

Hilbert College Campus Hazing Transparency Report

Issued: July 8, 2026

Prepared in Compliance with the Stop Campus Hazing Act (20 U.S.C. §1092(f))

Hilbert College is committed to fostering a safe and inclusive environment for all students and is fully compliant with the Stop Campus Hazing Act (SCHA) and New York State anti-hazing laws. As part of our compliance responsibilities, we are required to issue a Campus Hazing Transparency Report at least twice per year, summarizing any findings of responsibility for hazing violations by student organizations officially recognized by the College.

❖ Reporting Period:

January 1, 2026 – June 30, 2026

❖ Hazing Violation Findings:

For the reporting period above, Hilbert College has not issued any findings of responsibility for hazing violations involving student organizations.

Although Hilbert does not currently host any Greek Life organizations, this report reflects the College's broader commitment to transparency and prevention related to hazing in all recognized student groups, including athletic teams, clubs, and associations.
