

Campus Improvement Proposal Form

A campus improvement is an act done by a club to help improve the community we have here at Hilbert College. The act could be improving a small area here on campus, cleaning up a particular area on campus, helping a specific major that Hilbert College offers, and many other possibilities. Some examples that have been done in the past are games were brought in to spruce up the commuter lounge, club funds were donated to help an honor society induction ceremony for one of our majors, and club funds were donated to help with the construction of a possible club trophy case for our club sports' teams.

Name of Club: _____

Projected starting date of Campus Improvement: _____

Projected completion date of Campus Improvement: _____

Briefly describe your club's Campus Improvement Project:

Briefly describe how this Project will benefit the Hilbert College campus and community:

Date Received: _____ SGA President Approval: _____

**Note: Projects are to be completed by the SGA Club Budget Meetings.*
