*NOTICE: It is important to understand that pre-professional programs are a support program and not an academic major or minor. If you are interested in careers in medicine, dental, nursing, optometry, pharmacy, veterinary, or law, you can choose from a variety of majors to fulfill your academic goals and pre-professional requirements. Through strong curriculum, academic and pre-professional advisement, and valuable hands on experiences the pre-professional programs will help you gain admission to your chosen graduate school.*
