WHERE DO YOU GO FROM HERE?

Now that you have been admitted to Hilbert College please take the next steps towards enrollment.

SUBMIT THE ENROLLMENT DEPOSIT

The \$100 enrollment deposit reserves your place for the incoming class. [Take the first step towards enrolling, deposit online today!](#) Deposited students begin choosing housing, course registration and orientation on a first-come, first-serve basis.

ADDITIONAL SCHOLARSHIP INFORMATION

Please complete any included scholarship forms in order to verify your scholarship eligibility. Additional scholarship eligibility and requirements can be found online in [scholarships and grants](#).

COMPLETE THE FAFSA APPLICATION

Incoming students are automatically considered for merit scholarships based on credentials, but you must complete the FAFSA to qualify for need-based financial aid. File the Free Application for Federal Student Aid (FAFSA) now at www.fafsa.gov for complete consideration of all grants and loans. New York State residents should complete The New York State Tuition Assistance Program (TAP) at www.hesc.ny.gov.

NET PRICE CALCULATOR

The [Net Price Calculator](#) is intended to provide estimated net price information to prospective students based on family income compared to what similar students paid the previous year. Net price is defined as estimated cost of attendance including tuition and required fees, books and supplies, room and board, and other related expenses — minus estimated grant and scholarship aid.
