02.2.1 and 19.02.2.2), and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in any violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons.
15.01 GENERAL PRINCIPLES

15.01.1 Institutional Financial Aid. A student-athlete may receive scholarships or grants administered by an educational institution that do not conflict with the governing legislation of this Association. (Revised: 4/30/09)

15.01.1.1 Financial Aid to Attend Another Institution. An institution may not provide financial aid to a student-athlete to attend another institution, except as specifically authorized by NCAA legislation. (Adopted: 1/16/93)

15.01.2 Improper Financial Aid. Any student-athlete who receives financial aid other than that permitted by the Association shall not be eligible for intercollegiate athletics.

15.01.3 Institutional Financial Aid. A member institution shall not award financial aid to any student on the basis of athletics leadership, ability, participation or performance. (Adopted: 1/8/01 effective 8/1/02, Revised: 8/22/06, 1/17/08)

15.01.4 Contributions by Donor. It is not permissible for a donor to contribute funds to finance a scholarship or gift aid for student-athletes. (Revised: 1/12/99)

15.01.5 Student-Athlete Financial Aid Endowments or Funds. No part of an institution’s financial aid budget shall be set aside either for particular sports or for athletics in general, nor may an institution establish athletically related quotas of financial aid recipients. (Adopted: 1/8/01 effective 8/1/02, Revised: 1/12/04 effective 8/1/08, 4/26/06)

15.01.6 Athletics Need Fund. A member may not establish an “athletics need fund” for student-athletes and advertise its availability to prospective student-athletes who may qualify for need-based aid. (Adopted: 1/8/01 effective 8/1/02)

15.01.7 Eligibility of Student-Athletes for Institutional Financial Aid. A student-athlete must meet institutional regulations applicable to the general student body to be eligible for institutional financial aid. (Revised: 1/12/99 effective 8/1/99)

15.01.8 Maximum Institutional Financial Aid to Individual. An institution shall not award financial aid to a student-athlete that exceeds the cost of attendance that normally is incurred by students enrolled in a comparable program at that institution (see Bylaw 15.4).

15.02 DEFINITIONS AND APPLICATIONS

15.02.1 “Administered By.” Financial aid is administered by an institution if the institution, through its regular committee or other agency for the awarding of financial aid to students generally, makes the final determination of the student-athlete who is to receive the award and of its value.

15.02.2 Financial Aid. “Financial aid” is funds provided to student-athletes from various sources to pay or assist in paying their cost of education at the institution. As used in NCAA legislation, “financial aid” includes all institutional financial aid and other permissible financial aid as set forth below.

15.02.2.1 Institutional Financial Aid. The following sources of financial aid are considered to be institutional financial aid:

(a) All funds administered by the institution, which include but are not limited to the following: (Revised: 1/11/94 effective 8/1/94, 1/14/97 effective 8/1/97)

(1) Scholarships;
(2) Grants;
(3) Tuition waivers;
(4) Employee dependent tuition benefits;
(5) Loans;
(6) Employment earnings from federal and state work-study program assistance; and (Revised: 1/12/99 effective 8/1/99)

(b) Aid from government or private sources for which the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient.

15.02.2.2 Other Permissible Financial Aid. The following sources of financial aid are also permitted:
(a) Financial aid received from anyone on whom the student-athlete is naturally or legally dependent;
(b) Financial aid awarded solely on bases having no relationship to athletics leadership, ability, participation or performance; (Revised: 8/22/06, 4/30/09)
(c) Financial aid awarded through an established and continuing outside program (e.g., National Merit Scholar) in which athletics participation is not a major criterion;
(d) Financial aid awarded through an established and continuing outside program (e.g., National Football Foundation) for the recognition of outstanding high school graduates, in which athletics participation may be a major criterion, as outlined in Bylaw 15.2.3.5; and
(e) Educational expenses awarded by the U.S. Olympic Committee or a U.S. national governing body (NGB) (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country). (Adopted: 1/10/95 effective 8/1/95)

15.02.3 Cost of Attendance. The “cost of attendance” is an amount calculated by an institutional financial aid office, regular college agency, office or committee, using federal regulations that includes the cost of tuition and fees, room and board, required course-related books, transportation and other expenses incidental to attendance at the institution. (Revised: 1/11/89 effective 8/1/89, 5/7/07)

15.1 Maximum Limit on Financial Aid—Individual
A student-athlete shall not be eligible to participate in intercollegiate athletics if he or she receives financial aid that exceeds the value of cost of attendance as defined in Bylaw 15.02.3 (see Bylaw 15.01.7).

15.1.1 Types of Aid Included in Limit. In determining whether a student-athlete’s financial aid exceeds the value of cost of attendance, all institutional financial aid (per Bylaw 15.02.2.1) and all funds received from the following and similar sources shall be included:
(a) Employment. Employment earnings from federal and state work-study program assistance; (Revised: 1/16/93, 1/14/97 effective 8/1/97, 1/12/99 effective 8/1/99)
(b) Government Grants. Government grants for educational purposes, except for those listed in Bylaw 15.2.2;
(c) Other Scholarships and Grants. Other institutional or outside scholarships or gift aid; (Revised: 1/10/95 effective 8/1/95)
(d) Gifts. The value of gifts given to a student-athlete after completion of eligibility in appreciation for or recognition of the student-athlete’s athletics accomplishments;
(e) Professional Sports Stipend. Any bonus or salary (no matter when received or contracted for) from a professional sports organization;
(f) Athletics Participation Compensation. Any other income (no matter when received or contracted for) from participation in an athletics event unless eligibility has been exhausted in that sport; and (Revised: 1/11/94 effective 8/1/94)
(g) Loans. Loans, except legitimate loans that are based upon a regular repayment schedule, available to all students and administered on the same basis for all students.

15.1.2 Reduction When Excess Aid is Awarded. In the event that a student-athlete’s financial aid from the sources listed in Bylaw 15.1.1, which includes institutional financial aid, will exceed cost of attendance for the balance of the academic year, the institution shall reduce institutional financial aid so as not to exceed cost of attendance. Payments credited to a student-athlete’s account that are not refundable by the institution to the institution’s financial aid office, regular college agency, office or committee shall not become the student’s obligation. (Revised: 5/7/07)

15.2 Elements of Financial Aid
15.2.1 Tuition and Fees. An institution may provide a student-athlete financial aid that includes the actual cost of tuition and required institutional fees.
15.2.2 Government Grants. Government grants for educational purposes, except those identified in Bylaw 15.2.2.1, shall be included when determining whether a student-athlete’s financial aid exceeds the value of the cost of attendance. (Revised: 1/11/89, 4/30/09)
15.2.2.1 Exempted Government Grants. The following government grants for educational purposes shall not be included when determining whether the student-athlete's financial aid exceeds the value of the cost of attendance: (Adopted: 1/11/89, Revised: 4/30/09)

(a) **AmeriCorps Program.** Benefits received by student-athletes under the AmeriCorps Program; (Adopted: 1/9/96 effective 8/1/96)

(b) **Disabled Veterans.** State government awards to disabled veterans; (Revised: 1/7/06)

(c) **Military Reserve Training Programs.** Payments to student-athletes for participation in military reserve training programs (e.g., payments by the U.S. government for a student's participation in advanced ROTC or National Guard training shall not be construed under this principle to be "employment" during semester or term time);

(d) **Montgomery G.I. Bill.** Benefits received by student-athletes under the Montgomery Bill—Active Duty and the Montgomery G.I. Bill—Selected Reserve;

(e) **Special U.S. Government Entitlement Programs.** Payments by the U.S. government under the terms of the Dependents Education Assistance Program (DEAP), Social Security Insurance Program [including the Reinstated Entitlement Program for Survivors (REPS)] or Non-Service-Connected Veteran's Death Pension Program;

(f) **U.S. Military Annuitant Pay.** U.S. military annuitant pay or other family member service-related death benefits received by student-athletes from the U.S. military; (Revised: 4/11/06)

(g) **Veterans Educational Assistance Program (VEAP).** Benefits received by student-athletes under the VEAP;

(h) **Vocational Rehabilitation for Service-Disabled Veterans Program.** Benefits received by student-athletes under the Vocational Rehabilitation for Service-Disabled Veterans Program; or

(i) **Welfare Benefits.** Welfare benefits received from a state or federal government. (Adopted: 1/14/97 effective 8/1/97)

15.2.3 Financial Aid from Outside Sources.

15.2.3.1 Report of Aid from Outside Sources. All financial assistance received by the student-athlete from sources outside the institution shall be reported to the institution's financial aid office. When outside aid is received after the financial aid program of the college has been offered to the student, the institution's financial aid office shall be notified and an adjustment of the aid already offered shall take place in order that the total aid available from all sources does not exceed the cost of attendance. (Adopted: 1/8/01 effective 8/1/02, Revised: 4/30/09)

15.2.3.2 Aid from Outside Sources. Financial aid received from outside sources that meets the provisions of Bylaws 15.2.3.5 or 15.2.3.6 (or an award made through the NCAA postgraduate scholarship program) is permissible without consideration of the recipient's financial need. (Adopted: 1/11/89, Revised: 1/12/99)

15.2.3.3 Parents and Legal Guardians. A student-athlete may receive financial aid from anyone on whom the student-athlete is naturally or legally dependent.

15.2.3.4 No Relationship to Athletics Leadership, Ability, Participation or Performance. A student-athlete may receive financial aid awarded solely on bases having no relationship to athletics leadership, ability, participation or performance. (Revised: 8/22/06, 4/30/09)

15.2.3.5 Athletics Leadership, Ability, Participation or Performance as a Major Criterion. A student-athlete may receive financial aid through an established and continuing program for the recognition of outstanding high school graduates, provided the following conditions are met: (Revised: 1/10/05, 8/22/06, 4/30/09)

(a) The award shall be made on the basis of the recipient's past performance and overall record, as measured by established criteria of which athletics leadership, ability, participation or performance may be a major criterion; (Revised: 8/22/06, 4/30/09)

(b) The recipient's choice of institutions shall not be restricted by the donor of the aid;

(c) The awarding individual or organization and the donor of the aid shall not be representatives of the athletics interests or an athletics booster group of a member institution;

(d) The value of the award alone or in combination with other aid per Bylaw 15.1.1 shall not exceed the value of cost of attendance;

(e) The award may be provided to the recipient on only one occasion; and

(f) The award is not received from an outside sports team or organization that conducts a competitive sports program by a member of that team.

15.2.3.5.1 Eligibility Effects of Improper Aid from Outside Organization. It is not permissible for a student-athlete to receive financial aid, directly or indirectly, from a source outside the institution (e.g., a foreign government, a sports association, a high school booster club) for expenses related to attendance at a member institution, if the award of such financial aid is based in any degree upon the recipient's athletics leadership, ability, participation or performance, except as permitted in Bylaw 15.2.3.5. Receipt of financial
aid from such a source renders the student-athlete ineligible for all intercollegiate athletics participation. (Revised: 8/22/06, 4/30/09)

15.2.3.6 Educational Expenses—U.S. Olympic Committee and National Governing Body. A student-athlete may receive educational expenses awarded by the U.S. Olympic Committee or a U.S. national governing body (NGB) (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country). The amount of the financial assistance shall be subject to the following limitations: (Adopted: 1/10/95 effective 8/1/95, Revised: 1/4/07)

(a) Disbursement of the aid shall be through the member institution for the recipient’s educational expenses while attending that institution;

(b) The recipient’s choice of institutions shall not be restricted by the U.S. Olympic Committee or NGB (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country);

and (Revised: 1/4/07)

(c) The value of the award alone or in combination with other aid per Bylaw 15.1.1 shall not exceed the value of cost of attendance.

15.2.4 Summer Financial Aid. Summer financial aid may be awarded to student-athletes in accordance with institutional policies applicable to the general student body. (Adopted: 1/11/00 effective 8/1/00)

15.2.4.1 Olympic Waivers. Waivers of the restriction that financial aid may be used only to attend the awarding institution’s summer term or summer school may be approved by the Management Council, by a two-thirds majority of its members present and voting, for member institutions that have summer terms or summer schools curtailed because of the use of their facilities for the Olympic Games.

15.3 TERMS AND CONDITIONS OF AWARDING INSTITUTIONAL FINANCIAL AID

15.3.1 Eligibility of Student-Athletes for Financial Aid. A student-athlete must meet institutional regulations applicable to the general student body to be eligible for institutional financial aid (see Bylaws 15.01.7 and 15.01.8). (Revised: 1/12/99 effective 8/1/99)

15.3.1.1 Withdrawal from Institution. A student-athlete who withdraws from the institution may not receive financial aid during the remainder of the term.

15.3.2 Terms of Institutional Financial Aid Award.

15.3.2.1 Written Statement Requirement. In all cases, the institutional financial aid award shall contain a written statement of the amount, duration, conditions and terms of the award. (Revised: 1/12/99)

15.4 FINANCIAL AID

15.4.1 Consistent Financial Aid Package. The composition of the financial aid package offered to a student-athlete shall be consistent with the established policy of the institution’s financial aid office, regular college agency, office or committee for all students and shall meet all of the following criteria: (Revised: 5/7/07)

(a) A member institution shall not consider athletics leadership, ability, participation or performance as a criterion in the formulation of the financial aid package; (Revised: 8/22/06, 4/30/09)

(b) The financial aid procedures used for a student-athlete are the same as the existing official financial aid policies of the institution;

(c) The financial aid package for a particular student-athlete cannot be clearly distinguishable from the general pattern of all financial aid for all recipients at the institution; and

(d) The percentage of the total dollar value of institutionally administered grants and scholarships (or gift aid) awarded to student-athletes shall be closely equivalent to the percentage of student-athletes within the student body. A differential is defensible if it can be demonstrated that the average need of the student-athletes at the institution is equivalently greater than the average need of other students. (Revised: 4/30/09)

15.4.1.1 Financial Aid Reporting Process. An institution shall submit an annual report that includes data regarding the financial aid packages awarded by the institution to freshmen and incoming transfer student-athletes and to other incoming students. The policies and procedures of the financial aid reporting process shall be established by the Financial Aid Committee and subject to approval by the Management Council. (Adopted: 1/12/04 effective 8/1/05, Revised: 1/9/06, 4/14/08)

15.4.1.1.1 Late Submission. An institution that submits its annual electronic report after the due date will be subject to a loss of eligibility for championships. The period of ineligibility shall last until the report is submitted. (Revised: 1/9/06 effective 8/1/06, 8/3/06)

15.4.1.1.1 Appeal Opportunity. An institution may appeal the application of this penalty to the NCAA Division III Financial Aid Committee, subject to final approval by the Management Council. (Revised: 1/9/06)
15.4.1.1.2 Failure to Submit. If an institution fails to submit the annual financial aid report by the conclusion of the academic year during which the report was due, it shall become ineligible for Division III grant and initiative funding and its entire program (both men's and women's sports) shall be placed on probation for one year beginning in the next academic year after the failed submission. An institution shall be afforded the one-year probationary period for failure to comply with the submission requirement only once in a 10-year period. The 10-year period shall begin September 1 following the completion of the academic year in which the annual financial aid report is not submitted. (Adopted: 1/9/06 effective 8/1/06, Revised: 8/3/06)

15.4.1.1.2.1 Application of Restricted Membership Status. If an institution fails to submit the annual financial aid report at the end of the probationary year or is ineligible for the once-in-10-year probationary period, it shall be placed in restricted membership per Constitution 3.02.3.1.2.1. If the institution does not submit the annual financial aid report by the end of that year, it shall be reclassified as a corresponding member. (Adopted: 1/9/06 effective 8/1/06)

15.4.1.1.2.2 Waiver. The Management Council, on the recommendation of the Membership Committee, may grant waivers of Bylaw 15.4.1.1.2 if it deems that extenuating circumstances warrant such action. (Adopted: 1/9/06 effective 8/1/06)

15.4.2 Administration by Regular College Agency. All forms of financial assistance for student-athletes shall be handled through the regular college agency or committee that administers financial aid for all students.

15.4.3 Written Offer of Aid. Financial assistance may be offered in writing or through secure electronic medium, only by the institution's financial aid office or comparable campus office and not before the student has been admitted. (Revised: 4/30/09)

15.4.4 Need Analysis Method. Any need-based assistance provided to a student-athlete must be based on financial need as determined by need analysis methodologies that conform to federal, state and written institutional guidelines. The methodologies used to determine the need of a student-athlete shall be consistent with the methodologies used by the institution for all students. (Revised: 1/10/95)

15.4.5 Athletics Staff Involvement. Members of the athletics staff of a member institution shall not be permitted to arrange or modify the financial aid package (as assembled by the financial aid officer or financial aid committee) and are prohibited from serving as members of member institutions’ financial aid committees and from being involved in any manner in the review of the institutional financial assistance to be awarded to a student-athlete.

15.4.6 Matrix-Rating System. In instances in which admissions officers use a matrix-rating system where, as part of the admissions process, any consideration of athletics leadership, ability, participation or performance used in the matrix must be excluded prior to review of the student-athlete’s application for financial aid. (Revised: 8/22/06, 5/7/07, 4/30/09)

15.4.7 Adjustments to Financial Aid Package. Adjustments to the composition of the financial aid package for a prospective student-athlete may be made after the initial packaging for the student has been completed, provided such adjustments fit within the packaging guidelines for all of the institution's prospective students and there is no athletics department involvement in the process. (Adopted: 1/10/92)

15.4.8 Faculty/Staff Benefits. Tuition remission, assistance or similar remuneration granted as a benefit of employment to a faculty or staff member shall not be included as institutional financial aid in the case of that faculty or staff member's dependent. Tuition waivers that are granted for reasons other than a benefit of employment to the dependent of a faculty or staff member shall be included as financial aid. (Revised: 4/30/09)

15.4.9 Membership Reclassification. An institution petitioning to reclassify its membership to Division II in the next academic year may offer financial aid based on athletics to enrolled student-athletes and to prospective student-athletes who will enroll in the institution after the review of its request for reclassification of division membership, provided:

(a) The financial aid based on athletics is not actually awarded until the institution has been accepted by the NCAA Division II Membership Committee to begin the reclassification process; (Revised: 1/8/01 effective 8/1/02, 1/12/04)

(b) The institution officially has applied for the reclassification at the time it offers the aid;

(c) Any offer of athletically related financial aid of the recipient states in writing that the awarding of such aid is contingent upon the institution's acceptance by the NCAA Division II Membership Committee to begin the reclassification process;

(d) The institution agrees to notify each potential recipient promptly if its application is denied; and (Revised: 1/12/04)

(e) The institution notifies all of its opponents that it is providing athletics aid. (Revised: 1/12/04)
16.01 General Principles

16.01.1 Eligibility Effect of Violation. Receipt by a student-athlete of an award, benefit or expense allowance not authorized by NCAA legislation renders the student-athlete ineligible to compete while representing the institution in the sport for which the improper award, benefit or expense was received. If the student-athlete receives an extra benefit not authorized by NCAA legislation or an improper award or expense allowance in conjunction with competition that involves the use of overall athletics skill (e.g., “superstars” competition), the individual is ineligible in all sports.

16.01.2 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of all Bylaw 16 provisions in which the value of the benefit is $100 or less, the eligibility of the student-athlete shall not be affected conditioned on the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of these bylaws remain institutional violations per Constitution 2.8.1, and documentation of the individual’s repayment shall be forwarded to the enforcement staff. For violations of Bylaw 16 in which there is no monetary value to the benefit, violations shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete’s eligibility. (Adopted: 1/8/01, Revised: 10/18/04, 1/9/06)

16.01.3 Exception for Benefits Available to Other Students. The receipt of a benefit by a student-athlete or his or her relatives or friends that is not authorized by NCAA legislation is not a violation if it is demonstrated that the same benefit generally is available to the institution’s students or their relatives or friends or to a particular segment of the student body determined on a basis unrelated to athletics ability. (Revised: 1/10/91, 10/15/08)

16.01.4 Pay for Unspecified Expenses. A payment to a student-athlete for unspecified, unitemized, excessive or improper expenses is not permitted.

16.01.5 Compliance with Legislation for Emerging Sports. Beginning with year two of sponsoring an emerging sport for women (see Bylaw 20.02.6), a member institution shall comply fully in that program with all applicable awards and benefits legislation set forth in Bylaw 16. (Adopted: 1/10/95)

16.02 Definitions and Applications

16.02.1 Award. An award is an item given in recognition of athletics participation or performance. Such awards are subject to the limitations set forth in Bylaw 16.1.

16.02.2 Excessive Expense. An excessive expense is one not specifically authorized under regulations of the Association concerning awards, benefits and expenses.

16.02.3 Extra Benefit. An extra benefit is any special arrangement by an institutional employee or a representative of the institution’s athletics interests to provide a student-athlete or the student-athlete’s relative or friend a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by student-athletes or their relatives or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution’s students or their relatives or friends or to a particular segment of the student body determined on a basis unrelated to athletics ability. (Revised: 1/10/91, 10/15/08)
16.02.4 Pay. Pay is the receipt of funds, awards or benefits not permitted by governing legislation of the Association for participation in athletics. (See Bylaw 12.1 for explanation of forms of pay prohibited under the Association's amateur-status regulations.)

16.1 AWARDS

16.1.1 Application of Awards Legislation.

16.1.1.1 Enrolled Student-Athlete. The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete while enrolled during the academic year (i.e., from the beginning of the fall term through completion of the spring term, including any intervening-vacation period) as a regular student in a minimum full-time academic load, or awards received by a student-athlete that competes while representing the student-athlete's institution at any other time.

16.1.1.2 Student-Athlete Not Enrolled. Awards received by a student-athlete participating in an event while not enrolled as a regular student during the academic year, or received during the summer while not representing his or her institution, shall conform to the regulations of the recognized amateur organization that governs the competition and may not include cash. Such awards may include gift certificates and items that are not personalized, provided the awards are permitted by the rules of the amateur sports organization.

16.1.1.2.1 Olympic Games. It is permissible for a student-athlete to receive a nonmonetary award associated with participation in the Olympic Games at any time regardless of when the Games are held or whether the student-athlete is enrolled during the academic year. (Adopted: 1/8/01)

16.1.1.3 After Completion of Athletics Eligibility. Awards limitations apply to enrolled student-athletes who have exhausted their intercollegiate athletics eligibility. An institution shall be held responsible through the Association's enforcement procedures for the provision of improper awards to graduating seniors by the institution or its booster organizations.

16.1.2 Uniformity of Awards. Awards presented by a member institution, conference or other approved agency must be uniform for all team members receiving the award.

16.1.3 Nonpermissible Awards. The following awards are prohibited unless received per Bylaw 16.1.1.1 or 16.1.1.2, except that receipt of a cash award is not permitted under any circumstance.

16.1.3.1 Cash or Equivalent. An individual may not receive a cash award for athletics participation. An individual may not receive a cash-equivalent award (i.e., an item that is negotiable for cash or trade or other services, benefits or merchandise) for athletics participation.

16.1.3.2 Gift Certificates. Gift certificates shall be prohibited. (Revised: 1/10/90, 1/9/96 effective 8/1/96)

16.1.3.3 Country Club or Sports-Club Memberships. An award of a country club or sports-club membership is strictly prohibited, even if the cost of the membership is below the maximum award value permitted by NCAA legislation.

16.1.3.4 Transfer of Nonpermissible Award. Cash or any other award that an individual could not receive under NCAA legislation may not be forwarded in the individual's name to a different individual or agency (e.g., a collegiate institution).

16.1.4 Types of Awards, Awarding Agencies, Maximum Value and Numbers of Awards. Athletics awards given to individual student-athletes shall be limited to those approved or administered by an institution, its conference or an approved agency as specified in the following subsections and shall be limited to normal retail value and number as specified in this section. Each of the following subsections is independent of the others so that it is permissible for an individual student-athlete to receive the awards described in all subsections. The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits. (Revised: 1/11/00 effective 8/1/00)

16.1.4.1 Participation Awards. Awards for participation in intercollegiate athletics may be presented each year, limited in value and number as specified in Figure 16-1. Awards for participation in special events may be provided only to student-athletes eligible to participate in the competition. (Revised: 1/10/05)

16.1.4.2 Awards for Winning Conference and National Championships. Awards for winning an individual or team conference or national championship may be presented each year, limited in value and number as specified in Figure 16-2. Awards for winning a conference or national championship in a team sport may be provided only to student-athletes who were eligible to participate in the championship event. The total value of any single award received for a conference or national championship may not exceed the value in Figure 16-2, and each permissible awarding agency is subject to a separate limit per award. Each permissible awarding agency may provide only a single award for each championship to each student-athlete. Separate awards may be presented to both the regular-season conference champion and the postseason conference champion (with a separate limitation), but if the same institution wins both the regular-season and postseason conference championship, the combined value of both awards shall not exceed the value in Figure 16-2. (Revised: 1/10/05)
16.1.4.3 **Special Achievement Awards.** Awards may be provided each year to individual student-athletes and teams to recognize special achievements, honors and distinctions, limited in value and number as specified in Figure 16-3. *(Revised: 1/9/96 effective 8/1/96, 1/10/05)*

16.1.4.4 **Local Civic Organization.** A local civic organization (e.g., Rotary Club, Touchdown Club) may provide awards to a member institution’s team(s). The following regulations shall apply to such an event: *(Adopted: 1/10/92)*

(a) All awards must be approved by the institution and must be counted in the institution’s limit for institutional awards; and

(b) The organization may not recognize or provide awards to prospective student-athletes at the banquet.

16.1.5 **Purchase Restrictions.**

16.1.5.1 **Assignment of Normal Retail Value.** Normal retail value shall be assigned as the value of an award when determining whether an award meets specified value limits, even when a member institution receives institutional awards from an athletics representative or organization free of charge or at a special reduced rate. Normal retail value is the cost to the institution that is based solely on volume and is available to all purchasers of a similar volume and that does not involve an obligation to make additional purchases to enable the supplier to recover the costs for the original purchase. *(Adopted: 1/16/93)*

16.1.5.2 **Supplementary Purchase Arrangement.** An institution may not enter into a supplementary purchase arrangement with an awards supplier whereby the supplier agrees to sell an award (e.g., a watch or ring) at a price below the maximum amount specified by NCAA legislation with the understanding that the institution will make additional purchases of other unrelated items to enable the supplier to recover the costs for the original purchase. Such an arrangement would exceed the specific value limitations placed on permissible awards.

16.1.5.3 **Combining Values.** An institution may not combine the value limits of awards given in a sport during the same season, or given to athletes who participate in more than one sport, to provide an award more expensive than permissible under separate application to some or all of its participating student-athletes.

16.1.5.4 **Student Contribution to Purchase.** The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits.

16.1.6 **Institutional Awards Banquets.** An institution may conduct awards banquets to commemorate the athletics and/or academic accomplishments of its student-athletes. *(Revised: 1/9/96 effective 8/1/96)*

16.1.6.1 **Booster Club Recognition Banquet.** One time per year, an institution’s athletics booster club may finance an intercollegiate team’s transportation expenses to a recognition banquet, provided all expenses are paid through the institution’s athletics department, the location of the event is not more than 100 miles from the campus, and no tangible award is provided to members of the team. *(Revised: 1/9/96 effective 8/1/96)*

16.1.7 **Expenses to Receive Noninstitutional Awards.**

16.1.7.1 **Established Regional, National or International Awards.** An outside organization (other than a professional sports organization) may provide actual and necessary expenses for a student-athlete to travel to a banquet designed to recognize the individual’s accomplishments as an athlete in order for the student-athlete to receive an established regional, national or international award (permitted by NCAA legislation). The outside organization also may provide actual and necessary expenses for the student-athlete’s relatives or individuals of a comparable relationship to attend the recognition event. *(Revised: 1/9/06)*

16.1.7.2 **Recognition by Federal, State or Local Government Official or Body.** An institution may provide actual and necessary expenses when a student-athlete or a team is accorded special recognition by a federal, state or local government official or body (e.g., President of the United States, U.S. Congress, governor, senator, mayor) in which the member institution is located, or for an international student-athlete, the equivalent organization in his or her foreign country. *(Revised: 1/9/06, 4/11/06)*

16.1.7.3 **Conference Awards.** Actual and necessary expenses for conference awards may be provided as follows: *(Adopted: 1/10/92, Revised: 1/10/95, 4/28/05, 1/9/06)*

(a) By a conference or an institution for a student-athlete to travel to the conference office or other site to receive conference awards;

(b) By a conference for the student-athlete’s relatives or individuals of a comparable relationship to attend the presentation of the conference’s male or female “athlete of the year” award to the student-athlete, provided not more than one male and one female student-athlete receive such an award per academic year; and *(Revised: 1/9/06)*

(c) By a conference for the student-athlete’s relatives or individuals of a comparable relationship to attend the presentation of conference academic awards, provided the academic awards are presented on a regular basis in recognition of outstanding academic achievement. *(Revised: 1/9/06)*
16.2 COMPLIMENTARY ADMISSIONS AND TICKET BENEFITS

16.2.1 Permissible Procedures.

16.2.1.1 Institutional Contests in the Student-Athlete's Sport. An institution may provide four complimentary admissions per home or away contest to a student-athlete in the sport in which the individual participates (either practices or competes), regardless of whether the student-athlete competes in the contest. Complimentary tickets shall be distributed only to persons designated by the student-athlete. Violations of this bylaw that are the result of institutional error shall be considered institutional violations per NCAA Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility. (Revised: 1/11/00 effective 8/1/00, 10/22/07)

16.2.1.1.1 Exception—NCAA Championships and Bowl Games. An institution may provide each student-athlete who participates in or is a member of a team participating in an NCAA championship or bowl game with six complimentary admissions to all contests at the site at which the student (or team) participates. (Adopted: 1/9/96 effective 8/1/96)

16.2.1.1.2 Tournaments. Complimentary admissions may be provided to members of the institution's team for all contests in a tournament in which the team is participating, rather than only for the games in which the institution's team participates. However, the contests must be at the site at which the institution's team participates.

16.2.1.2 Institution's Home Contests in Other Sports. An institution may provide admission for each student-athlete to all of the institution's regular-season home intercollegiate athletics contests in sports other than that in which the student-athlete is a participant, via a printed student-athlete pass or gate list. Proof of identity shall be required upon admission. Violations of this bylaw that are the result of institutional error shall be considered institutional violations per NCAA Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility. (Revised: 10/22/07)

16.2.1.2.1 Exception—Recognition of Student-Athlete. An institution may provide four complimentary admissions to a student-athlete who is being recognized during an institution's regular-season intercollegiate athletics contest in a sport other than that in which the student-athlete participates. Complimentary tickets shall be distributed only to persons designated by the student-athlete. (Revised: 1/9/06)

16.2.2 Nonpermissible Procedures.

16.2.2.1 Sale of Complimentary Admissions. A student-athlete may not receive payment from any source for his or her complimentary admissions and may not exchange or assign them for any item of value.

16.2.2.2 Payment to Third Party. Individuals designated by the student-athlete to receive complimentary admissions are not permitted to receive any type of payment for these admissions or to exchange or assign them for any item of value. Receipt of payment for complimentary admissions by such designated individuals is prohibited and considered an extra benefit not available to the general student body, which would render the student-athlete ineligible for participation in intercollegiate athletics.

16.2.2.3 Student-Athlete Ticket Purchases. An institution may not provide a special arrangement to sell a student-athlete ticket(s) to an athletics event. Tickets shall be available for purchase by student-athletes according to the same purchasing procedures used for other students.

16.2.2.4 Sale above Face Value. A student-athlete may not purchase tickets for an athletics contest from the institution and then sell the tickets at a price greater than their face value.

16.2.2.5 Professional Sports Tickets. An institution or any representative of its athletics interests may not purchase or otherwise obtain tickets to a professional sports contest and make these tickets available to student-athletes enrolled in an NCAA member institution. Such a gift of tickets would represent an unacceptable extra benefit. (See Bylaw 16.7.2 for permissible provision of professional sports tickets as team entertainment related to an away-from-home contest and Bylaw 16.10.1.6 for permissible provision of professional sports tickets for recognition by a professional sports organization.) (Revised: 1/10/05)

16.3 ACADEMIC AND OTHER SUPPORT SERVICES

16.3.1 Academic-Based Programming and Services. An institution may finance and provide academic-based programming and services for student-athletes, provided similar services are provided or are generally available to the institution's students or to any particular segment of the student body determined on a basis unrelated to athletics ability. (Revised: 1/14/08, 10/15/08)

16.3.2 Support Services and Other Programming. An institution may finance and provide support services and other programming for student-athletes, provided similar programming is provided or is generally available to the institution's students or to any particular segment of the student body determined on a basis unrelated to athletics ability. Examples of such programming and support services include, but are not limited to: (Adopted: 4/14/08, 10/15/08)

(a) Leadership programming;
(b) Career counseling and career-related programming; or
16.5.1 Exceptions.

16.3.2.1 Exception—In-Season Athletically Related Activities. Support services and other programming involving sports-related information and having an athletics purpose (e.g., team motivational speakers, leadership-related programming with an athletics nexus) (see Bylaw 17.02.1.1) may be offered exclusively for student-athletes, provided the activity occurs during the declared playing season. (Adopted: 4/14/08)

16.3.3 Student-Athlete Advisory Committee Meetings. An institution or conference may provide actual and necessary expenses for a student-athlete to attend conference, regional or national student-athlete advisory committee meetings. Institutional-based student-athlete advisory committee programming must be generally available to the institution's students or must be provided pursuant to Bylaws 16.3.1 or 16.3.2 in order for an institution to offer such programming to student-athletes or provide actual and necessary expenses. (Adopted: 4/14/08)

16.3.4 CHAMPS/Life-Skills Programming. An institution may provide programming to student-athletes through the NCAA CHAMPS/Life-Skills program, provided the programming is generally available to the institution's students or is provided pursuant to Bylaws 16.3.1, 16.3.2 or 16.4. (Adopted: 4/14/08)

16.4 MEDICAL EXPENSES

An institution may finance medical-expense benefits incidental to a student-athlete's participation in intercollegiate athletics. However, it is not permissible for an institution to finance nutritional supplements (e.g., weight-gain, muscle/strength-building, weight-loss supplements) as medical expense benefits incidental to a student-athlete's participation in intercollegiate athletics. (Adopted: 1/11/00 effective 8/1/00, Revised: 1/13/03, 7/24/07)

16.5 HOUSING AND MEALS

An institution may finance housing and meal benefits incidental to a student-athlete's participation in intercollegiate athletics provided such housing and benefits are available to students in general. (Adopted: 1/11/00 effective 8/1/00)

16.5.1 Exceptions.

(a) Preseason Practice Expenses. The institution may provide the cost of room and board to student-athletes who report for preseason practice before the start of the academic year; it being understood that the student-athlete has been accepted for admission to the institution at the time such benefits are received. Further, an institution, at its discretion, may provide an additional meal (or cash in an amount equal to the cost of an additional meal) to student-athletes to meet their nutritional needs as a benefit incidental to participation during the preseason practice period before the start of the academic year; and (Revised: 1/9/06)

(b) Vacation-Period Expenses. The institution may provide the cost of room and board including an additional meal (or cash in an amount equal to the cost of an additional meal) to student-athletes to meet nutritional needs during the institution's official vacation periods in the following circumstances: (Revised: 1/9/06)

(1) Student-athletes who are required to remain on the institution's campus for organized practice sessions or competition during the institution's official vacation period during the regular academic year. If the student-athlete lives at home during the vacation period, the cost of room and board may not be provided by the institution, other than to permit the student-athlete to participate in team meals incidental to practice sessions. If an institution does not provide a meal to its student-athletes, a cash allowance may be provided, not to exceed the amount provided by the institution to institutional staff members on away-from-campus trips. (Revised: 1/14/97, 1/11/00)

(2) Student-athletes who return to campus during the institution's official vacation period occurring during a regular academic term (e.g., not including vacation periods between terms) from competition as outlined in Bylaw 16.8.1.2. Under such circumstances, room and board expenses may be provided beginning with the student-athlete's arrival on campus until the institution's regular dormitories and dining facilities reopen. If the student-athlete lives at home during the vacation period, the cost of room and board may not be provided by the institution. (Adopted: 1/11/00)

(3) Student-athletes who return to campus during the institution's official vacation period between regular academic terms (e.g., summer-vacation period) from competition as outlined in Bylaw 16.8.1.2. Under such circumstances, room and board expenses may be provided for no more than a 48-hour period, beginning with the student-athlete's return to campus. If the student-athlete lives at home during the vacation period, the cost of room and board may not be provided by the institution. (Adopted: 1/11/00)

(c) Meals Related to Institutional Committee Service. A student-athlete who serves on an institutional committee may receive expenses to cover the cost of a meal missed as a result of a committee meeting that occurs when regular institutional dining facilities are open. (Adopted: 1/11/00)
16.6 EXPENSES FOR STUDENT-ATHLETE’S FRIENDS AND RELATIVES

16.6.1 Permissible.

The institution may pay transportation, housing and meal expenses for the relatives or individuals of a comparable relationship of a student-athlete and for the student-athlete's teammates to be present in situations in which a student-athlete suffers a life-threatening injury or illness or, in the event of a student-athlete's death, to provide these expenses in conjunction with funeral arrangements. (Revised: 1/11/89, 1/9/06)

16.6.1.1.1 Relative of Student-Athlete. An institution may pay transportation, housing and meal expenses for a student-athlete and the student-athlete's teammates to be present in situations in which a relative or individual of a comparable relationship of the student-athlete suffers a life-threatening injury or illness or, in the event of a relative's or individual of a comparable relationship's death, to provide the student-athlete and the student-athlete's teammates with expenses in conjunction with funeral arrangements. (See Bylaw 16.12.1.) (Adopted: 1/10/95 effective 8/1/95, Revised: 1/10/05, 1/9/06)

16.6.1.2 Relative or Individual of a Comparable Relationship to Established Recognition Event. An outside organization (other than a professional sports organization) may provide actual and necessary expenses for the student-athlete and the student-athlete's relatives to attend a recognition event where the student-athlete receives an established regional, national or international award (permitted by NCAA legislation) for his or her accomplishments as an athlete. (Revised: 1/9/06)

16.6.1.3 Relative or Individual of a Comparable Relationship Travel to Olympic Games. A commercial company (other than a professional sports organization) or members of the local community may provide actual and necessary expenses for a student-athlete's relatives to attend the Olympic Games in which the student-athlete will participate. In addition, relatives or individuals of a comparable relationship of student-athletes may receive nonmonetary benefits provided to the relatives or individuals of a comparable relationship of all Olympic team members in conjunction with participation in the Olympic Games. 16.6.1.5 Relative's Lodging at Postseason Events. An institution may reserve or secure lodging at any postseason athletics event at a reduced or special rate for the relatives of a student-athlete who is a participant in the postseason event. 16.6.1.6 Reasonable Refreshments. An institution may provide reasonable refreshments (e.g., soft drinks, snacks) on an occasional basis to the relatives or individuals of a comparable relationship of a student-athlete. (Adopted: 1/10/05, Revised: 1/9/06)

16.6.2 Nonpermissible. An institution may not provide any other expenses (except as permitted in Bylaws 16.6.1, 16.11 and 16.12) to a student-athlete's friends or relatives. (Adopted: 1/11/00 effective 8/1/00)

16.6.2.1 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of 16.6.2 in which the value of the benefit is $100 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the student-athlete repays the benefit. Violations of this bylaw remain institutional violations, per Constitution 2.8.1, and documentation of the student-athlete's repayment shall be forwarded to the enforcement staff. (Adopted: 1/12/99, Revised: 1/8/05, 1/9/06)

16.7 TEAM ENTERTAINMENT

16.7.1 Away-from-Home Contest and Vacation Periods. The institution may pay the actual costs (but may not provide cash) for reasonable entertainment that takes place within a 100-mile radius of where a team plays or practices in connection with an away-from-home contest or on route to or from such a contest. It is not permissible for a team to depart more than 48 hours before, or to remain more than 36 hours after, an event or to transport the team to another area for entertainment purposes. In addition, an institution may pay the actual costs (but may not provide cash) for reasonable entertainment that takes place within a 30-mile radius of the institution's campus or practice site during vacation periods when the team is required to reside on campus (or at a practice site normally used by the institution) and classes are not in session. (See Bylaw 16.7.2.) (Revised: 1/10/91 effective 8/1/91, 1/16/93, 1/11/94, 1/08/01, 1/12/04 effective 8/1/04, 10/19/06)

Under the latter circumstances, the institution may pay actual costs for reasonable entertainment that takes place during a team trip. (See Bylaw 16.10.1.6.) (Revised: 1/10/05)

16.7.3 Films/Movies/Videotapes. Such entertainment the night before a contest is considered a benefit incidental to the student-athlete’s participation. (Adopted: 1/10/92)

16.7.4 Practice Sites on Road Trips. Any practice on an extended road trip shall take place either at the competition site or on a direct route between two consecutive competition sites. 16.8.1.2.3 Meal-Allowance Limitation. All student-athletes on the same team must receive identical meal allowances on intercollegiate trips and during vacation periods when student-athletes are required to remain on the institution’s campus for organized practice sessions or competition. (Adopted: 1/16/93, Revised: 12/5/06)

16.9.1.5 National Student-Athlete Day. An institution may pay actual and necessary expenses for a student-athlete to participate in activities and events associated with National Student-Athlete Day, provided such activities and events are conducted either in the state in which the institution is located or in Washington D.C., as part of a national celebration. (Adopted: 1/14/97 effective 8/1/97)

16.9.1.6 Local Transportation. Staff members may provide reasonable local transportation to student-athletes on an occasional basis. (Adopted: 1/10/95)

16.9.1.7 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of Bylaw 16.9 in which the value of the benefit is $100 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice. For violations of Bylaw 16.9 in which the value of the benefit is $100 or more, the eligibility of the student-athlete shall be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice.

16.9.1.8 Sports Organization Membership Fee. An institution may provide a student-athlete membership in a sports organization (e.g., U.S. Volleyball Association, U.S. Gymnastics Federation) if the membership is a component of an entry fee required for competition in which the student-athlete competes while representing the institution. Further, the student-athlete would be permitted to retain resultant membership benefits under such circumstances.

16.9.1.9 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of Bylaw 16.8.1 in which the value of the benefit is $100 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the student-athlete repays the benefit. Violations of this bylaw remain institutional violations, per Constitution 2.8.1, and documentation of the student-athlete’s repayment shall be forwarded to the enforcement staff. (Adopted: 1/12/99, Revised: 1/9/06)

16.9.1.10 Other Travel Expenses Provided by the Institution. An institution may provide $20 per day to each member of the squad to cover unitemized incidental expenses during travel and practice for NCAA championship events or national governing body championship events in emerging sports, during a period limited to the maximum number of days of per diem allowed for the involved championship or for a period not to exceed 10 days. The $20 per day may be provided only after the institution’s team departs for or reports to the site of the championship. (Revised: 1/16/93, 1/10/95, 1/14/97)

16.8.1.6 Incidental Expenses at NCAA Championships, National Governing Body Championships in Emerging Sports and Certified Bowl Games. An institution may provide $20 per day to each member of the squad to cover unitemized incidental expenses during travel and practice for NCAA championship events or national governing body championship events in emerging sports, during a period limited to the maximum number of days of per diem allowed for the involved championship or for a period not to exceed 10 days. The $20 per day may be provided only after the institution’s team departs for or reports to the site of the championship. (Revised: 1/16/93, 1/10/95, 1/14/97)

16.8.1.6.1 Excessive Per Diem Subsidies. When a sponsoring agency provides a per diem in excess of a student-athlete’s actual and necessary expenses, it is not permissible for the institution to provide the student-athlete with the cash difference between the amount allocated for per diem by the sponsoring agency and the actual cost of the individual’s room and board expenses. (Adopted: 1/10/91)

16.8.1.7 Benefits for Male Practice Players. A male practice player may only receive benefits (e.g., practice apparel, insurance, medical expenses) available to student-athletes eligible for practice. (Revised: 7/24/07)

16.8.1.8 Sports Organization Membership Fee. An institution may provide a student-athlete membership in a sports organization (e.g., U.S. Volleyball Association, U.S. Gymnastics Federation) if the membership is a component of an entry fee required for competition in which the student-athlete competes while representing the institution. Further, the student-athlete would be permitted to retain resultant membership benefits under such circumstances.

16.8.1.9 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of Bylaw 16.8.1 in which the value of the benefit is $100 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the student-athlete repays the benefit. Violations of this bylaw remain institutional violations, per Constitution 2.8.1, and documentation of the student-athlete’s repayment shall be forwarded to the enforcement staff. (Adopted: 1/12/99, Revised: 1/9/06)
The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the student-athlete repays the benefit. Violations of this bylaw remain institutional violations, per Constitution 2.8.1, and documentation of the student-athlete’s repayment shall be forwarded to the enforcement staff. (Adopted: 1/12/99, Revised: 1/9/06)

16.10 PROVISION OF EXPENSES BY INDIVIDUALS OR ORGANIZATIONS OTHER THAN THE INSTITUTION

16.10.1 Permissible.

16.10.1.1 Broken-Time Payments. The student-athlete may receive compensation authorized by the U.S. Olympic Committee to cover financial loss as a result of absence from employment to prepare for or participate in the Olympic Games. Such compensation (i.e., “broken-time” payments) is limited to the period immediately before and including actual Olympic competition. The receipt of payments during any other period, or from other sports governing bodies (e.g., U.S. Ski Association) independent of the USOC, would jeopardize the student-athlete’s eligibility.

16.10.1.1.1 Exception When Student-Athlete Not Enrolled in Regular Term. A student-athlete may receive broken-time payments administered by the U.S. Olympic Committee or the national governing body in the sport during a period when the student-athlete is not enrolled (full or part time) in a regular term to cover financial loss as a result of absence from employment as a direct result of practicing and competing on a national team (defined in Bylaw 14.02.6), provided the amounts are consistent with the principles set forth in Bylaw 12.4.1 and do not exceed $300 per week, and the payment period covers no more than the period from the date the student-athlete begins practice with the national team after selection to that team to one week after the conclusion of the competition. (Adopted: 1/10/90, Revised: 1/9/96 effective 8/1/96)

16.10.1.2 Exception for USOC Elite Athlete Health Insurance Program. An individual may receive the comprehensive benefits of the USOC Elite Athlete Health Insurance Program. (Adopted: 1/10/90)

16.10.1.3 FCA Encampments. Nationally recognized service organizations and church groups (including the Fellowship of Christian Athletes) may underwrite the actual and necessary expenses of student-athletes attending Fellowship of Christian Athletes encampments. Neither the institution nor an athletically related organization may underwrite such expenses.

16.10.1.4 Outside Sports Teams. An amateur outside sports team or organization may provide actual and necessary expenses to team members only if the expenses are:

(a) A reasonable amount for travel and meal expenses, and apparel and equipment (for individual and team use only from teams or organizations not affiliated with member institutions, including local sports clubs as set forth in Bylaw 13.11.3.3); (Revised: 1/10/90)

(b) For practice and game competition;

(c) Made on a regular basis; and

(d) Not an incentive and not based on performance.

16.10.1.4.1 Practice in Conjunction with Competition. Practice expenses may be accepted only when such practice is directly related to a competition and is conducted during a continuous time period before the competition. (Adopted: 1/10/92)

16.10.1.4.1.1 National Team Practice Exception. If a student-athlete is involved in practice sessions conducted by a national team, the student-athlete may receive such practice expenses even if the practice is not continuous and occasionally is interrupted for specified periods of time before the competition. (Adopted: 1/10/92)

16.10.1.5 Luncheon Meeting Expenses. A student-athlete may accept transportation and meal expenses in conjunction with participation in a luncheon meeting of a booster club or civic organization, provided the meeting occurs within a 30-mile radius of the institution’s main campus, and no tangible award is provided to the student-athlete.

16.10.1.6 Recognition by Professional Sports Organization. A student-athlete may accept complimentary admission to a professional sports contest during which the student-athlete and/or collegiate team is being recognized by the professional sports organization for extraordinary achievements. The institution may pay actual costs for reasonable entertainment that takes place during a team trip. Further, it shall be permissible for the professional sports organization to promote this event to the general public. (Adopted: 1/10/05)

16.10.1.7 Eligibility Ramifications—Restitution for Receipt of Improper Benefits. For violations of Bylaw 16.10.1 in which the value of the benefit is $100 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the student-athlete repays the benefit. Violations of this bylaw remain institutional violations, per Constitution 2.8.1, and documentation of the student-athlete’s repayment shall be forwarded to the enforcement staff. (Adopted: 1/12/99, Revised: 1/9/06)
16.11 BENEFITS, GIFTS AND SERVICES

16.11.1 Permissible.

16.11.1.1 Deferred Pay-Back Loan. A student-athlete may receive a loan on a deferred pay-back basis without jeopardizing his or her eligibility, provided: (Adopted: 1/11/94)

(a) The loan arrangements are not contrary to the extra-benefit rule; and
(b) The student-athlete’s athletics reputation, skill or pay-back potential as a future professional athlete is not considered by the lending agency in its decision to provide the loan.

16.11.1.2 Loan from Established Family Friend. A student-athlete may receive a loan from an established family friend without such arrangement constituting an extra benefit, provided: (Adopted: 1/11/94)

(a) The loan is not offered to the student-athlete based in any degree on his or her athletics ability or reputation;
(b) The individual providing the loan is not considered a representative of the institution’s athletics interests; and
(c) The relationship between the individual providing the loan and the student-athlete existed before the initiation of the student-athlete’s recruitment by the member institution.

16.11.1.3 Disabling-Injury Insurance. A student-athlete may borrow against his or her future earnings potential from an established, accredited commercial lending institution, exclusively for the purpose of purchasing insurance (with no cash surrender value) against a disabling injury that would prevent the individual from pursuing his or her chosen career, provided a third party (including a member institution’s athletics department staff members or representatives of its athletics interests) is not involved in arrangements for securing the loan. The student-athlete shall report any such transactions to the member institution and shall file copies of any loan documents associated with disability insurance and insurance policy with the member institution, regardless of the source of the collateral for the loan. The student-athlete also shall file copies of the insurance policy with the member institution, regardless of whether a loan is secured to purchase the insurance policy. (Revised: 1/14/97 effective 8/1/97)

16.11.1.4 Promotional Activity Prize. A student-athlete, selected through a random drawing open to the general public or the student body, may receive a prize as part of a promotional activity conducted by an institution or held on an institution’s campus.

16.11.1.4.1 Use of Athletics Ability. Use of athletics ability (e.g., making a half-court basketball shot) to win such a prize in the promotional contest or activity does not affect a student-athlete’s eligibility. (Revised: 1/10/95, 1/9/96 effective 8/1/96)

16.11.1.5 Occasional Meals. A student-athlete or the entire team in a sport may receive an occasional meal from an institutional staff member or representative of institution’s athletics interests under the following conditions: (Revised: 1/10/92)

(a) The occasional meal may be provided at any location in the locale of the institution; (Adopted: 1/10/92, Revised: 1/10/05, 1/9/06)
(b) Meals must be restricted to infrequent and special occasions; and (Adopted: 1/10/92)
(c) Institutional staff members and representatives of the institution’s athletics interests may provide transportation to student-athletes to attend such meals. (Adopted: 1/10/92, Revised: 1/10/95, 1/9/06)

16.11.1.6 Nonathletics Apparel Provided by the Institution. An institution may provide a student-athlete with one shirt (e.g., polo or oxford style) bearing the institution’s logo each academic year, to be used for team travel or other events at which the student-athlete is representing the institution. The shirt may bear the manufacturer’s or distributor’s normal trademark or logo not to exceed 2 1/4 square inches in area, including any additional material surrounding the normal trademark or logo. Further, an institution may issue other nonathletics apparel to student-athletes for team travel or other events in which he or she is representing the institution on an issuance and retrieval basis. (Revised: 1/9/06)

16.11.1.7 Retention of Athletics Apparel and Equipment. A student-athlete may retain athletics apparel items (not equipment) at the end of the individual’s collegiate participation. Used equipment may be purchased by the student-athlete on the same cost basis as by any other individual interested in purchasing such equipment.

16.11.1.8 Summer Use of Athletics Equipment. A student-athlete may retain and use institutional athletics equipment (per the institution’s normal equipment policy) during a summer-vacation period.

16.11.1.9 Research Studies Involving Only Student-Athletes.

16.11.1.9.1 NCAA Research Studies. A student-athlete may receive compensation from the Association for participating in specified NCAA research studies. Such compensation shall be consistent with the going rate for compensation offered in studies involving nonathlete populations. (Adopted: 1/11/00, Revised: 4/20/09)
16.11.1.9.2 Institution-Based Research Studies. A student-athlete may receive compensation from an institution for participating in a research study involving only student-athletes, provided: *(Adopted: 4/20/09)*

(a) The study is initiated and conducted by a faculty member at an NCAA member institution; and

(b) The study and compensation arrangements are approved by the institutional review board of the faculty member's institution.

16.11.1.10 Reasonable Refreshments. An institution may provide student-athletes with reasonable refreshments (e.g., soft drinks, snacks) for student-athlete educational and business meetings and, on an occasional basis, for celebratory events (e.g., birthdays). *(Adopted: 1/11/00)*

16.11.1.11 Frequent Flyer Points. A student-athlete may retain frequent flyer points and/or miles earned while traveling to and from intercollegiate practice and/or competition. *(Adopted: 1/12/04)*

16.11.1.12 Fundraisers. An institution may provide or arrange for fundraisers for student-athletes (or their relatives or individuals of a comparable relationship) under the following extreme circumstances: *(Adopted: 1/10/05, Revised: 1/9/06)*

(a) Extreme circumstances should be extraordinary and the result of events beyond the student-athlete's control (e.g., life-threatening illness, natural disaster);

(b) The proceeds must be designated for a specific purpose (e.g., payment of medical bills, purchase of medical equipment, replacement of items lost in a fire, etc.);

(c) The proceeds may not be given directly to the beneficiaries, but must be disbursed through or paid directly to another entity, with receipt kept on file by the institution; and

(d) The excess proceeds must be given to a not-for-profit organization with a receipt kept on file by the institution.

16.11.1.13 Miscellaneous Benefits. An institution may provide or arrange for the following benefits for a student-athlete: *(Revised: 1/9/06)*

(a) The use of a return ticket at any time after conclusion of a foreign tour provided the student-athlete does not miss any class time;

(b) Participation in receptions and festivities associated with championships, conference tournaments or all-star events hosted by and conducted on the institution's campus;

(c) Occasional meals to team members provided by the relative of a student-athlete at any location;

(d) Telephone calls in emergency situations as approved by the director of athletics; and

(e) Reasonable tokens of support and transportation in the event of serious injury, serious illness or death of a relative and transportation to attend the funeral of any relative.

16.11.1.14 Coaching and Athletics Administration Career Educational Program. An institution or conference may provide a student-athlete actual and necessary expenses to attend coaching and athletics administration career educational programs (e.g., Women's Basketball Coaches Association—So You Want to Be A Coach, Black Women in Sports Foundation—Next Step Program, U.S. Olympic Committee—Minority/Women in Coaching Leadership, Division III Coaching Symposiums). *(Adopted: 10/17/06)*

16.12 EXPENSE WAIVERS

16.12.1 Incidental to Participation. The Management Council, by a two-thirds majority of its members present and voting, or a committee designated by the Management Council, may approve a member institution's request to provide additional expenses, which may include reasonable local transportation incidental to a student-athlete's participation in intercollegiate athletics, when the information presented persuades the Management Council that such a waiver is warranted, because it may be applied on the basis of defined, objective standards; does not create an unfair competitive advantage for the involved institution; would not compromise the intent of the governing legislation; and the request for the waiver is made in a timely manner. *(Adopted: 1/10/90, Revised: 1/10/95, 12/5/06)*

16.12.1.1 Previously Approved Incidental Expenses. Specific incidental expenses that have been previously approved on a routine basis by the Management Council, or a committee designated by the Management Council, may be processed by an institution or conference. Documentation of each approval shall be kept on file at the institution or the conference office. *(Adopted: 1/11/00)*

17.01 GENERAL PRINCIPLES
17.01.1 Institutional Limitations. A member institution shall limit its organized practice activities, the length of its playing seasons and the number of its regular-season contests and/or dates of competition in all sports, as well as the extent of its participation in noncollegiate-sponsored athletics activities, to minimize interference with the academic programs of its student-athletes (see Figure 17-1).

17.02 DEFINITIONS AND APPLICATIONS
17.02.1 Athletically Related Activities.

17.02.1.1 Athletically Related Activities. The following are considered athletically related activities: (Adopted: 1/10/91 effective 8/1/92)

(a) Practice, which is defined as any meeting, activity or instruction involving sports-related information and having an athletics purpose, held for one or more student-athletes at the direction of, or supervised by, any member or members of an institution's coaching staff. Practice is considered to have occurred if one or more coaches and one or more student-athletes engage in any of the following activities:

(1) Field, floor or on-court activity;
(2) Setting up offensive or defensive alignment;
(3) Chalk talk;
(4) Lecture on or discussion of strategy related to the sport;
(5) Activities using equipment related to the sport;
(6) Discussions or review of game films, motion pictures or videotapes related to the sport; or (Revised: 10/17/06)
(7) Any other athletically related activity. (Revised: 10/18/04)

(b) Competition;
(c) Required weight-training and conditioning activities held at the direction of or supervised by an institutional staff member;
(d) Participation in a physical-fitness class (including a summer class) conducted by a member of the athletics staff not listed in the institution's catalog and not open to all students. Such a class may not include practice activities conducted under the guise of physical education class work; (Adopted: 1/10/95, Revised: 10/17/06)
(e) Required participation in camps, clinics or workshops;
17.02.1.1 Exceptions. The following activities shall not be considered athletically related: (Revised: 10/17/06)
(a) Administrative and academic activities that are nonathletics in nature (e.g., academic meetings and compliance meetings); (Revised: 1/9/06, 10/17/06)
(b) Fundraising and community service activities not involving the use of athletics ability by student-athletes to obtain funds provided the activities receive approval from the institution’s chancellor or president (or his or her designee) prior to the activity (see Bylaw 12.5.1.1 for restrictions on promotional activities); (Revised: 10/17/06, 7/24/07)
(c) Observation of an officiating clinic related to playing rules that is conducted by video conference and does not require student-athletes to miss any class time to observe the clinic; (Revised: 10/17/06)
(d) Observation of enrolled student-athletes in organized competition (e.g., summer league), provided institutional athletics personnel do not direct or supervise the organized activity; and (Revised: 10/17/06)
(e) Voluntary individual workouts monitored for safety purposes by strength and conditioning personnel. If the strength and conditioning coach is also a coaching staff member for one of the institution’s intercollegiate teams, the monitoring may occur only if that staff member performs monitoring duties for all student-athletes using the facility at that time. (Revised: 10/17/06, 1/14/08 effective 8/1/08)

17.02.2 Contest. A contest is any game, match, exhibition, scrimmage or joint practice session with another institution’s or an outside team, regardless of its formality, in which competition in a sport occurs between an intercollegiate athletics team or individual representing a member institution and any other outside team or individual not representing the intercollegiate athletics program of the same member institution. (Revised: 1/10/91, 1/13/03)

17.02.3 Contest, Countable, Institutional. A countable contest for a member institution, in those sports for which the limitations are based on the number of contests, is any contest by the member institution against another team in that sport, unless a specific exemption for a particular contest is set forth in this bylaw. Contests, including scrimmages, by separate squads of the same team against different outside teams shall each count as one contest.

17.02.4 Contest, Countable, Individual Student-Athlete. A countable contest for a student-athlete in a sport is any contest in which the student-athlete competes while representing the member institution (see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team of the institution in that sport, unless a specific exemption for a particular contest is set forth in this bylaw.

17.02.5 Date of Competition. A date of competition is a single date on which any contest(s), with another institution’s or an outside team or individual takes place. (See Bylaw 17.02.2.) (Revised: 1/10/91, 1/13/03)

17.02.6 Date of Competition, Countable, Institutional. A countable date of competition for a member institution, in those sports for which the limitations are based on the number of dates of competition, is any single date on which the institution’s team engages in competition against an outside team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.6.1 Required Minimum Number of Student-Athletes. For individual sports, a member institution shall be considered to have participated in a date of competition that constitutes a date of competition if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on that date equals or exceeds the minimum number established for that sport, unless otherwise restricted in this bylaw for a particular sport (e.g., golf, tennis). (See Bylaw 20.11.3.5 for listings of minimum numbers of student-athletes per sport.)

17.02.7 Date of Competition, Countable, Individual Student-Athlete. A countable date of competition for a student-athlete is any date on which a student-athlete competes while representing the institution
(see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.8 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: (Revised: 1/10/95)

(a) Competes while representing the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution's team) or whether the student is enrolled in a minimum full-time program of studies; (Revised: 1/10/91)

(b) Competes in the uniform of the institution, or, during the academic year, uses any apparel (excluding apparel no longer used by the institution) or equipment received from the institution that includes institutional identification (see Bylaw 16.11.1.8 for regulations governing the use of equipment during the summer); or (Revised: 1/16/93, 1/11/94)

(c) Competes and receives expenses (e.g., transportation, meals, room or entry fees) from the institution for the competition.

17.02.8.1 Exempted Events. Participation in events listed in Bylaw 16.8.1.3 is exempted from the application of this legislation. (Revised: 1/10/92)

17.02.9 Outside Competition. Outside competition is athletics competition against any other athletics outside team (including an alumni team) or individual that does not represent the intercollegiate athletics program of the same institution. (Revised: 1/12/02, 1/13/03)

17.02.10 Outside Team. An outside team is any team that does not represent the intercollegiate athletics program of the institution or a team that includes individuals other than eligible student-athletes of the institution (e.g., members of the coaching staff, ineligible student-athletes, members of the faculty).

17.02.11 Fall Preseason Practice Formula—Sports Other Than Football. In cross country, field hockey, golf (for an institution that conducts its traditional segment during the fall), rugby, soccer, tennis (for an institution that conducts its traditional segment during the fall) and women's volleyball, the first permissible date for preseason practice shall be determined by the application of 16 units in the preseason practice formula, as specified in this section. (Adopted: 5/4/09)

17.02.11.1 Unit—Defined. A “unit” is a numerical value assigned to a particular calendar day within the application of the preseason practice formula that is used to determine the first permissible practice date for fall sports other than football. The number of units assigned to a particular day does not determine or limit the number of practices that may be conducted on that day. (Adopted: 5/4/09)

17.02.11.2 Determining the First Permissible Practice Date for Fall Sports Other Than Football—Application of the 16 Units. To determine the first permissible practice date, an institution shall count back a total of 16 units on a calendar starting with the day before the first scheduled intercollegiate competition (see Bylaw 17.02.11.2.1), as follows: (Adopted: 5/4/09)

(a) Never assign any units to Sundays on the calendar; it is permissible to practice on Sundays;

(b) Never assign any units to calendar days during the preseason when all institutional dormitories are closed, the institution's team must leave campus, and practice is not conducted;

(c) The first six units: assign one unit to each of the six calendar days (not including Sunday) before the first scheduled intercollegiate competition (see Bylaw 17.02.11.2.1);

(d) The remaining ten units:

(1) Assign one unit to each calendar day (not including Sundays) that occurs on or after the opening day of classes for the fall term (see Bylaw 17.02.11.2.2), and

(2) Assign two units to each calendar day before the opening day of classes for the fall term (not including Sundays) until the sum of units on the calendar reaches 16;

(e) The date on which the total count of units on the calendar reaches 16 is the first permissible date for preseason practice (see Bylaw 17.02.11.2.3).

17.02.11.2.1 First Scheduled Intercollegiate Competition. The assignment of units for counting using the preseason practice formula should begin on the day before the first scheduled intercollegiate competition. It is not permissible to determine the starting date for preseason practice by counting back from the first scheduled preseason exhibition, scrimmage or joint practice season. (Adopted: 5/4/09)

17.02.11.2.2 Opening Day of Classes. The opening day of classes is defined as the first day of classes as listed in the member institution's official catalog. Required freshman orientation is not considered to be the opening day of classes for the academic year. (Adopted: 5/4/09)

17.02.11.2.3 Remainder of One Counting Unit. If the 16th and 17th unit is on the same day, it is permissible to begin practice on that day since it is the day in which the total count of units reaches 16. (Adopted: 5/4/09)
17.02.11.2.4 Football Preseason Practice Formula. Do not use the preseason practice formula detailed within this section for the sport of football. Instead, use the formula in Bylaw 17.11.2.1.1. (Adopted: 5/4/09)

17.02.11.2.5 Men’s Water Polo. In the sport of men’s water polo, the first permissible date for preseason practice shall be determined by the application of 21 units in the preseason practice formula. The 21 units shall be applied in the same manner as set forth in 17.02.11.2(a)-(e) with the exception that there are 15 remaining units after applying 17.02.11.2(c). The remaining 15 units shall be assigned in the manner described in 17.02.11.2(d) Nos. (1) and (2). (Adopted: 5/4/09)

17.02.12 Varsity Intercollegiate Sport. A varsity intercollegiate sport is a sport that has been accorded that status by the institution’s president or chancellor or committee responsible for intercollegiate athletics policy and that satisfies the following conditions: (Revised: 10/3/05)

(a) It is a sport that is administered by the department of intercollegiate athletics;

(b) It is a sport for which the eligibility of the student-athletes is reviewed and certified by a staff member designated by the institution’s president or chancellor or committee responsible for intercollegiate athletics policy; and (Revised: 10/3/05)

(c) It is a sport in which qualified participants receive the institution's official varsity awards.

17.02.13 Voluntary Athletically Related Activities. In order for any athletically related activity to be considered “voluntary,” all of the following conditions must be met: (Revised: 1/10/05)

(a) The student-athlete must not be required to report back to a coach or other athletics department staff member (e.g., strength coach, trainer, manager) any information related to the activity. In addition, no athletics department staff member who observes the activity (e.g., strength coach, trainer, manager) may report back to the student-athlete's coach any information related to the activity;

(b) The activity must be initiated solely by the student-athlete. Neither the institution nor any athletics department staff member may require the student-athlete to participate in the activity at any time;

(c) The student-athlete's attendance and participation in the activity (or lack thereof) may not be recorded for the purposes of reporting such information to coaching staff members or other student-athletes; and

(d) The student-athlete may not be subjected to penalty if he or she elects not to participate in the activity. In addition, neither the institution nor any athletics department staff member may provide recognition or incentives (e.g., awards) to a student-athlete based on his or her attendance or performance in the activity.

17.1 GENERAL PLAYING-SEASON REGULATIONS

17.1.1 Playing Season. The playing (i.e., practice and competition) season for a particular sport is the period of time between the date of an institution's first officially recognized practice session and the date of the institution's last practice session or date of competition, whichever occurs later. An institution is permitted to conduct officially recognized practice and competition each academic year only during the playing season as regulated for each sport in accordance with the provisions of this bylaw. The institution must conduct the same playing season for varsity and subvarsity teams in the same sport. (Revised: 1/10/92)

17.1.1.1 Playing Season—Athletically Related Activities. The playing (i.e., practice and competition) season for a particular sport is the only time within which a member institution is permitted to conduct athletically related activities (see Bylaw 17.02.1.1). However, coaching staff members may engage in coaching activities with a student-athlete during the student-athlete's participation in events listed in Bylaw 16.8.1.3. (Adopted: 1/10/91 effective 8/1/92, Revised: 1/12/04 effective 8/1/04)
17.1.2 Segments of Playing Season. The segments of the playing season are defined as follows: (Revised: 1/10/91 effective 8/1/91, 1/11/00 effective 8/1/00)

(a) Traditional Segment. The portion of the playing season that concludes with the NCAA championship in the sport shall be known as the “traditional segment.”

(b) Nontraditional Segment. The remaining portion of the playing season shall be known as the “nontraditional segment.”

17.1.3 Declaration of Playing Season. Each member institution shall determine the playing season for each of the sports referenced under Bylaw 17.02.12. Declaration of the institution’s playing season in each such sport shall be on file in writing in the department of athletics prior to the beginning of the institution’s playing season for that sport. Changes in the declaration for a particular sport are permissible and also shall be filed in writing in the office of the institution’s athletics director. (Revised: 1/11/89)

17.1.4 Sports Subject to Segment Limitations. Segment limitations are applicable to all team sports that are listed under Bylaw 17.02.12.1 and all individual sports listed under Bylaw 17.02.12.2. In those sports for which the National Collegiate Championship is the only NCAA championships opportunity (see Bylaw 18.3), an institution’s playing season shall be limited to 10 weeks for winter and spring sports and not more than 18 weeks for fall sports. Division III sports are subject to all Division III playing and practice seasons legislation, regardless of the championship opportunities (e.g., national collegiate championships, national governing body) available in those sports. (Revised: 1/10/91 effective 8/1/91, 1/16/93 effective 8/1/93, 1/14/02, 1/13/03, 1/12/04 effective 8/1/04)

17.1.5 Mandatory Medical Examination. [§] Prior to participation in any practice, competition or out-of-season conditioning activities (or, in Division I, permissible voluntary summer conditioning in basketball and football or voluntary individual workouts pursuant to the safety exception), student-athletes who are beginning their initial season of eligibility and students who are trying out for a team shall be required to undergo a medical examination or evaluation administered or supervised by a physician (e.g., family physician, team physician). The examination or evaluation must be administered within six months prior to participation in any practice, competition or out-of-season conditioning activities. In following years, an updated history of the student-athlete’s medical condition shall be administered by an institutional medical staff member (e.g., sports medicine staff, team physician) to determine if additional examinations (e.g., physical, cardiovascular, neurological) are required. The updated history must be administered within six months prior to the student-athlete’s participation in any practice, competition or out-of-season conditioning activities for the applicable academic year. (Adopted: 1/8/07 effective 8/1/07, Revised: 5/23/08)

17.1.6 Required Day Off, All Sports. During the playing season (see Bylaw 17.1.1), all athletically related activities shall be prohibited during one calendar day per week, except during the following: (Revised: 4/30/09)

(a) Participation during NCAA championships; (Revised: 4/30/09)

(b) Participation between academic terms when classes are not in session or during the institution’s preseason practice that occurs prior to the first day of classes; or (Revised: 4/30/09)

(c) Participation during an institution’s official vacation period when classes are not in session. (Revised: 4/30/09)

17.1.6.1 Multisport Student-Athlete. All athletically related activities shall be prohibited during one calendar day per week for every student-athlete, regardless of the number of sports in which a student-athlete participates. (Adopted: 10/20/08 effective 8/1/09)

17.1.7 Missed Class Time—Practice. No class time shall be missed for practice activities except when a team is traveling to an away-from-home contest and the practice is in conjunction with the contest (see Constitution 3.2.4.12). (Adopted: 1/11/00 effective 8/1/00)

17.1.7.1 Missed Class Time for Competition in the Nontraditional Segment—Baseball, Field Hockey, Lacrosse, Soccer, Softball and Women’s Volleyball. No class time shall be missed for practice or competition during the nontraditional segment. (Adopted: 1/8/01 effective 8/1/01, Revised: 1/12/04 effective 8/1/04, 9/10/04)

17.1.8 General Regulations for Computing Playing Seasons Applicable to All Sports.

(a) Practice Only, Nontraditional Segment. The nontraditional segment shall be counted as part of the institution’s declared playing season, regardless of whether competition occurs during that segment;

(b) Makeup Contests. An institution is not permitted to extend the playing season to make up suspended or canceled games (excluding contests that determine a conference champion or the automatic qualifier to the NCAA championships, provided such contests are concluded not later than 6 p.m. local time of the competition on the date on which participants are selected for the NCAA Championship); (Adopted: 1/10/92, Revised: 1/14/08)

(c) NCAA, NCCAA or NAIA Championships Participation in Team Sports. Neither practice nor participation in any NCAA, NCCAA or NAIA championship event is considered part of the institution’s declared playing season; and (Revised: 1/12/99 effective 8/1/99, 10/16/06)

(d) Under Consideration for Selection to an NCAA Team Championship. A member institution that has reason to believe it is under consideration for selection to participate in an NCAA championship event may

continues to practice (but may not compete against outside competition) beyond its declared playing season, including the conference championship (if any), without counting such practice against the institution's declared playing-season limitation as long as such practice begins no earlier than three weeks prior to the start of the NCAA championship in that sport. Further, an institution's spring championship sport team that earns its conference's automatic qualification in the fall segment may not continue to practice after the fall segment and prior to the spring segment based on its belief that it is under consideration for selection to the spring NCAA championship. An institution that is not selected to participate in the NCAA championship may continue to practice or compete until the end of that championship only if it has time remaining in its declared playing season; (Revised: 1/12/99 effective 8/1/99, 10/17/06)

(e) **NCAA Championships Participation in Individual Sports.** Only appropriate squad members considered necessary for effective practice with the individual(s) preparing for the NCAA championships may continue to practice without counting such practice against the institution's declared playing-season limitation;

(f) **Post-NCAA Championships Participation.** After the conclusion of an NCAA (or NAIA or NCCAA) championship in a sport, an institution may resume practice and/or competition in the sport, provided it is continuing its permissible playing season in the sport and provided the activity occurs during the academic year. An institution in the joint-declaration program may participate in the championship for which the institution declared, even when the championship occurs outside the permissible NCAA playing season. Institutions in the joint-declaration program must abide by all other NCAA regulations for all sports, including the length of the playing season (see Bylaw 31.2.1.4); (Revised: 1/12/99 effective 8/1/99, 11/10/05)

(g) **Conference Championships.** Conference championships must be included within the institution's playing season;

(h) **Non-NCAA Postseason Championships and Qualifying Competition.** Practice and/or competition in non-NCAA (or non-NAIA or non-NCCAA) postseason championships (e.g., an invitational tournament scheduled after a conference championship) must be counted against the institution's declared playing-season limitation; except practice and competition for one postseason championship in each non-NCAA championship sport used for sports sponsorship purposes in accordance with Bylaw 20.11.3.1.1. An institution may exclude a maximum of three weeks of competition from its declared playing season for qualifying competition for a non-NCAA championship event that is excluded from the declared playing and practice season. The qualifying competition shall be the only event from which teams or individuals are selected to participate in the non-NCAA championship event. In women's gymnastics, practice for and competition in the National Collegiate Gymnastics Association national championship are exempt from the institution's declared playing-season limitation; except practice and competition for one postseason championship in each non-NCAA championship sport used for sports sponsorship purposes in accordance with Bylaw 20.11.3.1.1. An institution may exclude a maximum of three weeks of competition from its declared playing season for qualifying competition for a non-NCAA championship event that is excluded from the declared playing and practice season. The qualifying competition shall be the only event from which teams or individuals are selected to participate in the non-NCAA championship event. In women's gymnastics, practice for and competition in the National Collegiate Gymnastics Association national championship are exempt from the institution's declared playing-season limitation; and (Revised: 1/16/93, 1/11/94, 1/12/99, 1/10/05 effective 8/1/05, 1/9/06, 8/3/06)

(i) **Foreign Tours.** Participation by a member institution on a certified foreign tour (see Bylaw 17.29) need not be included within the institution's declared playing-season limitation in the sport.

### 17.1.9 General Regulations for Computing Playing Seasons.

In determining the length of an institution's playing season, the following regulations shall apply: (Revised: 1/10/91 effective 8/1/92)

(a) **Week.** Practice or competition during any part of a week shall be counted as a full week (e.g., practice or competition during nine weeks and one day shall be counted as 10 weeks). A week shall be defined by the institution as any consecutive seven-day period, regardless of the day on which the seven-day period begins. During a segment of the playing season, an institution may only redefine its week following a period of at least seven consecutive days that includes a vacation, final-examination period or holiday period during which no athletically related activities occur. An institution may redefine its week between segments of the playing season, provided the institution divides its practice and playing season into two distinct segments per Bylaw 17.1.2; (Revised: 7/22/08)

(b) **Consecutive Weeks.** In all sports, the playing season, or its segments, shall consist of consecutive seven-day periods and the institution's week cannot be redefined during any segment of the playing season (except as specified above); (Revised: 1/10/91 effective 8/1/92, 7/22/08)

(c) **Total Combined Length.** The total number of weeks for both segments of a playing season combined shall not exceed the maximum permitted in a particular sport, for the purpose of computing the playing season, and, except as otherwise noted, shall apply during the entire calendar year; and (Revised: 1/10/91 effective 8/1/92)

(d) **Holiday, Vacation, Exam Periods.** In traditional and nontraditional segments, any practice or competition during published vacation, holiday and final-examination periods during the academic year shall be counted as part of the playing season. If practice or competition is not scheduled during any full week (seven consecutive days) that includes a vacation, final-examination period or holiday period, it neither shall be counted as part of the playing season nor shall constitute a break in a segment.
17.1.10 Contest and Segment Limitations.

17.1.10.1 Combining Traditional and Nontraditional Segments. In those sports that have different contest limitations in the traditional and nontraditional segments, a member institution that conducts a single continuous traditional segment in a sport (rather than dividing its playing season for that sport into two distinct segments as permitted in Bylaw 17.1.2) shall be limited to the number of contests or dates of competition permitted only for the traditional segment of that sport.

17.1.10.2 Dividing Traditional and Nontraditional Segments. A member institution that divides its practice and playing season into two distinct segments per Bylaw 17.1.2 and conducts its nontraditional segment in the fall must complete all practice and competition by October 30 of the academic year involved; conversely, a member institution that conducts its traditional segment in the fall may not begin practice or competition during its nontraditional segment until February 1 of the academic year involved. (Adopted: 1/10/92 effective 8/1/92)

17.1.10.3 Conducting More than 50 Percent of Schedule in Golf and Tennis during Nontraditional Segment. A member institution that conducts its nontraditional segment in the fall and that schedules more than 50 percent of its contests or dates of competition (including the conference championship) in the nontraditional segment may elect to use the preseason practice and first-date-of-competition regulations applicable to the traditional segment as set forth in Bylaws 17.12.2, 17.12.3, 17.26.2 and 17.26.3. (Adopted: 1/9/96 effective 8/1/96)

17.1.10.4 Nontraditional Segment Length—Baseball, Field Hockey, Lacrosse, Soccer, Softball and Women’s Volleyball. The nontraditional segment shall be subject to the following limitations: (Adopted: 1/8/01 effective 8/1/01, Revised: 1/12/04 effective 8/1/04, 1/10/05, 4/28/05, 1/8/07)

(a) All practice and competition shall be limited to a maximum of five weeks; (Revised: 1/8/07)

(b) A maximum of 16 days of athletically related activity with no more than four days of athletically related activity in any one week, shall be permitted; (Revised: 1/8/07)

(c) Any athletically related activity (see Bylaw 17.02.1.1) by any member of the applicable team shall constitute the use of a day; (Revised: 1/8/07)

(d) One date of competition may occur and shall be counted as one of the 16 permissible days of athletically related activity; (Revised: 1/8/07)

(e) A maximum of eight hours of athletically related activity may occur on the one date of competition for all participants. Further, competition activity on the one date must be included in the eight-hour maximum and is also limited to the following: (Revised: 1/8/07)

(1) Baseball—two regulation baseball games or 18 regulation innings (e.g., three outs per inning, three strikes per out). (Revised: 1/8/07, 4/17/07)

(2) Field Hockey—two regulation field hockey contests or 140 minutes of competition activity. (Revised: 1/8/07)

(3) Men’s and Women’s Lacrosse—two regulation lacrosse contests or 120 minutes of competition activity. (Revised: 1/8/07)

(4) Men’s and Women’s Soccer—two regulation soccer contests or 180 minutes of competition activity. (Revised: 1/8/07)

(5) Softball—three regulation softball games or 21 regulation innings (e.g., three outs per inning, three strikes per out). (Revised: 1/8/07, 4/17/07)

(6) Volleyball—three regulation matches or 15 regulation volleyball games. (Revised: 1/8/07, 4/17/07)

17.1.11 Use of Tobacco Products. The use of tobacco products by a student-athlete is prohibited during practice and competition. A student-athlete who uses tobacco products during a practice or competition shall be disqualified for the remainder of that practice or competition (see Bylaw 11.1.5 for game personnel restrictions). (Adopted: 1/11/94 effective 8/1/94)

17.2 BASEBALL

17.2.2 Preseason Practice. A member institution shall not commence practice sessions in baseball before the following dates:

(a) Traditional Segment. September 7 or the institution’s first day of classes for the fall term, whichever is earlier. (Revised: 1/10/91 effective 8/1/91, 1/10/95 effective 8/1/95)

(b) Nontraditional Segment. For an institution that conducts its nontraditional segment in the fall, September 7 or the institution’s first day of classes for the fall term, whichever is earlier. For an institution that conducts
its nontraditional segment in the spring, February 1 (see Bylaw 17.1.10.2). (Revised: 1/10/92, 1/10/95 effective 8/1/95)

17.2.3 **First Contest Date.** A member institution shall not play its first contest (including a scrimmage) against outside competition in baseball before the following dates:

(a) **Traditional Segment.** September 7 or the institution's first day of classes for the fall term, whichever is earlier. (Revised: 1/10/91 effective 8/1/91, 1/10/95 effective 8/1/95)

(b) **Nontraditional Segment.** For an institution that conducts its nontraditional segment in the fall, September 7 or the institution's first day of classes for the fall term, whichever is earlier. For an institution that conducts its nontraditional segment in the spring, February 1 (see Bylaw 17.1.10.2). (Revised: 1/10/91 effective 8/1/91, 1/10/95 effective 8/1/95)

17.2.4 **End of Regular Playing Season.** A member institution shall conclude all practice and competition (contests and scrimmages) in baseball by the following dates:

(a) **Traditional Segment.** The conclusion of the NCAA baseball championship.

(b) **Nontraditional Segment.** For an institution that conducts its nontraditional segment in the fall, October 30 (see Bylaw 17.1.10.2). For an institution that conducts its nontraditional segment in the spring, the first date of final examinations for the regular academic year at the institution.

17.2.5 **Number of Contests and Dates of Competition.**

17.2.5.1 **Maximum Limitations—Institutional.** A member institution shall limit its total playing schedule against outside competition in baseball during the institution's baseball playing season to a maximum of 40 contests (games and scrimmages) during the traditional segment, and one date of competition during the nontraditional segment, except for those contests excluded under Bylaw 17.2.5.3. (Revised: 1/8/01 effective 8/1/01, 1/12/04 effective 8/1/04, 4/20/06)

17.2.5.1.1 **In-Season Foreign Competition.** A member institution may play one or more of its countable contests in baseball in one or more foreign countries on one trip during the prescribed playing season. However, except for contests played in Canada and Mexico or on a certified foreign tour (see Bylaw 17.29), the institution may not engage in such in-season foreign competition more than once every four years.

17.2.5.2 **Maximum Limitations—Student-Athlete.** An individual student-athlete may participate in each academic year in a maximum of 40 baseball contests (games and scrimmages) during the traditional segment and one date of competition during the nontraditional segment. This limitation includes those contests in which the student-athlete represents the institution including competition as a member of the varsity, junior varsity or freshman team of the institution in accordance with Bylaws 17.02.4 and 17.02.8. (Revised: 1/8/01 effective 8/1/01, 1/12/04 effective 8/1/04)

17.2.5.3 **Annual Exemptions.**

17.2.5.3.1 **Traditional Segment.** The maximum number of baseball contests in the traditional segment shall exclude the following (see Figure 17-1): (Revised: 9/8/04, 1/10/05)

(a) **Conference Championship.** Competition in one conference championship tournament in baseball or the tournament used to determine the conference's automatic entry in the NCAA baseball championship;

(b) **Conference Playoff.** Competition involving member institutions that tie for a conference baseball championship. Such teams may participate in a single-elimination playoff to determine the conference's automatic entry in the NCAA baseball championship without the game(s) being counted as a postseason tournament;

(c) **Season-Ending Tournament.** Competition in one season-ending baseball tournament (e.g., NCAA championship, NAIA championship, NCCAA championship). A season-ending tournament involves competition after the end of the regular season between teams that are not identified until the close of that regular season; (Adopted: 1/9/96 effective 8/1/96, Revised: 1/12/99 effective 8/1/99)

(d) **Independents Championship.** Competition in one championship tournament among independent member institutions (i.e., institutions that are not members of an intercollegiate athletics conference in the specific sport), conducted at the end of the regular season and prior to the NCAA championship; (Adopted: 1/12/04 effective 8/1/04, Revised: 1/9/06)

(e) **Foreign Team in U.S.** One baseball contest or both games of a doubleheader each year against a foreign opponent in the United States; and (Revised: 1/12/04 effective 8/1/04)

(f) **Fundraising Activity.** Any baseball activities in which student-athletes from more than one of the institution's athletics teams participate with alumni and friends of the institution or with local celebrities, the purpose of which is to raise funds for the benefit of the institution or other charitable, educational or nonprofit organizations, provided the student-athletes do not miss classes as a result of their participation. (Revised: 1/9/06)

17.2.5.3.2 **Alumni Game.** The maximum number of baseball contests shall exclude one contest each year with an alumni team of the institution. (Adopted: 1/10/05 effective 8/1/05)
17.2.5.4 Once-in-Three-Years Exemption—Foreign Tour. The baseball contests played on a foreign tour, provided the tour occurs only once in a three-year period and is conducted by the member institution in accordance with the procedures set forth in Bylaw 30.7 (see Bylaw 17.29). (Revised: 1/11/89 effective 8/1/89)

17.2.5.5 Once-in-Four-Years Exemption—Hawaii, Alaska, Puerto Rico. A maximum of four contests on a regular-season trip or a tournament, either against or under the sponsorship of an active member institution located in Hawaii, Alaska or Puerto Rico, shall not be scheduled more than once every four years by a member institution located outside of Hawaii, Alaska or Puerto Rico. This limitation shall not apply to a regular-season conference contest between two members of the same NCAA member conference. (Revised: 1/14/97 effective 8/1/97)

17.2.6 Out-of-Season Athletically Related Activities. Student-athletes and members of the coaching staff shall not engage in athletically related activities outside the institution's declared playing season per Bylaw 17.02.1.1. (Revised: 1/10/91 effective 8/1/91, 8/1/92)

17.2.6.1 Summer Practice. (Revised: 1/10/91 effective 8/1/91)

17.2.7 Camps and Clinics. There are no limits on the number of student-athletes in baseball who may be employed (e.g., as counselors) in camps or clinics (see Bylaw 13.12). Currently enrolled student-athletes may not participate as campers in their institution's camps or clinics. (Revised: 1/10/92)

17.2.8 Other Restrictions.

17.2.8.1 Noncollegiate, Amateur Competition. (See Bylaw 14.7 for restrictions on outside competition.) (Revised: 1/10/05)

17.2.8.1.1 Involvement of Coaching Staff. No member of the coaching staff of a member institution may be involved in any capacity (e.g., coach, official, player or league/team administrator) at any time (i.e., during the academic year, vacation periods and summer) with an outside team that involves any student-athlete with remaining eligibility from that institution's baseball team except as provided under Bylaws 14.7.3 and 17.29. (Revised: 1/10/91 effective 8/1/91, 1/11/94)

17.2.8.1.2 Olympic and National Team Development Program. There are no limits on the number of student-athletes from the same institution who may participate in Olympic and national team development programs. Such programs may also include a coach and student-athlete from the same institution, provided the program is conducted and administered by the national governing body. The national governing body shall be responsible for selecting the coaches who will be involved in coaching activities for the program. The national governing body or the selected coaches shall select the participants of the program. (Revised: 1/9/06)

17.2.8.2 Equipment Issue, Squad Pictures. It shall be permissible to designate a single date for issuing baseball equipment and for taking squad pictures after the beginning of classes in the fall term or the day before the beginning of a segment as specified in Bylaw 17.2.2. (Revised: 1/11/89)

17.2.8.2.1 Exception for Sundays. If the day before the beginning of a segment is a Sunday, the member institution may designate the preceding Saturday for issuing equipment and taking team pictures. (Adopted: 1/11/89)

17.2.9 Waivers for Extraordinary Personnel Losses. The Management Council, by a two-thirds majority of its members present and voting, may approve waivers to the length of the playing season (see Bylaw 17.2.1) by modifying the start of preseason practice (see Bylaw 17.2.2) for an institution that has suffered extraordinary personnel losses to its baseball team due to accident or illness of a disastrous nature.

17.3 BASKETBALL

17.3.1 Length of Playing Season. The length of an institution's playing season in basketball shall be limited to a maximum of 19 weeks between the start of preseason practice (see Bylaw 17.3.2) and the end of the regular playing season (see Bylaw 17.3.4). This 19-week period includes permissible conditioning activities as set forth in Bylaw 17.3.2.1.1. (Revised: 1/14/97 effective 8/1/97)

18.2.2 Division Championship. 18.4 ELIGIBILITY FOR CHAMPIONSHIPS

18.4.1 Student-Athlete Eligibility. To be eligible for NCAA championships, a student-athlete shall meet all applicable individual-eligibility requirements set forth in NCAA legislation. The general and academic eligibility requirements are set forth in detail in Bylaw 14.

18.4.1.1 Institution’s Responsibility. The responsibility of an institution to withhold from all intercollegiate competition a student-athlete who is ineligible under any NCAA legislation is set forth in Bylaw 14.11.1.

18.4.1.2 Committee on Student-Athlete Reinstatement Authority. The Committee on Student-Athlete Reinstatement shall have initial authority to determine all matters pertaining to the eligibility of student-athletes competing in the various NCAA championships and to act upon all appeals concerning the eligibility of student-athletes submitted by member institutions (see Bylaw 14.12).

18.4.1.3 Protest of Eligibility Status. If a student-athlete has been certified by the institution as eligible to compete in an NCAA championship and the student-athlete’s eligibility is protested, the Eligibility Subcommittee shall not rule on such a protest received during the period beginning 24 hours before the event and ending
18.4.1.4 Amateur-Status Certification. If requested by the Championships Committee, the student-athlete shall certify his or her amateur standing under the provisions of Bylaw 12 by signing an affidavit that is administered by the chair of the games committee and taken on a form prescribed by the Championships Committee.

18.4.1.5 Ineligibility for Use of Banned Drugs. A student-athlete who is found to have used a substance on the list of banned drug classes, as set forth in Bylaws 31.2.3.4 and 14.1.1.1, shall be declared ineligible for further participation in postseason and regular-season competition in accordance with the ineligibility provisions in Bylaw 18.4.1.5.1. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility if the institution concludes that circumstances warrant restoration. (Revised: 1/10/90 effective 8/1/90)

18.4.1.5.1 Duration of Ineligibility. A student-athlete who as a result of a drug test administered by the NCAA is found to have used a substance on the list of banned drug classes (in accordance with the testing methods authorized by the Executive Committee) shall be charged with the loss of competition during a minimum of one season of participation in all sports if the season of participation has not yet begun for that student-athlete or a minimum of the equivalent of competition during one full season of participation in all sports if the student-athlete tests positive during his or her season of participation (i.e., the remainder of contests in the current season and contests in the following season up to the period of time in which the student-athlete was declared ineligible during the previous year). The student-athlete shall remain ineligible for all regular-season and postseason competition during the time period ending one calendar year (i.e., 365 days) after the collection of the student-athlete's positive drug-test specimen and until the student-athlete tests negative (in accordance with the testing methods authorized by the Executive Committee). If the student-athlete participates in any contests from the time of collection until the confirmation of the positive result, he or she must be withheld from an equal number of contests after the 365-day period of ineligibility. The student-athlete's eligibility must be restored by the Committee on Student-Athlete Reinstatement. (Revised: 1/10/90 effective 8/1/90, 1/16/93, 1/9/96 effective 8/1/96, 1/14/97 effective 8/1/97, 1/8/01, 4/15/03, 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04, 10/18/04 effective 8/1/05, 6/3/05, 6/9/05, 7/24/07)

18.4.1.5.1.1 Breach of NCAA Drug-Testing Program Protocol. A student-athlete who is in breach of the NCAA drug-testing program protocol (e.g., no show, tampering with sample) shall be considered to have tested positive for the use of any drug other than a “street” drug. (Adopted: 1/10/05 effective 8/1/05)

18.4.1.5.1.2 Testing Positive on More Than One Occasion. If the student-athlete, who tested positive for any drug other than a “street” drug as defined in Bylaw 31.2.3.4 tests positive a second time for the use of any drug, other than a “street drug,” he or she shall lose all remaining regular-season and postseason eligibility in all sports. If the student-athlete tests positive for the use of a “street drug” after having tested positive for the use of any banned drug, he or she shall be charged with the loss of competition during a minimum of one additional season of participation in all sports and also shall remain ineligible for regular-season and postseason competition during the time period ending one calendar year (i.e., 365 days) after the period of ineligibility for any prior positive drug tests have expired. (Revised: 1/10/05 effective 8/1/05, 6/9/05, 10/15/08)

18.4.1.5.1.3 Transfers. If the student-athlete transfers to another NCAA institution while ineligible, the institution from which the student-athlete transferred must notify the institution that the student-athlete is ineligible. If the student-athlete immediately transfers to a non-NCAA institution while ineligible and competes in intercollegiate competition within the 365-day period at a non-NCAA institution, the student-athlete will be ineligible for all NCAA regular-season and postseason competition until the student-athlete does not compete in intercollegiate competition for a 365-day period. Furthermore, the student-athlete must retest negative (in accordance with the testing methods authorized by the Executive Committee) and the student-athlete’s eligibility must be restored by the Committee on Student-Athlete Reinstatement. (Revised: 1/10/05 effective 8/1/05)

18.4.1.5.1.4 Appeals. An institution may appeal the duration of ineligibility to the Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee). In all sports, the committee may reduce the legislated penalty to withholding the student-athlete from competition during the next 50 percent of the season of participation or provide complete relief from the legislated penalty. If the committee requires the student-athlete to fulfill the legislated penalty or be withheld from competition during the next 50 percent of the season of participation in all sports, the student-athlete shall remain ineligible until the prescribed penalty is fulfilled, the student-athlete tests negative and the student-athlete’s eligibility is restored by the Committee on Student-Athlete Reinstatement. (Adopted: 1/10/05 effective 8/1/05, for drug tests conducted on or after 8/1/05, Revised: 6/9/05)
18.4.1.5.2 Banned Drugs and Drug-Testing Methods. The Executive Committee shall adopt a list of banned drug classes and shall authorize methods for drug testing of student-athletes on a year-round basis. The list of banned drug classes and the procedure for informing member institutions about authorized methods for drug testing are set forth in Bylaws 31.2.3.4 and 31.2.3.6, respectively. (Revised: 1/10/90 effective 8/1/90, 6/3/05)

18.4.1.5.3 Non-NCAA Athletics Organization’s Positive Drug Test. The Executive Committee shall authorize methods for drug testing any student-athlete who has disclosed in the student-athlete statement (see Bylaw 14.1.3.1) that he or she has a positive drug test administered by a non-NCAA athletics organization. A student-athlete under drug-testing suspension from a national or international sports governing body that has adopted the World Anti-Doping Agency (WADA) code shall not participate in NCAA intercollegiate competition for the duration of the suspension. (Adopted: 1/14/97 effective 8/1/97, Revised: 1/10/05 effective 8/1/05)

18.4.2 Institutional Eligibility.

18.4.2.1 General Institutional Requirements. To be eligible to enter a team or an individual in NCAA championship competition, an institution shall:

(a) Be an active member in good standing in the appropriate division, or have its sport so classified, and be eligible under the rules of the member conference of which it is a member;

(b) Have paid its membership dues for the current year in accordance with the deadlines set forth in Bylaw 31.2.1.2;

(c) Designate (in accordance with Bylaw 20) its athletics program as Division I, Division II or Division III for competition and possible eligibility for championships in those intercollegiate sports recognized by the NCAA;

(d) Certify, through its president or chancellor on a form approved by the Management Council, the institution’s compliance with NCAA legislation. The certification shall be completed not later than September 15 (see Bylaw 30.3 for details about information required on the certification form); (Revised: 1/10/95, 10/3/05)

(e) Have confirmed annually its sponsorship of a varsity intercollegiate team in the sport by so reporting on the NCAA official information form; (Adopted: 1/10/90)

(f) Have submitted its race and demographic information to the NCAA through the official submission process; and (Adopted: 7/24/07)

(g) Refrain from entering a student-athlete as an individual or as a member of a team in an NCAA championship if it is acknowledged by the institution or established through the Association’s enforcement procedures that the institution or representative(s) of its athletics interests violated NCAA regulations in the recruiting of the student-athlete. The institution may appeal to the Eligibility Subcommittee for restoration of the student-athlete’s eligibility (see Bylaw 14.12).

18.4.2.1.1 Additional Requirements. Other requirements for institutional eligibility for championships are set forth in Bylaw 31.2.1.

18.4.2.1.2 Institution Petitioning for Division I Classification. An institution petitioning for Division I institutional membership or eligibility in a sport (in accordance with Bylaw 20) shall have operated in conformity with the requirements of Bylaw 18.4.2.1-(a) for a period of two years before the effective date of its Division I membership or be ineligible for Division I championships.

18.5 Automatic Qualification by Conference

18.5.1 Division Championship. To be eligible for automatic qualification into any Division III championship, a conference shall meet the requirements set forth in Bylaw 31.3.4. (Revised: 1/7/06)

18.5.2 National Collegiate Championship. To be eligible for automatic qualification into any National Collegiate Championship, a conference shall: (Adopted: 1/7/06)

(a) Have at least six active members that sponsor the applicable sport in any division; and

(b) Meet all applicable requirements for conference automatic qualification into any National Collegiate Championship as set forth in Bylaw 31.3.4.

18.6 Playing Rules for Championships

In sports in which the Association maintains rules committees, the rules adopted by said committees shall govern the conduct of all NCAA-sponsored events in those sports. In those sports in which the Association does not maintain rules committees, the rules to be used are specified in Bylaw 31.1.6.
19.01 GENERAL PRINCIPLES

19.01.1 Mission of NCAA Enforcement Program. It shall be the mission of the NCAA enforcement program to eliminate violations of NCAA rules and impose appropriate penalties should violations occur. The program is committed to fairness of procedures and the timely and equitable resolution of infractions cases. The achievement of these objectives is essential to the conduct of a viable and effective enforcement program. Further, an important consideration in imposing penalties is to provide fairness to uninvolved student-athletes, coaches, administrators, competitors and other institutions. (Adopted: 1/11/94)

19.01.2 Exemplary Conduct. Individuals employed by or associated with member institutions for the administration, the conduct or the coaching of intercollegiate athletics are, in the final analysis, teachers of young people. Their responsibility is an affirmative one, and they must do more than avoid improper conduct or questionable acts. Their own moral values must be so certain and positive that those younger and more pliable will be influenced by a fine example. Much more is expected of them than of the less critically placed citizen.

19.01.3 Responsibility to Cooperate. All representatives of member institutions shall cooperate fully with the NCAA enforcement staff, Committee on Infractions and Management Council to further the objectives of the Association and its enforcement program. The enforcement policies and procedures are an essential part of the intercollegiate athletics program of each member institution and require full and complete disclosure by all institutional representatives of any relevant information requested by the NCAA enforcement staff or Committee on Infractions during the course of an inquiry.

19.01.4 Violations by Institutional Staff Members. Institutional staff members found in violation of NCAA regulations shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures, whether such violations occurred at the certifying institution or during the individual’s previous employment at another member institution.

19.01.5 Nature of Penalty Structure. As a guiding principle, a penalty imposed under NCAA enforcement policies and procedures should be broad and severe if the violation or violations reflect a general disregard for the governing rules; in those instances in which the violation or violations are isolated and of relative insignificance, then the NCAA penalty shall be specific and limited. Previous violations of NCAA legislation shall be a contributing factor in determining the degree of penalty.

19.02 DEFINITIONS AND APPLICATIONS

19.02.1 Show-Cause Order. A show-cause order is one that requires a member institution to demonstrate to the satisfaction of the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.2) why it should not be subject to a penalty (or additional penalty) for not taking appropriate disciplinary or corrective action against an institutional staff member or representative of the institution’s athletics interests identified by the committee as having been involved in a violation of NCAA regulations that has been found by the committee. (Revised: 1/10/95, 1/12/04)

19.02.2 Types of Violations.

19.02.2.1 Violation, Secondary. A secondary violation is a violation that is isolated or inadvertent in nature, provides or is intended to provide only a minimal recruiting or competitive or other advantage and does not include any significant recruiting inducement or extra benefit. Multiple secondary violations by a member institution collectively may be considered as a major violation. (Revised: 1/11/94)

19.02.2.2 Violation, Major. All violations other than secondary violations are major violations, specifically including those that provide an extensive recruiting or competitive advantage. (Revised: 1/11/94)
19.02.3 New Evidence. New evidence is evidence that could not reasonably be ascertained before the Committee on Infractions hearing. (Adopted: 1/6/96)

19.1 COMMITTEE ON INFRINGEMENTS

The Management Council shall appoint a Committee on Infractions, which shall be responsible for administration of the NCAA enforcement program.

19.1.1 Composition of Committee. The Committee on Infractions shall be composed of five members, including one member from the Management Council and one member from the general public. One of the members shall serve as chair and one member shall serve as vice chair. (Revised: 1/16/93, 1/14/97 effective 8/1/97, 1/14/02)

19.1.1.1 Quorum. Three members present and voting shall constitute a quorum to conduct committee business, it being understood that the chair shall make a special effort to have full committee attendance when major infractions cases involving violations are to be considered. (Revised: 1/14/97 effective 8/1/97)

19.1.2 Authority of Committee on Infractions. Disciplinary or corrective actions other than suspension or termination of membership may be effectuated by members of the Committee on Infractions present and voting at any duly called meeting, provided the call of such a meeting shall have contained notice of the situation presenting the disciplinary problem. Actions of the committee in cases involving major violations, however, shall be subject to review by the Infractions Appeals Committee per Bylaw 19.2, on appeal. (Revised: 1/16/93, 1/10/95, 1/14/97 effective 8/1/97, 1/12/04)

19.1.2.1 Authority of Vice President for Enforcement. On review of information developed by the enforcement staff or self-reported by the member institution, the vice president for enforcement services shall identify the charges as involving alleged major or secondary violations, or multiple secondary violations that should be viewed as a major violation. Disciplinary or corrective actions in the case of secondary violations may be effectuated by the vice president for enforcement services. Said actions shall be taken in accordance with the provisions of the enforcement policies and procedures and shall be subject to review by the committee on appeal. (Revised: 1/14/97 effective 8/1/97, 1/12/04)

19.1.2.2 Authority of Committee Chair. In the interim between meetings of the committee, the chair shall be empowered to act on behalf of the committee, subject to committee approval at its next meeting. If at any time at a meeting or between meetings the chair is unavailable to act, the vice chair is empowered to exercise the functions of the chair. (Revised: 1/14/97 effective 8/1/97, 1/10/95)

19.1.2.3 Authority of Infractions Appeals Committee. The Infractions Appeals Committee per Bylaw 19.2 shall hear and act on an institution’s or involved individual’s appeal of the findings and/or penalties of major violations by the Committee on Infractions. (Revised: 1/16/93, 1/10/95, 1/12/04)

19.1.2.4 Temporary Substitutes. If it appears that one or more members of the committee will be unable to participate in the hearing of a case, the chair may request the Management Council to designate a former member or members of the committee to rejoin the committee for purposes of the consideration and disposition of that case. (Adopted: 1/14/97 effective 8/1/97)

19.1.3 Duties of Committee. The duties of the committee shall be as follows: (Revised: 1/14/97 effective 8/1/97, 4/25/03)

(a) Consider complaints that may be filed with the Association charging the failure of any member to maintain the academic or athletics standards required for membership or the failure of any member to meet the conditions and obligations of membership in the Association; (Revised: 1/14/97 effective 8/1/97)

(b) Formulate and revise, in accordance with the requirements of Bylaw 19.3, a statement of its established operating policies and procedures, including investigative guidelines (see Bylaw 32);

(c) Determine facts related to alleged violations and find violations of NCAA rules; (Revised: 1/14/97 effective 8/1/97)

(e) Carry out any other duties directly related to the administration of the enforcement program. (Revised: 1/14/97 effective 8/1/97)

19.2 APPEALS COMMITTEE

19.2.1 Authority of Infractions Appeals Committee. The Infractions Appeals Committee shall hear and act on an institution’s or involved individual’s appeal of the findings and/or penalties of major violations by the Committee on Infractions. (Adopted: 1/10/95, Revised: 1/14/97 effective 8/1/97, 1/17/08)
19.3 ESTABLISHMENT AND REVISION OF ENFORCEMENT POLICIES AND PROCEDURES

19.3.1 Amendment by Committee and Approval by Management Council. The Committee on Infractions may establish or amend the policies and procedures in regard to issues other than those concerning institutional penalties, restitution, and committee duties and structure. A member institution shall be provided notice of alleged NCAA rules violations for which it is charged before any penalty is imposed, as well as the opportunity to appear before the committee and the opportunity to appeal the committee's findings of major violations or penalties (see Bylaws 19.4 and 19.5). The policies and procedures governing the administration of the Association's enforcement program, as set forth in Bylaw 32, are subject to review and approval by the Management Council at its next regularly scheduled meeting.

19.3.1.1 Notification to Membership. To the extent that the enforcement policies and procedures are revised, any member institution involved in the processing of an infractions case shall be notified immediately of the change and the general membership shall be advised through The NCAA News.

19.3.1.2 Review by Management Council. Policies and procedures established by the Committee on Infractions, per Bylaw 19.3.1, are subject to review and approval in accordance with the legislative process. (Revised: 1/12/04)

19.3.2 Amendment to Enforcement Procedures. The enforcement policies and procedures set forth in Bylaw 32 may be amended in accordance with the legislative process. (Revised: 1/12/04)

19.4 NOTICE OF CHARGES AND OPPORTUNITY TO APPEAR

19.4.1 For Major Violations. A member under investigation for major violations shall be given the following:

(a) Notice of any specific charges against it and the facts upon which such charges are based; and
(b) An opportunity to appear before the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.5.2.2.1) to answer such charges by the production of evidence (see Bylaw 19.6). (Revised: 1/16/93, 1/10/95, 1/12/04)

19.4.2 For Secondary Violations. A member under investigation for secondary violations shall be given the following:

(a) Notice of any specific charges against it and the facts on which such charges are based; and
(b) An opportunity to provide a written response to the vice president for enforcement services (or to appear before the Committee on Infractions on appeal) to answer such charges by the production of evidence (see Bylaw 19.6).

19.4.3 New Findings. When an institution and involved individual appears before the committee to discuss a response to the notice of allegations, the hearing shall be directed toward the general scope of the notice of allegations but shall not preclude the committee from finding any violation resulting from information developed or discussed during the hearing. (Revised: 4/25/03)

19.5 PENALTIES

19.5.1 Penalties for Secondary Violations. The vice president for enforcement services, on approval by the chair or another member of the Committee on Infractions designated by the chair, or the committee may determine that no penalty is warranted in a secondary case, that an institutional- or conference-determined penalty is satisfactory or, if appropriate, impose a penalty. Among the disciplinary measures are: (Revised: 1/11/94, 1/17/08)

(a) Termination of the recruitment of a prospective student-athlete by the institution or, if the prospective student-athlete enrolls (or has enrolled) in the institution, permanent ineligibility to represent the institution in intercollegiate competition (unless eligibility is restored by the Committee on Student-Athlete Reinstatement on appeal);
(b) Forfeit/vacate contests in which an ineligible student-athlete participated; (Revised: 6/3/05)
(c) Prohibition of the head coach or other staff members in the involved sport from participating in any off-campus recruiting activities for up to one year; (Revised: 1/11/94)

Requirement that a member institution that has been found in violation, or that has an athletics department staff member who has been found in violation of the provisions of NCAA legislation while representing another institution, show cause why a penalty or an additional penalty should not be imposed if it does not take appropriate disciplinary or corrective action against the athletics department personnel involved, any other institutional employee, if the circumstances warrant, or representatives of the institution's athletics interests.

(Adopted: 1/11/94)

19.5.2 Penalties for Major Violations.

19.5.2.1 Presumptive Penalty. The presumptive penalty for a major violation, subject to exceptions authorized by the Committee on Infractions on the basis of specifically stated reasons, shall include all of the following: (Revised: 1/11/94)

   (3) The violation(s) reflect a lack of institutional control. (Adopted: 1/11/94)
(f) Institutional recertification that the current athletics policies and practices conform to all requirements of NCAA regulations.

19.5.2.2 Disciplinary Measures. In addition to those penalties prescribed for secondary violations, among the disciplinary measures, singly or in combination, that may be adopted by the committee (or the Infractions Appeals Committee per Bylaw 19.2) and imposed against an institution for major violations are: (Revised: 1/16/93, 1/11/94, 1/10/95, 4/25/03)

19.5.2.4 Probationary Periods.

A recommendation should not be made to the membership that the institution's membership in the Association be suspended or terminated if, in the opinion of the committee (or the Infractions Appeals Committee per Bylaw 19.2), it does not take appropriate disciplinary or corrective action against the head coach of the sport involved, any other institutional employee, if the circumstances warrant, or representatives of the institution's athletics interests; (Revised: 1/10/95, 1/12/04)

19.5.2.3.2 Repeat-Violator Penalties. (d) The requirement that the institution relinquish its voting privilege in the Association for a four-year period.

19.5.2.4 Probationary Periods.

19.5.2.4.1 Conditions of Probation. The committee (or the Infractions Appeals Committee per Bylaw 19.2) may identify possible conditions that an institution must satisfy during a probationary period. Such conditions shall be designed on a case-by-case basis to focus on the institution's administrative weaknesses detected in the case and shall include, but not be limited to, written reports from the institution pertaining to areas of concern to the committee (or the Infractions Appeals Committee per Bylaw 19.2), in-person reviews of the institution's athletics policies and practices by the NCAA administrator for the Committee.
on Infractions, implementation of educational or deterrent programs, and audits for specific programs or teams. If the institution fails to satisfy such conditions, the committee (or the Infractions Appeals Committee per Bylaw 19.2) may reconsider the penalties in the case and may extend the probationary period and/or impose additional sanctions. (Revised: 1/10/95, 4/25/03)

19.5.2.4.2 Review Prior to Restoration of Membership Rights and Privileges. In the event the committee imposes a penalty involving a probationary period, the institution shall be notified that after the penalty becomes effective, the NCAA administrator for the Committee on Infractions will review the athletics policies and practices of the institution before action by the committee to restore the institution to full rights and privileges of membership in the Association. (Revised: 1/10/95)

19.5.2.5 Television Appearance Limitations. In some instances, an institution is rendered ineligible to appear on television programs. When an institution is banned from such television programs, the penalty shall specify that the institution may not enter into any contracts or agreements for such appearances until the institution's probationary status has been terminated and it has been restored to full rights and privileges of membership. (Revised: 1/10/92)

19.5.2.5.1 Closed-Circuit Telecast Exception. The Championships Committee is authorized to permit a closed-circuit telecast, limited to the campus of the opponent of the ineligible institution, it being understood that no rights fee is to be paid to the ineligible institution.

19.5.2.6 Disassociation of Representatives of Athletics Interests. The disassociation of relations with a representative of an institution's athletics interests may be imposed on a permanent basis, for the duration of the applicable probationary period or for another specified period of time. When an institution is required to show cause why a representative of the institution's athletics interests should not be disassociated from its athletics program, such disassociation shall require that the institution:

(a) Refrain from accepting any assistance from the individual that would aid in the recruitment of prospective student-athletes or the support of enrolled student-athletes;
(b) Not accept financial assistance for the institution's athletics program from the individual;
(c) Ensure that no athletics benefit or privilege be provided to the individual that is not generally available to the public at large; and
(d) Take such other actions against the individual that the institution determines to be within its authority to eliminate the involvement of the individual in the institution's athletics program.

19.5.2.7 Notification to Regional Accrediting Agency. When an institution has been found to be in violation of NCAA requirements, and the report reflects academic violations or questionable academic procedures, the NCAA president shall be authorized to forward a copy of the report to the appropriate regional accrediting agency.

19.5.2.8 Review of Penalty.

19.5.2.8.1 Newly Discovered Evidence or Prejudicial Error. When a penalty has been imposed and publicly announced and the appeal opportunity has been exhausted, there shall be no review of the penalty except on a showing of newly discovered evidence (per Bylaw 19.02.3) that is directly related to the findings in the case or that there was a prejudicial error in the procedure that was followed in the processing of the case by the committee. (Revised: 1/9/96)

19.5.2.8.1.1 Review Process. Any institution that initiates such a review shall be required to submit a brief of its appeal to the committee and to furnish sufficient copies of the brief for distribution to all members of the committee. The committee shall review the brief and decide by majority vote whether it shall grant a hearing of the appeal.

19.5.2.8.1.2 Institution or Conference Discipline as New Evidence. Disciplinary measures imposed by the institution or its conference, after the NCAA's action, may be considered to be "newly discovered evidence" for the purposes of this section.

19.5.2.8.1.3 No Imposition of New Penalty. If a hearing of the appeal is granted, the committee may reduce or eliminate any penalty but may not impose any new penalty. The committee's decision with respect to the penalty shall be final and conclusive for all purposes.

19.5.2.8.2 Reconsideration of Penalty. The institution shall be notified that should any portion of the penalty in the case be set aside for any reason other than by appropriate action of the Association, the penalty shall be reconsidered by the NCAA. In such cases, any extension or adjustment of a penalty shall be proposed by the Committee on Infractions after notice to the institution and hearing. Any such action by the committee shall be subject to appeal.

19.5.3 Discipline of Affiliated or Corresponding Member.

19.5.3.1 Termination or Suspension. The membership of any affiliated or corresponding member failing to meet the conditions and obligations of membership or failing to support and adhere to the purposes and policies set forth in Constitution 1 may be terminated or suspended or the member otherwise may be disciplined through the following procedure:
(a) The Management Council, by a two-thirds majority of its members present and voting, may take such action on its own initiative; or (Adopted: 1/11/89)

(b) The Committee on Infractions, by majority vote, may recommend such action to the Management Council, which may adopt the recommendation by a two-thirds vote of its members present and voting; and

(c) The affiliated or corresponding member shall be advised of the proposed action at least 30 days before any Committee on Infractions or Management Council meeting in which such action is considered and shall be provided the opportunity to appear at any such meeting.

19.6 RIGHTS OF MEMBER TO APPEAL

19.6.1 Appeal of Secondary Violations. A member shall have the right to appeal actions taken by the vice president for enforcement services in reference to secondary violations. To appeal, the member must submit a written notice of appeal to the Committee on Infractions. The Committee on Infractions must receive the written notice of appeal and any supporting information within 30 days of the date the institution receives the enforcement staff’s decision. (Revised: 1/14/97 effective 8/1/97)

19.6.2 Appeal of Major Violations. A member shall have the right to give written notice of appeal of the committee’s findings of major violations (subject to Bylaw 32.10.1), the penalty, or both to the Infractions Appeals Committee per Bylaw 19.2. (Revised: 1/16/93, 1/10/95, 4/25/03)

19.6.3 Appeal by an Institutional Staff Member. If any current or former institutional staff member participates in a hearing before the Committee on Infractions and is involved in a finding of a violation against that individual, the individual shall be given the opportunity to appeal any of the findings in question (subject to the conditions of Bylaw 32.10.1) or the committee’s decision to issue a show-cause order to the Infractions Appeals Committee. Under such circumstances, the individual and personal legal counsel may appear before the appeals committee at the time it considers the pertinent findings. (Revised: 1/16/93, 1/10/95, 1/6/96, 4/25/03)

19.6.4 Student-Athlete Appeal. If an institution concludes that continued application of the rule(s) would work an injustice on any student-athlete, an appeal shall be submitted to the Committee on Student-Athlete Reinstatement and promptly reviewed.

19.6.4.1 Obligation of Institution to Take Appropriate Action. When the committee (or the Infractions Appeals Committee per Bylaw 19.2) finds that there has been a violation of the constitution or bylaws affecting the eligibility of an individual student-athlete or student-athletes, the institution involved and its conference(s), if any, shall be notified of the violation and the name(s) of the student-athlete(s) involved, it being understood that if the institution fails to take appropriate action, the involved institution shall be cited why it should not be disciplined for a failure to abide by the conditions and obligations of membership (declaration of ineligibility) if it permits the student-athlete to compete. (Revised: 1/10/95, 4/25/03)

19.7 RESTITUTION

If a student-athlete who is ineligible under the terms of the constitution, bylaws or other legislation of the Association is permitted to participate in intercollegiate competition contrary to such NCAA legislation but in accordance with the terms of a court restraining order or injunction operative against the institution attended by such student-athlete or against the Association, or both, and said injunction is voluntarily vacated, stayed or reversed or it is finally determined by the courts that injunctive relief is not or was not justified, the Management Council may take any one or more of the following actions against such institution in the interest of restitution and fairness to competing institutions:

(a) Require that individual records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;

(b) Require that team records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;

(c) Require that team victories achieved during participation by such ineligible student-athlete shall be abrogated and the games or events forfeited to the opposing institutions;

(d) Require that individual awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;

(e) Require that team awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;

(f) Determine that the institution is ineligible for one or more NCAA championships in the sports and in the seasons in which such ineligible student-athlete participated;

(g) Determine that the institution is ineligible for invitational and postseason meets and tournaments in the sports and in the seasons in which such ineligible student-athlete participated;
(h) Require that the institution shall remit to the NCAA the institution's share of television receipts (other than the portion shared with other conference members) for appearing on any live television series or program if such ineligible student-athlete participates in the contest(s) selected for such telecast, or if the Management Council concludes that the institution would not have been selected for such telecast but for the participation of such ineligible student-athlete during the season of the telecast; any such funds thus remitted shall be devoted to the NCAA postgraduate scholarship program; and

(i) Require that the institution that has been represented in an NCAA championship by such a student-athlete be assessed a financial penalty as determined by the Committee on Infractions. (Revised: 1/8/01 effective 8/1/01)
20.01 GENERAL PRINCIPLES

20.01.1 Membership in the Association. Eligibility for membership in the Association; conditions, obligations and classes of Association membership; and procedures governing the termination, suspension and reinstatement of such membership are governed by Constitution 3.

20.01.2 Division Membership. Each active and provisional member institution and member conference is designated as a member of Division I, II or III for certain legislative and competitive purposes. In football, Division I is divided into Football Bowl Subdivision and NCAA Football Championship Subdivision (see Bylaw 20.8.1). Multidivision classification is permitted under specified circumstances (see Bylaw 20.4).

20.02 DEFINITIONS AND APPLICATIONS

20.02.1 Multidivision Classification. Multidivision classification is the procedure in which a member institution may petition to have a certain sport or sports classified in a division other than the division in which it holds membership (see Bylaw 20.4).

20.02.2 Performance Criterion. A performance criterion is a requirement for membership or classification in a division that must be met by the member institution before the date that the requirement becomes effective; i.e., during the academic year before the effective date. Performance criteria include, but are not limited to, minimum sports sponsorship requirements, minimum scheduling requirements and minimum game-attendance requirements.

20.02.3 Provisional Membership. Provisional membership is a prerequisite for active membership and shall not be less than a four-year period. During the third and fourth years of provisional membership, an institution shall administer its athletics programs in accordance with the constitution, bylaws and other legislation of the Association. (Adopted: 1/11/94 effective 9/2/94, Revised: 1/14/97 effective 8/1/97 for institutions petitioning for provisional membership on or after 8/1/97, 8/1/01)

20.02.4 Probation. Probation is a membership classification status assigned to an institution which indicates that an institution’s membership is not in good standing. The status of probation serves as a warning that certain conditions and obligations of membership have not been satisfied and failure to correct such deficiencies shall result in the institution’s reclassification to the category of restricted membership. During the probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided with the guiding principles to establish a model Division III athletics program. An institution does not lose membership benefits as a result of being placed on probation. (Revised: 1/9/06, 1/8/07 effective 8/1/07, for any application of member penalties [probation or restricted membership status] based on the sports sponsorship audit shall be based on information reported for the 2006-07 year and beyond)

20.02.5 Restricted Membership. Restricted membership is a membership classification status assigned to an institution that fails to comply with the minimum requirements of its division (e.g., sports sponsorship) and has failed during its period of probation to rectify such deficiencies as identified by the Division III Membership Committee on Infractions. The institution placed in such status is subject to loss of eligibility for a number of membership privileges, including championships eligibility, voting privileges, Division III grant and initiative funding and catastrophic-injury insurance. The institution has from one year to three years to comply with the requirement involved. Failure to comply shall result in the institution’s reclassification to corresponding membership (see Bylaw 20.2.5). If the institution is placed in restricted membership more than one year after its probationary year or without having served a probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided with the guiding principles to establish a model Division III athletics program. (Revised: 1/9/06, 1/8/07 effective
198

20.02.6 Emerging Sports for Women.
The following shall be considered emerging sports for women: (Adopted: 1/11/94 effective 9/1/94)
(a) Team Sports: rugby; and (Revised: 1/13/98, 1/13/03 effective 8/1/03, 1/17/09 effective 8/1/09)
(b) Individual Sports: squash. (Revised: 1/12/99, 1/13/03 effective 8/1/03, 1/17/09 effective 8/1/09)

20.02.6.1 Additional Emerging Sports. The Presidents Council periodically shall identify future emerging sports for women. (Adopted: 1/11/94 effective 9/1/94)

20.02.6.2 Removal of Emerging Sports. A sport shall no longer be considered an emerging sport once the sport has been established as a championship sport. Further, an emerging sport is limited to a 10-year time period to become a championship sport unless it can be demonstrated that steady growth has occurred during that time. (Adopted: 1/13/98)

20.02.7 Mixed Team. A mixed team is a varsity intercollegiate sports team on which at least one individual of each gender competes. (Revised: 5/4/06)

20.1 DETERMINATION OF DIVISIONS
20.1.1 Designation of Division by Active and Provisional Members. Each active and provisional member institution shall be designated as a member of Division I, Division II or Division III for certain legislative and competitive purposes. (Revised: 1/11/94 effective 9/2/94)

20.1.1.1 Men's and Women's Programs in Different Divisions. An institution shall not classify its women's athletics program in a division other than the institution's membership division, unless its women's program was so classified before January 11, 1991; further, for those institutions so classified, the Executive Committee, by a two-thirds majority of its members present and voting, may permit the institution's women's athletics program to be classified in a division other than its membership division, provided it determines every three years that unusual circumstances warrant such action. (Revised: 1/10/91)

20.1.1.2 Multidivision Classification. A member may request classification and eligibility in more than one division in accordance with provisions permitting multidivision classification, eligibility and voting (see Bylaw 20.4).

20.1.2 Designation of Division by Member Conference. Each member conference shall determine the membership division it desires for legislative and/or competitive purposes. When designating the division, at least 50 percent or a minimum of 25 of the conference's institutions must hold membership in that division. The Executive Committee shall determine the membership division of a member conference not meeting these criteria.

20.2 ESTABLISHMENT OF AND COMPLIANCE WITH DIVISION CRITERIA
20.2.1 Adoption of Criteria. The members of each division, by majority vote, may establish division criteria for membership and competition by sport.

20.2.2 Effective Date and Compliance Period. In establishing criteria, the members of the division shall specify the effective date and compliance period, if any. Each institution (either as a member of that division or as an institution that competes in a sport in that division under the provisions of multidivision classification per Bylaw 20.4) shall conform to the requirements of the criteria by that effective date or by the end of the compliance period, whichever is later. Amendments to membership criteria shall be effective the September 1 after adoption or a future September 1.

20.2.2.1 Deadline for Meeting Performance Criterion. An institution must comply with any specific performance criterion adopted by the membership of its division (e.g., that the institution sponsor a minimum number of sports, schedule and play a specific percentage or number of contests against opponents of a certain division, or demonstrate a specific level of paid attendance) by the end of the academic year before the effective date of the legislation.

20.2.3 Failure to Conform by Effective Date. If an institution has not conformed to the adopted criteria of its division by the effective date or the end of the prescribed compliance period, the institution's membership (or its sport per Bylaw 20.4) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution (or its sport per Bylaw 20.4) shall be reclassified in accordance with Bylaw 20.2.5.

20.2.4 Continuation of Compliance. To retain division membership or approved multidivision classification (per Bylaw 20.4), each member institution shall continue to meet division criteria when any grace period expires. If an institution fails to remain in compliance with its division's criteria, the institution's membership (or its sport per Bylaw 20.4) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution shall be reclassified in accordance with Bylaw 20.2.5 and also shall be subject to the Association's enforcement procedures.
20.2.5 Noncompliance and Waivers of Division Criteria.

20.2.5.1 Restricted Membership.

20.2.5.1.1 Minimum One-Year Compliance Period. If an institution (or its sport per Bylaw 20.4) does not qualify for membership in any division, the institution (or its sport per Bylaw 20.4) may be placed in a “restricted membership” category for a minimum of one year. At the conclusion of the minimum one-year period, the institution automatically shall be granted membership in its preferred division, provided the institution complies with the division’s criteria. If the member does not meet the criteria of any division at the end of the “restricted membership” period, the member shall be reclassified as a corresponding member.

20.2.5.1.2 Failure to Meet Minimum Sports Sponsorship Criteria.

20.2.5.1.2.1 One-Year Probationary Period. An institution that fails to meet either the minimum men’s or women’s sports sponsorship criteria for its division shall be placed on probation for one year for its entire program (both men’s and women’s sports) in the next academic year after noncompliance with sports sponsorship requirements is discovered. An institution shall be afforded the one-year probationary period for failure to comply with sports sponsorship criteria only once in every 10-year period. The 10-year period shall begin the September 1 after completion of the academic year in which the membership criterion is not met. (Revised: 1/11/89)

20.2.5.1.2.2 Application of Restricted Membership Status. If an institution fails to meet the sports sponsorship criteria at the end of the probationary year or is ineligible for the one-in-10-year probationary period, it shall be placed in “restricted membership” and shall not be eligible for NCAA championship competition in all sports (both men’s and women’s) in the first academic year after the probationary year (or the first academic year after failure to meet the requirements if the institution is ineligible for the one-in-10-year probationary period). If the institution still cannot certify compliance with the division criteria at the end of that year, it shall be reclassified as a corresponding member. (Revised: 1/11/89)

20.2.5.1.2.3 Waiver. The Management Council, on recommendation of the Membership Committee, may grant waivers of Bylaw 20.2.5.1.2 if it deems that unusual circumstances warrant such action. (Revised: 5/4/06)

20.2.5.1.3 Voting Privileges and Eligibility for Championships. The institution shall identify its preferred division and, during the period of “restricted membership,” shall be:

(a) In compliance to the greatest extent possible with that division’s scheduling criteria;
(b) Bound by all other applicable rules of the Association;
(c) Permitted to vote only on dominant issues, unless the “restricted membership” status is in one sport, in which case its loss of voting privileges shall apply only to that sport; and
(d) Ineligible for NCAA championships and postseason football contests, unless the “restricted membership” status is in one sport, in which case its loss of eligibility for championships and postseason football contests shall apply only to that sport.

20.2.5.1.4 Division Members Counting a Restricted Opponent. During the period of its “restricted membership,” an institution may be counted by its classified opponents as a member of the restricted institution’s desired division for purposes of the opponents’ meeting their division’s scheduling criteria; however, a restricted member shall not count another restricted member for such purposes.

20.2.5.1.4.1 Restricted Members Counting a Restricted Opponent. A contest between two institutions in “restricted membership” status in a sport shall not be counted as a contest by either institution for purposes of the scheduling criterion in the sport in which they are restricted, provided this exception is not applied to more than 25 percent of an institution’s contests in the sport in question for any particular season.

20.2.5.1.5 No Voluntary Selection of “Restricted Membership” Category. “Restricted membership” status is imposed only when an institution has failed to comply with division membership criteria. An institution is not permitted to select voluntarily or to request that it be placed in the “restricted membership” category.

20.2.5.1.6 Removal of “Restricted Membership” Status. When an institution that has been placed in “restricted membership” status wishes to return to its original membership division, it shall meet the criteria that were in effect at the time it became restricted or that have become effective since that time. If a restricted institution wishes to move to a different membership division, it is considered a petitioner for a change of division membership per Bylaw 20.6 and would be required to meet all of the new division’s criteria at the time the institution leaves restricted status.

20.2.5.2 Waivers of Division Membership Criteria. If an institution applying for multidivision classification or change of division membership, or an institution placed in the “restricted membership” category (per Bylaw 20.2.5.1), does not meet the criteria of its preferred division, or if an active member institution does not meet (or does not expect to meet within the applicable compliance period, if any) new criteria adopted by the membership of its division, it may request a waiver of the criteria of the preferred division according to the pro-
20.2.5.2.1 Submission of Request. The institution shall submit (by mail or wired transmission) its request for a waiver (signed by the institution's president or chancellor) to the NCAA president, and it shall be received in the national office not later than September 15. Any request received after that date shall be postmarked not later than September 8. The request shall include pertinent information supporting the institution's request. Additionally, the institution shall distribute this information to the president or chancellor, faculty athletics representative, athletics director and senior woman administrator of athletics programs at each member institution in the preferred division, as well as the executive officer of each member conference of that division, postmarked not later than December 1. (Revised: 1/11/94)

20.2.5.2.1.1 Waiver. The Management Council, by a two-thirds majority of its members present and voting, may waive the September 15 deadline set forth in Bylaw 20.2.5.2.1 due to circumstances beyond an institution's control. (Adopted: 1/9/96)

20.2.5.2.2 Effective Date of Waiver. If the Management Council votes to admit the institution as a member of that division, such classification shall become effective: (Revised: 1/12/99)

(a) In accordance with the requirements of Constitution 3.2.3.3 if a new member of the Association is involved;
(b) September 1 after the approval of the waiver by the Management Council if an active member institution is seeking multidivision classification or change of division membership; or (Revised: 1/10/90, 1/12/99)
(c) Immediately if the institution receives a waiver of the "restricted membership" classification. (Adopted: 1/11/89)

20.2.5.2.2.1 Maximum Three-Year Waiver Period. If after three years from the effective date of multidivision classification or reclassification (September 1 after the approval of the waiver by the Management Council) the institution receiving such a waiver has not conformed to all adopted criteria of the division, the institution's membership (or its sport per Bylaw 20.4): (Revised: 1/11/94 effective 9/2/94, 1/12/99)

(a) Shall be assigned to a division for which it qualifies in accordance with Bylaw 20.4.1; or
(b) Shall be placed in the "restricted membership" category for a minimum of one year in accordance with Bylaw 20.2.5.1 if the member (or its sport per Bylaw 20.4) does not qualify for any division.

20.2.5.2.2.2 Eligibility for Championships. The institution receiving such a waiver shall be accorded all privileges of division membership during this waiver period; however, its eligibility for championships shall require compliance with the institutional eligibility requirements of Bylaws 20.4.4 or 20.6.3.

20.2.5.2.3 Rejection of Waiver Request. If the Management Council rejects the institution's request, the institution's membership (or its sport per Bylaw 20.4): (Revised: 1/12/99)

(a) Shall be reassigned to a division for which it qualifies; or
(b) Shall be placed in the "restricted membership" category if it does not qualify for any division (see Bylaw 20.2.5.1).

For legislation applicable to institutions that applied for Division III membership or petitioned for reclassification to Division III prior to August 1, 2007, please refer to the 2006-07 NCAA Division III Manual or the NCAA Division III Homepage at www.ncaa.org.

**20.7.1.1 Division III Application.** A member institution that has a sport classified in Division I must apply the rules of both divisions, or the more stringent rule if both divisions have a rule concerning the same issue except that in either instance, the institution may apply the Division I playing and practice season regulations of Bylaw 17 in the Division I sport. *(Revised: 1/11/94)*

**20.7.1.1.1 Waivers.** If a member institution conducts a men’s or women’s sport that was classified in Division I during the 1982-83 academic year, the Management Council, on recommendation of the Membership Committee, by a two-thirds majority of its members present and voting, may approve waivers of the application of the Division III regulations to such a sport. This provision also applies to such an institution that later reclassifies a sport for the opposite gender to Division I. This waiver provision is subject to the following additional conditions: *(Revised: 1/12/04 effective 8/1/08)*

(a) The opportunity is available only to an institution that obtained the waiver prior to January 1, 2004, and used it during the 2002-03 academic year; and

(b) An institution that obtained a waiver for a sport for one gender prior to January 1, 2004, and used it during the 2002-03 academic year, may later request that the waiver be applied to a sport for the other gender only on approval of the Management Council, by a two-thirds majority vote of its members present and voting. An active member institution in good standing, regardless of division, is eligible for the National Collegiate Championships if a division championship in the respective sport is not offered in its division. Such an institution normally is required to meet only the institutional and individual eligibility requirements of its division that govern the sport in question. However, in those sports in which two-thirds or more of the institutions sponsoring the sport are members of the same division, an institution participating in the championship is required to meet that division’s and its own division’s institutional and individual eligibility requirements (or the more stringent rule if both divisions’ rules address the same issue).

**20.8.2 Options When No Division III Championship Is Conducted.** An active member institution that holds membership in Division III is eligible to compete in the Division II championships in those sports for which no championship is conducted in Division III. Such an institution is required to meet only the institutional and individual eligibility requirements of Division III that govern the sport in question.

**20.8.2.1 Exception for Maximum Number of Contests or Dates of Competition.** A Division III member institution that is eligible for a championship in another division because there is no championship in...
that sport in its membership division shall apply the maximum number of contests or dates of competition in the sport involved that applies to the division in which it declares its intention to compete.

20.11 DIVISION III MEMBERSHIP REQUIREMENTS

DIVISION III PHILOSOPHY STATEMENT

Colleges and universities in Division III place highest priority on the overall quality of the educational experience and on the successful completion of all students' academic programs. They seek to establish and maintain an environment in which a student-athlete's athletics activities are conducted as an integral part of the student-athlete's educational experience, and in which coaches play a significant role as educators. They also seek to establish and maintain an environment that values cultural diversity and gender equity among their student-athletes and athletics staff. (Revised: 1/10/95, 1/9/06 effective 8/1/06)

To achieve this end, Division III institutions:

(a) Place special importance on the impact of athletics on the participants rather than on the spectators and place greater emphasis on the internal constituency (e.g., students, alumni, institutional personnel) than on the general public and its entertainment needs;

(b) Shall not award financial aid to any student on the basis of athletics leadership, ability, participation or performance; (Revised: 7/24/07)

(c) Encourage the development of sportsmanship and positive societal attitudes in all constituents, including student-athletes, coaches, administrative personnel and spectators;

(d) Encourage participation by maximizing the number and variety of athletics opportunities for their students;

(e) Assure that the actions of coaches and administrators exhibit fairness, openness and honesty in their relationships with student-athletes;

(f) Assure that athletics participants are not treated differently from other members of the student body;

(g) Assure that athletics programs support the institution's educational mission by financing, staffing and controlling the programs through the same general procedures as other departments of the institution. Further, the administration of an institution's athletics program (e.g., hiring, compensation, professional development, certification of coaches) should be integrated into the campus culture and educational mission; (Revised: 1/9/06 effective 8/1/06)

(h) Assure that athletics recruitment complies with established institutional policies and procedures applicable to the admission process; (Adopted: 1/12/04 effective 8/1/04)

(i) Assure that academic performance of student-athletes is, at a minimum, consistent with that of the general student body; (Adopted: 1/9/06 effective 8/1/06)

(j) Assure that admission policies for student-athletes comply with policies and procedures applicable to the general student body; (Adopted: 1/9/06 effective 8/1/06)

(k) Provide equitable athletics opportunities for males and females and give equal emphasis to men's and women's sports;

(l) Support ethnic and gender diversity for all constituents; (Adopted: 1/12/99)

(m) Give primary emphasis to regional in-season competition and conference championships; and

(n) Support student-athletes in their efforts to reach high levels of athletics performance, which may include opportunities for participation in national championships, by providing all teams with adequate facilities, competent coaching and appropriate competitive opportunities.

The purpose of the NCAA is to assist its members in developing the basis for consistent, equitable competition while minimizing infringement on the freedom of individual institutions to determine their own special objectives and programs. The above statement articulates principles that represent a commitment to Division III membership and shall serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences.

20.11.1 Regular-Season Eligibility. A member institution shall conduct its regular-season competition under eligibility rules at least as stringent as those provisions of Bylaw 14 applicable to members (see Bylaw 14.1.1).

20.11.3.1 Acceptable Sports. The sports designated to meet the sports sponsorship criteria shall:

(b) Be recognized by the institution as varsity intercollegiate sports (see Constitution 3.2.4.4); and

(c) Involve all-male teams, mixed teams of males and females or all-female teams.

20.11.3.1.1 Waiver. The Management Council, on recommendation of the Membership Committee, by a two-thirds majority of its members present and voting, may approve a request to designate one sport involving all-male teams or mixed teams of males and females and one sport involving all-female teams other than those in which the Association sponsors a championship to meet the division sports sponsorship criteria.

ADMINISTRATIVE BYLAW, ARTICLE 30

Administrative Regulations

30.01 GENERAL PRINCIPLE
Constitution 5.2.3 authorizes the Presidents Council and the Management Council to adopt or amend administrative regulations. (Revised: 1/9/96 effective 8/1/97)

30.1 ADMISSIONS AND GRADUATION-RATE DISCLOSURE
An institution shall not be eligible to enter a team or an individual competitor in an NCAA championship unless it has completed and submitted a copy of the Integrated Postsecondary Education Data System Graduation-Rate Survey (IPEDS GRS-1) to the NCAA national office on or before the applicable deadline established by federal regulations. (Revised: 1/10/90, 1/6/91 effective immediately for data collection, 4/15/92, 1/14/97, 10/28/97, 4/13/99, 4/29/04)

30.3 CERTIFICATION OF COMPLIANCE
A member institution shall not be eligible to enter a team or individual competitor in an NCAA championship unless its president or chancellor makes an annual institutional eligibility certification [see Bylaw 18.4.2.1-(d)] attesting that the conditions set forth in this section have been satisfied. The certification shall be completed not later than September 15. (Revised: 1/10/95, 10/3/05)

30.3.1 NCAA Rules Review. The president or chancellor or a designated representative has reviewed with all athletics department staff members the rules and regulations of the NCAA as they apply to the administration and conduct of intercollegiate athletics.

30.3.2 Coaching Staff Disciplinary Actions. At the time of such certification, and as a result of involvement in a violation of the Association’s legislation as determined by the Committee on Infractions or the Management Council, no current member of the institution’s coaching staff:

(a) Shall have been temporarily or permanently suspended from coaching duties by another member institution within the last two years; or

(b) Shall have been prohibited within the last two years, as a result of violations occurring while employed by another member institution, from participating in identified coaching-related activities, unless the prohibition has been equally applied by the certifying institution with respect to the individual’s coaching-related activities on behalf of it; or

(c) Shall have been permitted within the last two years to perform any coaching-related activities for the certifying institution that were prohibited after determination by the Committee on Infractions of an “appropriate disciplinary action” for the individual in accordance with the show-cause provision of Bylaw 19.5.2.2-(l) of the NCAA enforcement procedures.

30.3.2.1 Period of Suspension or Prohibition. The period of suspension or prohibition established by the Infractions Subcommittee or the Management Council must be in effect for the provisions set forth in Bylaw 30.3.2 to apply.

30.3.2.2 Due-Process Requirement. The affected coaching staff member must be given through the appropriate institution notice of an opportunity to be heard at both the NCAA hearing resulting in the finding of involvement in the violation and the institutional hearing resulting in suspension or prohibition.
30.3.3 Certification of Policies, Procedures and Practices. The policies, procedures and practices of the institution, its staff members and representatives of athletics interests are in compliance at the present time with the Association's legislation insofar as the president or chancellor can determine. (Revised: 10/3/05)

30.3.4 Maintenance of Compliance. It is the intention of the institution to maintain such compliance.

30.3.5 Report of NCAA Violation Involving Institution. A current statement has been filed with the president or chancellor, as a part of the institution's annual certification, which is signed by each athletics department staff member and by the institutional financial aid officer or comparable campus official, attesting that the individual has reported any knowledge of an involvement in any violations of NCAA legislation involving the institution. (Revised: 1/10/05, 10/3/05)

30.4 CONSORTIUM, ATHLETICS

An athletics consortium (see Constitution 3.1.2) may be approved by a two-thirds vote of the Management Council, on recommendation of the Membership Committee, provided the criteria specified below are met.

30.4.1 General Policy. In general, a consortium shall be approved on the basis of existing academic considerations with the understanding that there shall be no change in the basic recruitment, enrollment or financial aid policies of the involved institutions as a result of such approval.

30.4.2 Combining Entire Athletics Programs. The institutions shall combine their entire athletics programs, and the consortium shall not be formed on a sport-by-sport basis.

30.4.3 Conference Approval. An institution that belongs to an NCAA member conference first shall receive approval of its conference before instituting a consortium for its intercollegiate athletics program. If more than one institution holds such conference membership, all such conferences shall approve the consortium.

30.4.4 Eligibility Requirements for Student-Athletes. Participating student-athletes shall meet all eligibility requirements of the member institution(s), the athletics conference(s) involved and the NCAA. The member institution(s) shall certify the eligibility of all student-athletes under those rules.

30.4.5 Financial Assistance to Student-Athletes. Within a consortium:

(a) Each institution shall be responsible for the financial assistance awarded to its student-athletes. The financial arrangement between or among the institutions for the exchange of funds to cover the academic costs of student-athletes who take part in the exchange program shall apply to student-athletes in the same manner as it applies to those students not participating in the intercollegiate athletics program;

(b) One institution may not provide a scholarship or any other form of financial aid to a student-athlete enrolled in another institution or transmit a scholarship or gift aid to another institution to be used by one or more of its student-athletes; and

(c) Financial aid limitations as set forth in Bylaw 15 shall be applicable to the consortium as one entity and shall include all countable student-athletes, regardless of the institution in which they are enrolled.

30.4.6 Length of Approval. NCAA approval shall be for a four-academic-year period, at the end of which the institutions shall submit a report on the program setting forth its effect upon their academic and athletics operations. (Revised: 8/4/89)

30.4.7 NCAA Division Membership. The institutions may be members of different NCAA divisions but shall select one division for legislative and competitive purposes.

30.4.8 NCAA Member Involvement. At least one of the institutions already shall be a member of the NCAA, and no more than one nonmember institution shall be included.

30.4.9 NCAA Membership Application. The institutions shall apply for NCAA membership as a consortium and shall be considered as one member of the Association, with their combined names included on the official NCAA membership list. (Revised: 12/5/06)

30.4.10 Prior Academic Consortium Relationship. The institutions shall have had a prior academic consortium relationship.

30.4.11 Recruitment. It is permissible for one institution to recruit prospective student-athletes with a view to their possible enrollment at another institution in the consortium, provided the individuals qualify for admission to that institution and the athletics interests of the member institution are not involved, directly or indirectly, in influencing the admission or award of financial assistance.

30.5 DRUG-TESTING CONSENT FORM

The following procedures shall be used in administering the drug-testing consent form required in Bylaw 14.1.4 (see Constitution 3.2.4.6): (Adopted: 1/10/92 effective 8/1/92)

(a) The consent form shall be administered individually to each student-athlete by the director of athletics or the director of athletics' designee each academic year;
(b) The director of athletics or the director of athletics’ designee shall disseminate the list of banned drug classes to all student-athletes and educate them about products that might contain banned drugs. All student-athletes are to be notified that the list may change during the academic year, that updates may be found on the NCAA Web site (i.e., www.ncaa.org) and informed of the appropriate athletics department procedures for disseminating updates to the list; and
(c) The consent forms shall be kept on file by the director of athletics and shall be available for examination on request by an authorized representative of the NCAA.

30.6 10-SEMESTER/15-QUARTER RULE WAIVER
As authorized in Bylaw 14.2.23, the Management Council, or the Committee on Student-Athlete Reinstatement, by a two-thirds majority of its members present and voting, may approve waivers of the 10-semester/15-quarter rule.

30.6.1 Waiver Criteria. A waiver of the 10-semester/15-quarter period of eligibility is designed to provide a student-athlete with the opportunity to engage in four seasons of intercollegiate participation within a 10-semester/15-quarter period. This waiver may be granted, based upon objective evidence, for reasons that are beyond the control of the student-athlete and the institution, which deprive the student-athlete of the opportunity to participate for more than one season in his/her sport within the 10-semester/15-quarter period. The Committee on Student-Athlete Reinstatement reserves the right to review requests that do not meet the more-than-one-year criteria detailed in this bylaw for extraordinary circumstances or extreme hardship. (Revised: 4/17/91, 1/11/94, 8/10/94, 10/12/95, 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04)

30.6.1.1 Circumstances Beyond Control. Circumstances considered to be beyond the control of the student-athlete or the institution and do not cause a participation opportunity to be used shall include, but are not limited to, the following: (Adopted: 8/10/94, Revised: 10/12/95)
(a) Situations clearly supported by contemporaneous medical documentation, which states that a student-athlete is unable to participate in intercollegiate competition as a result of incapacitating physical or mental circumstances;
(b) The student-athlete is unable to participate in intercollegiate athletics as a result of a life-threatening or incapacitating injury or illness suffered by a member of the student-athlete’s immediate family, which clearly is supported by contemporaneous medical documentation; (Revised: 1/9/06)
(c) Reliance by the student-athlete on written, contemporaneous, clearly erroneous academic advice provided to the student-athlete from a specific academic authority from a collegiate institution regarding the academic status of the student-athlete or prospective student-athlete, which directly leads to that individual not being eligible to participate and, but for the clearly erroneous advice, the student-athlete would have established eligibility for intercollegiate competition; (Revised: 10/9/96 effective 8/1/97)
(d) Natural disaster (e.g., earthquakes, floods); and
(e) Extreme financial difficulties as a result of a specific event (e.g., layoff, death in the family) experienced by the student-athlete or by an individual on whom the student-athlete is legally dependent, which prohibit the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual on whom the student-athlete is legally dependent. (Adopted: 10/12/95, Revised: 10/28/97)

30.6.1.2 Circumstances Within Control. Circumstances that are considered to be within the control of the student-athlete or the institution and cause a participation opportunity to be used include, but are not limited to, the following: (Adopted: 8/10/94, Revised: 10/12/95)
(a) A student-athlete’s decision to attend an institution that does not sponsor his/her sport, or decides not to participate at an institution that does sponsor his/her sport;
(b) An inability to participate due to failure to meet institutional/conference or NCAA academic requirements, or disciplinary reasons or incarceration culminating in or resulting from a conviction; (Revised: 10/12/95)
(c) Reliance by a student-athlete on misinformation from a coaching staff member;
(d) Redshirt year;
(e) An inability to participate as a result of a transfer year in residence or fulfilling a condition for restoration of eligibility; and
(f) A student-athlete’s lack of understanding regarding the specific starting date of his or her 10-semester/15-quarter period of eligibility. (Adopted: 10/9/96 effective 8/1/97)
30.7 FOREIGN TOURS AND COMPETITION

30.7.1 Certification of Tour. The institution must certify in writing that the conditions set forth in this section are met and must maintain the certification on file in the athletics department. (Revised: 1/11/89)

30.7.2 Eligibility of Student-Athletes. The eligibility of student-athletes on the tour shall be governed by the following (see Bylaw 14.2.4.5):

(a) If the tour takes place during the summer, the student-athletes shall have been eligible for intercollegiate competition during the previous academic year or shall have been enrolled at the institution as a full-time student during the previous academic year and have established by the beginning of the tour that he or she is eligible for competition the academic year immediately after the tour; or (Revised: 1/11/00 effective 8/1/00)

30.7.2.1.1 Practice Session Participation. It is permissible for an eligible incoming student-athlete to participate in practice sessions conducted in preparation for a foreign tour only if the foreign-tour practice sessions begin after the permissible starting practice date in the involved sport or after the first day of classes of his or her first regular term at the institution. (Adopted: 1/9/06)

30.7.3 Time Lapse Between Tours. An institution shall not engage in a foreign tour in each sport more than once every three years. Participation during the summer is counted in the previous academic year. (Revised: 1/11/89)

30.7.4 Maximum Number of Contests/Competition Dates. A team shall be limited to a maximum of three football games, 10 basketball games or 10 contests or dates of competition in any other sport during and as part of the tour. (Revised: 1/10/91)

30.7.5 Opponents. The team shall not compete during the tour against other American teams (colleges or other U.S. teams) other than teams composed of U.S. armed forces personnel stationed at U.S. military bases in foreign countries.

30.7.5.1 Exception—Women’s Rowing. It is permissible for rowing teams representing NCAA member institutions to compete against each other as part of the Henley Royal Regatta. (Adopted: 1/11/00)

30.7.6 Practice Limitation. Not more than 10 days of practice are permitted before departure. The 10 days of practice are not required to occur on consecutive days, provided extenuating circumstances exist (e.g., final exams, convocation, summer class schedules, summer employment, etc.) that affect the institution's ability to conduct 10 days of practice in the 10 days immediately before departure and all practice days are conducted during the 20 calendar days immediately prior to the foreign tour departure date. Only student-athletes who will accompany the team on the foreign tour are permitted to participate in the 10 practice days (see Bylaw 17.1.6.2). (Revised: 10/18/04, 1/10/05, 1/9/06, 10/20/06)

30.7.7 Timing of Tour. The tour shall be scheduled during the summer-vacation period between the institution’s spring and fall terms or during any other vacation period published in the institution’s official catalog. All travel to and from the foreign country must take place during such a vacation period. However, if the team crosses the international date line during the tour, the change of date will be disregarded and the equivalent time as measured in the United States will be used to determine the institution’s vacation period. (Revised: 10/18/89)

30.7.8 Expenses.

30.7.8.1 Per Diem. An institution may provide a student-athlete $20 cash per day to cover unitemized incidental expenses incurred in connection with a foreign tour in his or her particular sport. This expense allowance may be provided for each day of the tour, to a maximum of 21 days. (Adopted: 1/10/05)

30.7.8.2 Post-Tour Stay. An institution may not provide transportation expenses to return home for a student-athlete who remains in the foreign country after the foreign tour is completed. (Adopted: 1/10/05)

30.7.8.3 Passports. An institution may purchase passports for its student-athletes that are required for travel in connection with a foreign tour, and student-athletes may retain ownership of such passports. The institution also may provide student-athletes with reasonable local transportation to obtain such passports. (Adopted: 1/10/05)

30.8 OUTSIDE COMPETITION, NATIONAL TEAM

Student-athletes are prohibited from participating in organized outside competition except as specifically provided in Bylaw 14.7. (Revised: 12/5/06)
30.8.1 National-Team Criteria. In applying the regulation permitting exceptions for student-athletes to participate during the institution’s intercollegiate season in international competition involving national teams represented in the competition, a national team is defined as one that meets the following criteria:

(a) It is selected, organized and sponsored by the appropriate Group A member of the U.S. Olympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or, for student-athletes competing in a non-Olympic sport, the equivalent organization in that sport);

(b) Selection for such a team is made on a national qualification basis either through a defined selective process or actual tryouts, publicly announced; and

(c) The international competition in question requires that the entries officially represent their respective nations, although it is not necessary to require team scoring by nation. (Revised: 12/5/06)

30.12 STUDENT-ATHLETE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) AUTHORIZATION/BUCKLEY AMENDMENT CONSENT FORM—DISCLOSURE OF PROTECTED HEALTH INFORMATION

The following procedures shall be used in administering the Student-Athlete HIPAA Authorization/Buckley Amendment Consent Form—Disclosure of Protected Health Information required by Bylaw 14.1.6 (see Constitution 3.2.4.7): (Adopted: 4/15/03 effective 8/1/04)

(b) Signing the authorization/consent shall be voluntary and is not required by the student-athlete’s institution for medical treatment, payment for treatment, enrollment in a health plan or for any benefits (if applicable) and is not required for the student-athlete to be eligible to participate; and

(c) Any signed authorization/consent forms shall be kept on file by the director of athletics.

30.12.1 Effect of Violations. Violations of the procedures set forth in Bylaw 30.12 shall be considered an institutional violation per Constitution 2.8.1; however, the violation shall not affect the student-athlete’s eligibility. (Adopted: 7/22/03 effective 8/1/04)

30.13 STUDENT-ATHLETE STATEMENT

The following procedures shall be used in administering the student-athlete statement required in Bylaw 14.1.3: (Revised: 8/4/89)

30.20 U.S. SERVICE ACADEMY WAIVERS

30.20.1 Preparatory School Assistance. The Management Council, by a two-thirds majority of its members present and voting, may approve waivers of Bylaw 13.16, provided such waivers are limited to procedures involving preparation for entrance into one of the U.S. service academies.

30.20.1.1 Air Force, Coast Guard, Merchant Marine, Military and Naval Academies Waiver. The Management Council, by a two-thirds majority of its members present and voting, has approved an exception to the prohibition against offering, providing or arranging to pay the costs of a prospective student-athlete’s education or other expenses before the prospective student-athlete’s enrollment (see Bylaws 13.16.1 and 13.16.2) in regard to the preparatory education programs of the U.S. Air Force, Coast Guard, Merchant Marine, Military and Naval Academies. This action provides that a nonprofit, outside organization representing the interests of one of the academies may collect contributions from alumni and other friends of the academy for the purpose of assisting candidates in obtaining a preparatory education, provided the following conditions are met: (Revised: 9/21/05)
(a) The foundation's arrangements with the preparatory school(s) shall provide that the foundation's contributions shall be turned over to the preparatory school for the school's administration without interference or dictation from the foundation or the academy;

(b) The preparatory school shall have sole jurisdiction in determining the recipient of financial assistance and the terms and conditions of the award;

(c) The foundation may recommend candidates to the preparatory school; athletics staff members of the academy may not; and

(d) Such a foundation shall provide preparatory education assistance for prospective candidates who do not have specialized athletics abilities as well as those who do. The number of candidates with recognized ability assisted each year as the result of the foundation's program shall be in equal ratio to the number of student-athletes on the regular intercollegiate squads of the academy compared to the total enrollment of the academy.

31.01 GENERAL PRINCIPLES

31.01.1 Names of Championships. All NCAA championships (see Bylaw 18.3) have formal designations that identify their appropriate category and sport classification (see Bylaw 31.02.2). The name of each championship is the property of the Association (see Bylaw 31.6).

31.01.2 Postseason Championship Opportunities. NCAA championships are intended to provide national-championship competition among the best eligible student-athletes and teams at the conclusion of the respective sport seasons, with consideration for regional structures that may be approved for certain championships.

31.01.3 Size of Championships Fields. The size of all NCAA championships fields shall be established by the Championships Committee to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. (See Bylaw 31.3.1 for the criteria to be considered in establishing the size of the championship field.)

31.01.4 Economy of Operation. Every sports committee and games committee (Bylaw 31.1.2) shall exercise all possible economy in the conduct of an NCAA championship.

31.02 DEFINITIONS AND APPLICATIONS

31.02.1 Automatic Qualification. Automatic qualification is the automatic entry into a championship field by a team or individual student-athletes representing a member conference recommended by the appropriate sports committee and approved by the championships committee (see Bylaw 31.3.4).

31.02.2 Championships Classification and Terminology.

31.02.2.1 Team Championships. Team championships are those conducted for the team sports (see Bylaw 17.02.12.1 or 31.3.4.4). The title of a team championship is always singular and is identified as a National Collegiate Championship or a division championship (e.g., National Collegiate Women's Rowing Championship, Division I Men's Basketball Championship).

31.02.2.2 Individual-Team Championships. Individual-team championships are those conducted for the individual sports (see Bylaw 17.02.12.2 or 31.3.4.4). The title of an individual-team championship is always plural, reflecting the fact that both individual and team championships are determined (e.g., National Collegiate Men's Gymnastics Championships, Division I Women's Tennis Championships).

31.02.3 Misconduct. Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics. (Revised: 8/15/89, 8/13/92, 10/20/08)

31.1 ADMINISTRATION OF NCAA CHAMPIONSHIPS

31.1.1 Authority of Championships Committees and Sports Committees. As specified in Bylaw 18.1, all NCAA championships shall be conducted in accordance with the general policies established by the Championships Committee, the Management Council, the President's Council and/or Executive Committee and shall be under the control, direction and supervision of the appropriate sports committees, subject to the standards and conditions set forth in these executive regulations. Additional policies of an administrative nature are set forth.
in the respective championships handbooks and are to be followed in the administration of NCAA championships. (Revised: 8/22/07)

31.1.1.1 Waivers. The Championships Committee shall possess final waiver authority on all championships issues. An appeal of a decision of a governing sports committee, or a subcommittee designated by it, concerning questions of individual or institutional eligibility or the conduct of a championship will not be considered by the Championships Committee 48 hours immediately before the championship or at any time during the championship. During such period, the governing sports committee, or a subcommittee designated by it, shall be the final authority in acting upon appeals concerning the conduct of the championship, subject to the provisions of Bylaw 31.2 regarding institutional and individual eligibility questions.

31.1.2 Games Committee. The governing sports committee shall appoint a games committee to supervise actively the conduct of each championship session. The games committee conducting any NCAA championship shall limit participation to eligible student-athletes and may limit the number of entries or reject any application for entry in any event in order that the competition shall best promote the welfare and interest of the sport involved.

31.1.3 Sites and Dates. The governing sports committees recommend to the Championships Committee the sites and dates for all NCAA championships.

31.1.3.1 Championships Committee Approval. Championships Committee approval shall be obtained before final site commitments are made to the host institution or any other individual or organization associated with the management of an NCAA championship. However, in the sports of baseball, basketball, field hockey, football, ice hockey, lacrosse, soccer, softball and volleyball, the governing sports committees are authorized to select sites for preliminary rounds of competition without prior Championships Committee approval.

31.1.3.2 Site Selection. The governing sports committees shall evaluate prospective sites for NCAA championships in terms of the specific criteria approved by the Championships Committee. The division championships committees may assign specific priorities to these criteria for their respective championships. These shall be specified in the appropriate championships handbooks. A governing sports committee that desires to use additional criteria shall obtain Championships Committee approval before doing so.

31.1.3.2.1 Criteria for Site Determination. The following criteria are to be used in the evaluation of sites for all competition in NCAA championships:
   (a) Quality and availability of the facility and other necessary accommodations;
   (b) Geographical location (including such factors as rotation of sites, weather, accessibility and transportation costs);
   (c) Seeding; and
   (d) Attendance history and revenue potential, which shall be considered necessary to assure fiscal responsibility.

31.1.3.2.2 Nonpredetermined Site. When a championship site is not predetermined, the governing sports committee may award the site to the higher-ranked team if the above criteria, and any priorities established by the respective division championships committee, are met.

31.1.3.2.3 On-Campus Versus Off-Campus Sites. No preference shall be given to on-campus versus off-campus sites. An institution that has been chosen to host a championship may conduct the competition on campus, or if appropriate on-campus facilities are not available, the host institution(s) may conduct competition in an off-campus venue in the immediate locale of the institution(s). In those instances in which it is advisable to conduct the competition at off-campus sites, the host institution(s) shall have complete control, supervision and management of the facility being used. (Revised: 12/390, 1/8/05)

31.1.3.2.4 Reconsideration of Host Institution. The Championships Committee may reconsider the designation of a host institution for an NCAA championship if that institution's team or individual student-athletes are not eligible to compete in the championship.

31.1.3.2.5 Nonrevenue Championship Site Assignment. For team championships that do not generate revenues, pairings shall be based primarily on the teams' geographical proximity to one another, regardless of their region, in order to avoid air travel in preliminary rounds whenever possible. Teams' seeding relative to one another may be taken into consideration when establishing pairings if such a pairing does not result in air travel that otherwise could be avoided. (Revised: 8/4/94)

31.1.3.3 Concluding Dates. NCAA championships competition shall be concluded no later than June 2 each year unless later dates are approved by the Championships Committee. (Note: The baseball championship has been granted waivers by the Championships Committee.)

31.1.4 Day of Competition. NCAA championships competition may be scheduled or conducted on any day, provided the governing sports committee has received the prior approval of the Championships Committee and the following regulations are applied. (Revised: 1/12/99)

31.1.4.1 Institutional Policy. If a participating institution has a written policy against competition on a particular day for religious reasons, it shall inform the NCAA national office before May 1 of the preceding
31.1.4.2 Individual Championships. In individual championships, an athlete must compete according to the institution's policy regarding Sunday competition (i.e., if the institution has no policy against Sunday competition, the athlete shall compete on Sunday if required by the schedule).

31.1.4.3 Rescheduling, Emergency or Competitive Development. If an emergency develops that causes postponement of an NCAA championship, or if the competitive situation dictates a more expeditious completion of the meet or tournament, Sunday competition may be permitted, provided the competing institutions are agreeable and advance approval is obtained from the championships committee or the appropriate sports committee. (Revised: 1/13/03)

31.1.4.4 Noon Start Time. NCAA competition conducted on Sunday may not begin before noon, local time. The appropriate sports committee may waive the application of this legislation. (Revised: 1/13/03)

31.1.4.5 Commencement Exercises. The governing sports committee, in consultation with participating institutions may reschedule, to the nearest possible date, team championships competition dates that are in direct conflict with commencement exercises or graduation dates for teams participating in Division III championships competition, provided the following conditions are met: (Adopted: 1/8/01)

(a) Participating institutions have given prior notice, declared on the certification of eligibility to participate form, of commencement dates during which student-athletes would not be eligible for championships participation; (Adopted: 1/8/01)

(b) The championship is not conducted at a predetermined finals site; and (Adopted: 1/8/01)

(c) The committee shall make a good-faith effort to accommodate participating institutions in non-predetermined preliminary round contests with multiple teams participating at the same site. (Adopted: 1/8/01)

31.1.5 Squad Limits. In any championship in which a squad limit has been established by the governing sports committee or by the bylaws, the number of eligible student-athletes in competitive uniform at the start of the competition shall not exceed the prescribed number. An institution that is advised that it is in violation of this regulation and that does not promptly conform to it automatically shall forfeit the competition. There shall be no inordinate delay of the competition to allow the institution to conform to the rule.

31.1.6 Playing Rules.

31.1.6.1 Non-NCAA Rules, Men's Sports. In those men's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except when those rules are superseded by modifications made by the appropriate governing sports committee (see Bylaw 18.6):

(a) Fencing—U.S. Fencing Association Rules;
(b) Golf—U.S. Golf Association Rules;
(c) Gymnastics—International Gymnastics Federation Rules;
(d) Tennis—U.S. Tennis Association Rules; and
(e) Volleyball—U.S. Volleyball Association Rules.

31.1.6.2 Non-NCAA Rules, Women's Sports. In those women's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except when those rules are superseded by modifications made by the appropriate governing sports committee (see Bylaw 18.6):

(a) Bowling—College Bowling USA; (Revised: 1/8/05)
(b) Fencing—U.S. Fencing Association Rules;
(c) Field Hockey—International Field Hockey Rules;
(d) Golf—U.S. Golf Association Rules;
(e) Gymnastics—International Gymnastics Federation Women's Code of Points with the U.S. Gymnastics Federation Class I, Competition I-B rules and the USGF modifications;
(f) Rowing—U.S. Rowing Rules; and (Adopted: 1/14/97)
(g) Tennis—U.S. Tennis Association Rules.

31.1.7 Medical Disqualification. The student-athlete's team physician shall examine each student-athlete injured during NCAA competition and make a recommendation to the athlete, the coach and the chair of the governing sports committee, or the chair's designated representative, as to the advisability of continued participation or disqualification of the athlete. In the absence of said team physician, the NCAA tournament physician, as recommended by the host institution and approved by the governing sports committee, shall examine the injured athlete and make a recommendation as noted above. The chair of the governing sports committee, or the chair's designated representative, shall be responsible for enforcement of the medical recommendation if it involves disqualification.
31.1.8 Misconduct. Each games committee shall hold a pre-tournament meeting with the coaches of participating institutions to review and explain the policies related to misconduct (as defined in Bylaw 31.02.3).

31.1.8.1 Hearing Opportunity. An act of misconduct may be found upon an administrative hearing granted to the student-athlete or the institutional representative involved by the governing sports committee or the games committee authorized to act for it.

31.1.8.2 Misconduct Incidental to Competition. If the act of misconduct occurs during the competition, under normal circumstances, the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing after this action. Other acts of misconduct should be dealt with in a timely manner by the governing sports committee. *(Revised: 8/13/92, 1/10/05)*

31.1.8.3 Penalty for Misconduct. A governing sports committee (or the games committee authorized to act for it) may impose any one or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct that occurs, en route to, from or at the locale of the competition or practice:

(a) Public or private reprimand of the individual;

(b) Disqualification of the individual from further participation in the NCAA championship involved;

(c) Banishment of the individual from participation in one or more future championships of the sport involved;

(d) Cancellation of payment to the institution of the Association's travel guarantee for the individuals involved;

(e) Withholding of all or a portion of the institution's share of revenue distribution;

(f) Banishment of the institution from participation in one or more future championships in which its team in that sport otherwise would be eligible to participate;

(g) Disqualification of an institution for a period of time from serving as host institution for one or more NCAA championships; *(Revised: 8/13/92)*

(h) Cancellation of all or a portion of the honorarium for hosting an NCAA championship; and *(Revised: 8/13/92)*

(i) Financial or other penalties different from (a) through (h) above, but only if they have prior approval of the Championships Committee. *(Revised: 8/13/92)*

31.1.8.4 Ban from Subsequent Championship. When a student-athlete or institutional representative is banned from participation in a future championship, such penalty shall be applied to the next tournament(s) in which the individual's team is involved and the individual otherwise is eligible to participate. In the case of an individual event, the penalty shall be applied to the next meet(s) or tournament(s) for which the individual qualifies and otherwise is eligible to participate.

31.1.8.5 Review of Action. Any action related to misconduct may be reviewed by the governing sports committee on request of any institution participating in the championship.

31.1.9 Failure to Adhere to Policies and Procedures.

31.1.9.1 Financial Penalties. A governing sports committee may assess a financial penalty against an institution for failure of any of its representatives to adhere to the policies and procedures governing championships administration, subject to review by and appeal to the championships committee. The institution may be assessed:

(a) One hundred dollars per team or $50 per individual, up to a $300 maximum penalty, for failure to adhere to published procedures for the submission of regular-season results, availability questionnaires and/or entry forms;

(b) One hundred dollars, cancellation of all or a portion of the Association's travel guarantee, or all or a portion of the institution's share of revenue distribution for failure to adhere to published managerial and administrative policies and procedures; *(Revised: 5/7/90)*

(c) Cancellation of all or a portion of the honorarium for hosting an NCAA championship for failure to submit the financial report within 60 days after the competition, as specified in Bylaw 31.4.1.1; or *(Revised: 5/7/90)*

(d) Financial or other penalties different from (a), (b) and (c) above, but only if they have prior approval of the Championships Committee. *(Revised: 5/7/90)*

31.1.9.2 Late-Entry Fines. Institutions shall not be charged entry fees for teams or student-athletes competing in NCAA championships, but governing sports committees may establish late-entry fines, subject to the approval of the Championships Committee.
31.1.10 Awards. The Association has created standard, participant and commemorative awards for individuals and teams that participate in NCAA championships. The number of such awards for each championship shall be determined by the governing sports committee, subject to the approval of the Championships Committee. These official NCAA awards shall be the only awards presented by the Association to teams and individuals for participation in NCAA championships competition and shall be the only awards presented at the site of an NCAA championship. “At the site” is intended to include the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition. *(Revised: 10/22/03, 3/4/05)*

31.1.10.1 Additional Awards. An institution may purchase standard, participant or commemorative awards at the level in which the institution competed. The NCAA awards form shall be used to purchase additional awards. *(Revised: 3/4/05)*

31.1.10.2 Other Permissible Awards. The above provision places no restriction on the presentation of awards at banquets or meetings held in conjunction with the championship or at sites other than that of the championships competition itself.

31.1.11 Admission and Tickets. Admission shall be charged at all NCAA championships unless a governing sports committee determines that charging admission is not feasible because of facility configuration or the expense relative to the event’s attendance history. Ticket prices shall be determined by the respective games committees with the approval of the governing sports committee.

31.1.12 Restricted Advertising and Sponsorship Activities. The following activities are restricted when they occur in conjunction with NCAA championships. Other restrictions are set forth in the championships handbooks.

31.1.12.1 Advertising. Advertising policies of the Association are designed to exclude those advertisements that do not appear to be in the best interests of higher education. The NCAA president shall have the authority to rule in cases where doubt exists concerning acceptable advertisers and advertising copy of game programs, broadcasts and telecasts of NCAA championships; however, the following expressly are prohibited: *(Revised: 8/15/89)*

(a) Alcoholic beverages (except as specified below);
(b) Cigarettes and other tobacco products;
(c) Professional sports organizations or personnel (except as specified in the championships handbooks) in games other than certified postseason football games; and
(d) Organizations promoting gambling.

31.1.12.1.1 Malt Beverages, Beer and Wine Advertisements. Advertising of malt beverages, beer and wine products that do not exceed six percent alcohol by volume may be used in game programs. Such advertisements, however, shall not compose more than 14 percent of the space in the program devoted to advertising or not more than 60 seconds per hour of any telecast or broadcast (either a single 60-second commercial or two 30-second commercials).

31.1.12.1.2 Sponsorships. A championships activity or promotion may not be sponsored by liquor, tobacco, beer or wine companies or by professional sports organizations or teams at any time.

31.1.13 Availability of Alcoholic Beverages. Alcoholic beverages shall not be sold or otherwise made available for public consumption at any championship event sponsored by or administered by the Association, nor shall any such beverages be brought to the site during the championship (i.e., during the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition).

31.2 ELIGIBILITY FOR CHAMPIONSHIPS

31.2.1 Institutional Eligibility. To be eligible to enter teams or individual student-athletes in NCAA championships, an institution shall recognize the sport involved as a varsity intercollegiate sport (see Bylaw 17.02.12) and shall meet the institutional requirements set forth in Bylaw 18.4.2 applicable to the division in which the institution is a member or for which it is petitioning for eligibility in a sport. An institution that holds membership in a member conference may not enter teams or individuals in an NCAA championship unless they are eligible for such competition under the rules of that conference [see Bylaw 18.4.2.1-(a)].

31.2.1.1 Commitment to Participate. Eligible members in a sport who are not also members of the National Association of Intercollegiate Athletics or the National Christian College Athletic Association will participate (if selected) in the NCAA championship or in no postseason competition in that sport. *(Revised: 8/12/91, 1/12/99 effective 8/1/99)*

31.2.1.2 Deadline. The institutional eligibility requirements for entry into NCAA championships (see Bylaw 18.4.2) must be met by the following dates:
(a) September 15 for fall championships;
(b) December 1 for winter championships; and
(c) March 1 for spring championships.
31.2.1.3 Deadline Waivers. Institutions that fail to meet a deadline for institutional eligibility in NCAA championships may appeal to the Championships Committee for a waiver. If the Championships Committee grants the appeal, then the institution may be restored to eligibility for NCAA championships.

31.2.1.3.1 Penalty for Subsequent Waiver. Such an institution that fails to meet a deadline a future time may be granted a waiver only on payment of a penalty of $150 for the second offense and $300 for each additional offense during the five-year period after the last offense. On approval of the Championships Committee of such waiver and receipt of the institution's check in the national office, the institution may compete in NCAA championships, provided it is otherwise eligible.

31.2.1.4 Joint-Declaration Program. The NCAA, the National Association of Intercollegiate Athletics (NAIA) and the NCAA and the National Christian Collegiate Athletic Association (NCCAA), respectively, will administer joint-declaration programs in those men's and women's sports in which there is a date conflict between the national championships of the NCAA and either the NAIA or NCCAA. In such championships, each institution that holds membership in the NCAA and either the NAIA or the NCCAA must declare by August 15 each year whether it will participate (if selected) in the NAIA or NCCAA championship, in the NCAA championship or in no postseason competition in that sport. An institution that fails to submit the joint-declaration form by the established deadline shall be ineligible to compete in the NCAA's and either the NAIA's or NCCAA's championships in the particular sport(s) that year. An appeal process exists for such institutions. An institution in the joint-declaration program may participate in the championship for which the institution declared, even when the championship occurs outside the permissible NCAA playing season. Institutions in the joint-declaration program must abide by all other NCAA regulations for all sports, including the length of the playing season. (Revised: 1/12/99 effective 8/1/99, 1/9/04, 1/10/05)

31.2.1.5 National Collegiate Championships. In team sports in which the NCAA offers only one national championship, all member institutions in good standing are eligible to compete in accordance with the requirements of division membership (see Bylaw 20.8.1) and institutional eligibility (per Bylaw 31.2.1).

31.2.1.6 Division Championships. In those sports in which national-championship competition is offered in more than one division, only those member institutions that meet the membership requirements of the respective divisions or requirements applicable to institutions competing outside their membership divisions are eligible to compete in such division championships (see Bylaw 20).

31.2.1.7 Eligibility Requirements. Institutional eligibility for all championships shall be limited to member institutions that meet institutional eligibility requirements (Bylaw 31.2.1) and any additional requirements specified in the applicable championships handbooks.

31.2.1.7.1 Eligibility of Participants. An institution shall advise the NCAA championships staff if a student-athlete who has participated in regular-season competition becomes ineligible before the date on which the governing sports committee selects championship participants, as indicated in the appropriate championships handbook. (Revised: 5/92)

31.2.1.7.1.1 Failure to Report Ineligible Player Prior to Selection. If an institution fails to report an ineligible player before being selected to participate in the championship, the governing sports committee may declare the institution ineligible to participate in the tournament for one or two years.

31.2.1.7.1.2 Discovery of Ineligibility of Player Subsequent to Selection. When an institution fails to report an ineligible player and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution's withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another member institution participates in the championship in place of the disqualified institution. If the discovery of the ineligible student-athlete(s) occurs so near the beginning of the championship that the governing sports committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.

31.2.1.7.1.3 Review of Violation of Terms of Availability Questionnaire. When an institution is alleged to have violated the terms of an availability questionnaire (e.g., failing to report an ineligible student-athlete), it may be represented at the meeting of the governing sports committee when the committee determines whether a violation occurred and, if so, whether the institution shall be ineligible to participate in the tournament for one or more years. The institution may submit a written statement or make an in-person presentation, or both. After the governing sports committee has ruled on the matter, its decision shall be final unless the institution appeals the decision to the Championships Committee. The Championships Committee shall hear the appeal at one of its regularly scheduled meetings unless there are compelling reasons to conduct a special meeting for such purpose.

31.2.1.7.2 Protest Regarding Eligibility of Team. Any team that has been duly certified as eligible for an NCAA championship shall not be withheld from participation because of any protest made or filed
31.2.2 Individual Eligibility. All student-athletes, regardless of division, must meet the eligibility standards established for NCAA championships competition. The general and academic eligibility requirements are set forth in detail in Bylaw 14, in which there is also reference to other legislation regarding eligibility of the individual student-athlete. Other specific requirements for eligibility for NCAA championships (e.g., authority of the Championships Committee, amateur status certification and ineligibility for use of banned drugs) are set forth in Bylaws 18.4.1, 10.3 and 10.4. The Executive Committee may require the student-athletes to certify their eligibility for NCAA championships competition. (Revised: 3/5/97)

31.2.2.1 Eligibility Requirements. A member institution shall not enter a student-athlete as an individual or as a member of a team in an NCAA championship unless the student-athlete satisfies the relevant eligibility requirements of Bylaw 14. (Revised: 8/15/89)

31.2.2.2 Protest of Eligibility Status. Any student-athlete duly certified by the institution for an NCAA championship shall not be withheld from participation because of any protest made or filed during the championship or during the 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, the student may be withheld from further competition in the championship, provided the protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2.3 Participation While Ineligible. When a student-athlete competing as an individual or representing the institution in a team championship is declared ineligible after the competition, or a penalty has been imposed or action taken as set forth in Bylaw 19.5.2.2-(e) or 19.7 of the NCAA enforcement program, the Committee on Infractions may require the following: (Revised: 1/14/02)

(a) Individual Competition. The individual’s performance may be stricken from the championships records, the points the student-athlete has contributed to the team’s total may be deleted, the team standings may be adjusted accordingly and any awards involved may be returned to the Association. For those championships in which individual results are recorded by time, points or stroke totals (i.e., cross country, golf, gymnastics, indoor track and field, outdoor track and field, rifle, swimming and diving, and skiing), the placement of other competitors may be altered and awards presented accordingly. For those championships in which individual results are recorded by advancement through a bracket or head-to-head competition, the placement of other competitors shall not be altered. (Revised: 8/15/89, 1/14/02, 4/28/05)

(b) Team Competition. The record of the team’s performance may be deleted, the team’s place in the final standings may be vacated and the team’s trophy and the ineligible student-athlete’s award may be returned to the Association. (Revised: 1/14/02)

31.2.2.4 Institutional Penalty for Ineligible Participation. When an ineligible student-athlete participates in an NCAA championship and the student-athlete or the institution knew or had reason to know of the ineligibility, the Committee on Infractions may assess a financial penalty. (Revised: 1/8/01 effective 8/1/01)

31.2.3 Ineligibility for Use of Banned Drugs. Bylaw 18.4.1.5 provides that a student-athlete who, as a result of a drug test administered by the NCAA, is found to have used a substance on the list of banned drugs shall be declared ineligible for further participation in postseason and regular-season competition during the time period ending one calendar year after the student-athlete’s positive drug test. The student-athlete shall be charged with the loss of competition during a minimum of one season of participation in all sports if the season of participation has not yet begun or a minimum of the equivalent of competition during one full season of participation in all sports if the student-athlete tests positive during his or her season of participation (i.e., the remainder of contests in the current season and contests in the next season up to the period of time in which the student-athlete was declared ineligible during the previous year). The student-athlete shall remain ineligible until the student-athlete tests negative (in accordance with the testing methods authorized by the Executive Committee), and the student-athlete’s eligibility is restored by the Committee on Student-Athlete Reinstatement. If the student-athlete participates in any contests from the time of collection until the confirmation of the positive result, he or she must be withheld from an equal number of contests after the 365-day period of eligibility. (Revised: 11/6/93, 1/9/96 effective 8/1/96, 1/14/97 effective 8/1/97, 4/15/03, 1/12/04 effective 8/1/04, for any athletics participation occurring on or after 8/1/04, 10/18/04 effective 8/1/05, 6/3/05, 6/9/05)

31.2.3.1 Breach of NCAA Drug-Testing Program Protocol. A student-athlete who is in breach of the NCAA drug-testing program protocol (e.g., no-show, tampering with sample) shall be considered to have tested positive for the use of any drug other than a “street” drug. (Adopted: 1/10/05 effective 8/1/05)

31.2.3.2 Testing Positive on More than One Occasion. If the student-athlete tests positive a second time for the use of any banned drug other than a “street drug,” he or she shall lose all remaining regular-season and postseason eligibility in all sports. If the student-athlete tests positive for the use of a “street drug” after hav-
ing tested positive for the use of any banned drug, he or she shall lose a minimum of one additional season of participation in all sports and also shall remain ineligible for regular-season and postseason competition during the time period ending one calendar year (i.e., 365 days) after the period of ineligibility for any prior tests has expired. Bylaw 18.4.1.5.2 also provides that the Executive Committee shall adopt a list of banned drugs and authorize methods for drug testing of student-athletes on a year-round basis. (Revised: 1/10/05 effective 8/1/05, 6/9/05, 10/15/08)

31.2.3.3 Appeals. An institution may appeal the duration of ineligibility to the Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee). In all sports, the committee may reduce the legislated penalty to withholding the student-athlete from competition during the next 50 percent of the season of participation or provide complete relief from the legislated penalty. If the committee requires the student-athlete to fulfill the legislated penalty or be withheld from competition during the next 50 percent of the season of participation in all sports, the student-athlete shall remain ineligible until the prescribed penalty is fulfilled, the student-athlete tests negative and the student-athlete’s eligibility is restored by the Committee on Student-Athlete Reinstatement. (Adopted: 1/10/05 effective 8/1/05, for drug tests conducted on or after 8/1/05, Revised: 6/3/05, 6/9/05)

31.2.3.4 Banned Drugs. The following is the list of banned-drug classes. As authorized by the Executive Committee, the Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee) has the authority to identify banned drugs within the lists of classes below. The institution and student-athletes shall be held accountable for all banned drugs. The current list of banned drugs is located on the NCAA Web site (i.e., www.ncaa.org) or may be obtained from the NCAA national office. (Revised: 8/15/89, 7/10/90, 12/3/90, 5/4/92, 5/6/93, 7/23/97, 10/29/97, 1/8/01, 1/14/02, 1/6/06, 2/10/06)

(a) Stimulants;
(b) Anabolic agents;
(c) Alcohol and beta blockers (banned for rifle only); (Revised: 4/15/09)
(d) Diuretics and other masking agents; (Revised: 6/19/07)
(e) Street drugs;
(f) Peptide hormones and analogues; (Revised: 1/5/07 effective 8/1/07)
(g) Anti-estrogens; and (Adopted: 1/5/07 effective 8/1/07)
(h) Beta-2 agonists. (Revised: 4/15/09)

31.2.3.4.1 Drugs and Procedures Subject to Restrictions. The use of the following drugs and/or procedures is subject to certain restrictions and may or may not be permitted, depending on limitations expressed in these guidelines and/or quantities of these substances used: (Revised: 8/15/89)

(a) Blood Doping. The practice of blood doping (the intravenous injection of whole blood, packed red blood cells or blood substitutes) is prohibited, and any evidence confirming use will be cause for action consistent with that taken for a positive drug test. (Revised: 8/15/89, 5/4/92)

(b) Local Anesthetics. The Executive Committee will permit the limited use of local anesthetics under the following conditions:
(1) That procaine, xylocaine, carbocaine or any other local anesthetic may be used, but not cocaine; (Revised: 12/9/91, 5/6/93)
(2) That only local or topical injections can be used (i.e., intravenous injections are not permitted); and
(3) That use is medically justified only when permitting the student-athlete to continue the competition without potential risk to his or her health.

(c) Manipulation of Urine Samples. The Executive Committee bans the use of substances and methods that alter the integrity and/or validity of urine samples provided during NCAA drug testing. Examples of banned methods are catheterization, urine substitution and/or tampering or modification of renal excretion by the use of diuretics, probenecid, bromantan or related compounds, and epites-tosterone administration. (Revised: 8/15/89, 6/17/92, 7/23/97)

(d) Beta-2 Agonists. The use of beta-2 agonists is permitted by inhalation only. (Adopted: 8/13/93)

(e) Additional Analysis. Drug screening for select nonbanned substances may be conducted for nonpunitive purposes. (Revised: 8/15/89)

31.2.3.4.2 Positive Drug Test—Non-NCAA Athletics Organization. A student-athlete under a drug-testing suspension from a national or international sports governing body that has adopted the World Anti-Doping Agency (WADA) code shall not participate in NCAA intercollegiate competition for the duration of the suspension. (Revised: 1/10/05 effective 8/1/05)

31.2.3.5 Medical Exceptions. Exceptions for categories (a), (b), (c), (d), (f), (g) and (h) under Bylaw 31.2.3.4 may be made by the Executive Committee for those student-athletes with a documented medical history demonstrating the need for regular use of such a drug. (Revised: 1/11/00, 1/9/06, 4/11/06, 1/5/07 effective 8/1/07, 4/15/09)
31.2.3.6 Methods for Drug Testing. The methods and any future modifications authorized by the Executive Committee for drug testing of student-athletes shall be summarized in The NCAA News and posted on the NCAA Web site. Copies of the modifications shall be available to member institutions. (Revised: 6/3/05)

31.2.3.7 Events Identified for Drug Tests. The Executive Committee shall determine the regular-season and postseason competition for which drug tests shall be made and the procedures to be used in disclosing its determinations.

31.2.3.8 Individual Eligibility—Team Sanctions. Executive regulations pertaining to team-eligibility sanctions for positive tests resulting from the NCAA drug-testing program shall apply only in the following situation: If a student-athlete is declared ineligible before an NCAA team championship or a certified postseason football game and the institution knowingly allows him or her to participate, all team-ineligibility sanctions shall apply (i.e., the team shall be required to forfeit its awards and any revenue distribution it may have earned, and the team's and student-athlete's performances shall be deleted from NCAA records). In the case of certified postseason football contests, the team's and student-athlete's performances shall be deleted from NCAA records. (Revised: 1/10/90)

31.3 SELECTION OF TEAMS AND INDIVIDUALS FOR CHAMPIONSHIPS PARTICIPATION

A list of the institutions in good standing shall be supplied by the NCAA president to the chair of each governing sports committee and to the athletics director of the host institution. This list should be observed carefully to assure that no entries are accepted from or invitations extended to ineligible institutions.

31.3.1 Size of Championships Fields. The size of all NCAA championships fields shall be established by the Championships Committee to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. (Revised: 8/13/93, 1/14/97 effective 8/1/97)

31.3.1.1 Eligibility for Berths. Pools A, B and C will be determined as follows:

(a) Pool A—Conferences that meet the automatic-qualification requirements per Bylaw 31.3.4;
(b) Pool B—Independent institutions plus institutions from conferences that do not meet the automatic-qualification requirements. The number of eligible institutions in Pool B is determined by subtracting the number of eligible institutions in Pool A (total number of institutions in conference with automatic qualification) from the total number of active Division III institutions sponsoring the sport. The number of berths available for Pool B institutions is determined by dividing the number of institutions eligible in Pool B by the access ratio for Pool A (total number of institutions in conferences with automatic qualification divided by the number of Division III conferences with automatic qualification); and (Revised: 12/20/04)

(c) Pool C—The bracket size minus the number of Pool A and Pool B berths. This would be a national selection based on a team's win-loss record within its region and conference. For example, a bracket of 48 minus (Pool A + Pool B) = Pool C.

31.3.2 Selection Decisions of Sports Committees. The determination of sites, selection of teams or individuals, or their site assignment in championships competition made by a governing sports committee (or a designated subcommittee) may not be appealed.

31.3.2.1 Pairings and Site Selection. The following criteria will be used for pairings and site selections:

(a) Once selected, teams shall be grouped in clusters according to natural-geographic proximity. Teams shall then be paired according to geographic proximity. A team may be moved to numerically balance the bracket if geographic proximity is maintained. Teams shall be paired and eligible according to geographic proximity (within 500 miles). An exception may be granted where there are not enough teams within the 500-mile radius to fill the region;
(b) Teams may be seeded on a regional basis using the regional-selection criteria. However, geographic proximity shall take precedent over seeding;
(c) Teams from the same conference shall not play one another in the first round as long as geographic proximity is maintained; and
(d) The highest-seeded team that meets all selection criteria shall be selected as the host institution, provided geographic proximity is maintained.

31.3.3 Criteria for Selection of Participants.

31.3.3.1 Countable Competition. For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Constitution 3.2.4.4) of United States four-year, degree-granting institutions. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.
31.3.3.2 Team Sport Championship Selection. For team sport championships selection purposes, the following requirements shall be met. (Adopted: 4/11/06 effective 8/1/06)

31.3.3.2.1 Fifty Percent Requirement. An institution must play at least 50 percent of its scheduled competition against in-region opponents to be eligible for selection to Division III team championships. (Revised: 4/28/05, 4/11/06 effective 8/1/06, 6/28/07)

31.3.3.2.1.1 Waiver. Institutions that fail to play 50 percent of contests against in-region opponents may appeal to the Championships Committee for a waiver. The waiver shall be approved on a sport-by-sport basis for a period of one year, and the request shall be received not later than December 31 of the year prior to the championship. If the Championships Committee grants the appeal, the institution may be considered for selection to Division III team championships. (Revised: 4/28/05, 4/11/06 effective 8/1/06, 4/26/06, 7/22/08)

31.3.3.2 Countable In-Region Competition. For team sport championships selection purposes, competition is countable as in region when the institutions are located in the same established sport region or geographical region (see Constitution 4.13.1.1) or, within a 200-mile radius of each other, or are members of the same conference. (Adopted: 4/11/06 effective 8/1/06, Revised: 7/21/08, 10/21/08)

31.3.3.2.2 Waiver. There shall be no waivers granted for established sport or geographical in-region consideration. (Adopted: 4/11/06 effective 8/1/06)

The following Bylaw was adopted at the Management Council meeting January 14, 2009, and is effective August 1, 2010.

31.3.3.3 Individual Sports That Select At-Large Championship Participants as Teams—25 Percent Requirement. In individual sports that select at-large championship participants as teams (e.g., golf and tennis), an institution’s team must play at least 25 percent of its scheduled competition against in-region opponents to be eligible for selection to the Division III championships. (Adopted: 1/14/09 effective 8/1/10)

31.3.3.3.1 Twenty-Five Percent Calculation—Golf. In the sport of golf, all opponents (as opposed to just the host institution) competing against an institution’s team within a particular tournament or contest must be included as part of the 25 percent calculation. (Adopted: 1/14/09 effective 8/1/10)

31.3.3.3.2 Twenty-Five Percent Calculation—Tennis. In the sport of tennis, only those teams within a tournament or contest in which the team directly competes against shall be included in the 25 percent calculation. (Adopted 1/14/09 effective 8/1/10)

31.3.3.3.3 Waiver. Institutions that fail to play 25 percent of contests against in-region opponents may appeal to the Championships Committee for a waiver. The waiver shall be approved on a sport-by-sport basis for a period of one year, and the request shall be received not later than December 31 of the year prior to the championship. If the Championships Committee grants the appeal, the institution may be considered for selection to Division III team championships. (Adopted: 1/14/09 effective 8/1/10)

31.3.3.3.4 Countable In-Region Competition. For selection purposes in individual sports that select at-large championship participants as teams, competition is countable as in region when the institutions are located in the same established sport region or geographical region (see Constitution 4.13.1.1) or, within a 200-mile radius of each other, or are members of the same conference. (Adopted: 1/14/09 effective 8/1/10)

31.3.3.3.4.1 Waiver. There shall be no waivers granted for established sport or geographical in-region consideration. (Adopted: 1/14/09 effective 8/1/10)

31.3.3.3 Qualifying Standards. Individuals and teams required to meet performance standards to qualify for NCAA championships competition shall achieve such standards in meets held during the same academic year as the particular championship.

31.3.3.4 Ineligible Players on Team. The presence on a varsity squad of one or more players who are ineligible or unavailable due to injury for NCAA championships competition does not necessarily disqualify that team from consideration. If such a player(s) contributed materially to the team’s success during the season, the committee may choose not to select that team, based on the conclusion that without the use of the ineligible or unavailable player(s), the team would not have been able to compile the record that brought it before the committee for consideration. It shall be the responsibility of the governing sports committee to apply the criterion “contributed materially” to each case as it arises.

31.3.3.5 Removal of Committee Member from Selection Process. If a team or individual athlete(s) of the institution of a member of the governing sports committee is under consideration for selection, that person shall withdraw from the committee deliberations while that team or individual(s) is being considered and shall not participate in any discussion or vote affecting that particular selection. The chair of the committee may appoint a replacement if it is deemed necessary. The chair shall withdraw from the committee deliberations while that team or individual(s) is being considered and shall not participate in any discussion or vote affecting that particular selection. The new chair may appoint a replacement if it is deemed necessary. In the event a replacement is appointed, geographical representation on the committee shall be maintained if possible.
31.3.4 Automatic Qualification. The Championships Committee and the governing sports committees annually shall award automatic qualification to those conferences that meet the requirements specified in Bylaws 31.3.4.1, 31.3.4.3 and 31.3.4.4. (Revised: 1/14/97 effective 8/1/97, 1/12/99 effective 8/1/99, for championships selection during the 1999-00 academic year and thereafter)

31.3.4.1 General Requirements—Division Championship. To be eligible for automatic qualification in a division championship, a member conference must meet the following general requirements: (Revised: 1/7/06)

(a) Conference competition must be conducted in the applicable sport, and the conference champion in that sport must be determined not later than 6 p.m. local time of the competition on the date on which participants are selected for the NCAA championship, either by regular in-season conference competition or a conference meet or tournament, as indicated at the time of application. The national sports committee may grant a waiver of the 6 p.m. deadline due to extenuating circumstances (e.g., weather, equipment-related problems). However, in any event, the conference champion shall be determined not later than 11:59 p.m. on selection day. If a conference’s competition to determine its automatic qualifier is unexpectedly terminated (e.g., due to inclement weather), the conference may designate its qualifier, provided it has established objective criteria for making that designation and has communicated that information to the appropriate sports committee by a specified deadline. (Revised: 8/13/93, 1/13/03)

(b) In the event of a tie for the conference championship, the conference shall have the responsibility of determining which team or individual shall represent the conference in NCAA competition. If a playoff is held, such competition shall be considered conference competition, not NCAA competition.

(c) A conference may establish subdivisions and conduct competition within each subdivision to determine a conference champion, as long as each subdivision consists of at least four members. Conferences with subdivisions of four members must conduct double round-robin competition within each subdivision, plus a postseason tournament, to determine their champion. Conferences with subdivisions of five or more members may conduct either single or double round-robin competition within each subdivision, plus a postseason tournament to determine their champion. (Note: This regulation does not apply to Division I men’s or women’s basketball. In those sports, a conference may conduct either double round-robin, in-season competition or a minimum of 14 conference games in order to determine its champion.) (Revised: 12/9/91, 10/18/95)

(d) The conference must maintain and actively enforce compliance with eligibility rules at least as stringent as those in Bylaw 14 applicable to its members. The use of an ineligible player by a team in a conference that has been granted automatic qualification may result in the involved team being denied the right to be the automatic entry in the NCAA championship. The governing sports committee may recommend loss of the automatic-qualification privilege for the conference during the season in which the violation occurred. (Revised: 1/12/99 effective 8/1/99)

(e) All eligible member institutions must agree to participate in the appropriate NCAA championship, unless institutional policy conflicts with the dates of the championship, and the institution advises the appropriate sports committee before the start of the season of its decision not to participate. If a conference champion is ineligible to compete or fails to advise the appropriate sports committee before the deadline that it will not compete, automatic qualification shall be withdrawn for that year, and the remaining conference members shall be considered at large. (Revised: 1/12/99 effective 8/1/99, for championship selection during the 1999-00 academic year and thereafter)

(f) Institutions that are members of more than one conference must declare on a three-year basis which conference they will participate in for automatic-qualification purposes and may participate in only that conference’s process to determine the automatic qualifier. (Adopted: 12/5/94, Revised: 1/12/99 effective 8/1/99, for championship selection during the 1999-00 academic year and thereafter)

(g) A conference that meets the automatic qualification requirements and is eligible to be selected to a championship via Pool A and/or Pool C may not elect instead to be selected via Pool B. (Adopted: 1/14/02)

(h) The method by which a conference determines its conference representative must be declared at the time of the automatic-qualification declaration and must be objectively outlined. (Adopted: 1/14/02)

(i) Conference Membership Deadline. To receive automatic qualifications, a conference must have its membership established and defined by April of the preceding academic year. (Adopted: 1/12/04)

31.3.4.2 Requirements—National Collegiate Championship. To be eligible for automatic qualification in a National Collegiate Championship, a member conference must meet the following general requirements: (Adopted: 1/7/06)
(a) Have at least six active members that sponsor the applicable sport in any division (Note: a provisional member in the process of becoming an NCAA member cannot be used to meet the requisite number);
(b) The six active members must have conducted conference competition together for the preceding two years in the applicable sport;
(c) There shall be no waivers of the two-year waiting period; and
(d) Any new member added to a conference that is eligible for an automatic bid shall be immediately eligible to represent the conference as the automatic qualifier.

31.3.4.3 Additional Requirements. To be considered eligible for automatic qualification, the conference must have:

(a) Been a multi-sport conference with a minimum of seven active Division III institutions sponsoring the specified sport on a varsity intercollegiate basis and that are eligible for the NCAA Division III championship. Those seven institutions must have belonged to the multi-sport conference for a minimum of two years in order for the conference to be immediately eligible for automatic qualification. An institution that has belonged to the multi-sport conference for at least two years may add the specified sport for the conference to reach the minimum of seven institutions and to be immediately eligible for automatic qualification. If a new institution joins the conference in order for the conference to reach the minimum of seven institutions sponsoring the particular sport, the conference is subject to a two-year waiting period to become eligible for automatic qualification; or (Adopted: 1/12/04, Revised: 10/20/06)

(b) Fulfilled all of the following requirements:
   (1) Been a member conference of the Association for two consecutive academic years. No waivers of the two-year waiting period shall be granted; (Revised: 12/6/92, 4/15/03)
   (2) Conducted competition in the sport in question for a two-year waiting period at the time of its application for automatic qualification; (Revised: 1/12/04)
      (a) A multi-sport conference that is in the process of fulfilling the two-year waiting period must maintain seven consistent conference members throughout the two-year waiting period.
      (b) The two-year waiting period begins when a minimum of seven consistent conference members are all eligible for the conference membership.
   (3) At least seven active Division III members that sponsor the sport on a varsity intercollegiate basis and that are eligible for the NCAA Division III championship, and have at least seven active members that are eligible for the NCAA Division III championship to participate in the process that determines the automatic qualifier. Further, multi-sport conferences must have at least four core institutions; (Revised: 8/15/89, 1/12/99 effective 8/1/99, for championship selection during the 1999-00 academic year and thereafter, 1/12/04)
      (a) For the purposes of this legislation, core refers to an institution that participates in conference competition in more than one sport in the conference seeking automatic qualification.
      (b) Other Division III institutions, including those who participate in conference competition only in one sport, may fulfill the remaining sponsoring institutions needed by a conference for automatic qualification (i.e., to get a total of seven institutions). Non-NCAA Division III members of a conference may not count toward the minimum of four core institutions or the overall minimum of seven conference members that is needed; and
   (4) At least 50 percent of a conference’s members must sponsor a minimum of three men’s and three women’s team sports. As of August 1, 2003, a single-sport conference in existence before February 1, 1998, must maintain its membership (e.g., minimum of seven original members). (Adopted: 1/12/99 effective 8/1/99, for championship selection during the 1999-00 academic year and thereafter, Revised: 4/15/03, 1/12/04)

31.3.4.3.1 Grace Period. A conference shall remain eligible for automatic qualification for two academic years following the date the conference’s membership falls below seven institutions in a particular sport. If the conference fails to meet the minimum sponsorship requirement after the two-year grace period, or if less than four core institutions [per Bylaw 31.3.4.3-(b)-(3)-(a)] sponsor the sport at any point, the conference will lose automatic qualification status until it again meets all requirements for automatic qualification. (Adopted: 1/9/06 effective 8/1/06, Revised: 4/19/06, 5/5/06)

31.3.4.3.2 Single-Sport Conference Waiver. The Championships Committee may grant a waiver awarding automatic qualification to a single-sport conference with at least seven active members that have participated together for at least two consecutive years and that satisfy at least one of the following: (Adopted: 1/11/08)

(a) The conference’s members are geographically isolated in the sport;
(b) The conference’s members do not belong to a multi-sport conference that has sponsored a championship in the sport within the previous 15 consecutive years;
(c) The conference was established prior to September 2007;
(d) The conference participates in a Division III championship established after September 2007 and within the first 10 years in which the championship is conducted; or
(e) The sport is sponsored by 100 or fewer Division III member institutions.

31.3.4.4 Sports Groupings for Automatic Qualification. For purposes of evaluating criteria for automatic qualification, the various sports shall be grouped as follows:

(a) Team sports—baseball, basketball, field hockey, football, ice hockey, lacrosse, rowing, soccer, softball, volleyball and water polo; (Revised: 6/7/05)
(b) Timed individual sports—indoor track and field, outdoor track and field, and swimming and diving; and (Revised: 6/7/05)

(c) Other individual sports—bowling, cross country, fencing, golf, gymnastics, rifle, skiing, tennis and wrestling. In this category, a sports committee may grant exceptions to the seven-team requirement, subject to the approval of the Championships Committee. (Revised: 6/7/05)

31.3.4.5 Principles of Establishing Bracket Sizes. In team sports, overall bracket sizes shall be established based on an approximate access ratio of 1:6.5. In golf and tennis, the team portion of the bracket shall be based on an approximate access ratio of 1:7.5 and the individual participant access shall be determined according to Championship Committee policy. See Bylaw 31.3.4.5.1 for maximum bracket sizes. The overall team bracket size shall be determined by dividing the total number of active Division III institutions sponsoring the sport by 6.5 or 7.5 and then adjusted as necessary by the Championships Committee. Bracket composition shall be based on three pools (A, B and C) and shall be established using the following principles: (Adopted: 1/13/03 effective 8/1/05, Revised: 1/10/05 effective 8/106, 1/9/06 effective 8/1/06)

(a) Pool A is reserved for the champions of conferences eligible for automatic qualification. Each conference eligible for automatic qualification is allocated one berth.
(b) Pool B is reserved for independent institutions and institutions that are members of conferences that do not receive automatic qualification. The number of eligible institutions in Pool B is determined by subtracting the number of eligible institutions in Pool A (total number of institutions in conferences with automatic qualification) from the total number of active Division III institutions sponsoring the sport. The number of berths available for Pool B institutions is determined by dividing the number of institutions eligible in Pool B by the access ratio for Pool A (total number of institutions in conferences with automatic qualification divided by the number of Division III conferences with automatic qualification).
(c) Pool C is reserved for institutions in conferences with automatic qualification that are not the conference champion plus remaining independents and members of nonqualifying conferences. The number of Pool C berths is determined by subtracting Pool A and Pool B from the total bracket size.

31.3.4.5.1 Maximum Bracket Size. In team sports other than football, there shall be a maximum bracket size of 64. In football, there shall be a maximum bracket size of 32. (Adopted: 1/9/06 effective 8/1/06)

31.3.5 Selection of Balance of Championship Field. Once the official representative(s) of each qualifying conference is determined, the governing sports committee responsible for selection of the balance of the championship field shall consider objectively and without prejudice the competitive records of all other eligible student-athletes and teams (including independent institutions, representatives of conferences not receiving automatic qualification and representatives of the other members of the conferences receiving automatic qualification). To the best of its ability, the committee shall select the most highly qualified individuals and teams to complete the championship field in accordance with the regional criteria approved for the particular championship and additional selection pools, if any, approved by the Championships Committee. (Revised: 1/12/99 effective 8/1/99, for championship selection during the 1999-00 academic year and thereafter)

31.3.5.1 Selections of Berths. After the determination of the automatic pool (Pool A) berths, the governing sports committee responsible for the selection of the balance of the championship field shall determine the Pool B selections followed by the Pool C selections. Pool C is reserved for institutions in conferences with automatic qualifications that are not the conference champions plus remaining independents and members of nonqualifying conferences. Berths for Pool B and Pool C shall be selected on a national basis, using regional-selection criteria. There shall be no predetermined regional allocations for Pools B and C. There shall be no maximum or minimum number of berths from one region and no conference shall receive more than one automatic berth. (Adopted: 4/15/03, Revised: 8/29/03)

31.3.5.2 Selection Criteria. The governing sports committee responsible for the selection of the balance of the championships field shall select teams in Pools B and C based on the criteria below. The criteria of two or more teams shall be compared to determine the higher-ranked team. An attempt shall be made to determine the ranking of two or more teams after consideration of the primary criteria (see Bylaw 31.3.5.2.1). If the evaluation of the primary criteria does not result in a decision, the secondary criteria will be used (see Bylaw 31.3.5.2.2). All the criteria listed will be evaluated (not listed in preferential order). (Adopted: 1/12/04)

31.3.5.2.1 Primary Criteria—Ranking and Selection (All Contests Leading up to NCAA Championships). (Revised: 8/3/06)

(a) Won-lost percentage against regional opponents; (Adopted: 4/15/03)
(b) In-region head-to-head competition;
(c) In-region results versus common regional opponents;
(d) In-region results versus regionally ranked teams will be considered as follows:
   (1) Opponents are considered ranked once they appear one time in the sport’s official rankings; and
   (2) Conference postseason contests are included; (Revised: 4/11/06 effective 8/1/07)
(e) Opponents’ average winning percentage; and (Adopted: 4/11/06 effective 8/1/07)
(f) Opponents’ opponents’ average winning percentage. (Adopted: 4/11/06 effective 8/1/07, Revised:
   10/17/06 effective 8/1/07)

31.3.5.2.2 Secondary Criteria—Ranking and Selection.
(a) Out-of-region head-to-head competition;
(b) Overall Division III won-lost percentage;
(c) Results versus common non-Division III opponents;
(d) Results versus Division III teams ranked in other regions;
(e) Overall won-lost percentage;
(f) Results versus common out-of-region opponents;
(g) Overall Division III strength-of-schedule; and
(h) Should a committee find that evaluation of a team’s won-lost percentage during 25 percent of the
   season is applicable (i.e., end-of-season performance), it may adopt such criteria with approval from
   the Championships Committee.

31.3.5.2.3 Regional Alignments. All members of a conference shall be placed in the same region for
evaluation purposes, unless the Championships Committee has granted an exception. Members of those
conferences granted an exception shall be placed in their natural geographical regions for evaluation pur-
poses.

31.3.6 Institution Trademarks. Participation in a National Collegiate Championship constitutes acquies-
cence by the member institution that the Association may use the institution's name, mascot and other identifying
marks in championship-related activities, including television, promotion, licensing and merchandising programs
incident to the championship. Revenues derived from such activities, less expenses, will be remitted to the member
institution. (Revised: 11/3/93)

31.4 FINANCIAL ADMINISTRATION OF CHAMPIONSHIPS

31.4.1 Host Institution's Responsibility. The host institution shall administer the finances of an NCAA
championship in accordance with this bylaw and consistent with the institution's championship budget, as sub-
mitted to and approved by the governing sports committee and the Championships Committee.

31.4.1.1 Institution’s Financial Report. A financial report from each championship site shall be submitted
to the NCAA president not later than 60 days after the conclusion of the competition and shall bear certification
of the athletics director of the host institution. The report shall be submitted on a form approved and provided
by the NCAA president.

31.4.1.1.1 Exclusions. A host institution or sponsoring agency shall not include, in its financial report

NCAA;
(c) Program sales and advertising;

31.4.2.1 Exclusions. Income from concessions and parking shall accrue to the host institution or sponsoring

ing items on behalf of an outside agency under contract with the NCAA shall accrue to the host institution.
31.4.2.2 **Waiver.** Any waiver of the policies for the gross receipts of championships shall be approved in advance by the Championships Committee.

31.4.3 **Game Expenses.** Game expenses are the actual costs directly related to the administration and conduct of the championship, including specifically the costs for tickets (printing, selling and collecting), sales taxes, ushers, game officials, police, buildings and grounds expenses, printing of related materials, motion pictures of the competition (if authorized by the Championships Committee), reasonable entertainment, expenses of selection committees authorized by the governing sports committee and any other out-of-pocket expense directly related to the administration and conduct of the championship. *(Revised: 12/2/90)*

31.4.3.1 **Exclusions.** The following items shall not be included as game expenses:

(b) A fee or honorarium for athletics department staff members of the host institution (e.g., athletics director, assistant athletics director, business manager, ticket manager, coach, sports information director or athletic trainer). *(Note: Such a payment could be made from the host institution's share of net receipts.)*

31.4.3.2 **Waiver.** Any waiver of the policies for game expenses shall be approved in advance by the Championships Committee.

31.4.4 **Institutional Allowance.** The host institution may share in the balance remaining after game expenses are deducted from the gross receipts. 31.4.4.1 **Permissible Allowances.** The amount of institutional allowance varies with the sport, the level of championships competition, whether there is a common site for men's and women's championships and whether an institution's facilities are used. The permissible institutional allowances (from balance of gross receipts after deduction of game expenses) are as follows: *(Revised: 5/1/89, 5/1/96)*

2. For championships conducted at off-campus facilities, hosts may deduct the permissible allowance or a maximum of 10 percent of gross receipts after deduction of game expenses, on the recommendation of the sport committee and approval of the Championships Committee.

3. Amount is doubled for common-site men's and women's championships.

31.4.4.2 **Restrictions.** The following restrictions apply to allowances to host institutions:

(a) If an institution's department of intercollegiate athletics must pay a rental fee for the use of an on-campus facility, such fee shall be deducted from the institution's share of the net receipts or allowance; and

(b) No other sum from the receipts of an NCAA championship, or from any other source, shall be paid to the college or university sponsoring or acting as host of the NCAA championship except to cover actual and necessary expenses directly incurred in the conduct of the championship as noted in 31.4.3.

31.4.6 **Transportation and Per Diem Expenses.** Subject to the availability of funds, the Association may pay transportation and per diem expenses incurred by teams and individual competitors in NCAA championships competition. Transportation expenses and per diem allowances for the official traveling parties of competing institutions in Division III and national collegiate team championships and individual-team championships shall be determined and provided in accordance with policies and procedures established by the Championships Committee. On an annual basis, the Championships Committee shall determine and announce to the membership the percentage of transportation expense and the per diem allowance to be paid in each championship for the next academic year. *(Revised: 4/17/07)*

31.4.7 **Net Receipts.** After payment of game and administrative expenses for each championship, the NCAA president shall place the remaining money in the general operating fund of the Association to be used to cover other expenses of the Association and to be apportioned among member institutions, as directed by the Championships Committee. *(Revised: 8/14/90)*
31.4.8 Distribution of Forfeited Receipts. An institution may be obligated to return its share of the revenue distribution for permitting an ineligible student-athlete to participate in the championship (see Bylaw 31.2.2.4). If so, such funds shall be distributed among other member institutions according to a formula prescribed by the Championships Committee. (Revised: 8/14/90)

31.6 RIGHTS TO NCAA PROPERTIES AND MARKETING RESTRICTIONS

31.6.1 Names and Marks. The NCAA will prosecute infringement of identical or confusingly similar marks. (a) Any merchandise or material bearing any name, logo, trademarks or service marks of the Association that is to be sold or distributed at an event sponsored or administered by the Association must have the prior approval of the president before being sold or distributed. No such merchandise or material shall be sold or distributed by anyone except as designated by the NCAA. The host institution may sell merchandise that features an institutional mark or logo at NCAA competition only if it has guaranteed a sellout of the NCAA merchandise at the site of the competition and has agreed to provide the NCAA championship 25 percent of gross sales (after sales taxes) of all non-NCAA championship merchandise. The quantity of NCAA merchandise sent to the site shall have the prior approval of the NCAA president and shall not be less than a comparable shipment to a comparable site of the previous year's championship. (Revised: 12/4/89)

(b) The NCAA owns the rights to all concession items other than food or drink sold at such events. Any merchandise or material to be sold at such events must have prior approval of the NCAA president, and any unapproved material shall be barred from the premises. If the championship facility has prior contractual commitments with outside vendors, the NCAA will endeavor to work with such vendors to advance the policies of the Association in the sale of concession items as herein stated.

(c) The NCAA may authorize others, including the host institution or the coaches organization for the sport involved in the particular event, to sell and distribute concession items.

(d) Income payable to the NCAA from the sale of concession items other than food and drink at such events shall be included in the gross receipts of the championship.

(e) No alcoholic beverages shall be sold or dispensed for public consumption at any event sponsored by or administered by the Association.

31.6.3 Programs. The Association reserves the right to publish and sell any program sold or distributed for an NCAA championship. It may award such rights for any championship to another party or agency, provided it retains the right to review and approve the content of all programs to be sold or distributed and provided it shall receive a guaranteed amount or predetermined percentage of program receipts. All financial arrangements for official programs produced by the host institution or sponsoring agency shall be reflected in the proposed budget, and receipts and expenses shall be entered in the financial report of the championship. If the program is produced and sold under contract between the NCAA and an outside agency, income from program advertising or sales shall not be included in the host institution's or sponsoring agency's financial report or percentage of net receipts.

Specific policy decisions under the foregoing are determined by the governing sports committee for the particular championship, subject to the approval of the Championships Committee. Negotiations with respect to the awarding of any such rights shall be conducted by the NCAA president, who shall have authority to determine the specific terms and conditions and to execute contracts for
the award of such rights in behalf of the Association. Inquiries concerning all such rights should be directed to the president at the national office. In accordance with the policies stated herein, the NCAA president shall negotiate with any party interested in such rights when they are available.

31.6.4.2 Marketing, Licensing, Promotional and Public Affairs Initiatives. The NCAA president shall be responsible for the oversight and administration of all marketing, licensing, promotions and public affairs initiatives. The NCAA president shall have the authority to appoint ad hoc advisory groups to provide assistance in developing policies to review any initiative and to provide assistance in addressing emerging issues. In addition, negotiations with respect to awarding merchandising, marketing and licensing rights (including corporate partner rights) shall be conducted by the NCAA president, who shall have the authority to determine the specific terms and conditions and to execute and enforce contracts for the award of such rights on behalf of the Association. The NCAA Executive Committee, at its discretion, may request a detailed accounting of any marketing, licensing, promotional and public affairs initiative that resulted in the awarding of a contract on behalf of the Association. Each division’s presidential administrative group and Management Council may request a report related to any matter handled by the NCAA president under the authority of this legislation. (Adopted: 1/8/01)

Unless otherwise approved by the NCAA, these broadcasts shall not exceed three minutes of action footage of the championship unless broadcast rights have been secured from the Association by payment of a rights fee. The NCAA president shall be authorized to interpret and apply these provisions as necessary.

administered, or investigatory action or proceeding, including those brought by the Association, provided all of the following conditions are met: *(Adopted: 1/14/02)*

(a) The individual requesting defense and indemnification is being named as a party or subpoenaed to be deposed or to give evidence by reason of the fact that the individual is or was an employee, committee member, or agent of the Association or is or was serving at the request of the Association as a director, officer, employee, or agent of another association, corporation, partnership, joint venture, trust, or other enterprise;

(b) The individual is determined to have been acting within the scope of the individual’s duties to the Association;

(c) The individual is determined to have been acting in good faith and in a manner the individual reasonably believed to be in or not opposed to the best interests of the Association in the performance of the individual’s duties to the Association. In respect to any alleged criminal action or proceeding, the individual also must be determined to have had no reasonable cause to believe the alleged conduct was unlawful; *(Adopted: 1/14/02)*

**31.7.3.1.3 Termination of Action or Proceeding.** The termination of any action or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption in regard to these determinations. However, if an individual is adjudged to be liable for negligence or misconduct in the performance of the individual’s duty to the Association, there shall be no indemnification unless and only to the extent that the court in which such action or suit was brought shall determine that, despite the adjudication of liability but in view of all circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper. *(Adopted: 1/14/02)*

**31.7.3.2 Insurance.** The Association may purchase and maintain insurance on behalf of any individual who is or was an employee, committee member, or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee, or agent of another association, corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against the individual and incurred by the individual in any such capacity or arising out of the individual’s status as such, whether or not the Association would have the power to indemnify the individual against such liability under the provisions of Bylaw 31.7.3. *(Adopted: 1/14/02)*

**31.7.3.3 Definition of Indemnification.** For purposes of this bylaw, indemnification shall consist of payment against expenses (including attorney’s fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by the individual in connection with such action or proceeding. *(Adopted: 1/14/02)*

**31.7.4 Insurance.**

**31.7.4.1 Primary Liability.** Host institutions and sponsoring agencies of NCAA championships shall have in place primary comprehensive general public liability insurance coverage with combined single limits of at least
$1 million per occurrence for bodily injury and property damage and shall provide the national office with the appropriate insurance certificates unless statutes of the state in which the host institution or sponsoring agency is located provide a lesser maximum recovery limit and documentation of that statute is on file at the NCAA national office. (Revised: 12/2/90)

31.7.4.2 Injury, Death and Dismemberment. Basic athletics-injury, catastrophic-injury, and accidental death and dismemberment insurance for participants in NCAA championships shall be provided by the Association.

31.8 PERSONNEL

31.8.1 Employment. In accordance with Constitution 4.1.2-(b), the NCAA president is authorized to employ such persons as may be necessary to conduct efficiently the business of the Association. The NCAA president may employ as many nonadministrative personnel as may be necessary.

31.8.1.1 Affirmative Action. In the selection of personnel for appointment, the policies and procedures of the Association's affirmative-action program, as approved by the Executive Committee, shall be followed.

32.1 COMMITTEE ON INFRACTIONS—SPECIAL OPERATING RULES

32.1.1 Confidentiality. The Committee on Infractions, the Infractions Appeals Committee and the enforcement staff shall treat all cases before them as confidential, until they have been announced in accordance with the prescribed procedures. In addition, an institution and any individual subject to NCAA rules involved in a case shall treat that case under inquiry by the enforcement staff as confidential until the case has been announced in accordance with prescribed procedures. (Revised: 1/11/94, 1/12/04, 1/11/08)

32.1.2 Public Announcements. The enforcement staff shall not confirm or deny the existence of an infractions case before complete resolution of the case through normal NCAA enforcement and hearing procedures. However, if the involved institution or any person involved in the case (e.g., involved individual, representative of the institution’s athletics interests, interviewee) makes information concerning a case public, the involved institution, enforcement staff and the involved person may confirm, correct or deny the information made public. (Revised: 1/12/04, 1/11/08)

32.1.3 Conflict of Interest. Any member of the Committee on Infractions or the Infractions Appeals Committee shall neither appear at the hearing nor participate on the committee when the member is directly connected with an institution under investigation or has a personal, professional or institutional affiliation that reasonably would result in the appearance of prejudice. It is the responsibility of the committee member or members of the Infractions Appeals Committee per Bylaw 19.2 to remove himself or herself if a conflict exists. Objections to the participation of a committee member or the Infractions Appeals Committee member per Bylaw 19.2 should be raised as soon as recognized, but will not be considered unless raised at least one week in advance of the affected hearing. (Revised: 1/16/93, 1/11/94, 1/12/04)

32.1.4 Cooperative Principle. The cooperative principle imposes an affirmative obligation on each institution to assist the enforcement staff in developing full information to determine whether a possible violation of NCAA legislation has occurred and the details thereof. An important element of the cooperative principle requires that all individuals who are subject to NCAA rules protect the integrity of the investigation. A failure to do so may be a violation of the principles of ethical conduct. The enforcement staff will usually share information with the institution during an investigation; however, it is understood that the staff, to protect the integrity of the investigation, may not in all instances be able to share information with the institution. (Adopted: 1/8/05)

32.1.5 Definition of Involved Individual. Involved individuals are former or current student-athletes and former or current institutional staff members who have received notice of significant involvement in alleged violations through the notice of allegations or summary disposition process. (Adopted: 1/12/04, Revised: 4/17/07)

32.2 PRELIMINARY REVIEW OF INFORMATION

32.2.1 Enforcement Staff to Receive Complaints and Conduct Investigations. It is the responsibility of the enforcement staff to conduct investigations relative to a member institution’s failure to comply with NCAA legislation or to meet the conditions and obligations of membership. Information that an institution failed to meet these obligations shall be provided to the enforcement staff and, if received by the Committee on Infractions or NCAA president, will be channeled to the enforcement staff. (Revised: 1/12/04)

32.2.1.1 Staff Initiation of Investigation. The enforcement staff may initiate an investigation on its own motion when it receives information that an institution is, has been, or may have been in violation of NCAA legislation. (Revised: 1/12/04, 4/11/06)
32.2.1.2 Self-Disclosure by an Institution. Self-disclosure shall be considered in establishing penalties, and, if an institution uncovers a violation before its being reported to the NCAA and/or its conference, such disclosure shall be considered as a mitigating factor in determining the penalty. (Revised: 10/12/94)

32.2.2 Investigative Guidelines. The Committee on Infractions shall provide general guidance to the enforcement staff through approved and established investigative and procedural guidelines.

32.2.2.1 Initial Enforcement Staff Responsibilities. The enforcement staff is responsible for evaluating information reported to the NCAA staff to determine whether the possible violation should be handled by correspondence with the involved institution or its conference, or whether the enforcement staff should conduct its own in-person inquiries.

32.2.2.1.1 Basic Information Gathering. The enforcement staff has a responsibility to gather basic information regarding possible violations and, in doing so, may contact individuals to solicit information. If information indicating a potential NCAA violation believed to be reliable is developed, the procedures provided in Bylaw 32.5 (Notice of Inquiry) are undertaken. (Revised: 1/12/04)

32.2.2.1.2 Identification of Major/Secondary Violation. The enforcement staff shall identify information developed by it or self-reported by the member institution involving alleged major or secondary violations (as defined in Bylaw 19.02.2). The staff shall have the discretion to submit information to the Committee on Infractions, or a designated member of the Committee on Infractions, for an initial determination of how that information should be processed. (Adopted: 1/12/04, Revised: 4/11/06)

32.2.2.1.3 Matters Handled by Correspondence. Matters that clearly are secondary in nature should be handled promptly by correspondence with the involved institution. (Revised: 1/12/04)

32.3 INVESTIGATIVE PROCEDURES

32.3.1 Conformance with Procedures. Investigations by the enforcement staff shall be conducted in accordance with the operating policies, procedures and investigative guidelines established by the Committee on Infractions, Management Council and membership in accordance with Bylaw 19.

32.3.1.1 Consultation with Committee. If questions arise concerning investigative procedures during the course of an investigation, the chair (or the full committee, if necessary) may be consulted by the enforcement staff. (Adopted: 1/12/04)

32.3.2 Timely Process. The enforcement staff shall make reasonable efforts to process infractions matters in a timely manner. (Adopted: 1/12/04)

32.3.3 Conflict of Interest. Any enforcement staff member who has or had a personal relationship or institutional affiliation that reasonably would result in the appearance of prejudice should refrain from participating in any manner in the processing of the involved institution’s or individual’s infractions case. (Adopted: 1/12/04)

32.3.4 Interviews with Member Institution. The athletics director or other appropriate official of an institution shall be contacted by the enforcement staff in order to schedule interviews on the institution’s campus with enrolled student-athletes, or other institutional staff members with athletically related responsibilities or oversight, or coaching staff members who are involved in possible violations at the institution. (Revised: 1/12/04)

32.3.4.1 Presence of Institutional Representative During Interview. If an interview with an enrolled student-athlete or athletics department staff member is conducted on the campus of a member institution, an institutional representative(s) (as designated by the institution) will be permitted to be present during the interview, provided the subject matter to be discussed in the interview relates directly to the individual’s institution or could affect the individual’s eligibility or employment at the institution. If the investigator wishes to discuss information with a student-athlete or staff member that is related solely to institutions other than the one in which the student-athlete is enrolled or staff member is employed and would not reasonably affect the student’s eligibility or the staff member’s employment, the institutional representative shall not be present during that portion of the interview. In such a situation (after the institutional representative has departed), any information inadvertently reported by the student-athlete or the staff member that is related to his or her own institution shall not be used against the student-athlete, staff member or that institution. (Revised: 1/12/04)

32.3.4.2 Conflict with Academic Schedule. If possible, interviews should be conducted without disrupting the normally scheduled academic activities of the student-athlete. (Revised: 1/12/04)

32.3.5 Proper Identification of NCAA Staff Member. In no case shall an enforcement staff member misrepresent the staff member’s identity or title.

32.3.6 Representation by Legal Counsel. When an enforcement staff member conducts an interview that may develop information detrimental to the interests of the individual being questioned, that individual may be represented by personal legal counsel throughout the interview.

32.3.7 Notice Requirements.

32.3.7.1 Disclosure of Purpose of Interview. When an enforcement staff representative requests information that could be detrimental to the interests of the student-athlete or institutional employee being interviewed, that individual shall be advised that the purpose of the interview is to determine whether the individual has
knowledge of or has been involved directly or indirectly in any violation of NCAA legislation. (Revised: 1/12/04, 4/11/06)

32.3.8 Limited Immunity. At the request of the enforcement staff, the Committee on Infractions may grant limited immunity to a student-athlete who provides information when such individual otherwise might be declared ineligible for intercollegiate competition based on the information that he or she reports and an institutional employee with responsibilities related to athletics when such an individual otherwise would be subject to disciplinary action as described in Bylaws 19.5.1-(c) and 19.5.2.2-(l) based on the information that individual reports. Such immunity shall not apply to the individual’s involvement in violations of NCAA legislation not reported or to future involvement in violations of NCAA legislation by the individual or to any actions that an institution imposes. In any case, such immunity shall not be granted unless the individual provides information not otherwise available to the enforcement staff. (Revised: 10/12/94, 1/12/04)

32.3.9 Interview Record. (Revised: 8/2/91, 10/12/94)

32.3.9.1 Recordings. It is preferable that an interview conducted by the enforcement staff be recorded through the use of a mechanical device. If an interviewee objects to be recorded, however, or the enforcement staff believes the use of a recording device would have an inhibiting effect on the interviewee, a summary of the information reported shall be prepared per Bylaw 32.3.9.2. (Adopted: 1/6/96, Revised: 1/12/04, 4/11/06, 7/24/07)

32.3.9.1.1 Access to Recordings and Transcripts. Both the enforcement staff and the interviewee may record the interview or the interviewee may receive a copy of the recording and if prepared by the enforcement staff, the interview transcript, subject to the confidentiality provisions of Bylaws 32.3.9.1.4 and 32.3.9.2.1. Copies of recorded interview summaries and any report prepared by the enforcement staff are confidential and shall only be provided to interviewees (and their institutions) except as set forth in Bylaws 32.3.9.2 and 32.6.4. (Adopted: 1/6/96, Revised: 1/12/04, 4/11/06, 7/24/07, 7/21/08)

32.3.9.1.2 Institutional Recording of an Interview—Access to Recordings and Transcripts. Interviews conducted in accordance with Bylaw 32.3.4.1 or jointly with the enforcement staff at any location, may be recorded by the institution under inquiry. If the institution is unable or chooses not to record such an interview, the institution may receive a copy of the enforcement staff’s recording of the interview and/or a copy of the interview transcript if prepared by the enforcement staff. Institutional recordings of NCAA interviews under any other circumstances must be approved by the Committee on Infractions. (Adopted: 10/12/94, Revised: 7/24/07)

32.3.9.1.2.1 Access to Recordings and Transcripts by Conference. For interviews conducted in accordance with Bylaw 32.3.4.1 or jointly by the institution and enforcement staff, and on consent of the institution, a conference may receive a copy of the interview recording and/or transcript, if prepared by the enforcement staff or institution. (Adopted: 1/14/08)

32.3.9.1.3 Use of Court Reporters. Institutional representatives or individuals being interviewed may use a court reporter to transcribe and interview subject to the following conditions. The institution or individual shall: (Adopted: 1/6/96, Revised: 1/12/04)

(a) Pay the court reporter’s fees;
(b) Provide a copy of the transcript to the enforcement staff at no charge; and
(c) Agree that the confidentiality standards of Bylaw 32.3.9.1.4 apply. An institutional representative or individual who chooses to use a court reporter shall submit a written notice of agreement with the required conditions to the enforcement staff prior to the interview. If the enforcement staff chooses to use a court reporter, the NCAA will pay all costs of the reporter. A copy of the transcript prepared by the court reporter for the enforcement staff shall be made available to the institution and the involved individuals. (Adopted: 1/6/96)

32.3.9.1.4 Statement of Confidentiality. Individuals and institutional representatives shall be required to agree not to release recording or interview transcripts to a third party. A statement of confidentiality shall be signed or recorded prior to an interview. Failure to enter into such an agreement would preclude the individual and institutional representative from receiving or transcribing the interview. (Revised: 1/12/04, 4/11/06)

32.3.9.2 Non-Recorded Interviews. When an interview is not recorded or if the recording device malfunctions, the enforcement staff shall prepare a written summary of the information and attempt to obtain a signed affirmation of its accuracy from the interviewee. The interviewee shall be permitted to make additions or corrections to the memorandum before affirming its accuracy. In order to obtain the interviewee’s signature, the enforcement staff may provide a copy of the unsigned summary to the interviewee and his or her counsel. After the summary is signed, the interviewee and his or her counsel may receive a signed copy. Testimony as to
the substance of an unrecorded interview for which a signed affirmation was not obtained may nevertheless be considered by the Committee on Infractions to the extent the committee determines the testimony to be reliable. (Adopted: 1/8/01, Revised: 1/12/04, 8/3/06, 7/21/08)

32.3.9.2.1 Confidentiality of Non-Recorded Interview Documents. Copies of non-recorded interview summaries and any report prepared by the enforcement staff are confidential and shall not be provided to individuals (or their institutions) who may be involved in reporting information during the proceedings of an infractions case except as set forth in Bylaws 32.3.9.2, 32.3.10 and 32.6.4. (Adopted: 1/8/01, Revised: 7/21/08)

32.3.9.3 Handwritten Notes. It shall be permissible for all individuals involved in interviews conducted by the enforcement staff to take handwritten notes of the proceedings. (Adopted: 1/12/04)

32.3.10 Enforcement Staff’s Responsibility to Maintain Case Information. (Adopted: 1/8/01, Revised: 1/12/04, 4/11/06, 1/11/08; for all cases heard by the Committee on Infractions unless not feasible due to security, format or technology issues)

32.3.10.1 Case File. The enforcement staff is responsible for maintaining evidentiary materials involved with an infractions case, including copies of recorded interviews, interview summaries and/or interview transcripts and other evidentiary information. Such materials shall be retained on file at the national office. (Adopted: 1/11/08; for all cases heard by the Committee on Infractions unless not feasible due to security, format or technology issues)

32.3.10.2 Custodial File. The enforcement staff shall make available copies of recorded interviews, interview summaries and/or interview transcripts and other evidentiary information pertinent to an infractions case. The institution and involved individuals may review such information in the national office or through a secure Web-based custodial site in accordance with the provisions of Bylaw 32.6.4. (Adopted: 1/11/08; for all cases heard by the Committee on Infractions unless not feasible due to security, format or technology issues)

32.3.11 Failure to Cooperate. In the event that a representative of a member institution refuses to submit relevant information to the committee or the enforcement staff on request, notice of inquiry may be filed with the institution alleging a violation of the cooperative principles of the NCAA bylaws and enforcement procedures. Institutional representatives and the involved individual may be requested to appear before the committee at the time the allegation is considered. (Revised: 1/12/04)

32.3.12 Meeting With President or Chancellor. The enforcement staff may meet personally with the president or chancellor or a designated representative of the involved institution to discuss the allegations investigated and information developed by the NCAA in a case that has been terminated. (Revised: 1/12/04, 10/3/05)

32.4 PROCESSING INFORMATION FOR SECONDARY VIOLATIONS

32.4.1 Review of Institution or Conference Actions or Penalties In Secondary Cases. If the Committee on Infractions or the enforcement staff, after review of institutional or conference action taken in connection with a rules infraction in secondary cases, concludes that the corrective or punitive measures taken by the institution or conference are sufficient, the committee or the enforcement staff, may accept the self-imposed measures and take no further action. Failure to fully implement the self-imposed measures may subject the institution to further disciplinary action by the NCAA. (Revised: 10/12/94, 1/12/04)

32.4.1.1 Insufficient Actions. If the institutional or conference actions appear to be insufficient, the enforcement staff shall notify the institution of additional penalties in a secondary case. (Revised: 10/12/94, 1/12/04)

32.4.2 Action Taken by Enforcement Staff (Not Institution or Conference). If the enforcement staff, after reviewing the information that has been developed and after consulting with the member institution involved, determines that a secondary violation has occurred, the enforcement staff may determine that no penalty is warranted or impose an appropriate penalty (see Bylaw 19.6.1). (Revised: 1/12/04)

32.4.3 Appeal of Secondary Cases. An institution may appeal penalties imposed by the enforcement staff for a secondary violation by submitting a written notice of appeal to the Committee on Infractions. The committee must receive the written notice of appeal and any supporting information within 30 days of the date the institution receives the enforcement staff’s decision. An institution may request the opportunity to appear in person or through participation in a telephone conference call. If no such request is made, or if the request is denied, the committee will review the institution’s appeal on the basis of the written record. (Adopted: 6/3/05)

32.5 NOTICE OF INQUIRY

32.5.1 Notice to Institution. If the enforcement staff has developed reasonably reliable information indicating that an institution has been in violation of the NCAA legislation that requires further investigation, the enforcement staff shall provide a notice of inquiry in writing to the president or chancellor unless the institution and enforcement staff have agreed to pursue the summary disposition process as set forth in Bylaw 32.7. The notice of inquiry shall advise the president or chancellor that the enforcement staff will engage in an investigation, that the investigation will be conducted under the direction of the vice president for enforcement services and that
members of the enforcement staff if requested, shall meet in person with the president or chancellor to discuss the nature and details of the investigation and the type of charges that appear to be involved. The notice of inquiry shall state that if the investigation develops significant information of a possible major violation, a notice of allegations will be produced in accordance with the provisions of Bylaw 32.6, or, in the alternative, the institution will be notified that the matter has been concluded. To the extent possible, the notice of inquiry also shall contain the following information: (Revised: 1/12/04, 10/3/05, 4/17/07)
(a) The involved sport;
(b) The approximate time period during which the alleged violations occurred;
(c) The identity of the involved individuals;
(d) An approximate time frame for the investigation;
(e) A statement indicating that the institution and involved individuals may be represented by legal counsel at all stages of the proceedings;
(f) A statement requesting that the individuals associated with the institution not discuss the case prior to interviews by the enforcement staff and institution except for reasonable campus communications not intended to impede the investigation of the allegations and except for consultation with legal counsel;
(g) A statement indicating that other facts may be developed during the course of the investigation that may relate to additional violations; and
(h) A statement regarding the obligation of the institution to cooperate in the case.

32.5.1.1 Status Notification within Six Months. The enforcement staff shall inform the involved institution of the general status of the inquiry within six months of the date after the president or chancellor receives the notice of inquiry from the enforcement staff. (Revised: 4/25/03, 10/3/05)

32.5.1.2 Review after One Year. If the inquiry has not been processed to conclusion within one year of the date the president or chancellor receives the notice of inquiry from the enforcement staff, the staff shall review the status of the case with the Committee on Infractions. The committee shall determine whether further investigation is warranted, and its decision shall be forwarded to the involved institution in writing. If the investigation is continued, additional status reports shall be provided to the institution in writing at least every six months thereafter, until the matter is concluded. (Revised: 1/12/04, 10/3/05)

32.5.2 Termination of Investigation. The enforcement staff shall terminate the investigation related to any notice of inquiry in which information is developed that does not appear to be of sufficient substance or reliability to warrant a notice of allegations, it being understood that the committee shall review each such decision. (Revised: 1/12/04)

32.6 NOTICE OF ALLEGATIONS

32.6.1 Notice to President or Chancellor. When the enforcement staff determines that there is sufficient information to warrant, it shall issue a cover letter and notice of allegations to the president or chancellor of the institution involved (with copies to the faculty athletics representative and the athletics director and to the executive officer of the conference of which the institution is a member). (Revised: 1/12/04, 10/3/05)

32.6.1.1 Contents of the Notice of Allegations Cover Letter. The cover letter accompanying each notice of allegations shall: (Adopted: 1/12/04)
(a) Inform the president or chancellor of the matter under inquiry and request the cooperation of the institution in obtaining all the pertinent facts and provide specific information on how to investigate the allegation; (Revised: 10/3/05)
(b) Request the president or chancellor to respond to the allegations and to provide all relevant information that the institution has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the case has been concluded; (Revised: 10/3/05)
(c) Request the president or chancellor and other institutional staff to appear before the committee at a time and place determined by the committee; (Revised: 10/3/05)
(d) Inform the president or chancellor that if the institution fails to appear after having been requested to do so, it may not appeal the committee’s findings of fact and violations, or the resultant penalty; (Revised: 10/3/05)
(e) Direct the institution to provide any involved individual, the opportunity to submit in writing any information the individual desires that is relevant to the allegation in question; and
(f) Inform the president or chancellor that the enforcement staff’s primary investigator in the case will be available to discuss the development of its response and assist in locating various individuals who have, or may have, important information regarding the allegations. (Revised: 10/3/05)

32.6.1.1.1 Enforcement Staff Basis for Allegation. The enforcement staff shall allege a violation when it believes there is sufficient information to conclude that the Committee on Infractions could make a finding. (Revised: 1/12/04)
32.6.1.2 Contents of Notice of Allegations. The notice shall list the NCAA legislation alleged to have been violated, as well as the details of each allegation. (Revised: 1/12/04)

32.6.2 Notice to Involved Individuals. The enforcement staff shall notify involved individuals (as defined in Bylaw 32.1.4) of the allegations in a notice of allegations in which they are named. A copy of the notification shall also be forwarded to the president or chancellor of the current institution of the involved individual. All involved individuals shall submit responses to the Committee on Infractions, and the institution under inquiry shall provide a copy of pertinent portions of its response to each involved individual in the case. Involved individuals who have submitted a response must also share their response with the involved institutions or other involved individuals as necessary. Failure to submit a response may be viewed by the committee as admission that the alleged violations occurred. The enforcement staff shall notify those involved individuals named in the notice of allegations who may be subject to the show-cause requirements as outlined in Bylaw 19.5.2.2 if violations are found in which they are named. (Revised: 1/12/04, 10/3/05, 4/11/06, 7/24/07, 4/16/09)

32.6.3 Statute of Limitations. Allegations included in a notice of allegations shall be limited to possible violations occurring not earlier than four years before the date the notice of inquiry is forwarded to the institution or the date the institution notifies (or, if earlier, should have notified) the enforcement staff of its inquiries into the matter. However, the following shall not be subject to the four-year limitation: (Revised: 10/12/94, 1/12/04)

(a) Allegations involving violations affecting the eligibility of a current student-athlete;
(b) Allegations in a case in which information is developed to indicate a pattern of willful violations on the part of the institution or individual involved, which began before but continued into the four-year period; and
(c) Allegations that indicate a blatant disregard for the Association’s fundamental recruiting, extra-benefit, academic or ethical-conduct regulations or that involve an effort to conceal the occurrence of the violation. In such cases, the enforcement staff shall have a one-year period after the date information concerning the matter becomes available to the NCAA to investigate and submit to the institution a notice of allegations concerning the matter.

32.6.4 Access to Information in Custodial File. The institution and involved individuals shall have reasonable access to all pertinent evidentiary materials as described in Bylaw 32.3.10.2. Such information shall be made available within 30 days from the date the notice of allegations is sent by the enforcement staff to the institution and involved individuals. (Adopted: 1/16/93, Revised: 10/12/94, 1/12/04, 1/11/08; for all cases heard by the Committee on Infractions unless not feasible due to security, format or technology issues)

32.6.4.1 Additions to Custodial File. Additions made to a custodial file more than 30 days after the notice of allegations is sent to the institution and involved individuals shall be limited to exculpatory information and/or new information that could not be reasonably ascertained prior to the date the notice of allegations was sent. The enforcement staff shall notify the institution and involved individuals of the availability of the additional information. (Adopted: 1/11/08; for all cases heard by the Committee on Infractions unless not feasible due to security, format or technology issues)

32.6.5 Deadline for Responses. Any response to the notice of allegations shall be on file with Committee on Infractions, the institution, all involved individuals and the enforcement staff, not later than 90 days from the date of the notice of allegations, unless the committee grants an extension. The enforcement staff may establish a deadline for the submission of responses to any reasonable time within the 90-day period, provided the institution and all involved individuals consent to the expedited deadline. Instructions for Online Manual (Bylaw) Search

The legislation included in this Manual is available online via the NCAA Legislative Services Database for the Internet (LSDBi) at www.ncaa.org. By using LSDBi to search for legislation in the manner a user would typically have used an index, the user is not bound by the limitations associated with a printed index. Due to the NCAA legislative process, the printed Manual cannot serve as a stand-alone publication. The LSDBi Manual is updated throughout the year with any legislative proposals adopted by the NCAA Division III Management Council at one of four scheduled meetings. In addition, the LSDBi Manual is updated throughout the year to reflect any adopted modifications of wording, incorporations of interpretations or editorial revisions. The LSDBi Manual is updated within two weeks following each Management Council meeting. Therefore, the LSDBi Manual includes the most up-to-date legislation available and a mechanism for quickly searching and locating legislation through a variety of user-friendly methods.

In order to access LSDBi from the NCAA homepage, run the mouse over “Legislation and Governance” and click “LSDBi.” On the top menu bar, select “Search,” then select “Legislation.” The information included below provides directions related to using the Manual (Bylaw) search function.

For more information, contact the NCAA Academic and Membership Affairs staff at 317/917-6222.

Manual (Bylaw) Search

The Manual (Bylaw) Search screen is provided to allow the LSDBi user to search the NCAA Division III Manual. To perform a search, enter data into the fields and click on the “Go Search” button. This function will list all bylaws that match the search criteria. The following information will describe each search criteria field and explain its use in detail.

That Reference — This field allows the user to select which manual to search (Division I, II, or III).

— Click on the reminder Icon to set the Division default.

Article # — This field allows the user to select and search any one article or all articles. All matching occurrences of the search terms within the selected article are returned. The default for this field is “all.” Unless the user is searching for a specific bylaw, it is recommended that the default setting be used.

Specified Legislative Cite — This allows the user to input any specific bylaw number. All matching occurrences of the search terms with the selected bylaw and “sub bylaws” are retrieved. For example, if “13.2” is entered, Bylaws 13.2, 13.2.1, 13.2.3, 13.2.3.1 and so forth will be searched and/or retrieved depending on any additional search criteria.

Select the radio button before “Article #” or “Specified Bylaw” to identify which of the two criteria will be used in the search.

Include adopted — Select this check box to include bylaws that are adopted but not yet effective. The box is checked by default. Deselect the box to exclude bylaws that are adopted but not yet effective.

Word List Search Fields — The word list search field allows the user to search for specific words or phrases in the legislation in a similar manner as one would look for specific words or phrases in a printed index. If no words or phrases are included in a blank word list, it will not be used in the search.

The following information provides an explanation of the fields in the search rows:

Word List Usage — The first pull-down list (from the left) has three possible entries:

• At Least One of the Words — If any one of the words in the word list is in the bylaw text or a bylaw title (as specified by the location field explained below), the bylaw will be returned. A space between words in the word list serves as an “or.”

• All of the Words — All of the words in the word list must be in the bylaw text or a bylaw title (as specified by the location field explained below) for the bylaw to be returned. A space between words in the word list serves as an “and.”

• The Phrase — The entire word list must match, verbatim, text in either the bylaw or bylaw title (as specified by the location field explained below) for the bylaw to be returned.

Word List — The text entry field allows the user to enter words to be searched. Multiple words may be entered separated by a space or spaces.
Location — The location pull-down list allows the user to select where the words in keywords field will be searched.

- Text — The word list item(s) must appear in the bylaw text. The title is not searched.
- Title — The word list item(s) must appear in the bylaw title. The text is not searched.
- Both — The word list item(s) must appear in both the bylaw text and bylaw title.
- Either — The word list item(s) may appear in either the bylaw text or bylaw title.

Multiple Word Lists — Multiple word lists can be specified by selecting the “Advanced Search” link in the upper-right corner of the “Legislation Search” title bar. Use the word list operators to combine word lists.

Word List Operator — This field allows the user to specify how the word list usage items will be combined to conduct a search.

- And — Both the word list in the same row and the word list in the row below it must be present for the bylaw to be returned.
- Or — Either the word list in the current row or the word list in the row below it must be present for the bylaw to be returned.

Example:
This example will search the “Division III” Manual within “all” article numbers for the following: The word “member” must appear in the title and either the word “college” or the word “university” must appear in the text and the phrase “four-year” must also appear in the text.

Other Buttons

Use Last Search Values — This button will redisplay the search input page with all of the search criteria from the last search. The user may then make changes and perform another search by clicking on the “Go Search” button.

Reset For New Search — This button will clear all search fields and return the search page to its default settings.
