

Dietary Accommodation Form

To request or receive accommodations for a dietary restriction at Hilbert College, you must submit this form and provide documentation from your health provider regarding your request. Your medical provider cannot be a family member and must be the specialist you are working with in regards to your specific request or need. The documentation should include diagnosis, severity of condition, etc. All paperwork must be received before a request will be reviewed. By submitting this paperwork, you authorize The Director of Academic and Accessibility Services to contact your medical provider and/or college staff if necessary.
