

TO: Members of the Hilbert College Community

FROM: Jill Meyer, Chair, Presidential Search Committee

SUBJECT: Search Update

DATE: August 3, 2018

The search for the next president of Hilbert College is making great progress. Hilbert's Search Consultant, Kate Haley, has been screening and selecting candidates whose background and experience seem especially consistent with the presidential qualities and qualifications established for the search. The Committee has identified candidates who will be invited to confidential preliminary interviews with the search committee. After that round of interviews, the Committee will select a limited number of candidates to later participate in more extensive interviews on campus with a broad range of Hilbert constituents. We will notify you of the specific dates and times of these visits as soon as they are scheduled, possibly early in the Fall semester.

As a Committee, we are very pleased with the quality of the candidate pool and have every reason to believe that our search will successfully conclude on schedule this fall. If you have any questions, please direct them to me in care of Rick Pinkowski (rickp@hilbert.edu), or to Dr. Katherine Haley, our consultant, (khaley@haleyassociates.net).

I also want you to know that when the search resumed, Nancy Dobson and Ted Oexle realized that due to unexpected changes in their work and life responsibilities they could no longer serve on the committee. Fr. Ted Jost has accepted the invitation to serve on the committee as a representative of the Board of Trustees.

Thank you for your continued interest and support in this important effort.
