After the Drop/Add period, withdrawals from coursework are subject to the refund schedule published in the college catalog.

CREDITS FOR BOOKS

For those students that will be receiving a refund of excess financial aid against their tuition account, books can be charged against the credit balance in the bookstore beginning January 2, 2019. The last day to make purchases against the credit balance will be January 25, 2019.

ATTENDANCE

Any student who registered for a course **MUST ATTEND** the first class meeting. Failure to do so may permit the department to open the space to another student. The non-attending student must officially drop the course before the drop/add deadline to avoid full tuition charges. Regular attendance throughout the semester is required to remain eligible for Federal and State grants and loans. Unofficial withdrawals (failing all classes) are subject to a recalculation of financial aid awards and may result in financial liability.
