

Blackboard Collaborate Ultra

Collaborate is a simple, convenient, and reliable web conferencing solution that can be utilized to hold virtual classes via Blackboard. [“Getting Started with Collaborate Ultra for Moderators”](#) assists you with creating your sessions. Prepare for your session by reading the [“Session Best Practices”](#). The following are tutorials on how to use the web conferencing solution:

- [Blackboard Collaborate User Interface Tour](#) (2:14)
- [Attendees](#)
- [Browser Support](#)
- [How to Join Sessions](#) – Phone, course, link or the instructor app.
- [How to Schedule Sessions](#)
 - [Session Settings in Blackboard Collaborate](#) (1:56)
- [Moderating Sessions](#)
 - [Private Chat in Collaborate](#) (1:42)
 - [Polling in Collaborate](#) (1:15)
 - [Closed Captioning in Collaborate](#) (1:00)
 - [Breakout Groups in Collaborate](#) (0:58)
 - [Share Files to Breakout Groups](#) (0:47)
- [Sharing PowerPoint Files in Collaborate](#) (2:18)
- [Accessibility in Collaborate](#)
- [Troubleshooting Collaborate](#)

If you need any assistance that has not been covered above you can view [Blackboard Collaborate Ultra Help](#) or stop down and see me in Bogel 107.

Thank you,
