TO: Hilbert Faculty and Staff

FROM: Mike Sendor Chair, Hilbert College Board of Trustees

At the request of the Hilbert College Board of Trustees, Cynthia Zane has agreed to stay on as President of Hilbert College for six additional months through December 2018. The Board is suspending the search for a new President at this time and intends to resume the search in June with the next President assuming the position in January 2019. The Board believes that this move best meets the needs of the College relative to the search because it will allow us to see the impact on enrollment of a full cycle of the Excelsior and ETA initiatives prior to hiring the next President.
